

# PART 1

It's been three days now

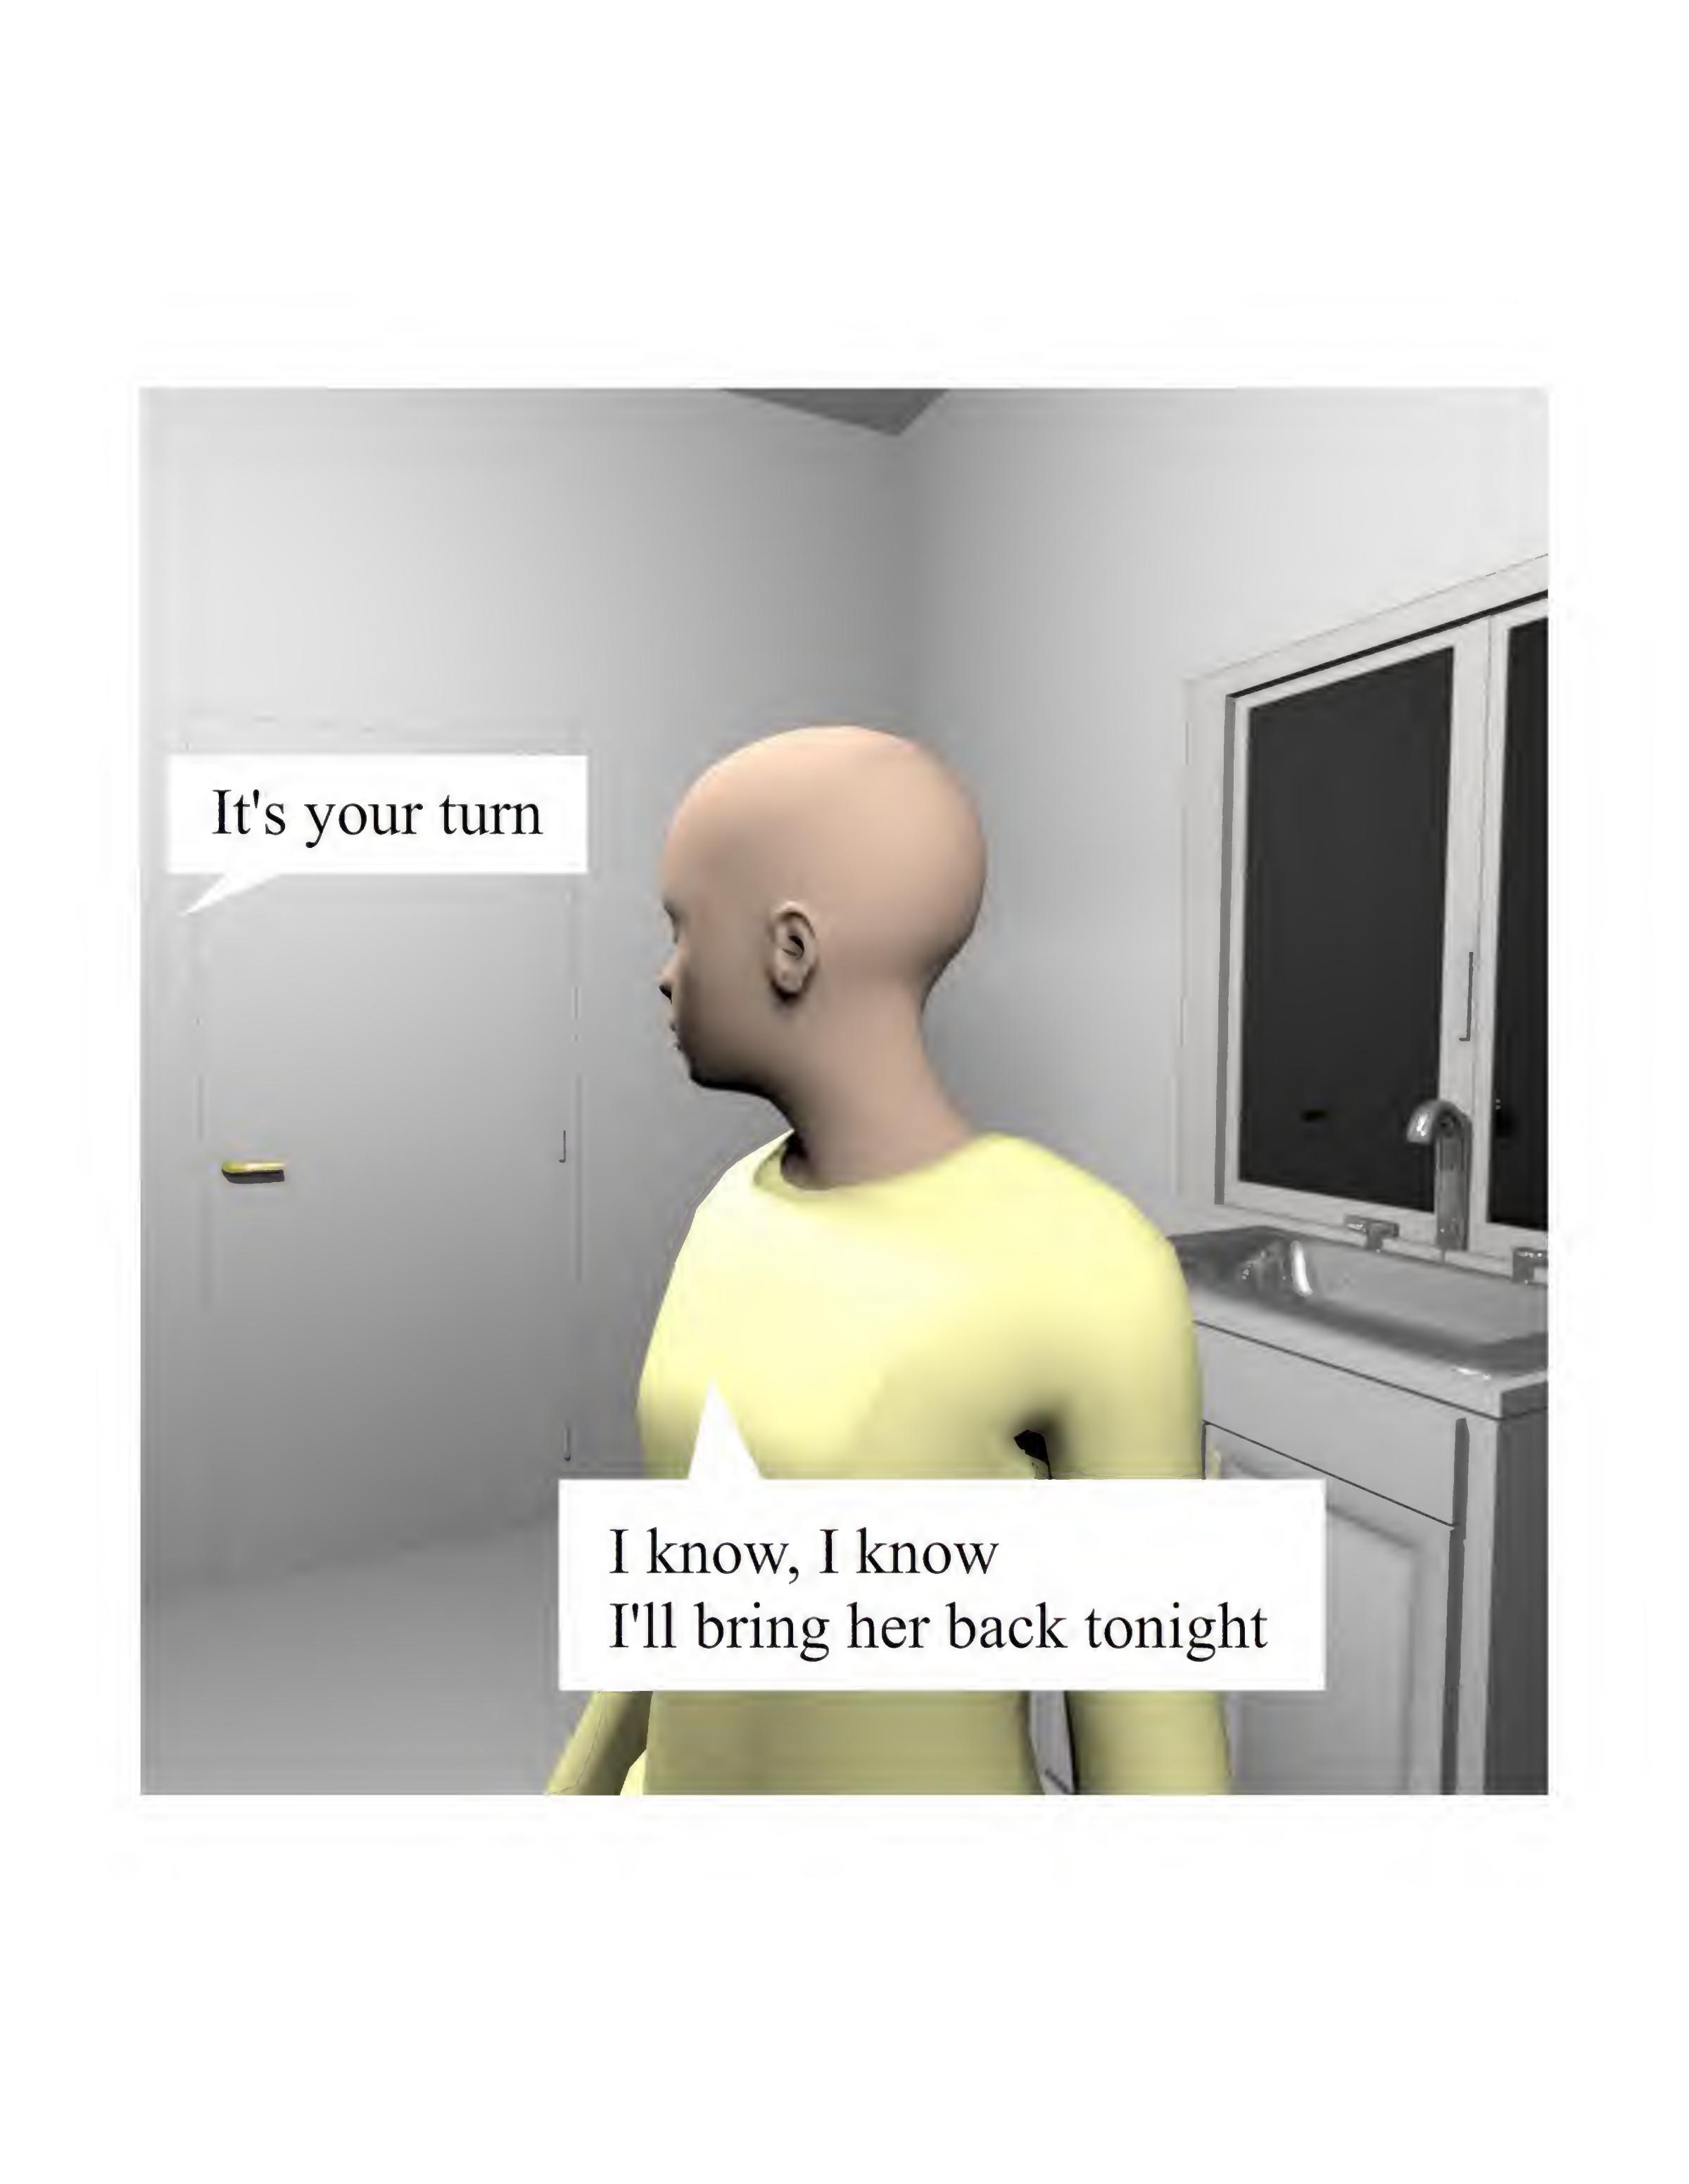

Already? Are you sure?

Yes. I'm sure. She's gotten lost again

A photograph of a man from the side, facing right. He is wearing a bright yellow t-shirt and light-colored pants. He is standing in a doorway, looking into a bathroom. In the bathroom, there is a white sink with a chrome faucet and a dark-framed mirror above it. The walls are light-colored.

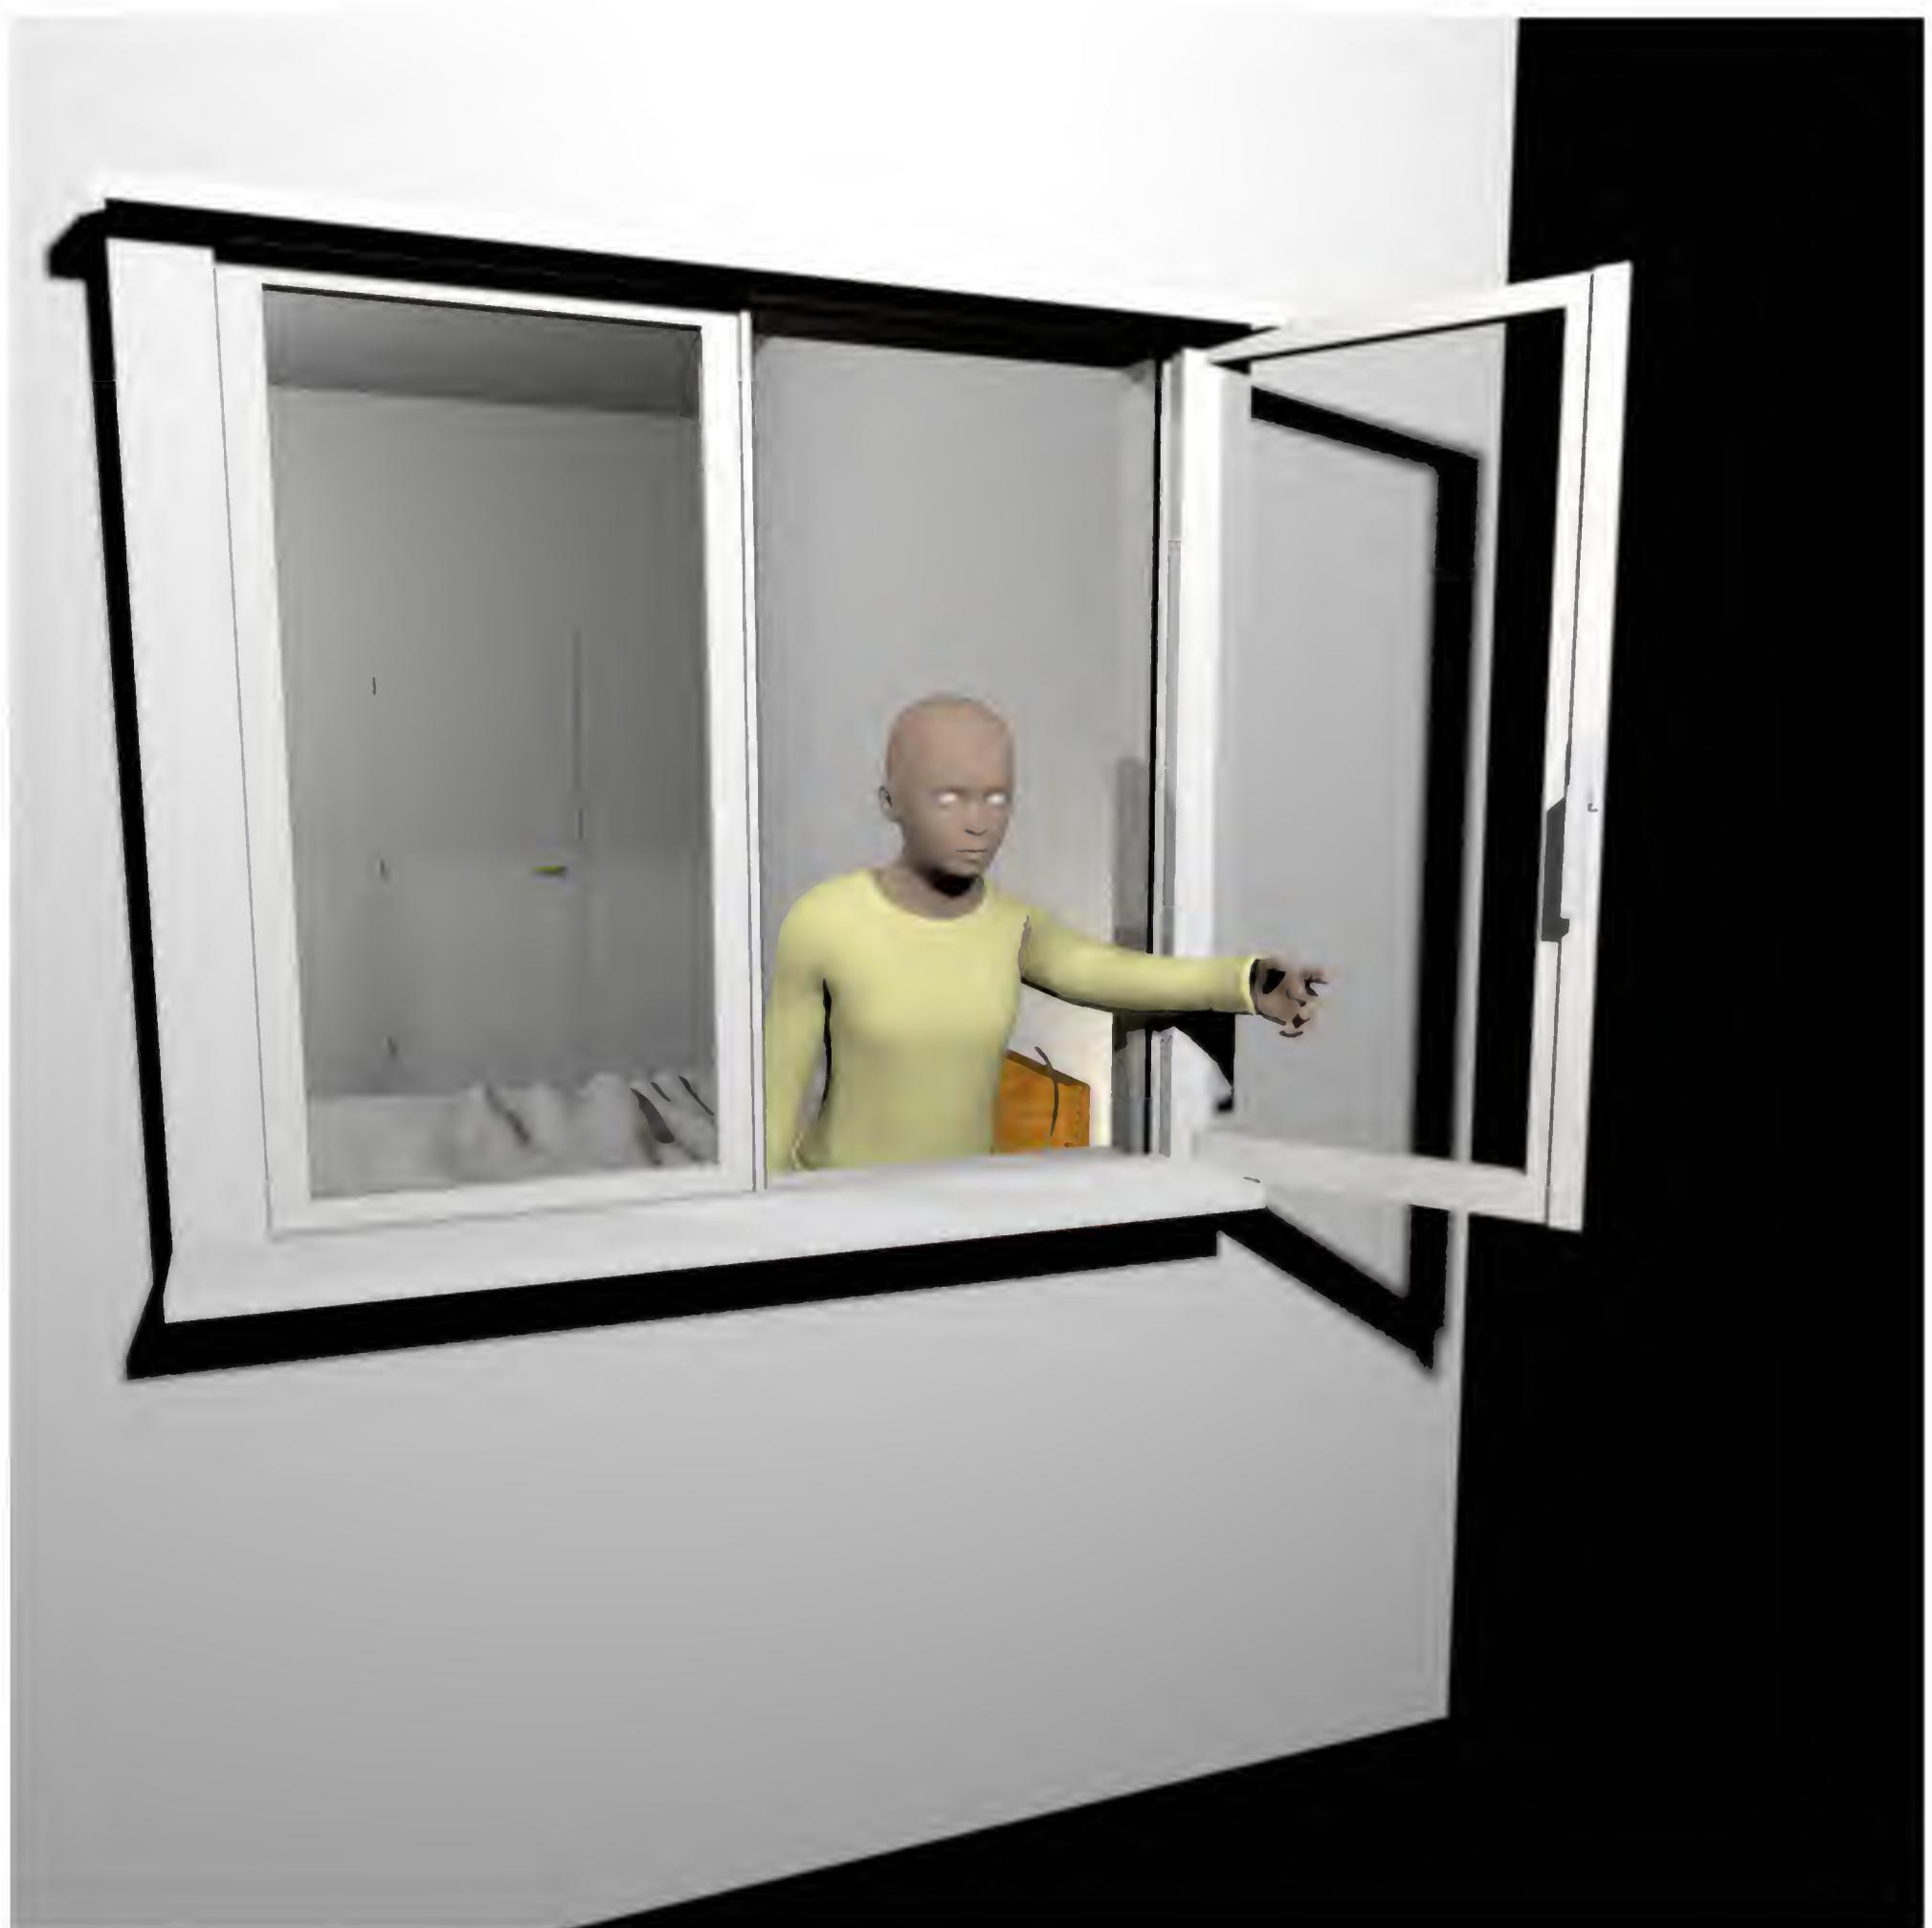

It's your turn

I know, I know  
I'll bring her back tonight

It's easy enough

Just leave the window open

and go to sleep

It's you!  
From TV!

It's time to come home  
You've been out for too long

I get to go with you?  
Into the TV show?  
I hate it here

I'm taking you back to your real home  
You've just forgotten

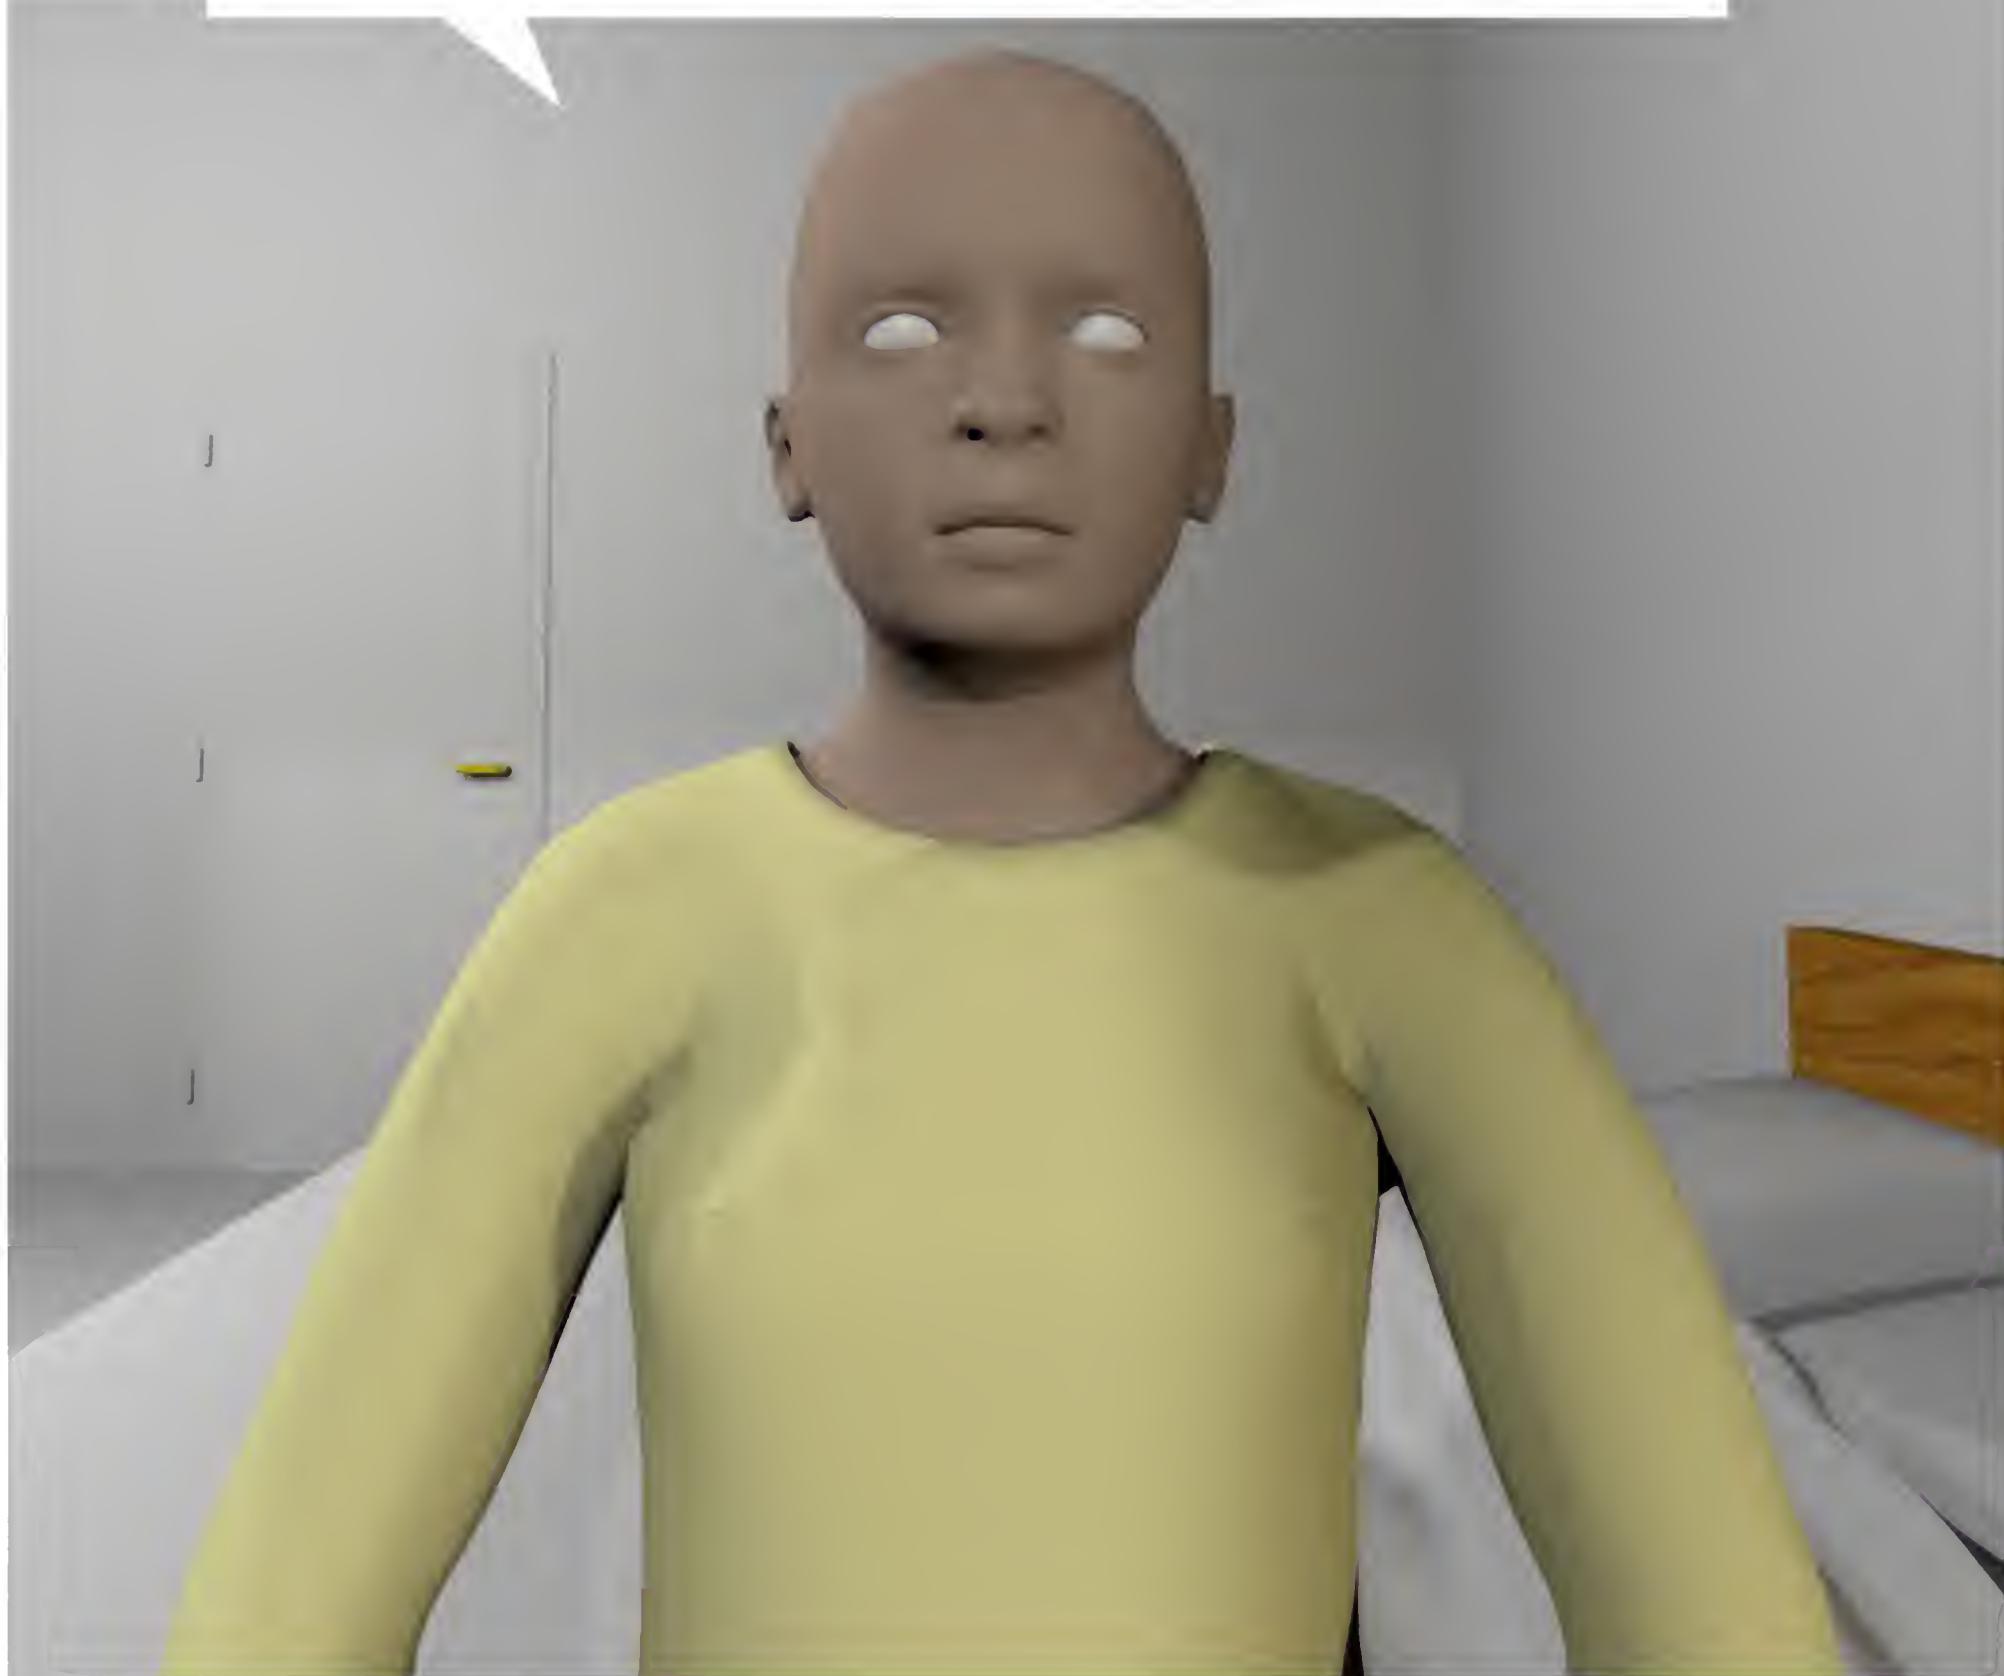

Wait

We're not supposed to stay out so long  
You know that

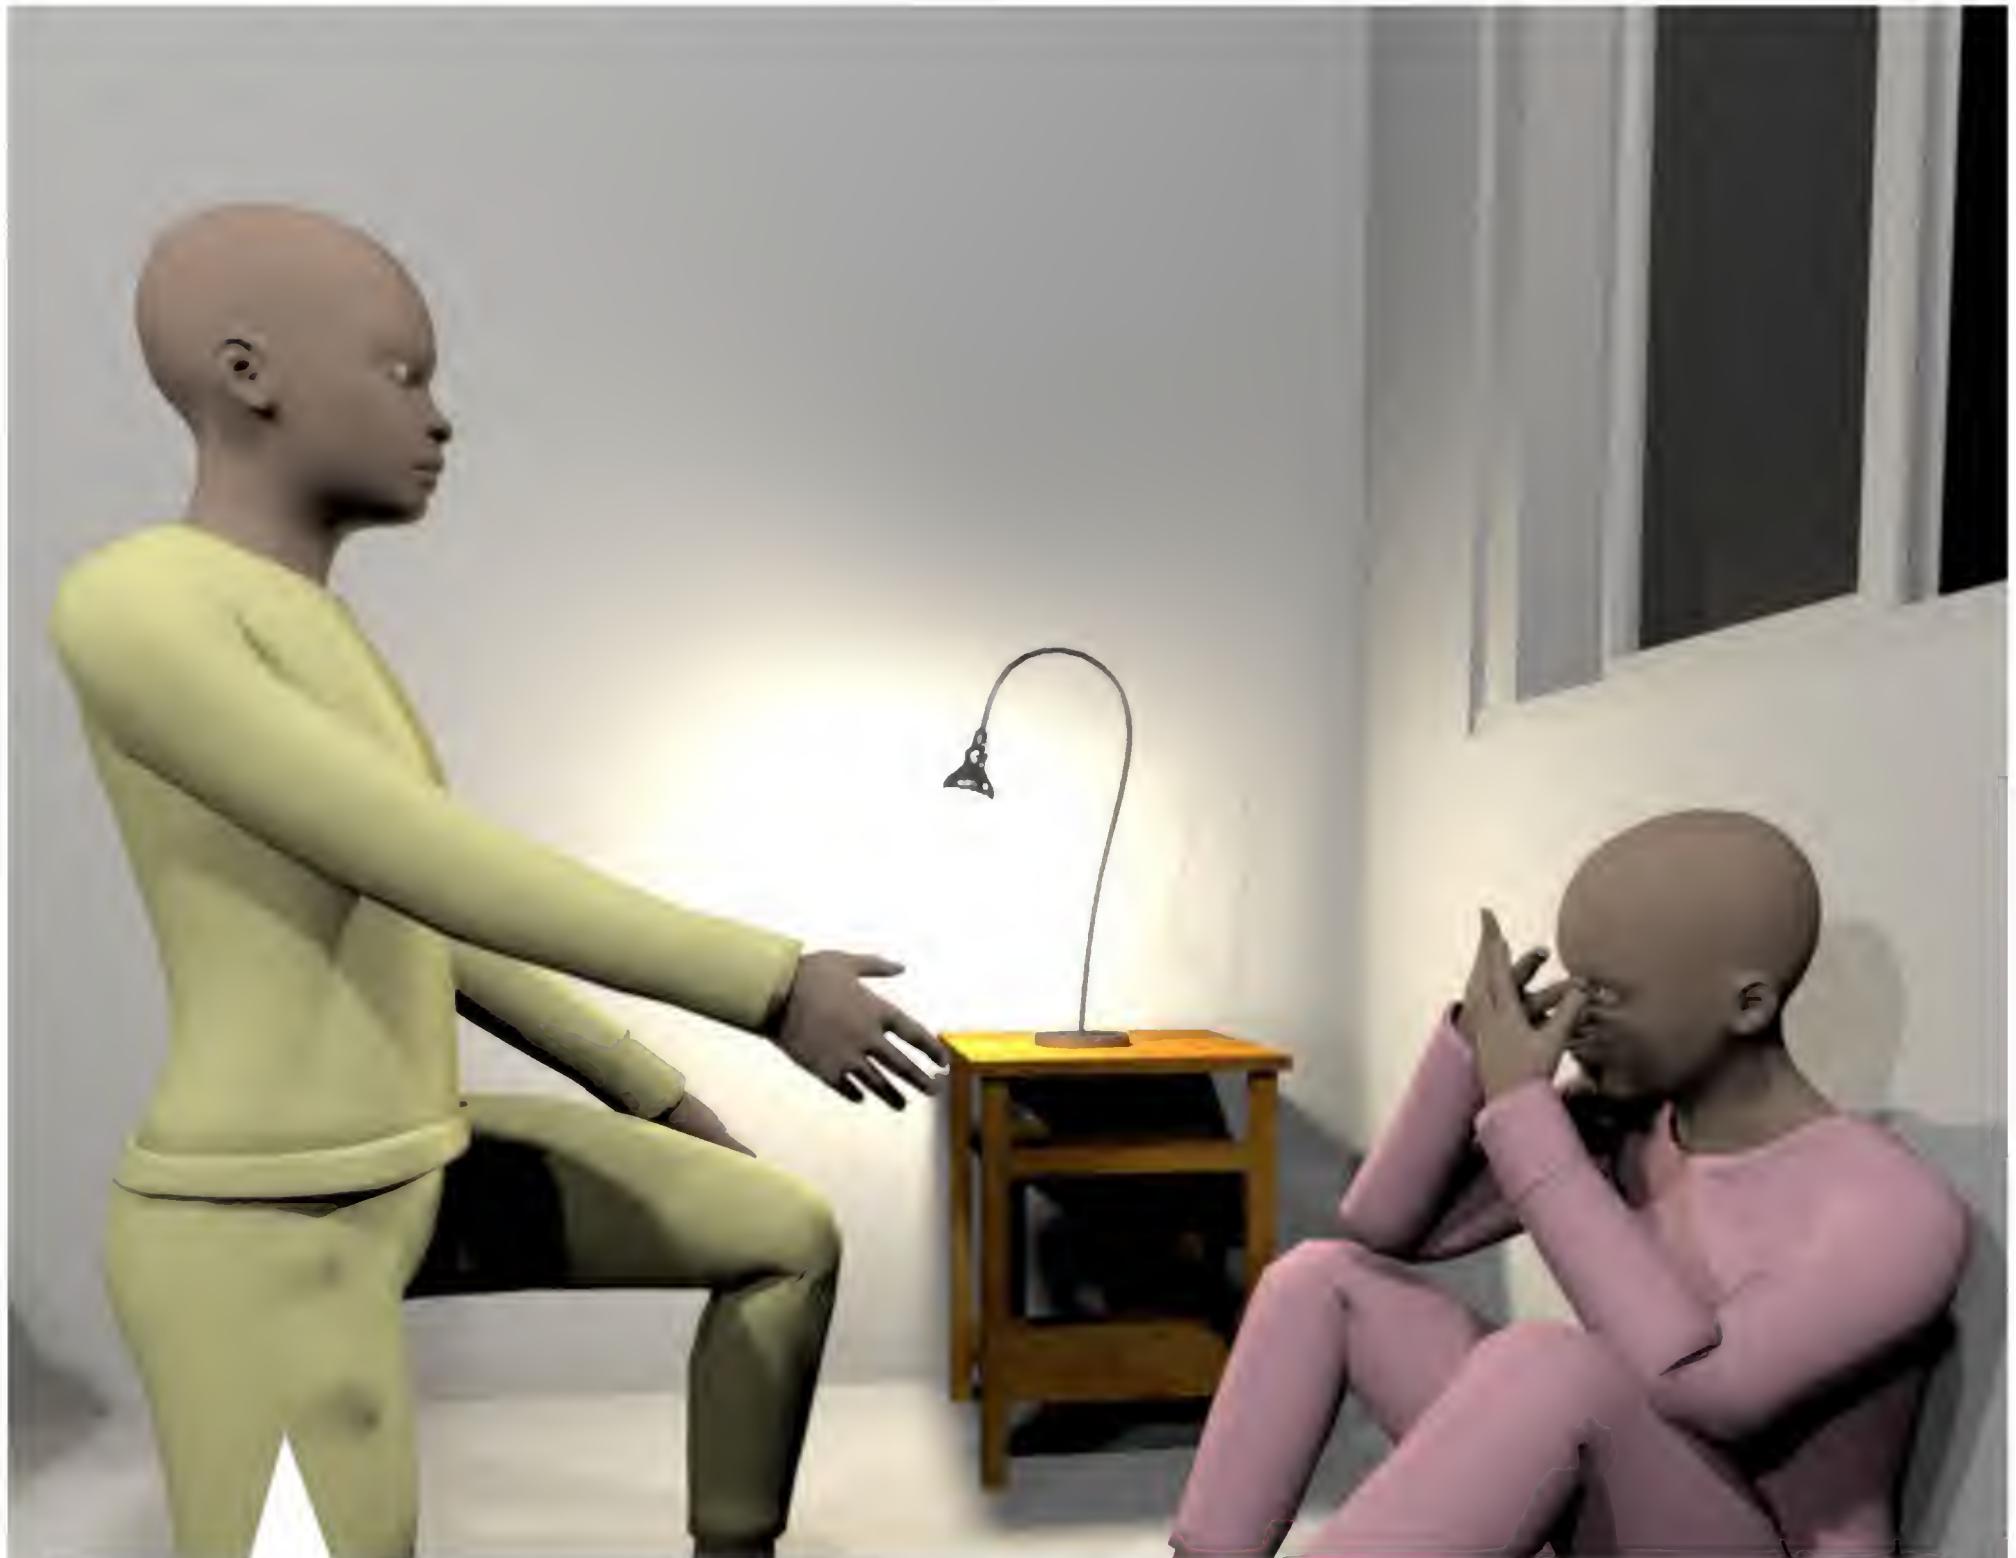

I remember now

A photograph of a man with a shaved head, wearing a pink t-shirt, sitting in a wooden chair. He is holding his hands to his face, looking down. A white speech bubble is positioned above him, containing the text "Not this place Please Not here".

Not this place  
Please  
Not here

You can't stay there. We've all tried. We decided:  
Better to keep remembering than to forget and  
remember and forget over and over again

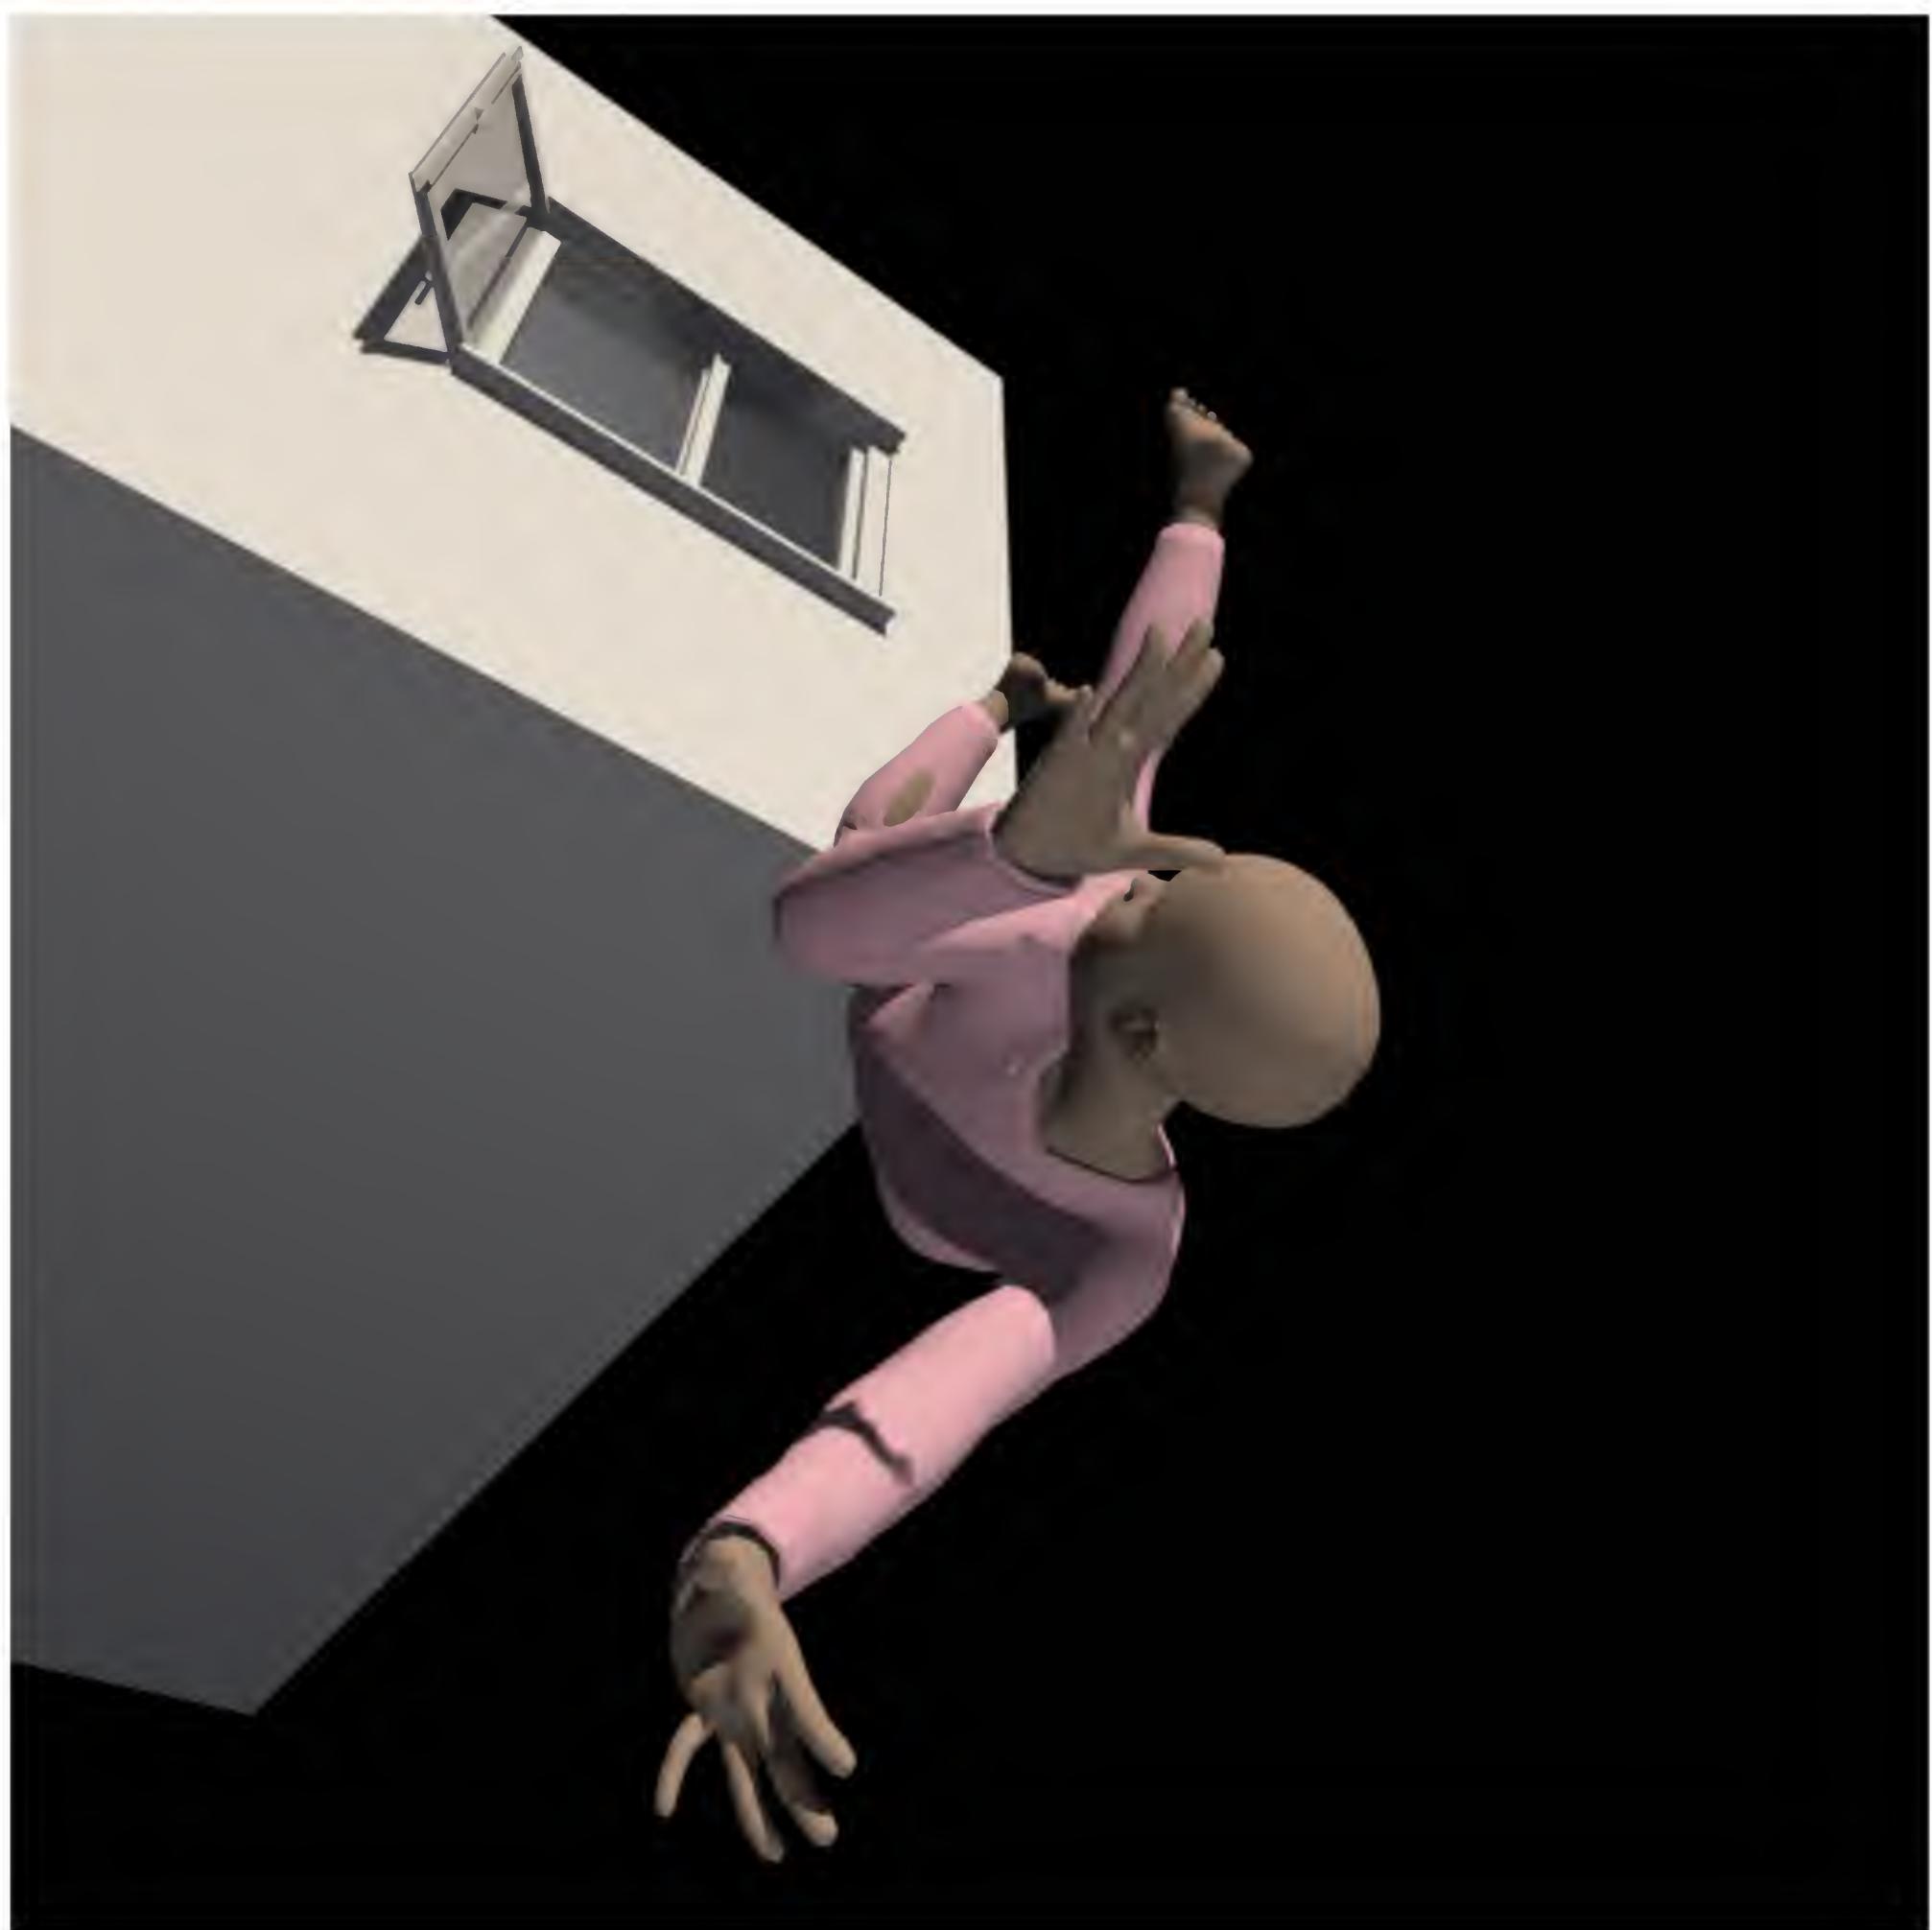

you can't  
just-

# PART 2

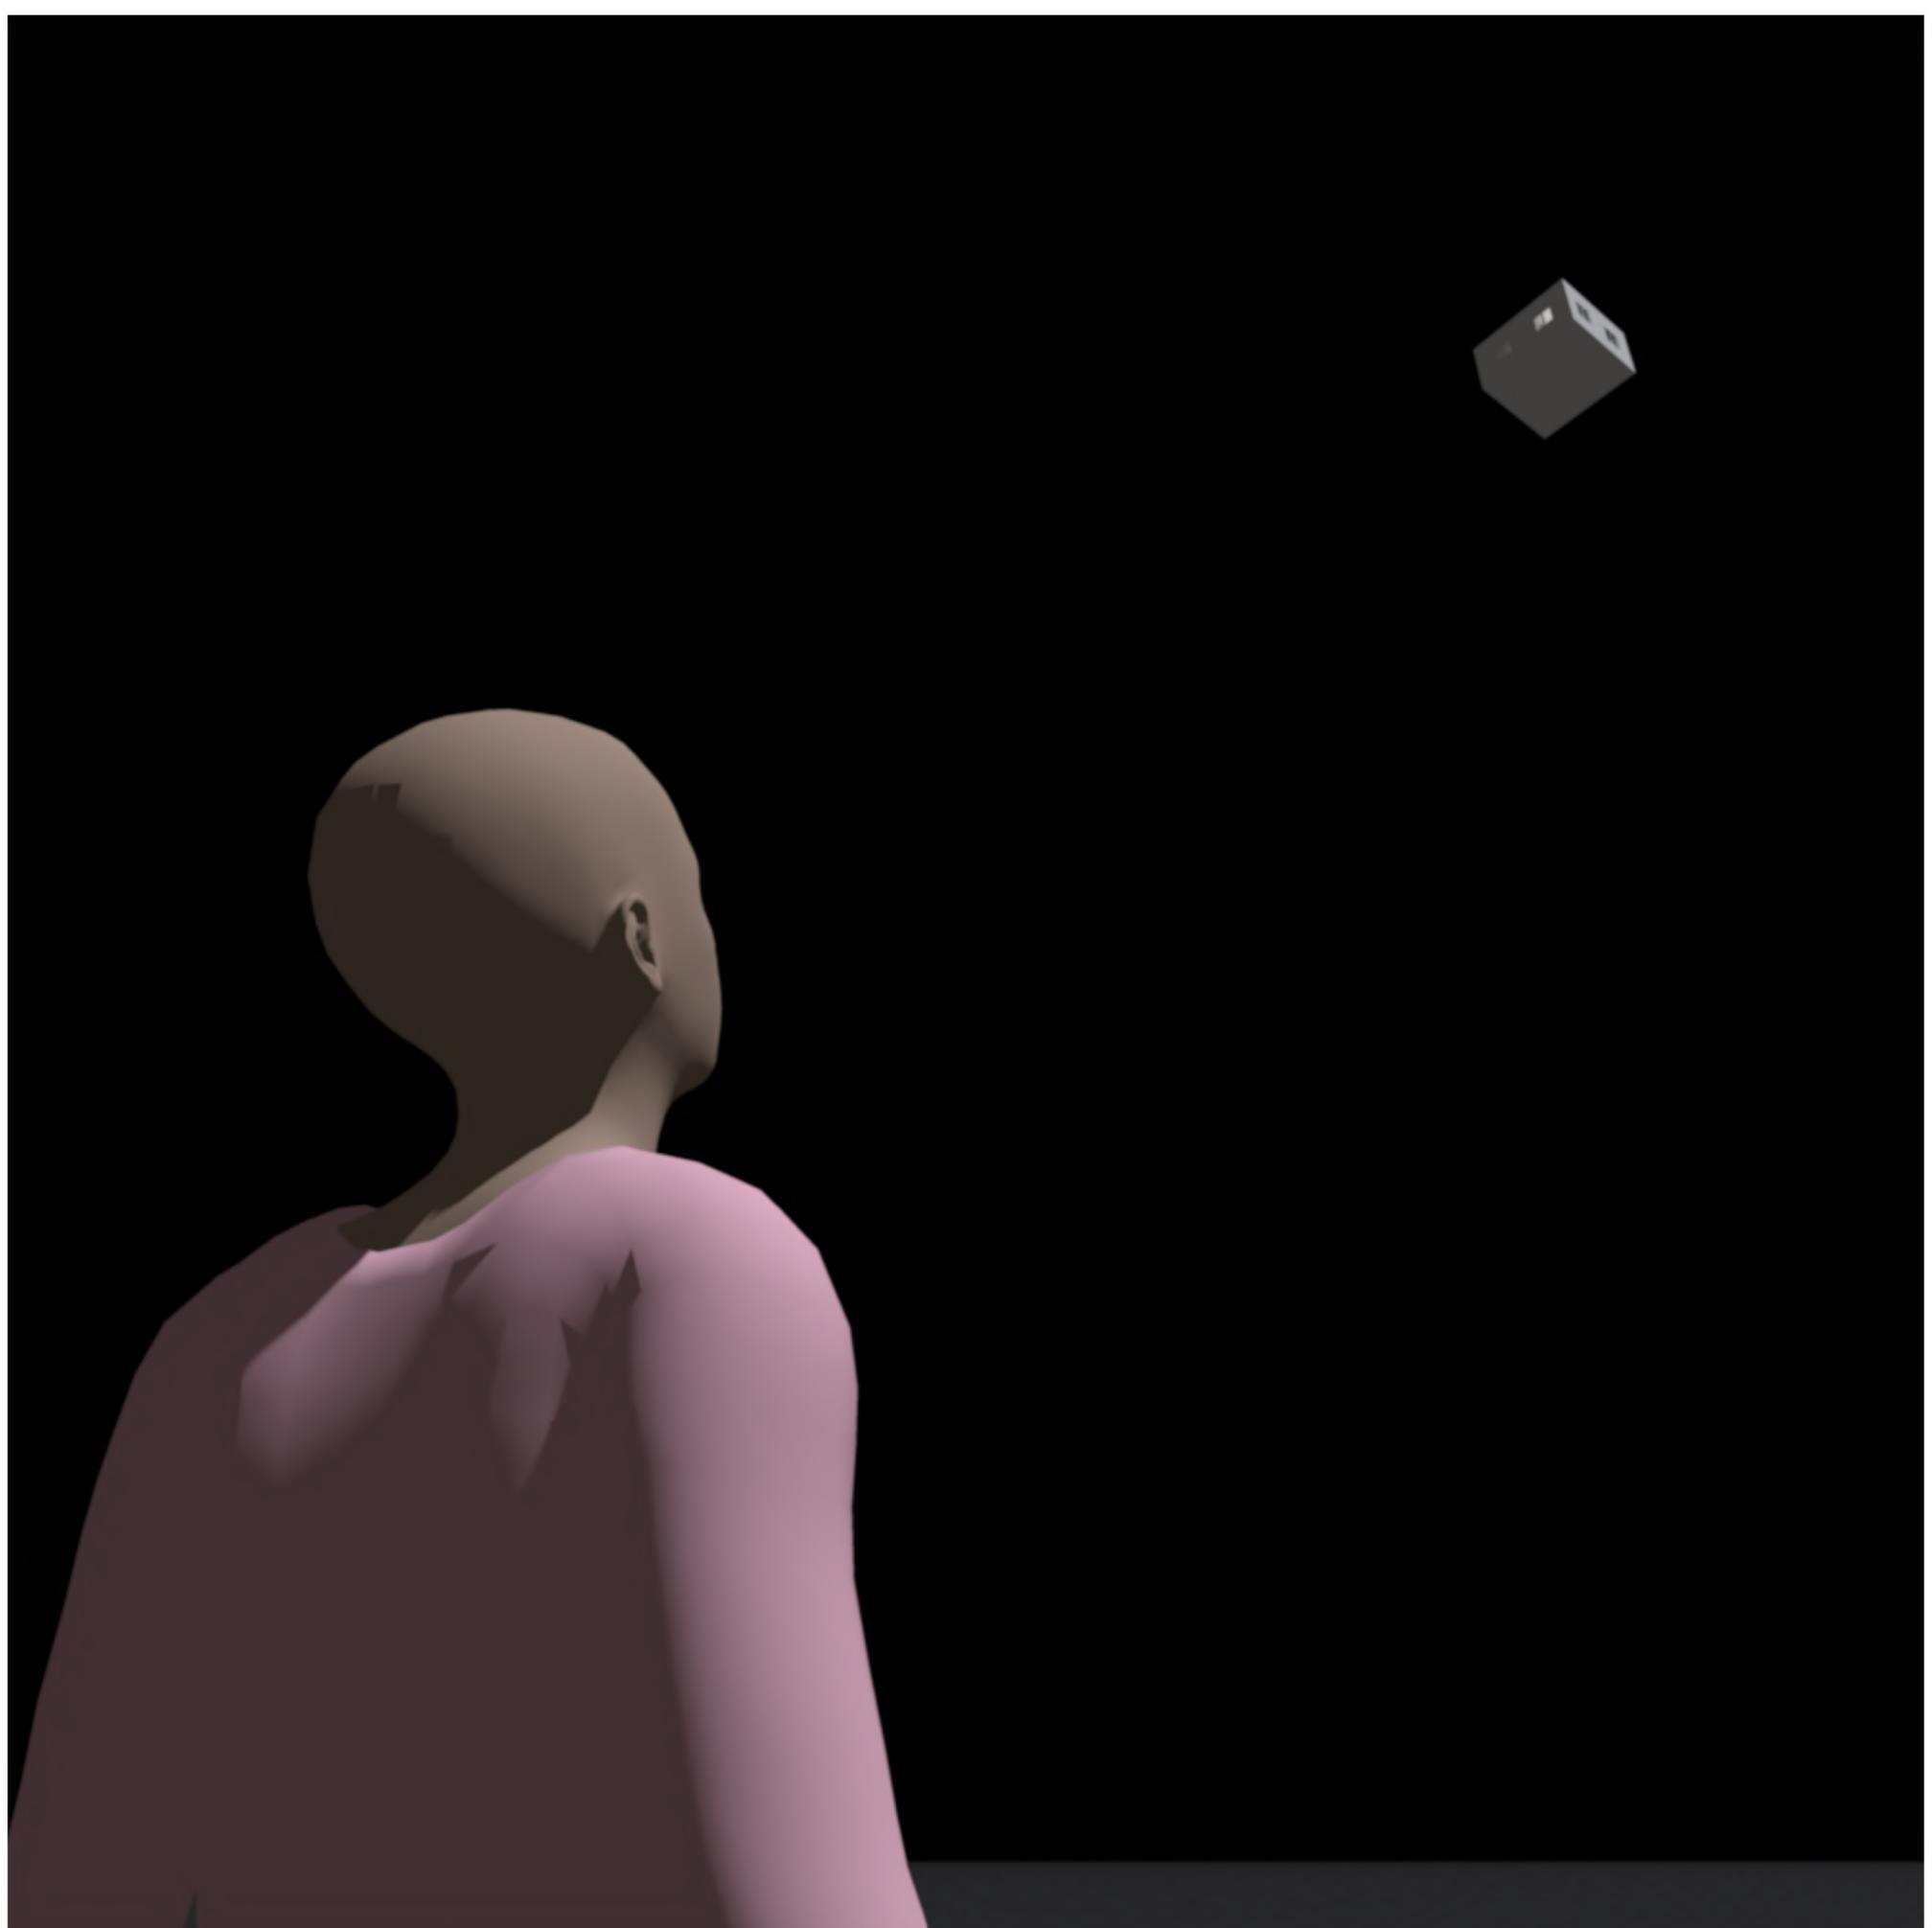

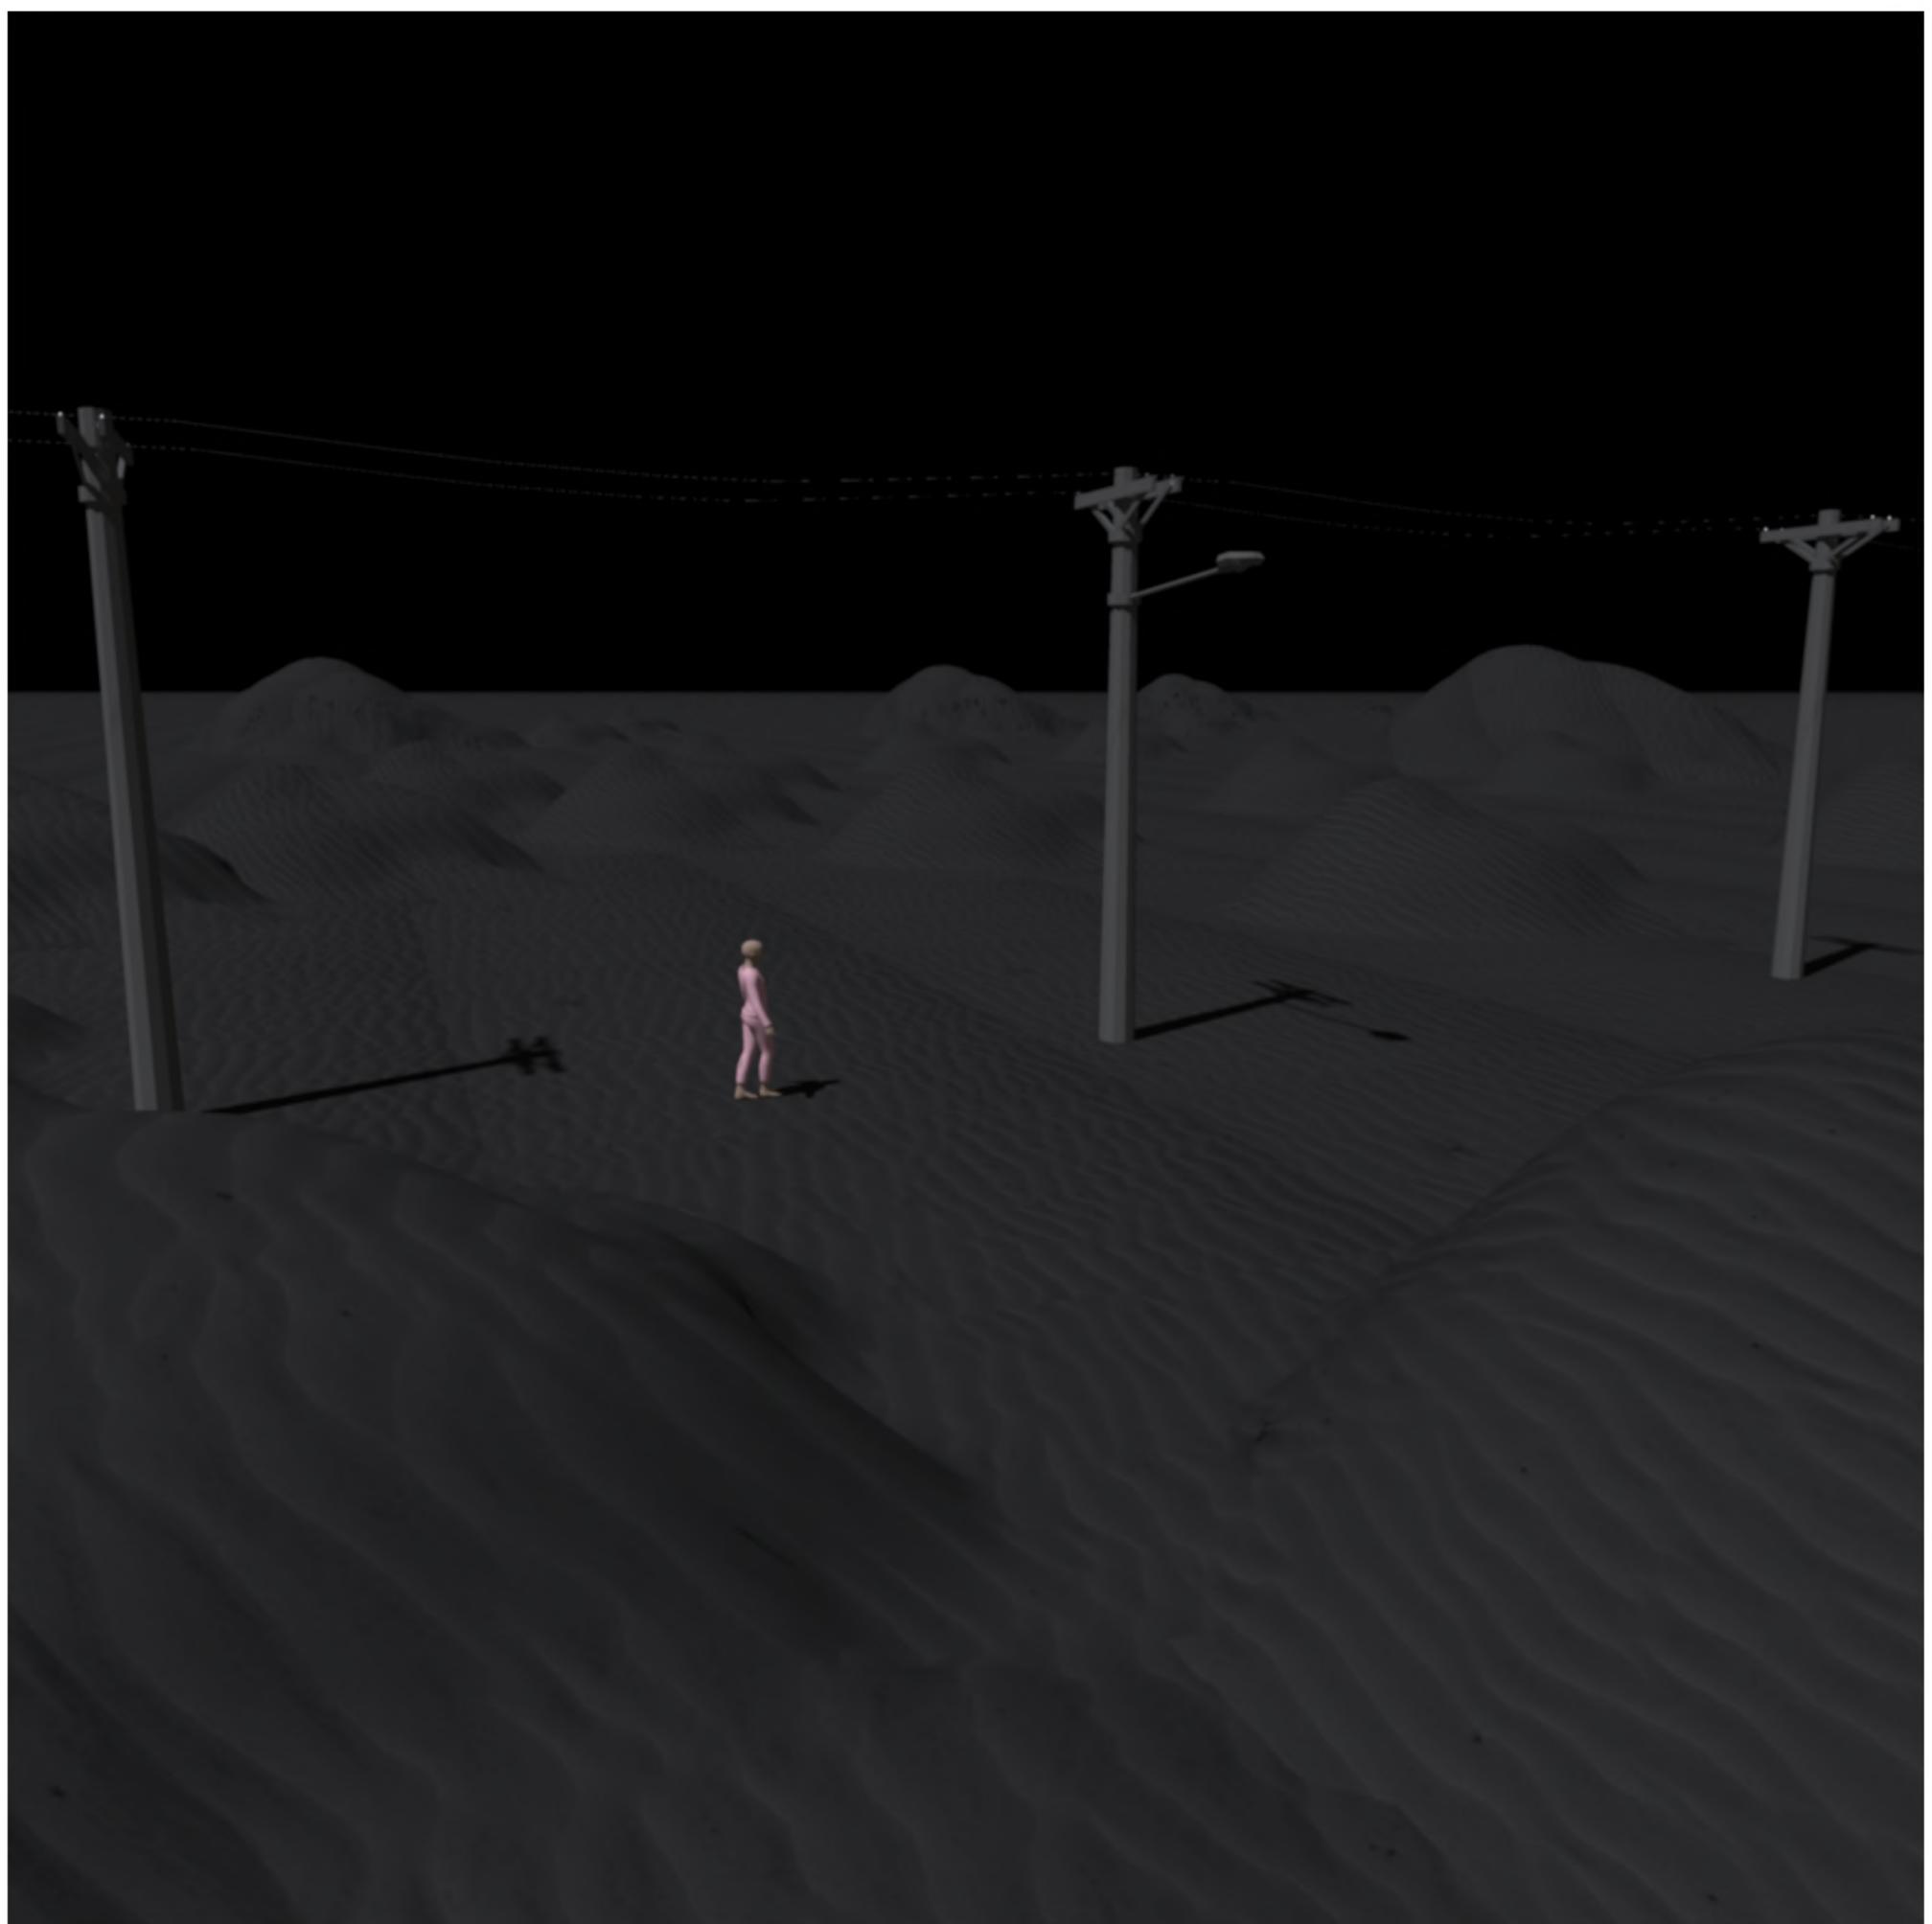

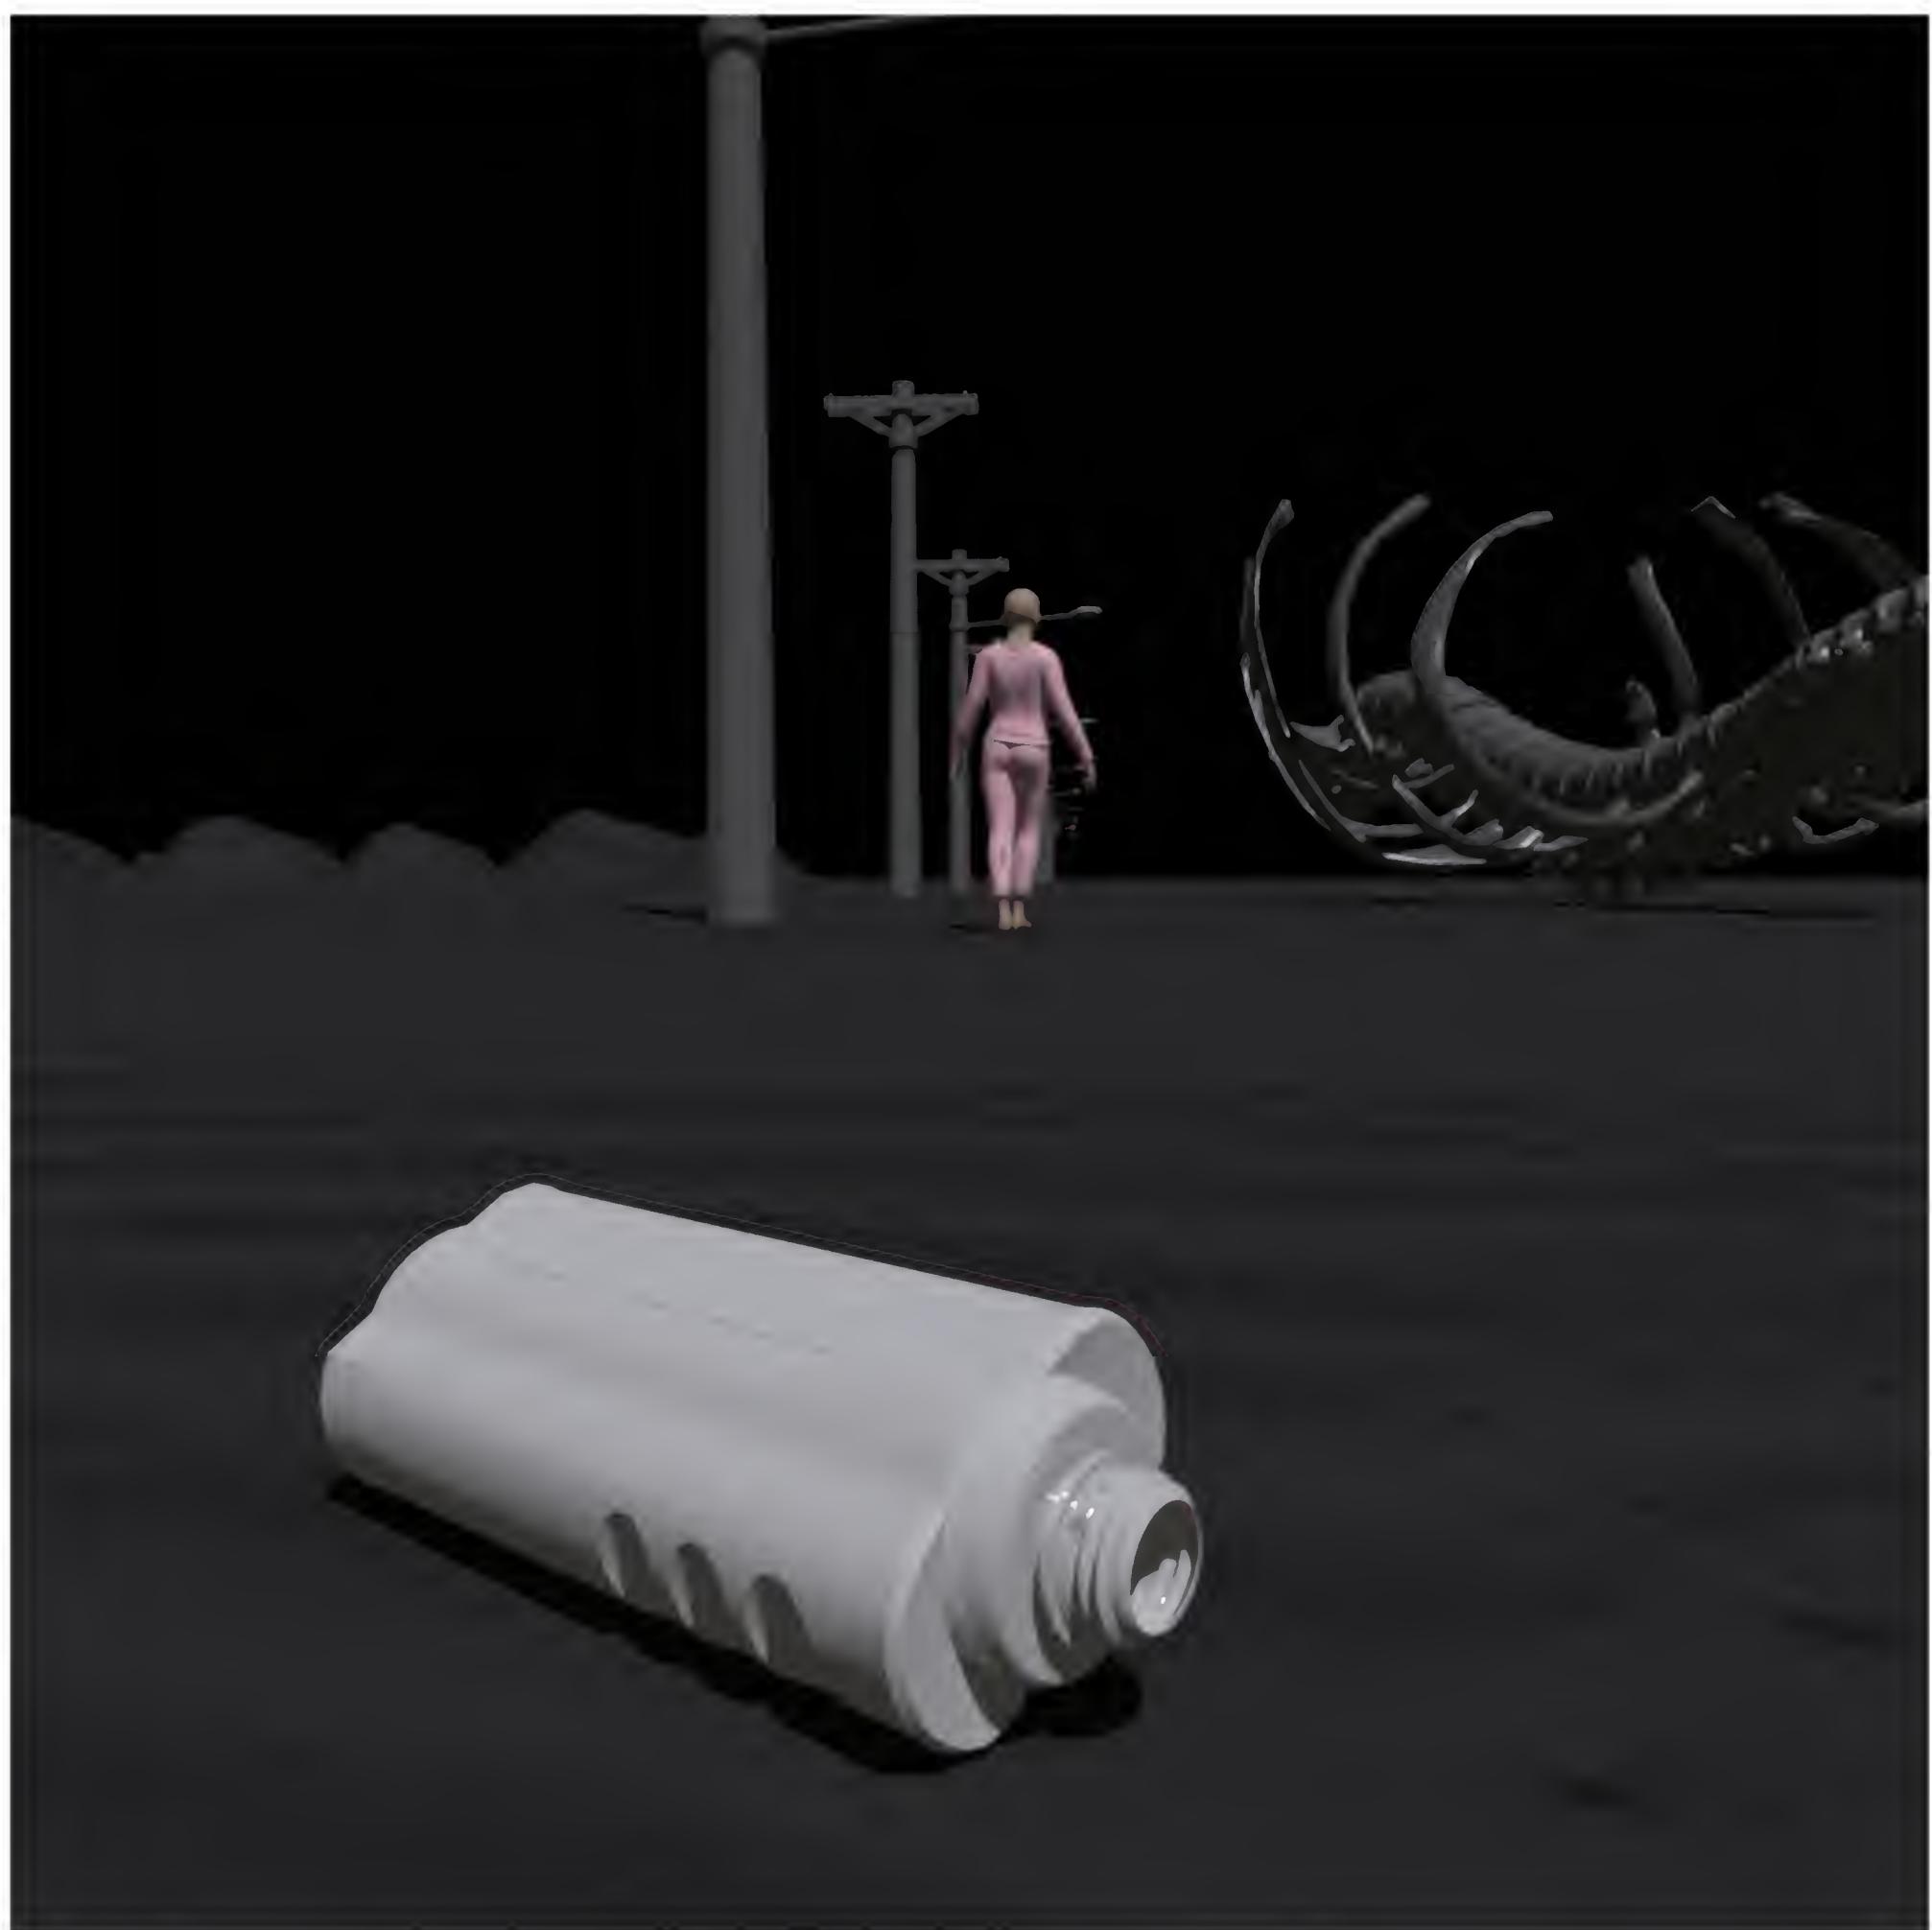

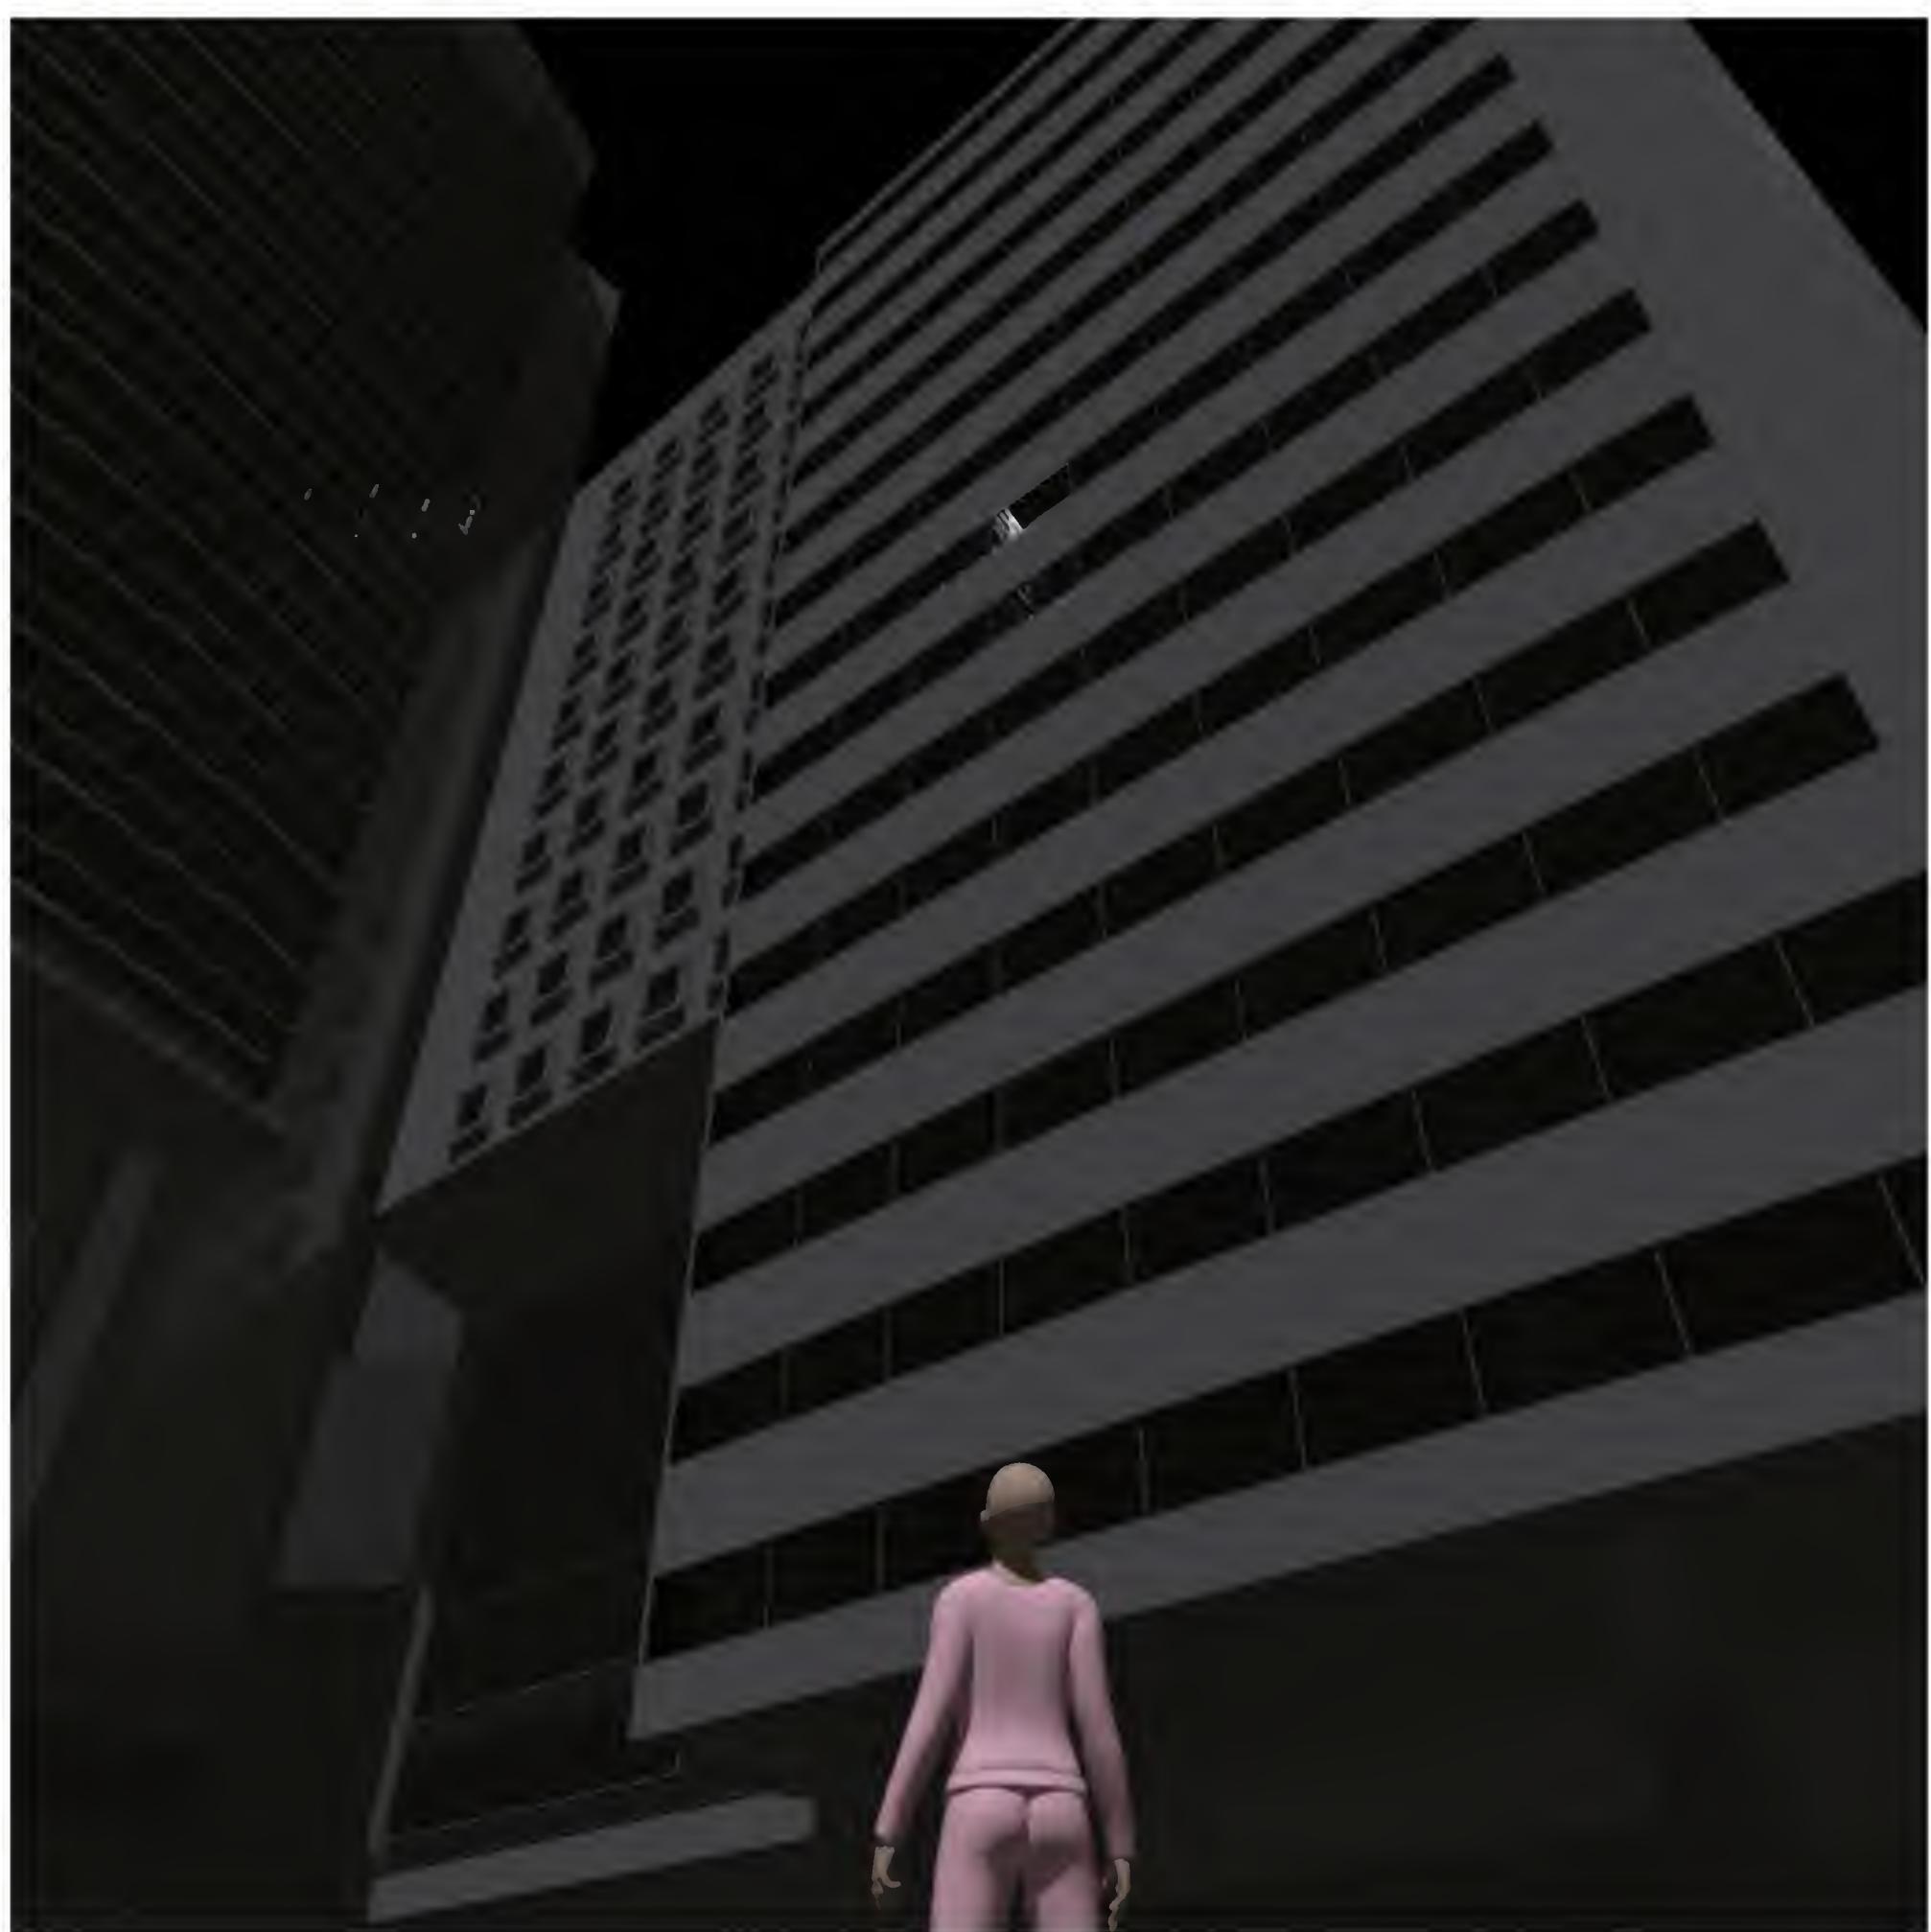

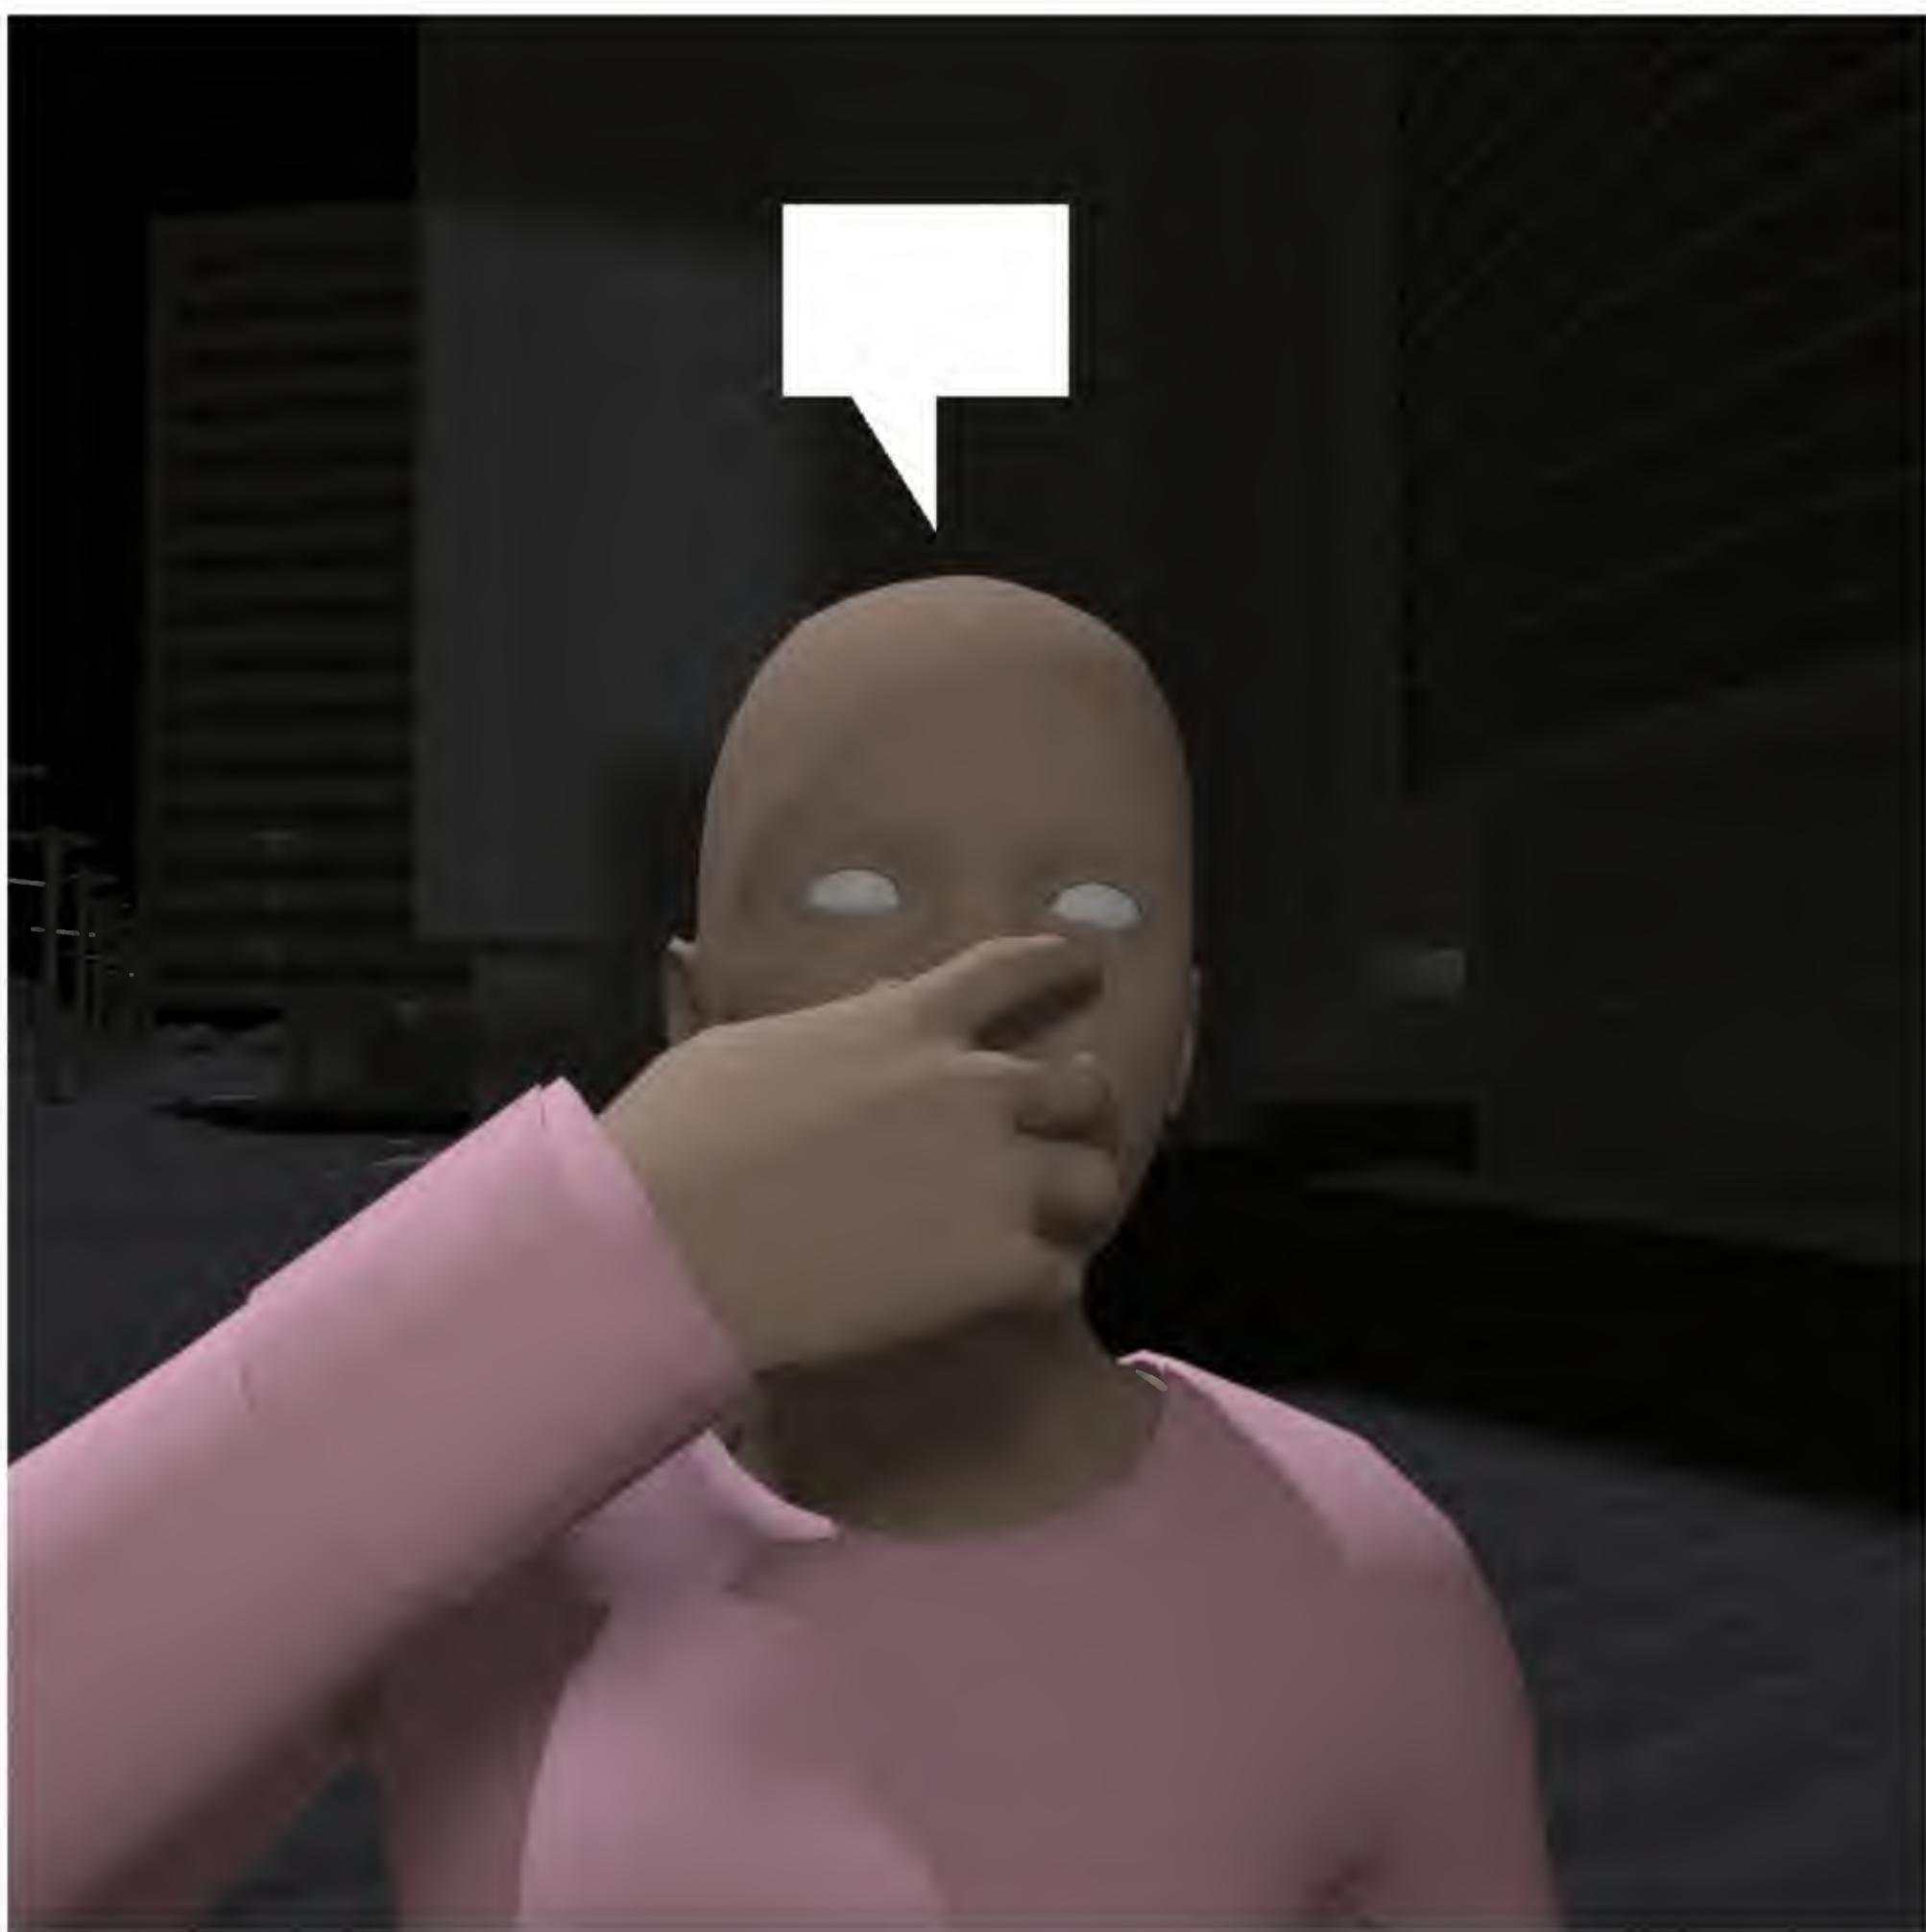

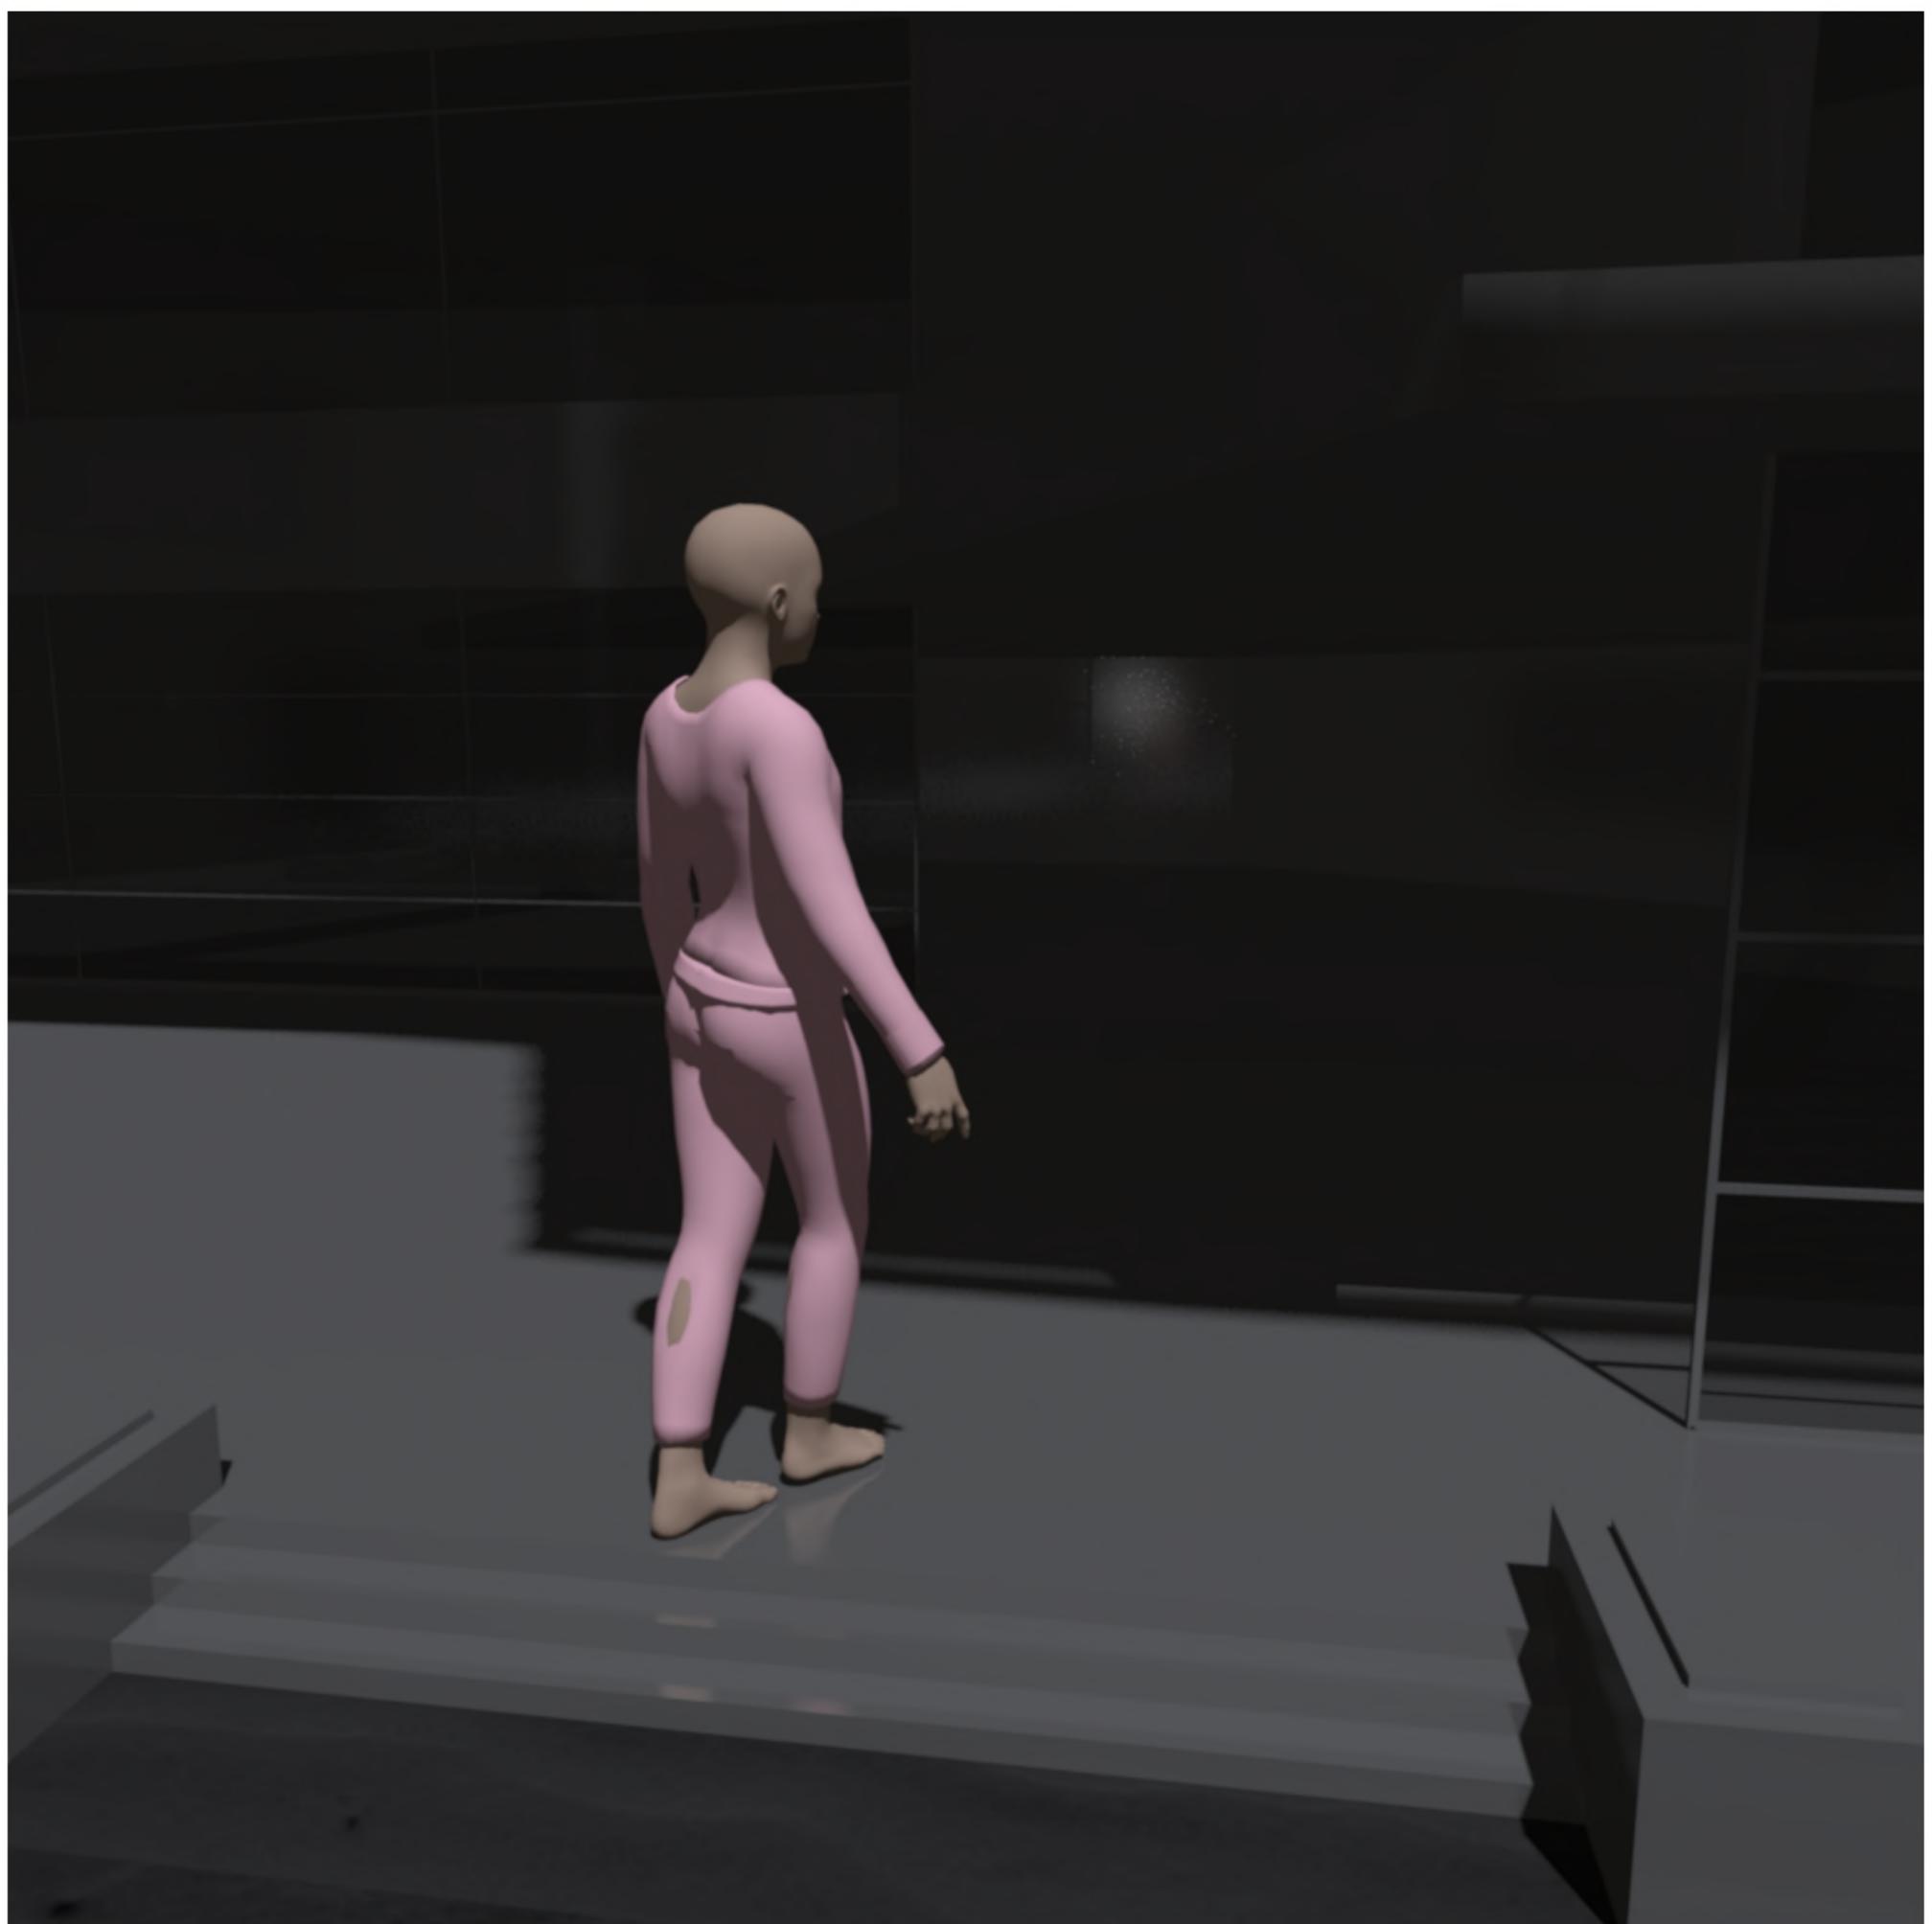

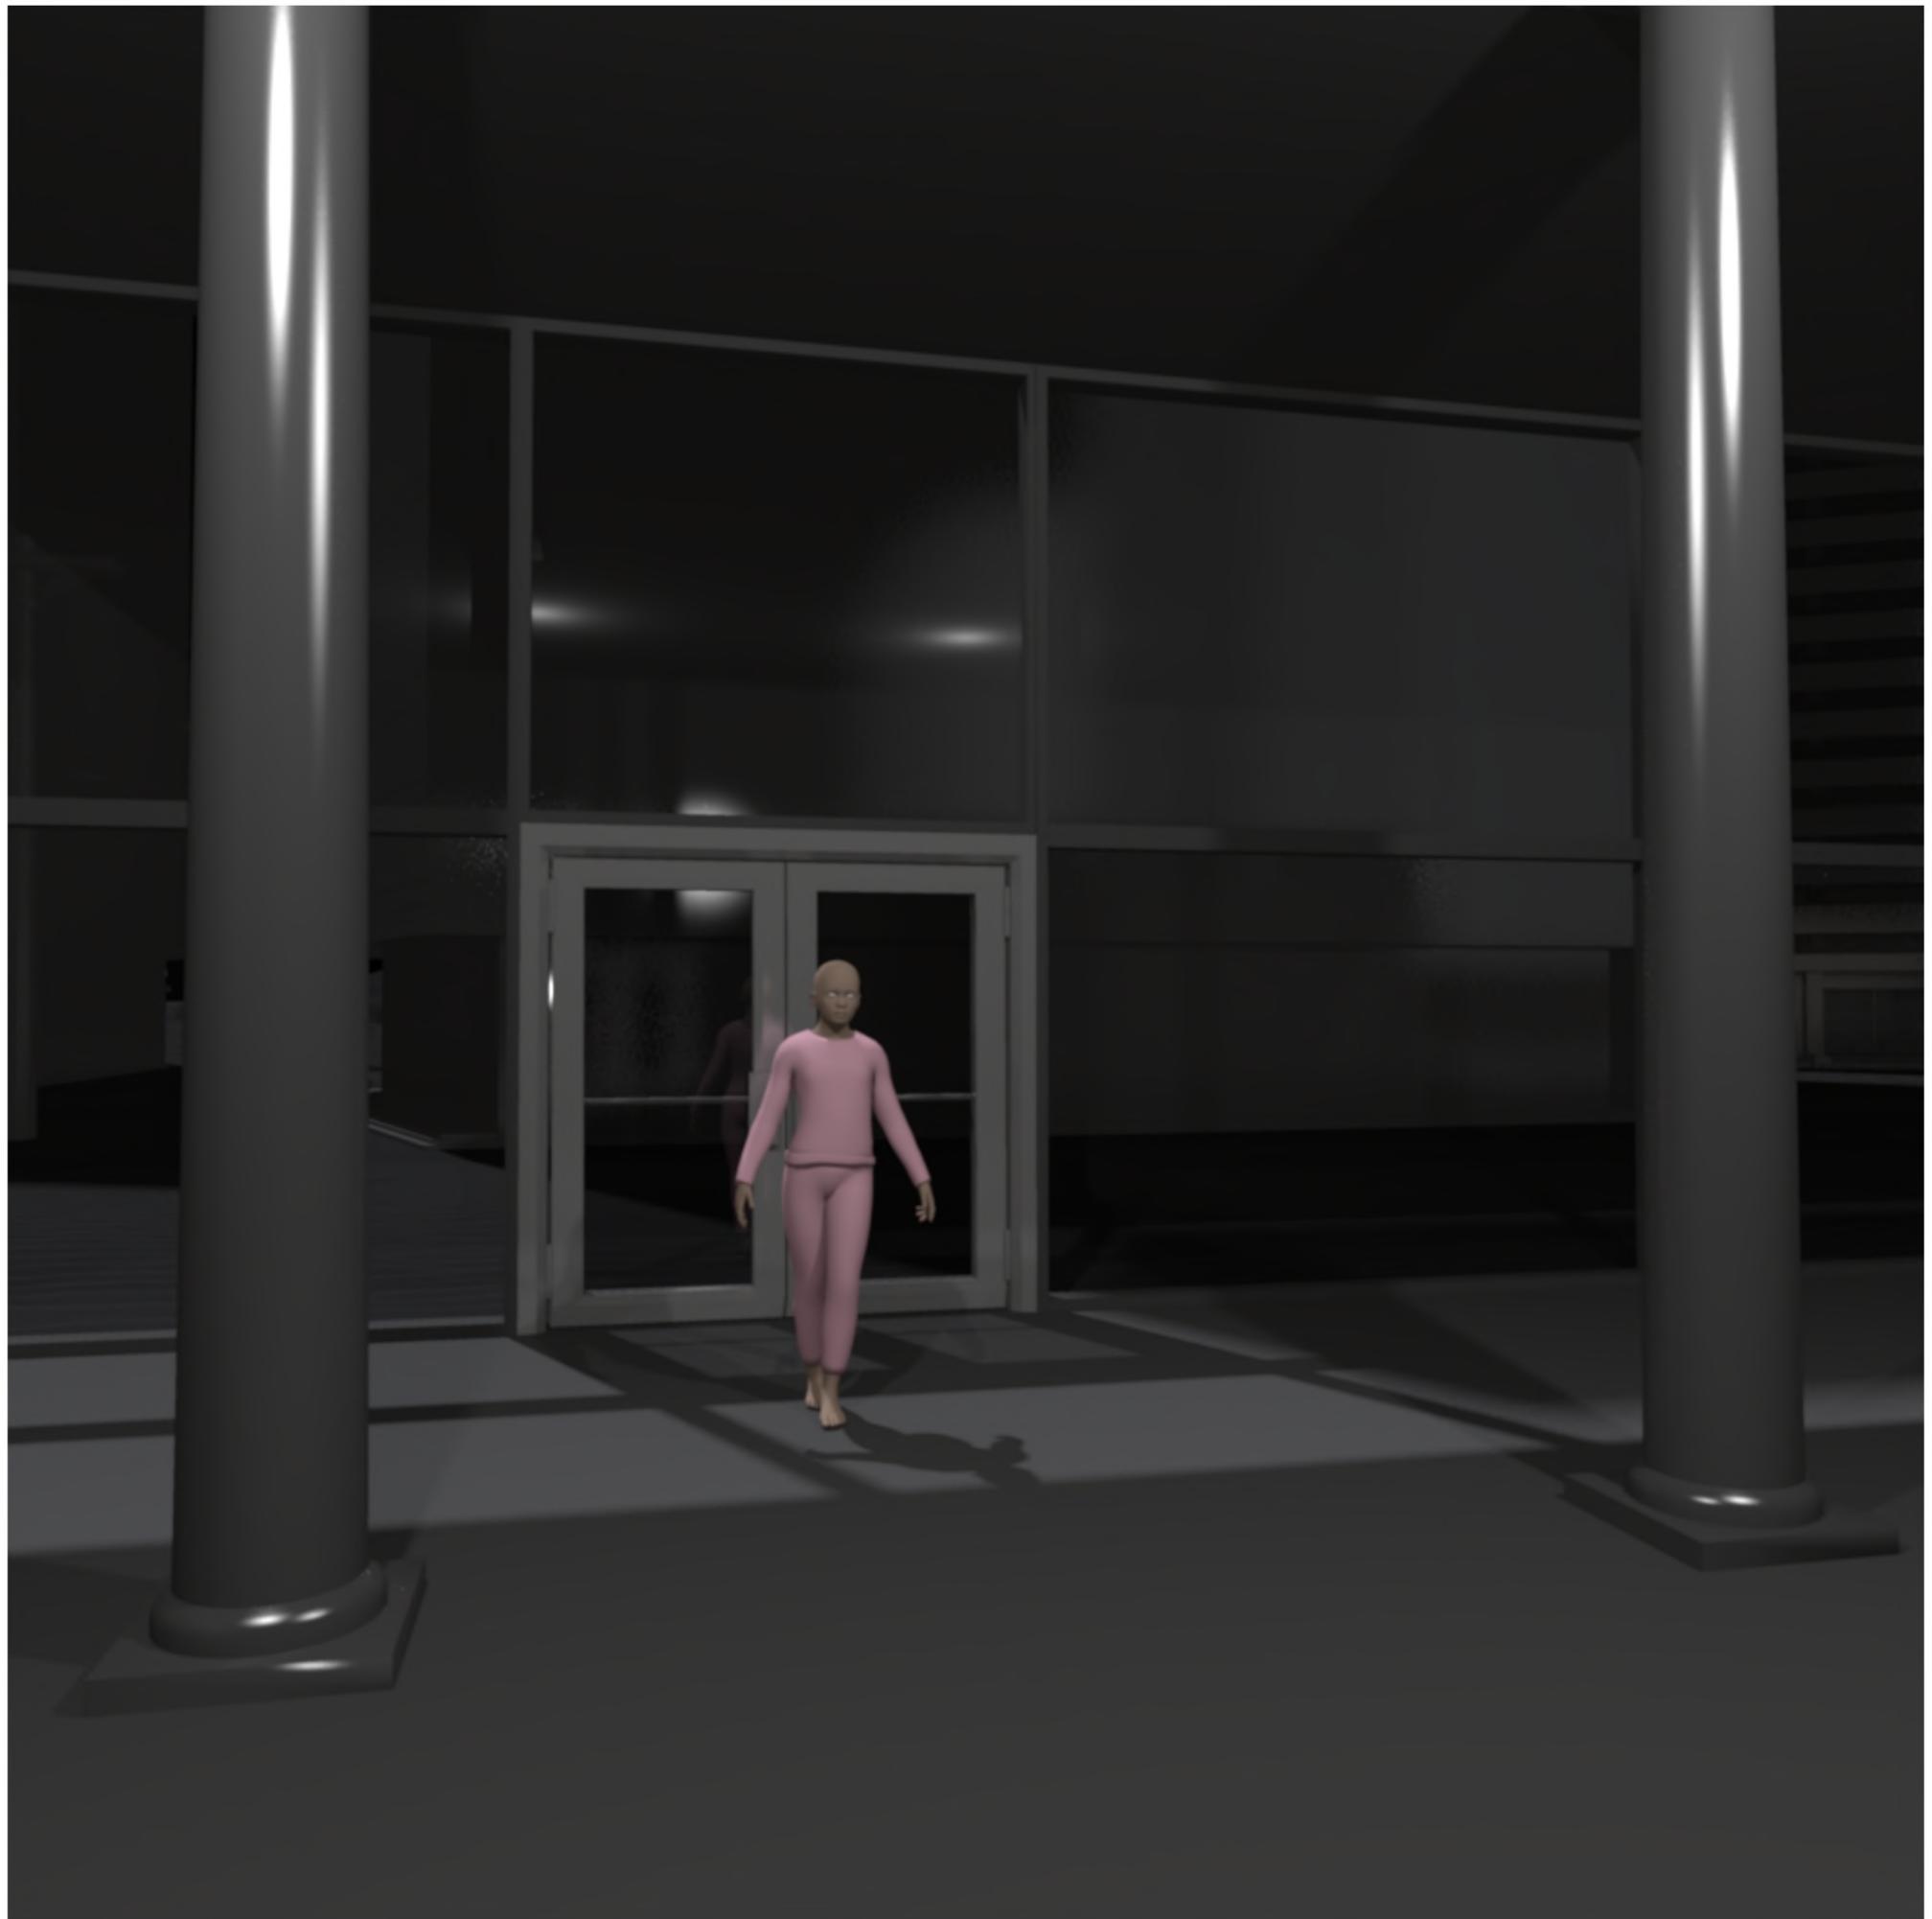

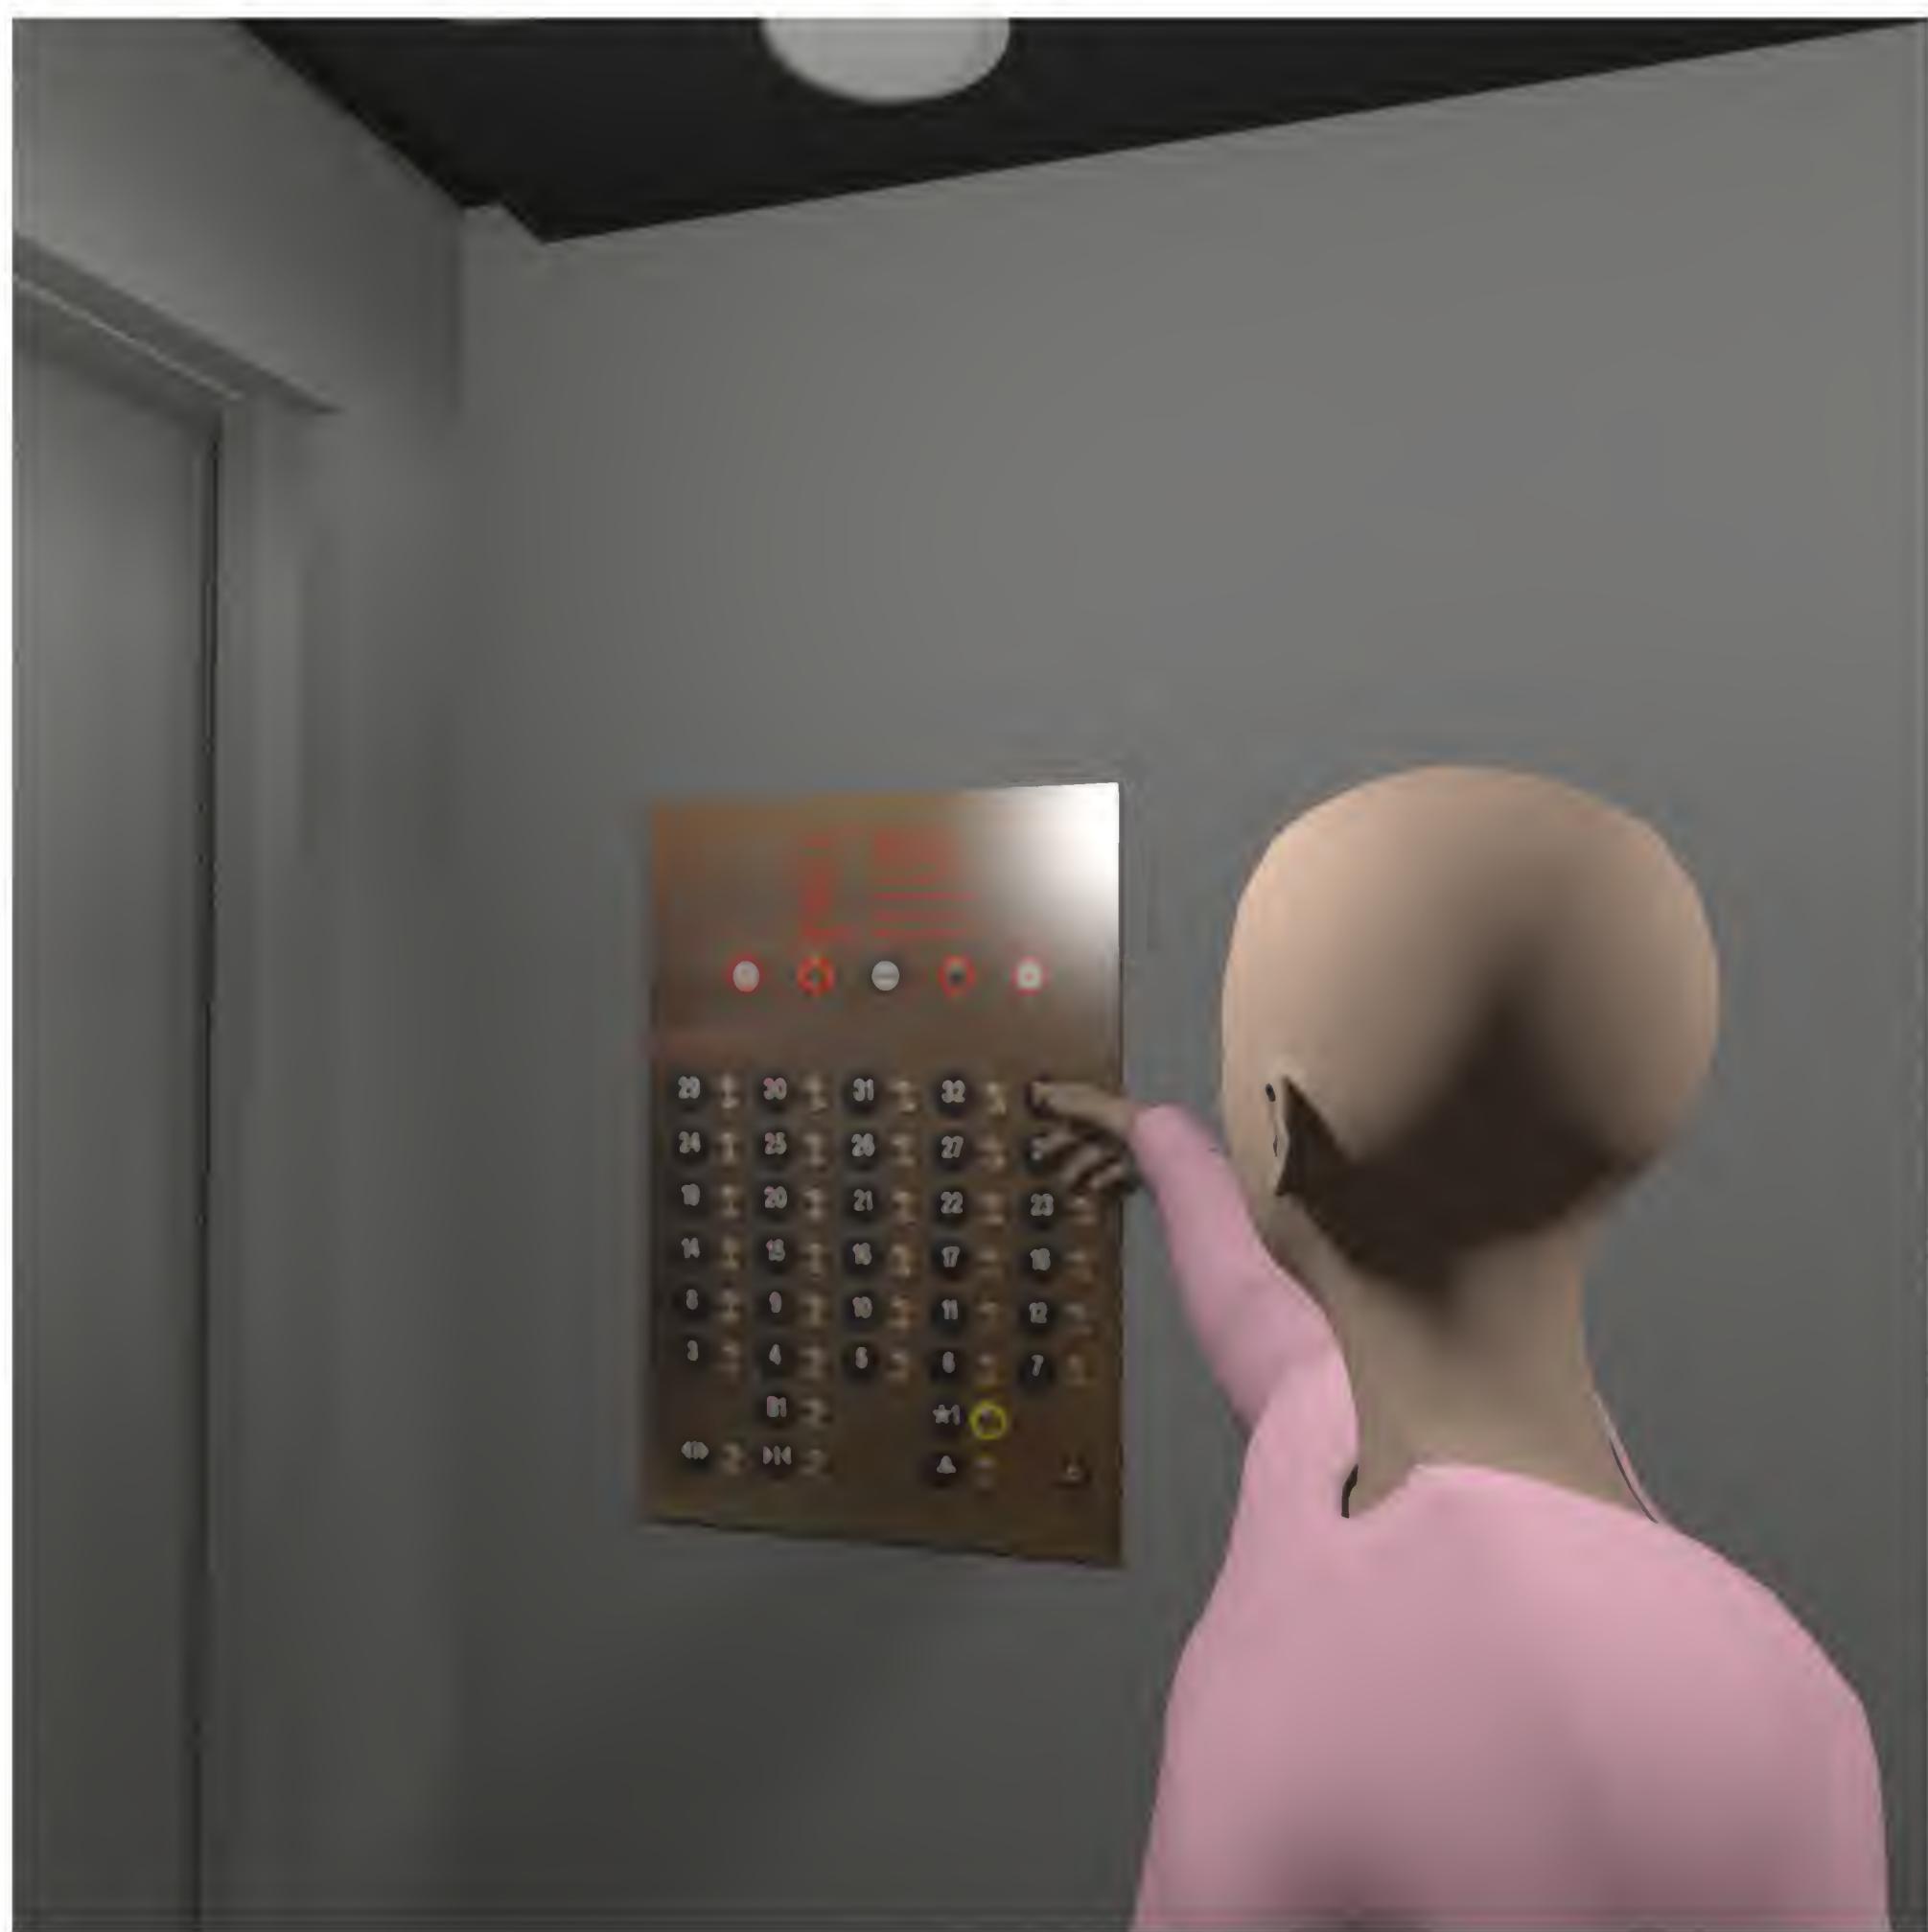

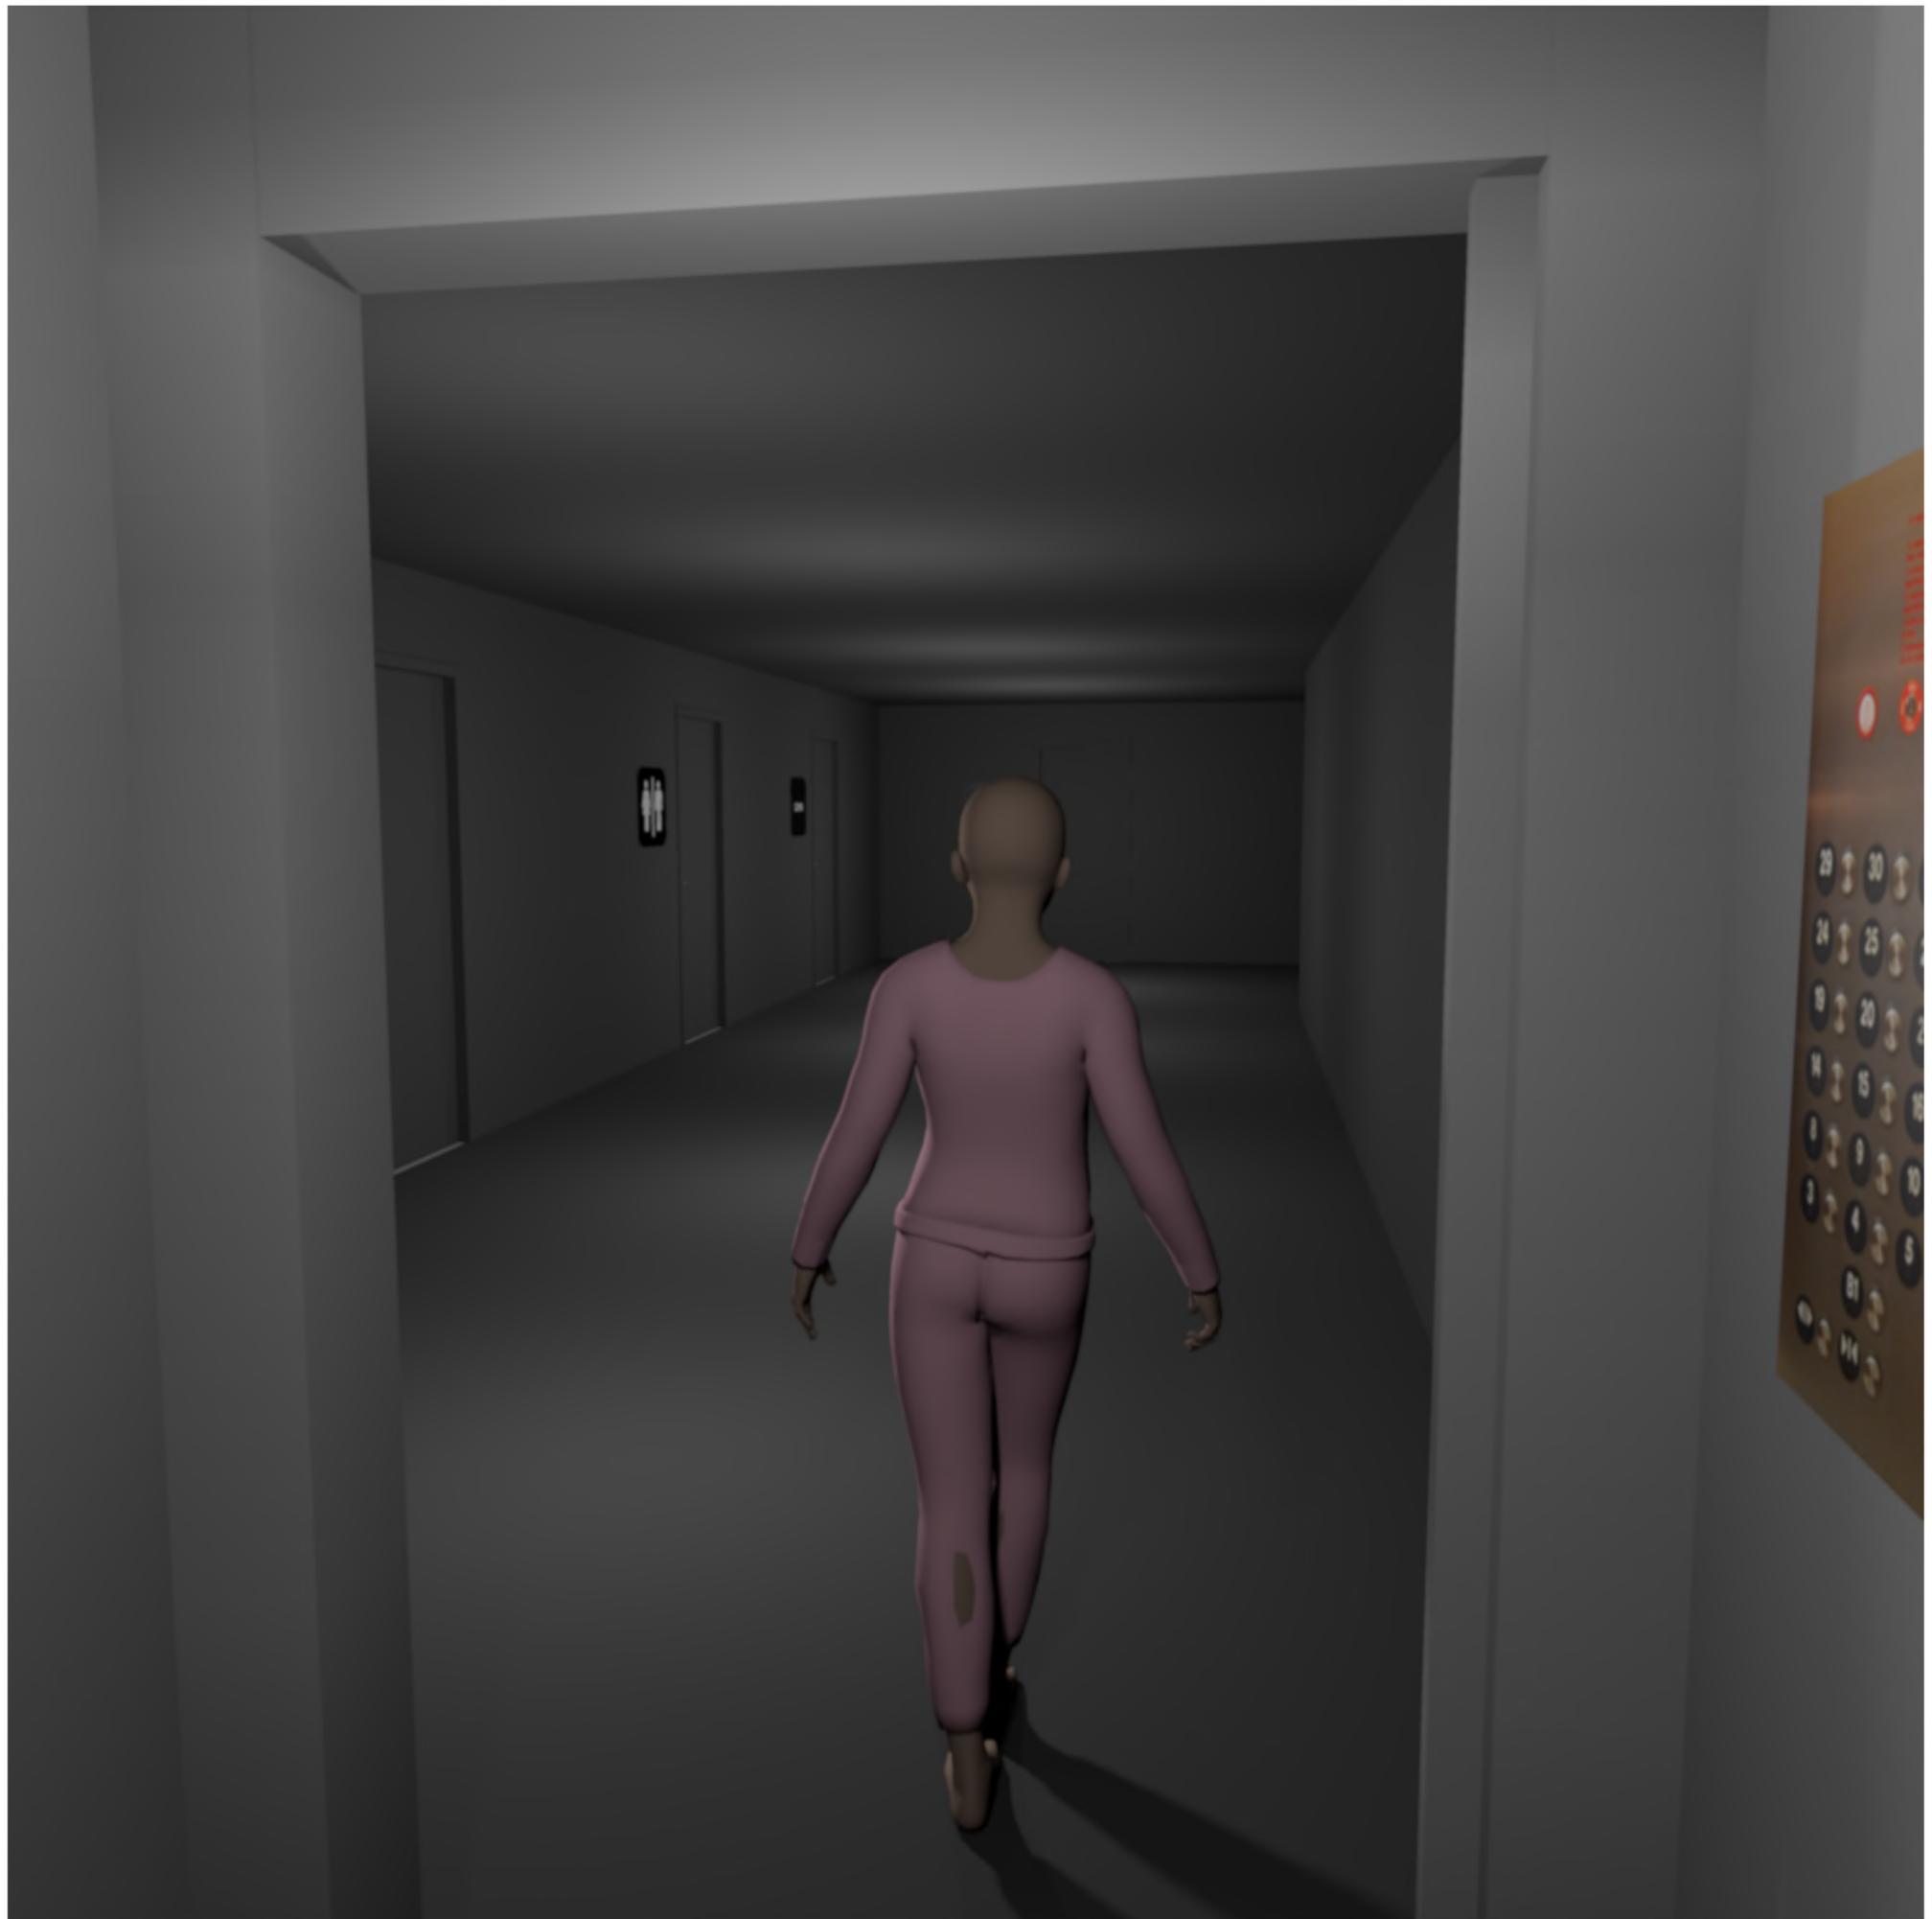

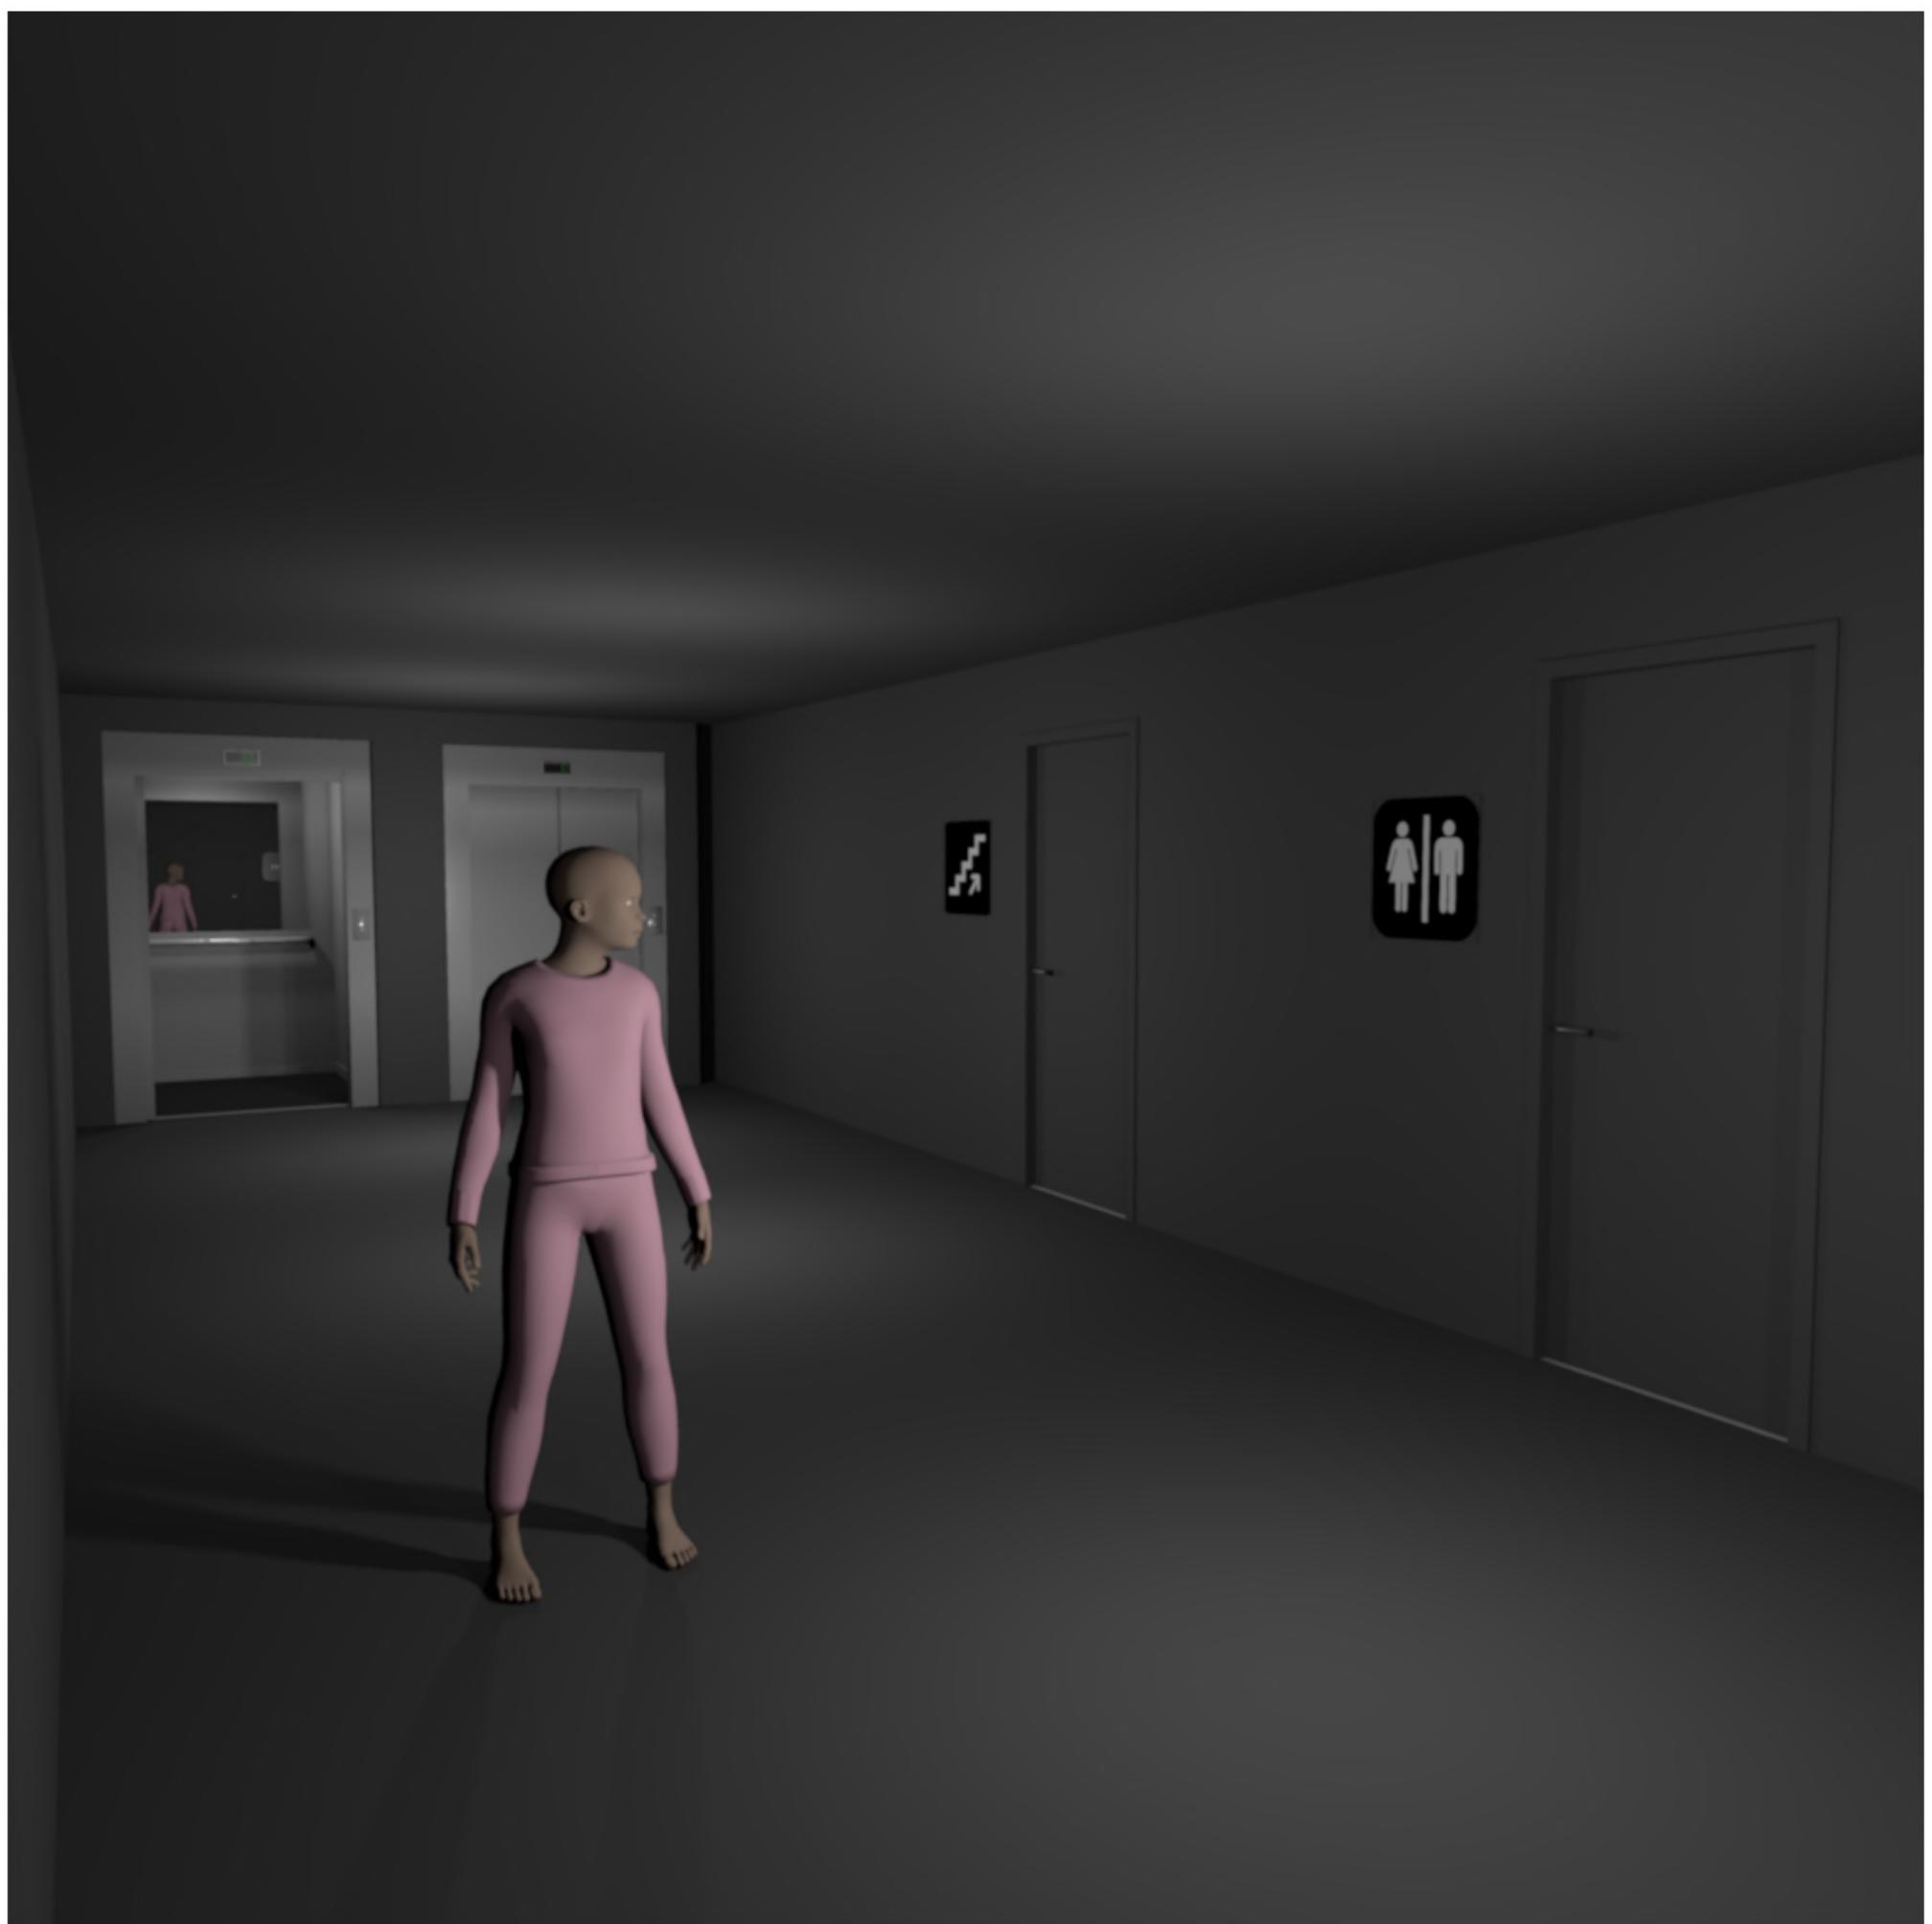

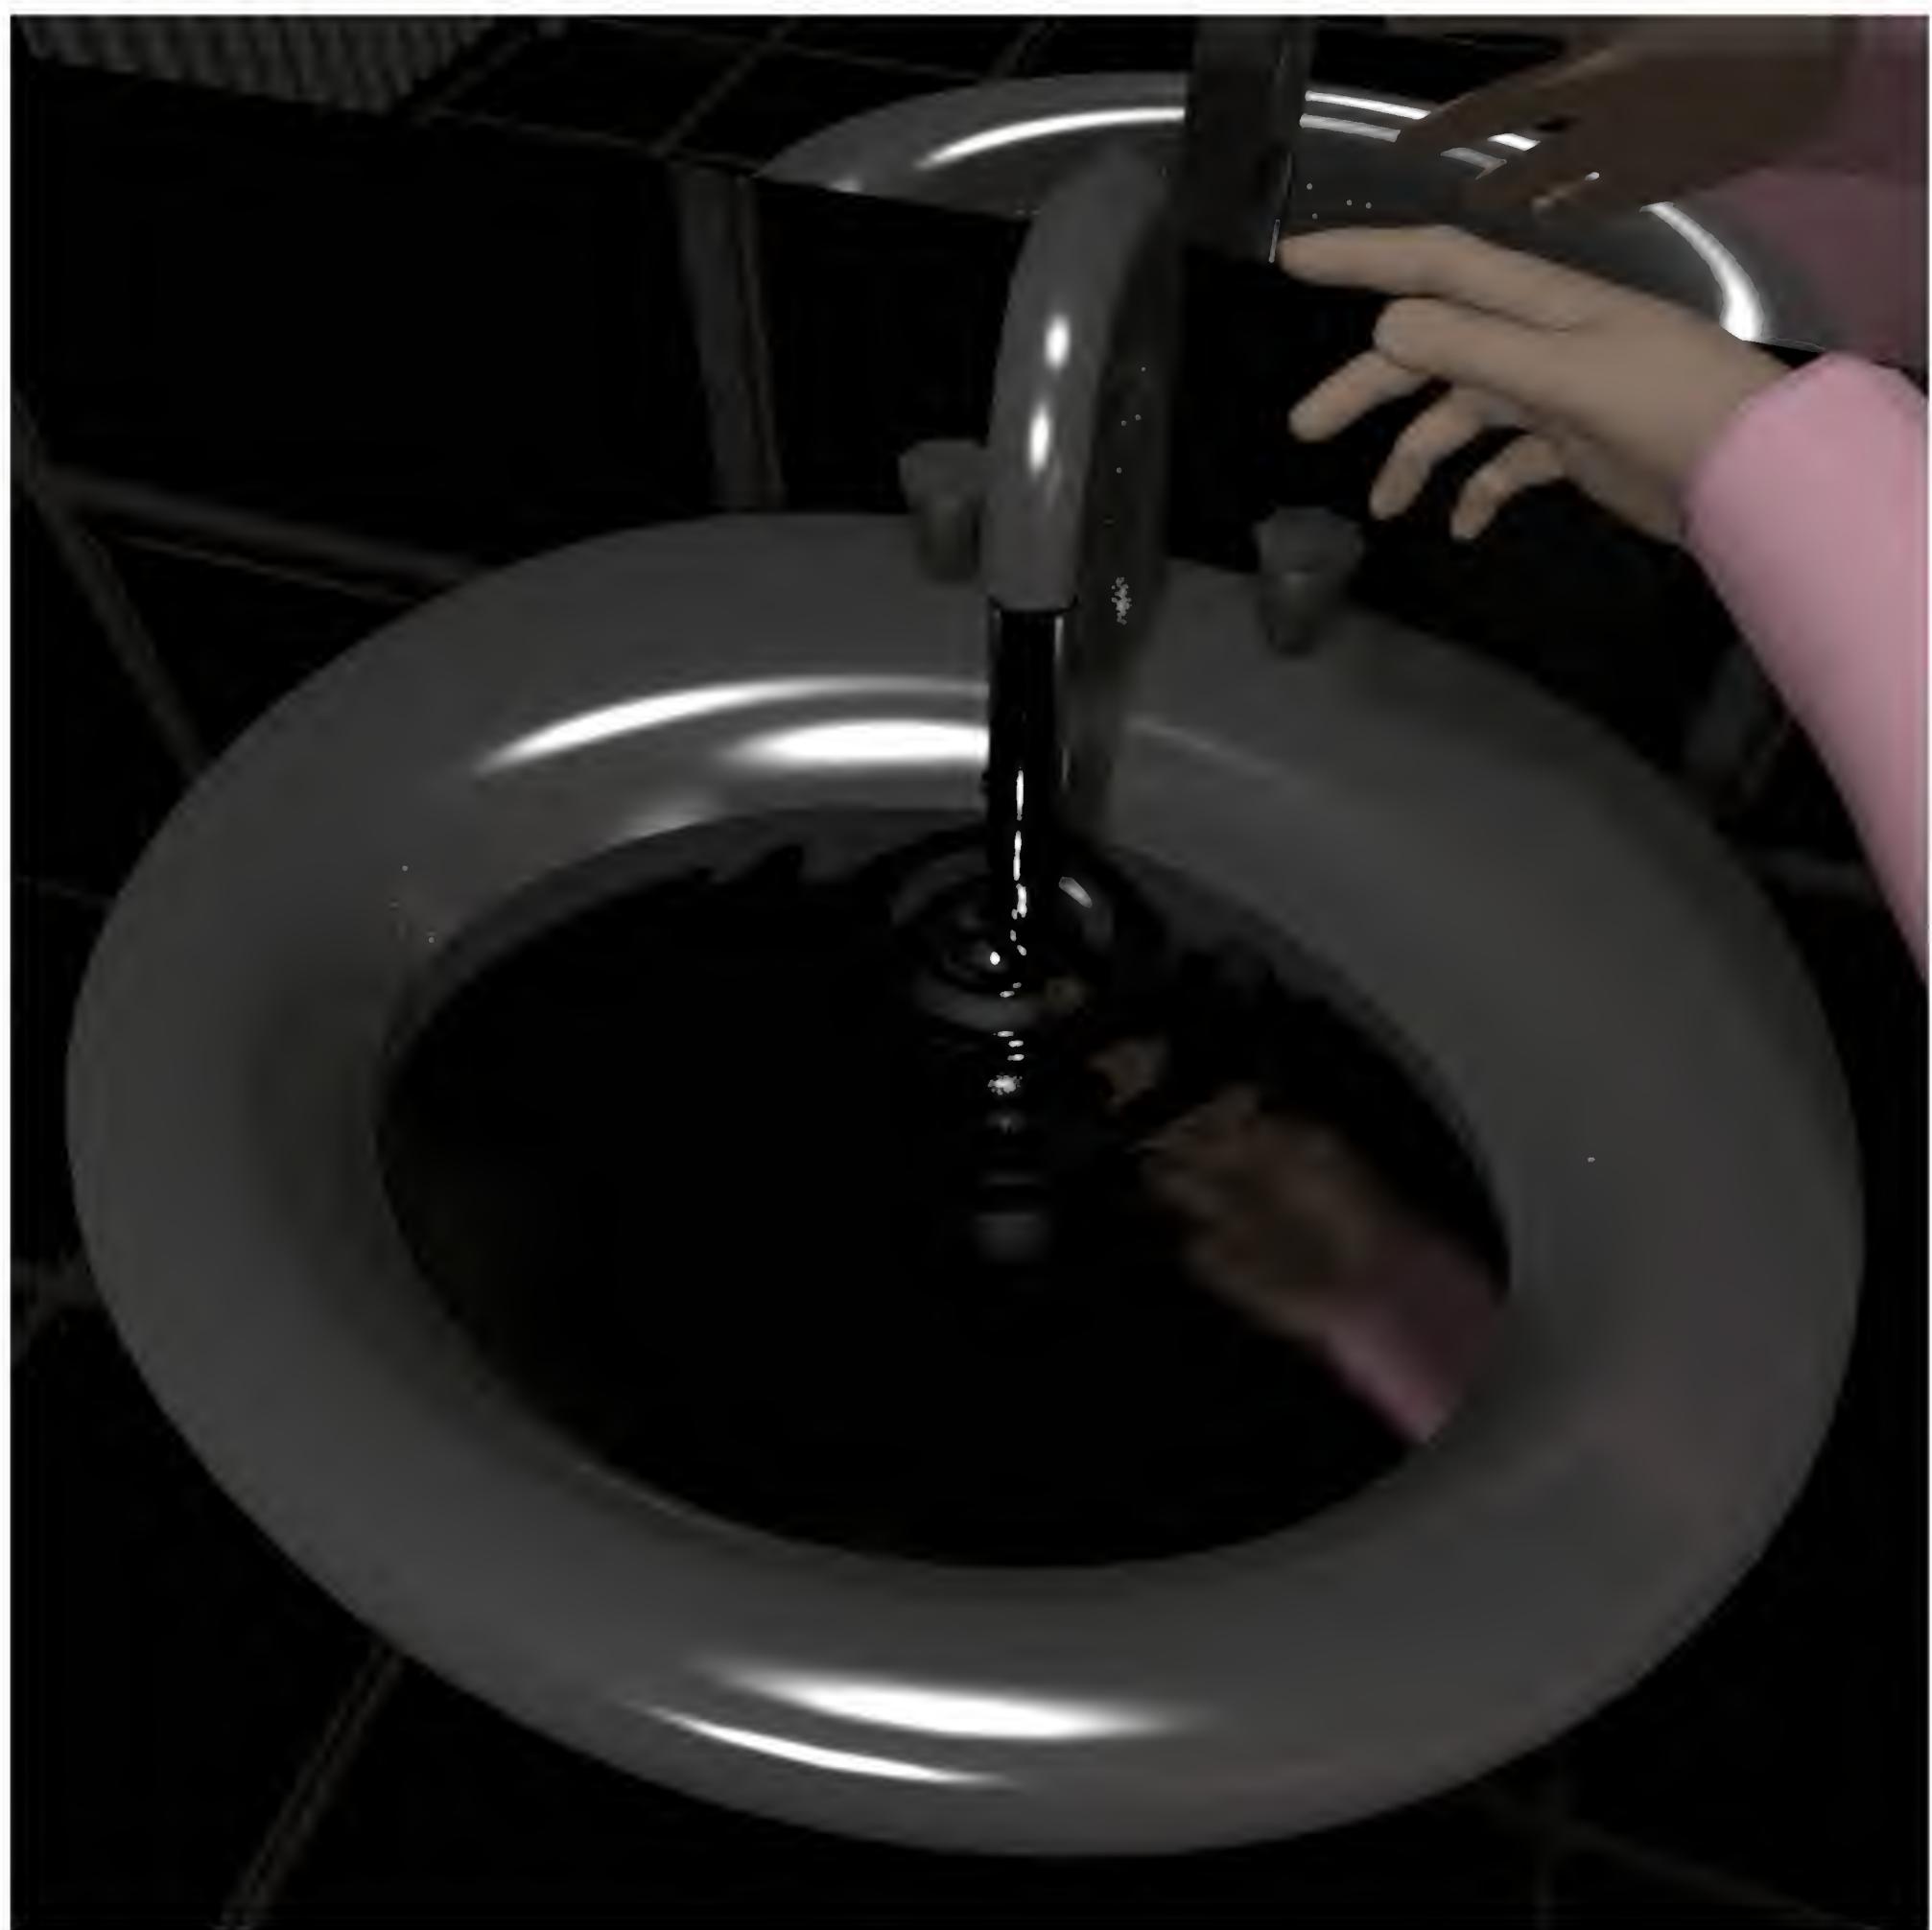

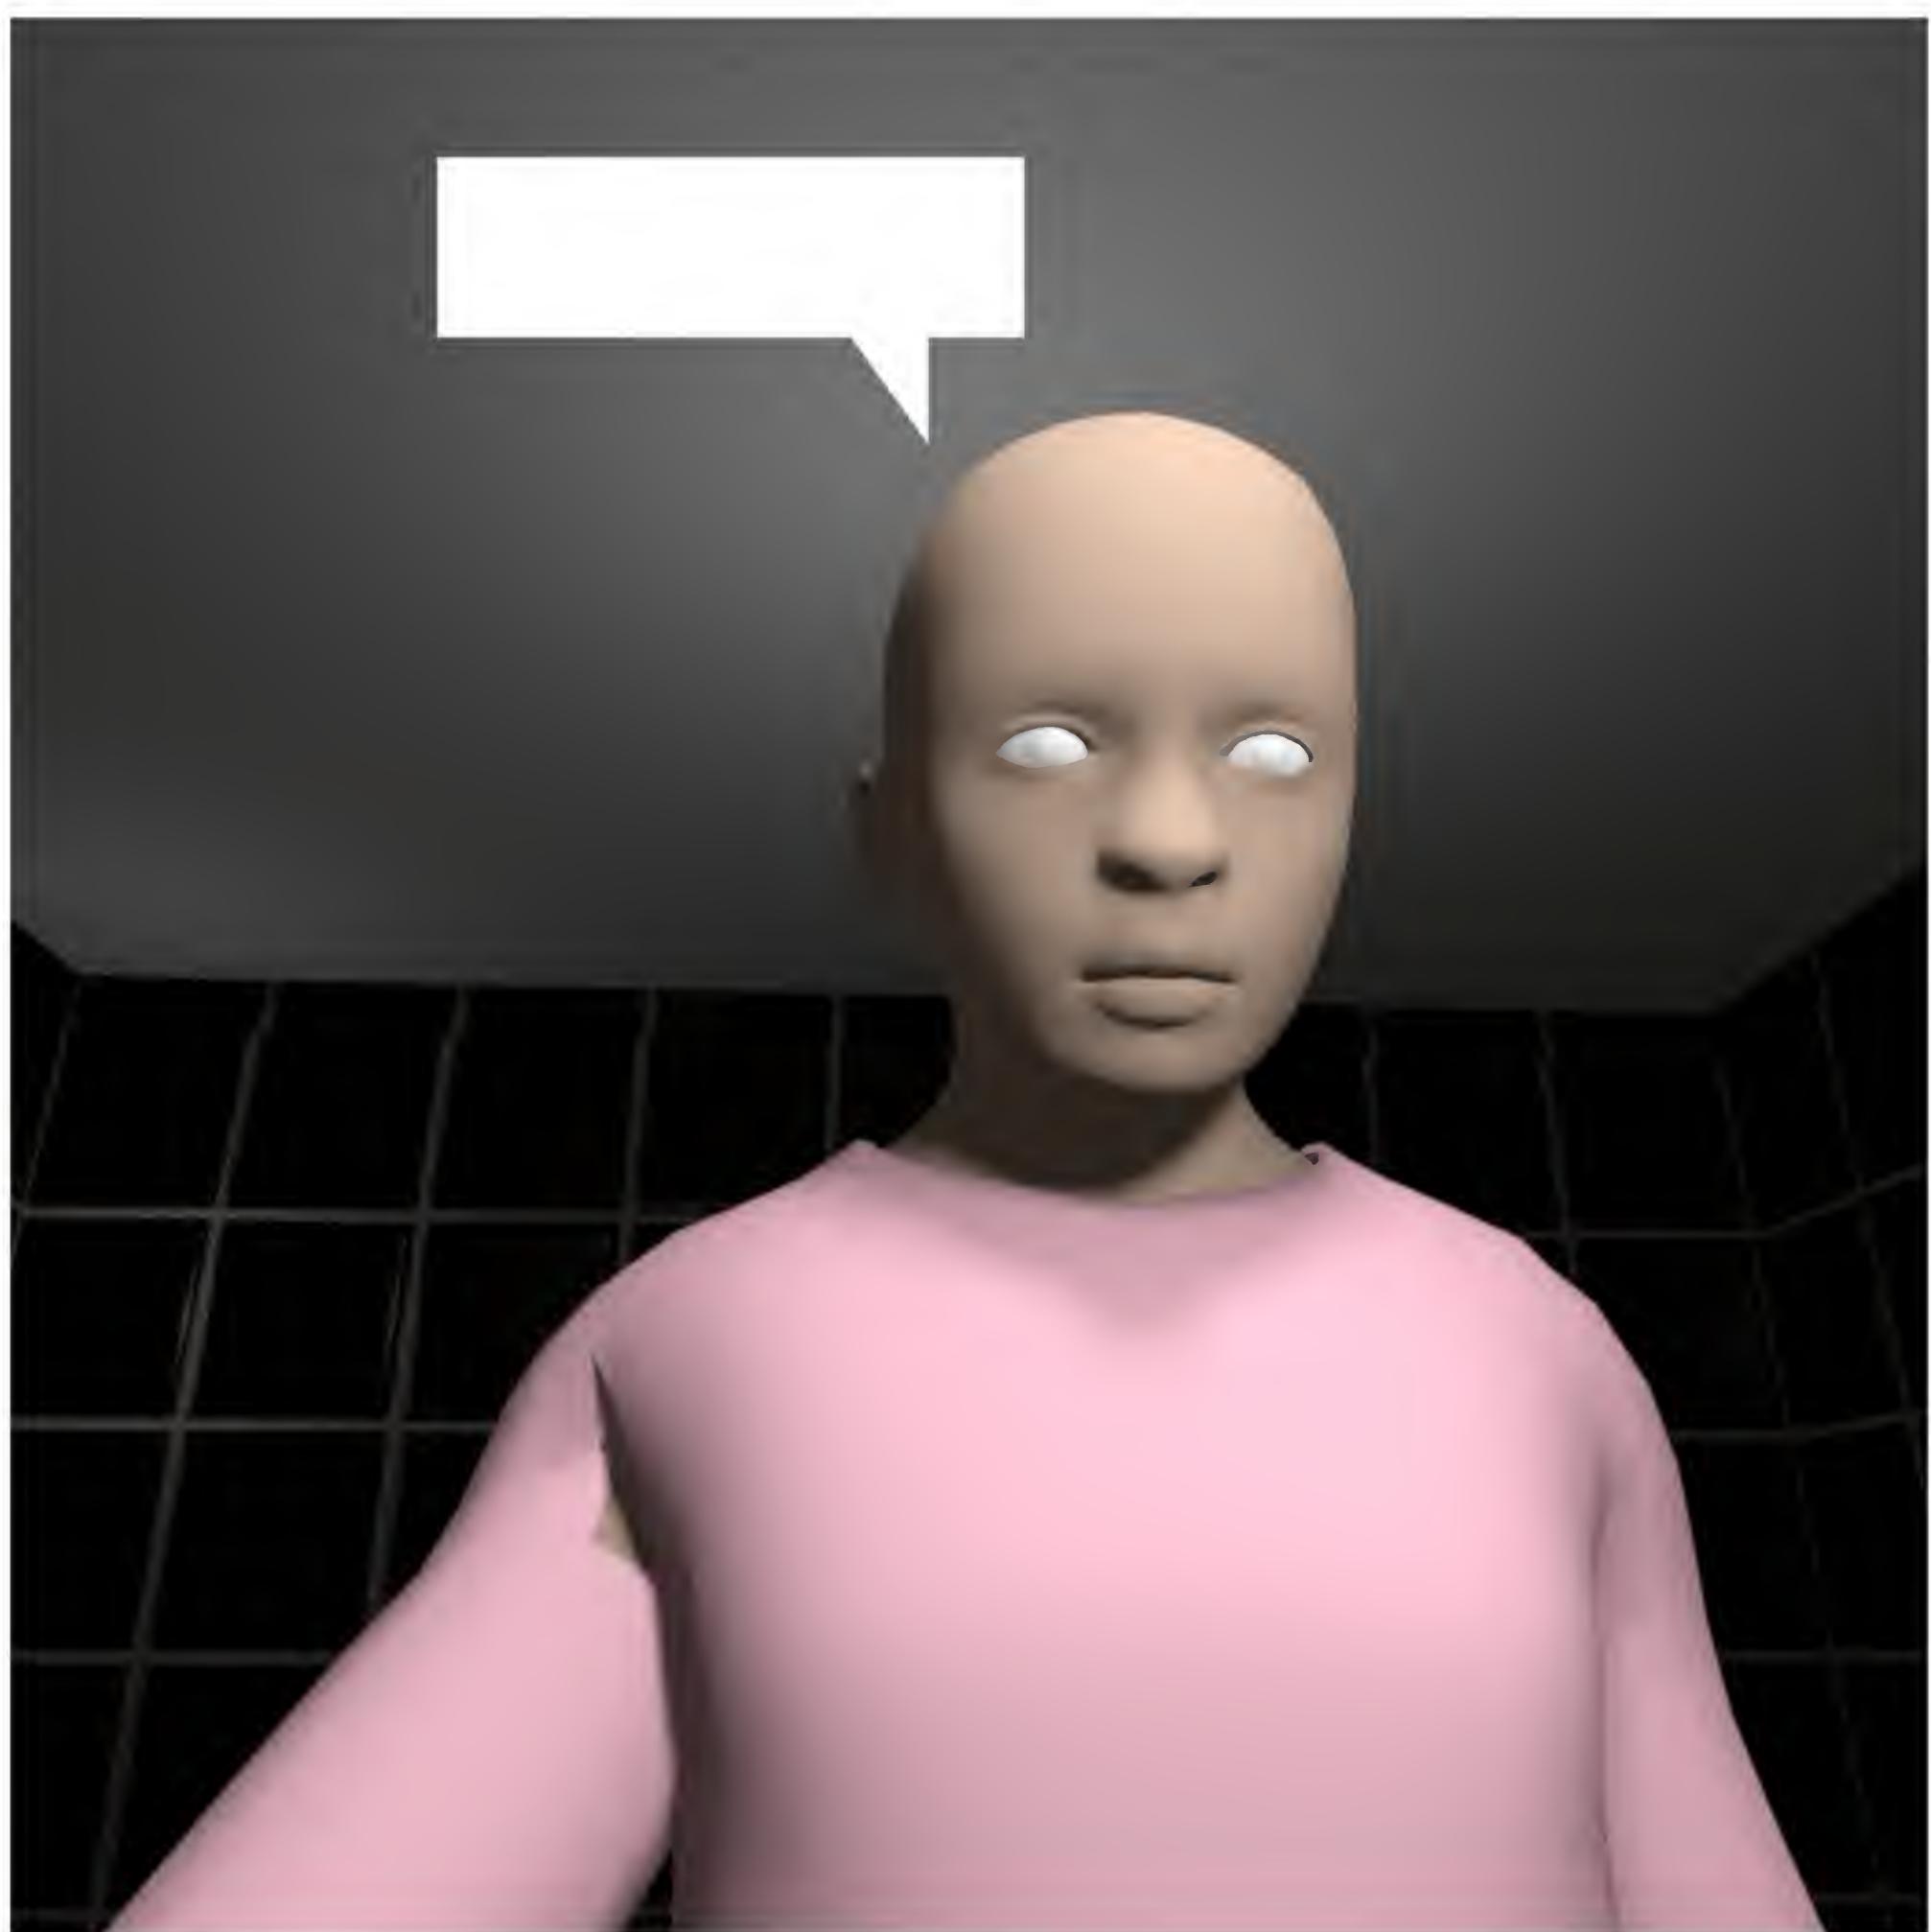

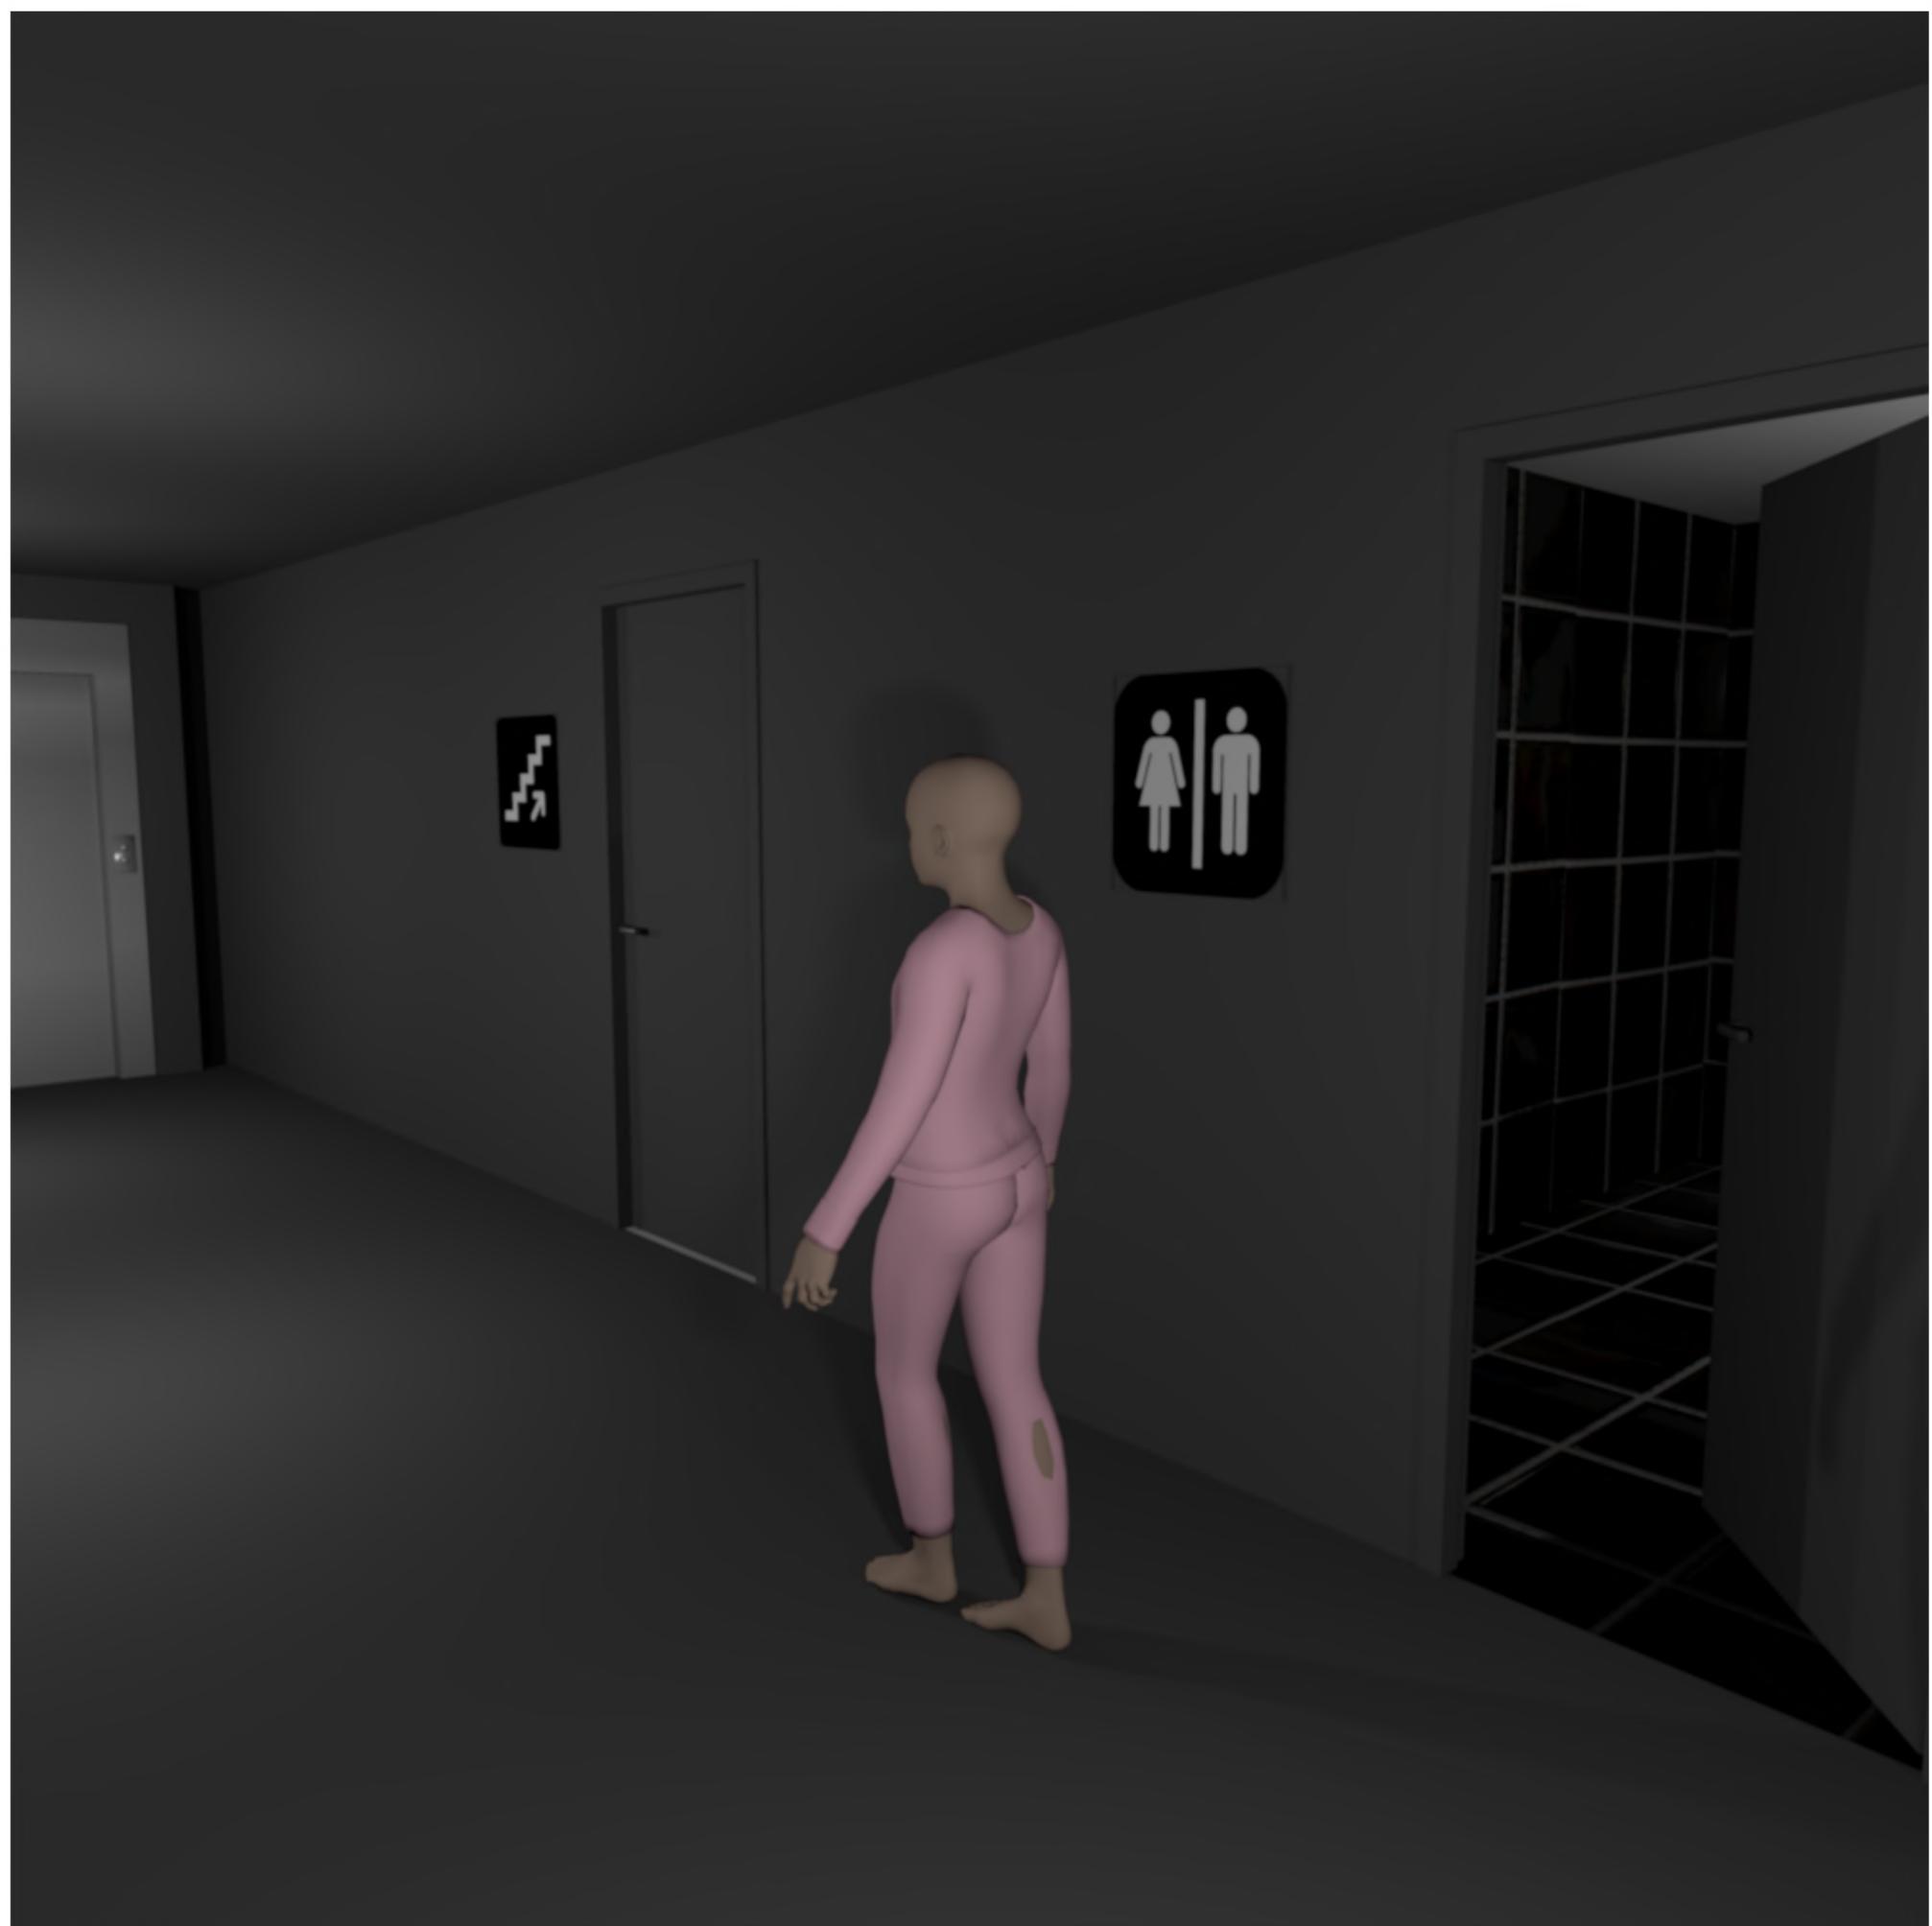

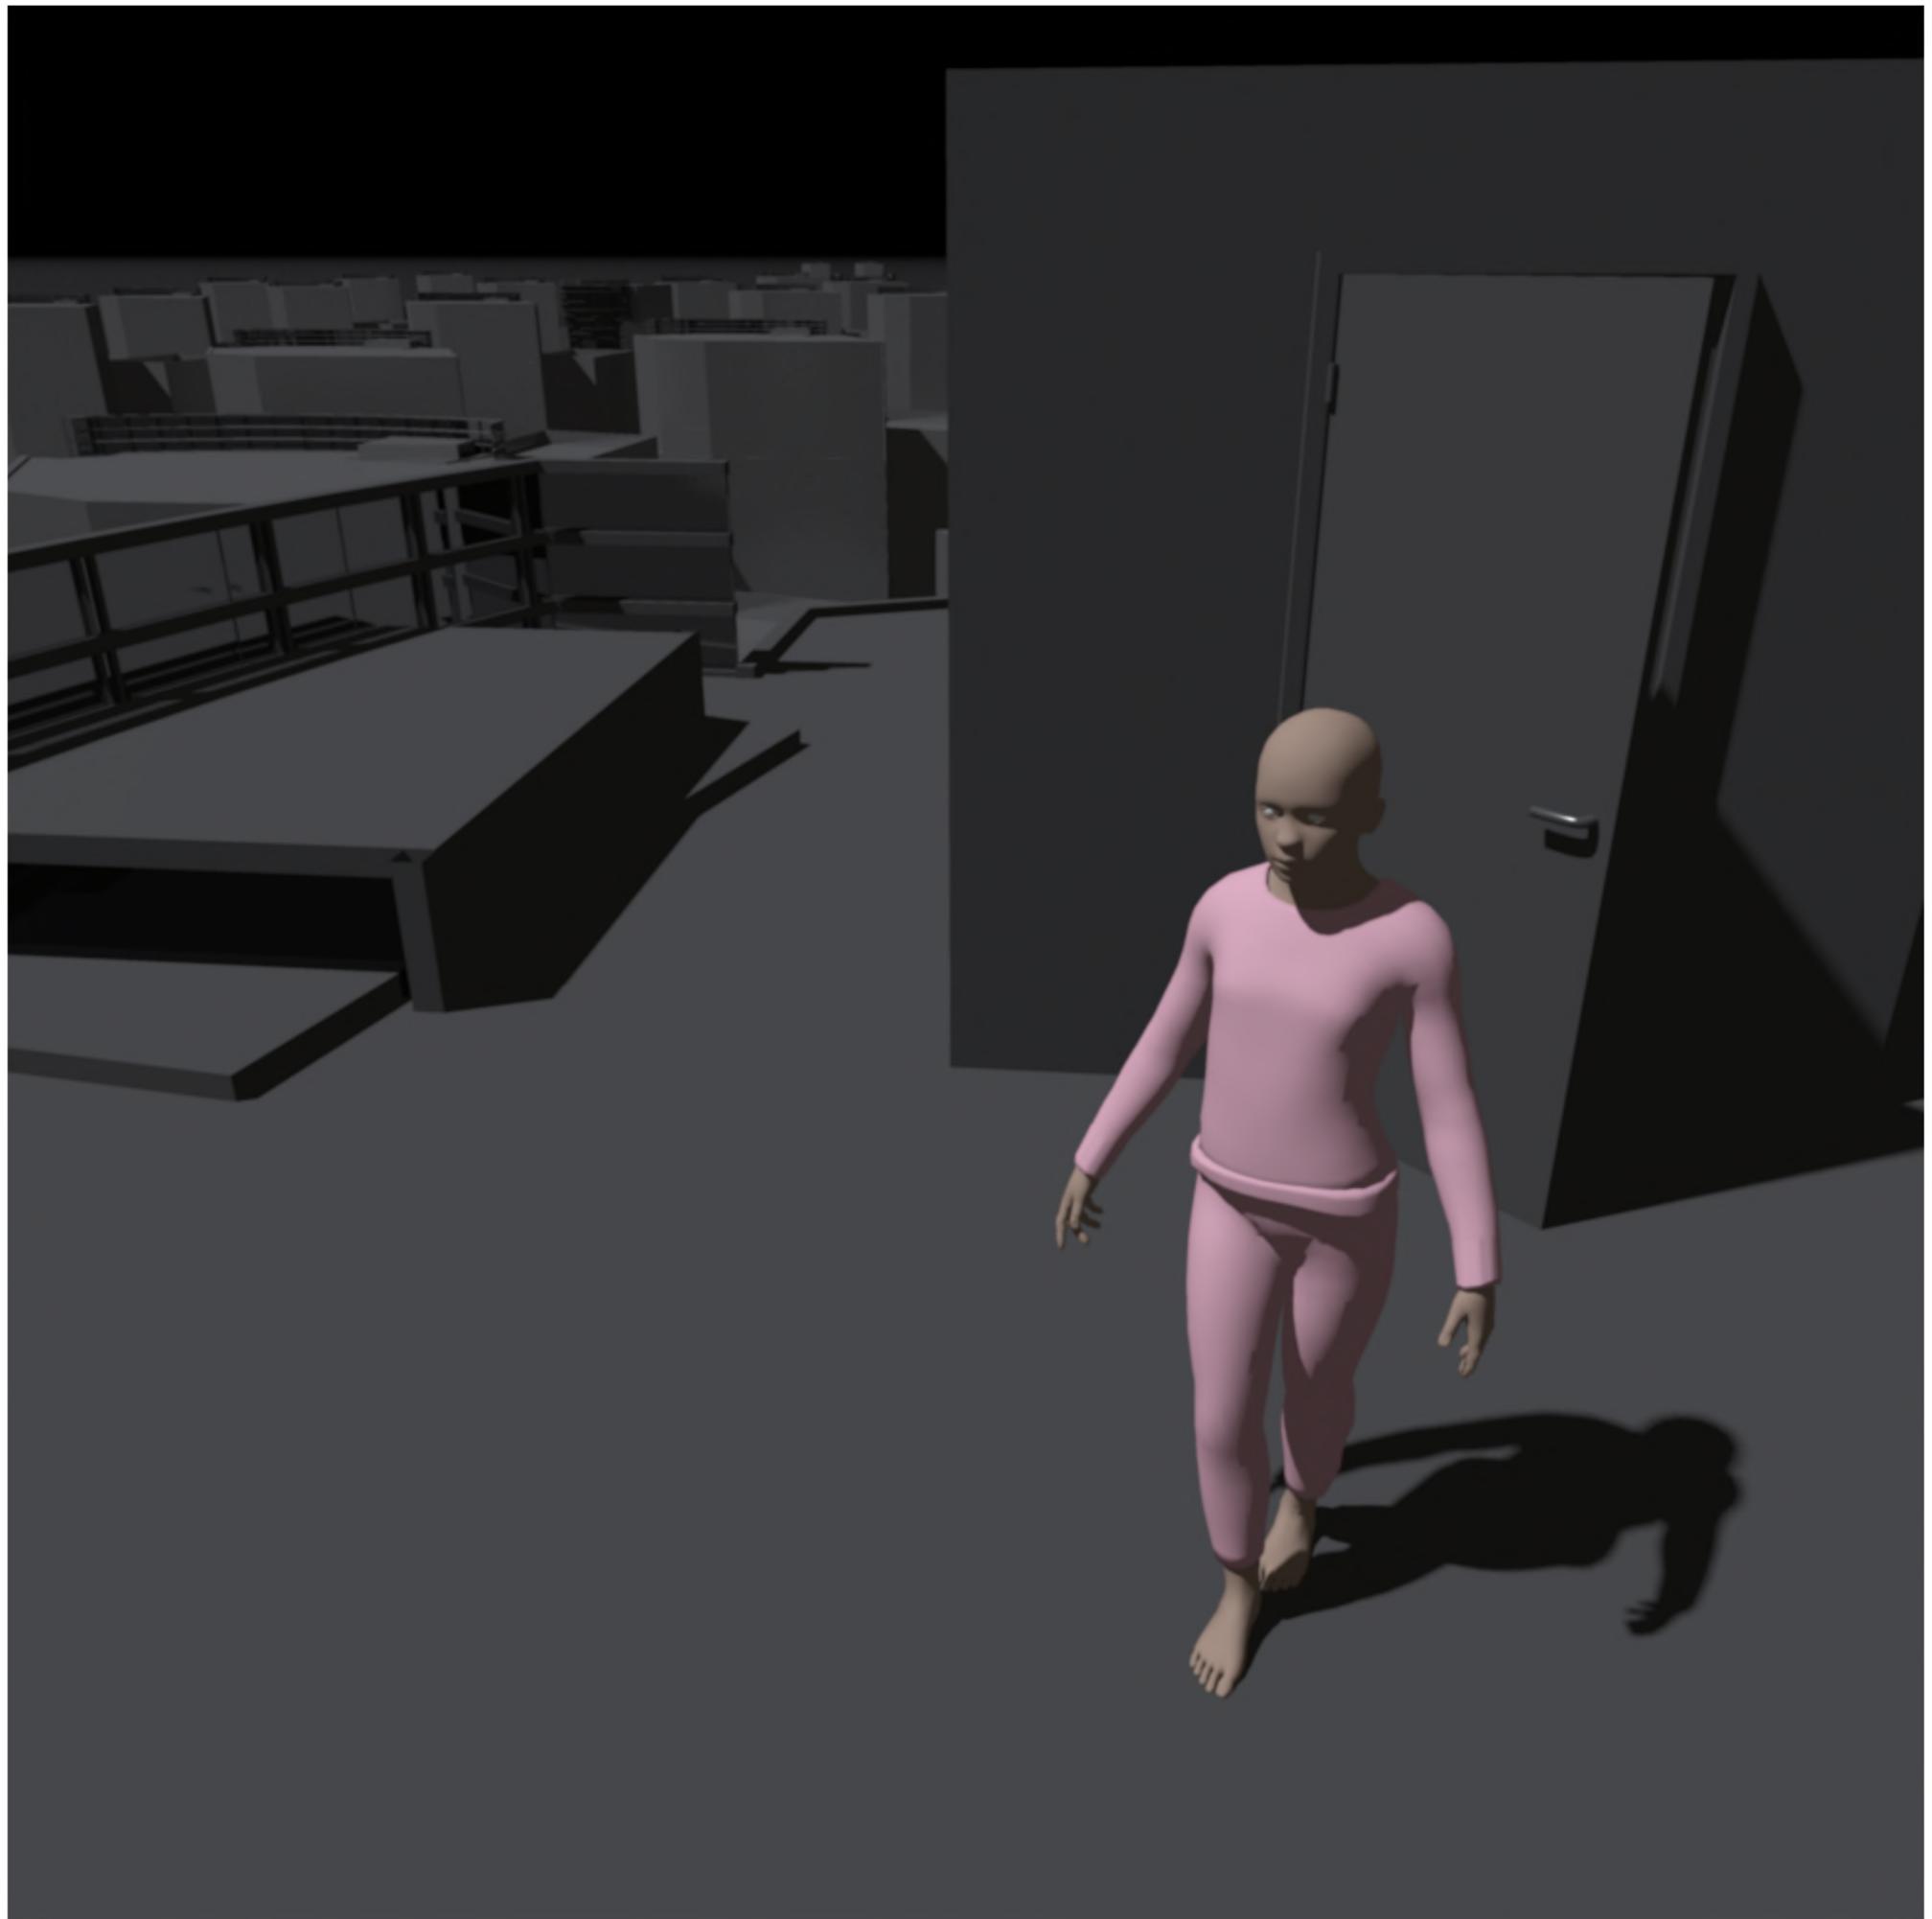

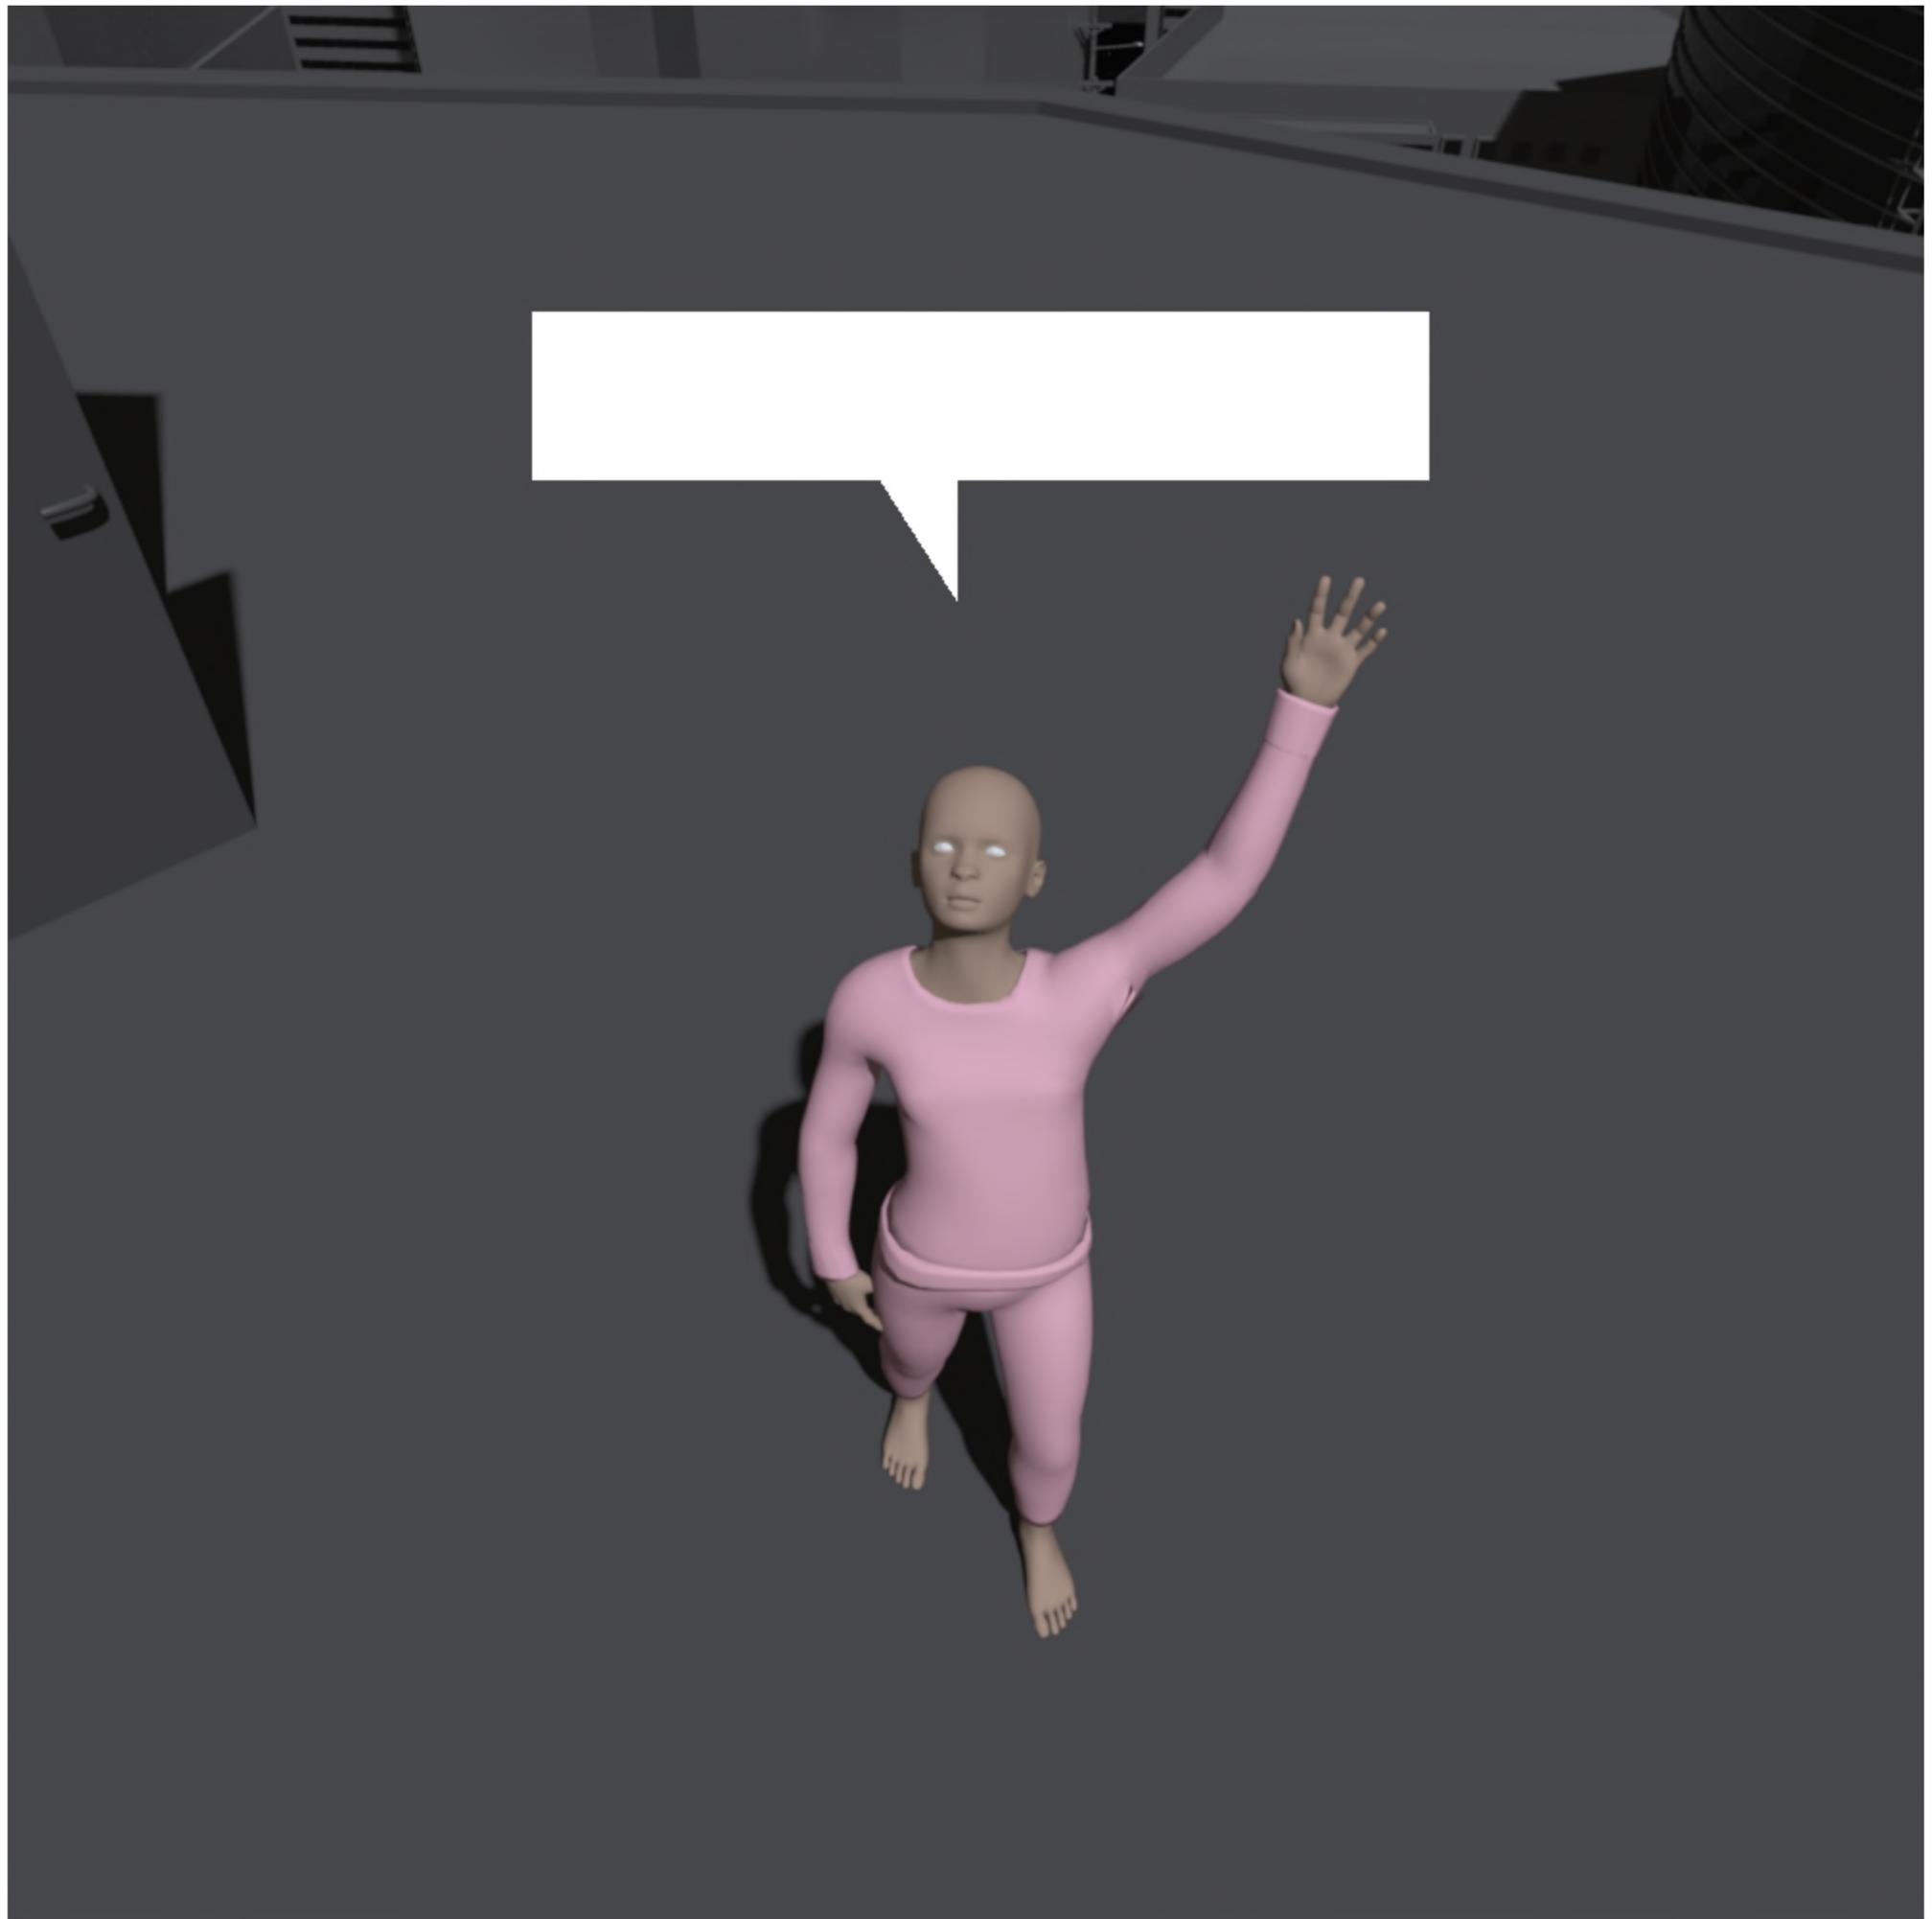

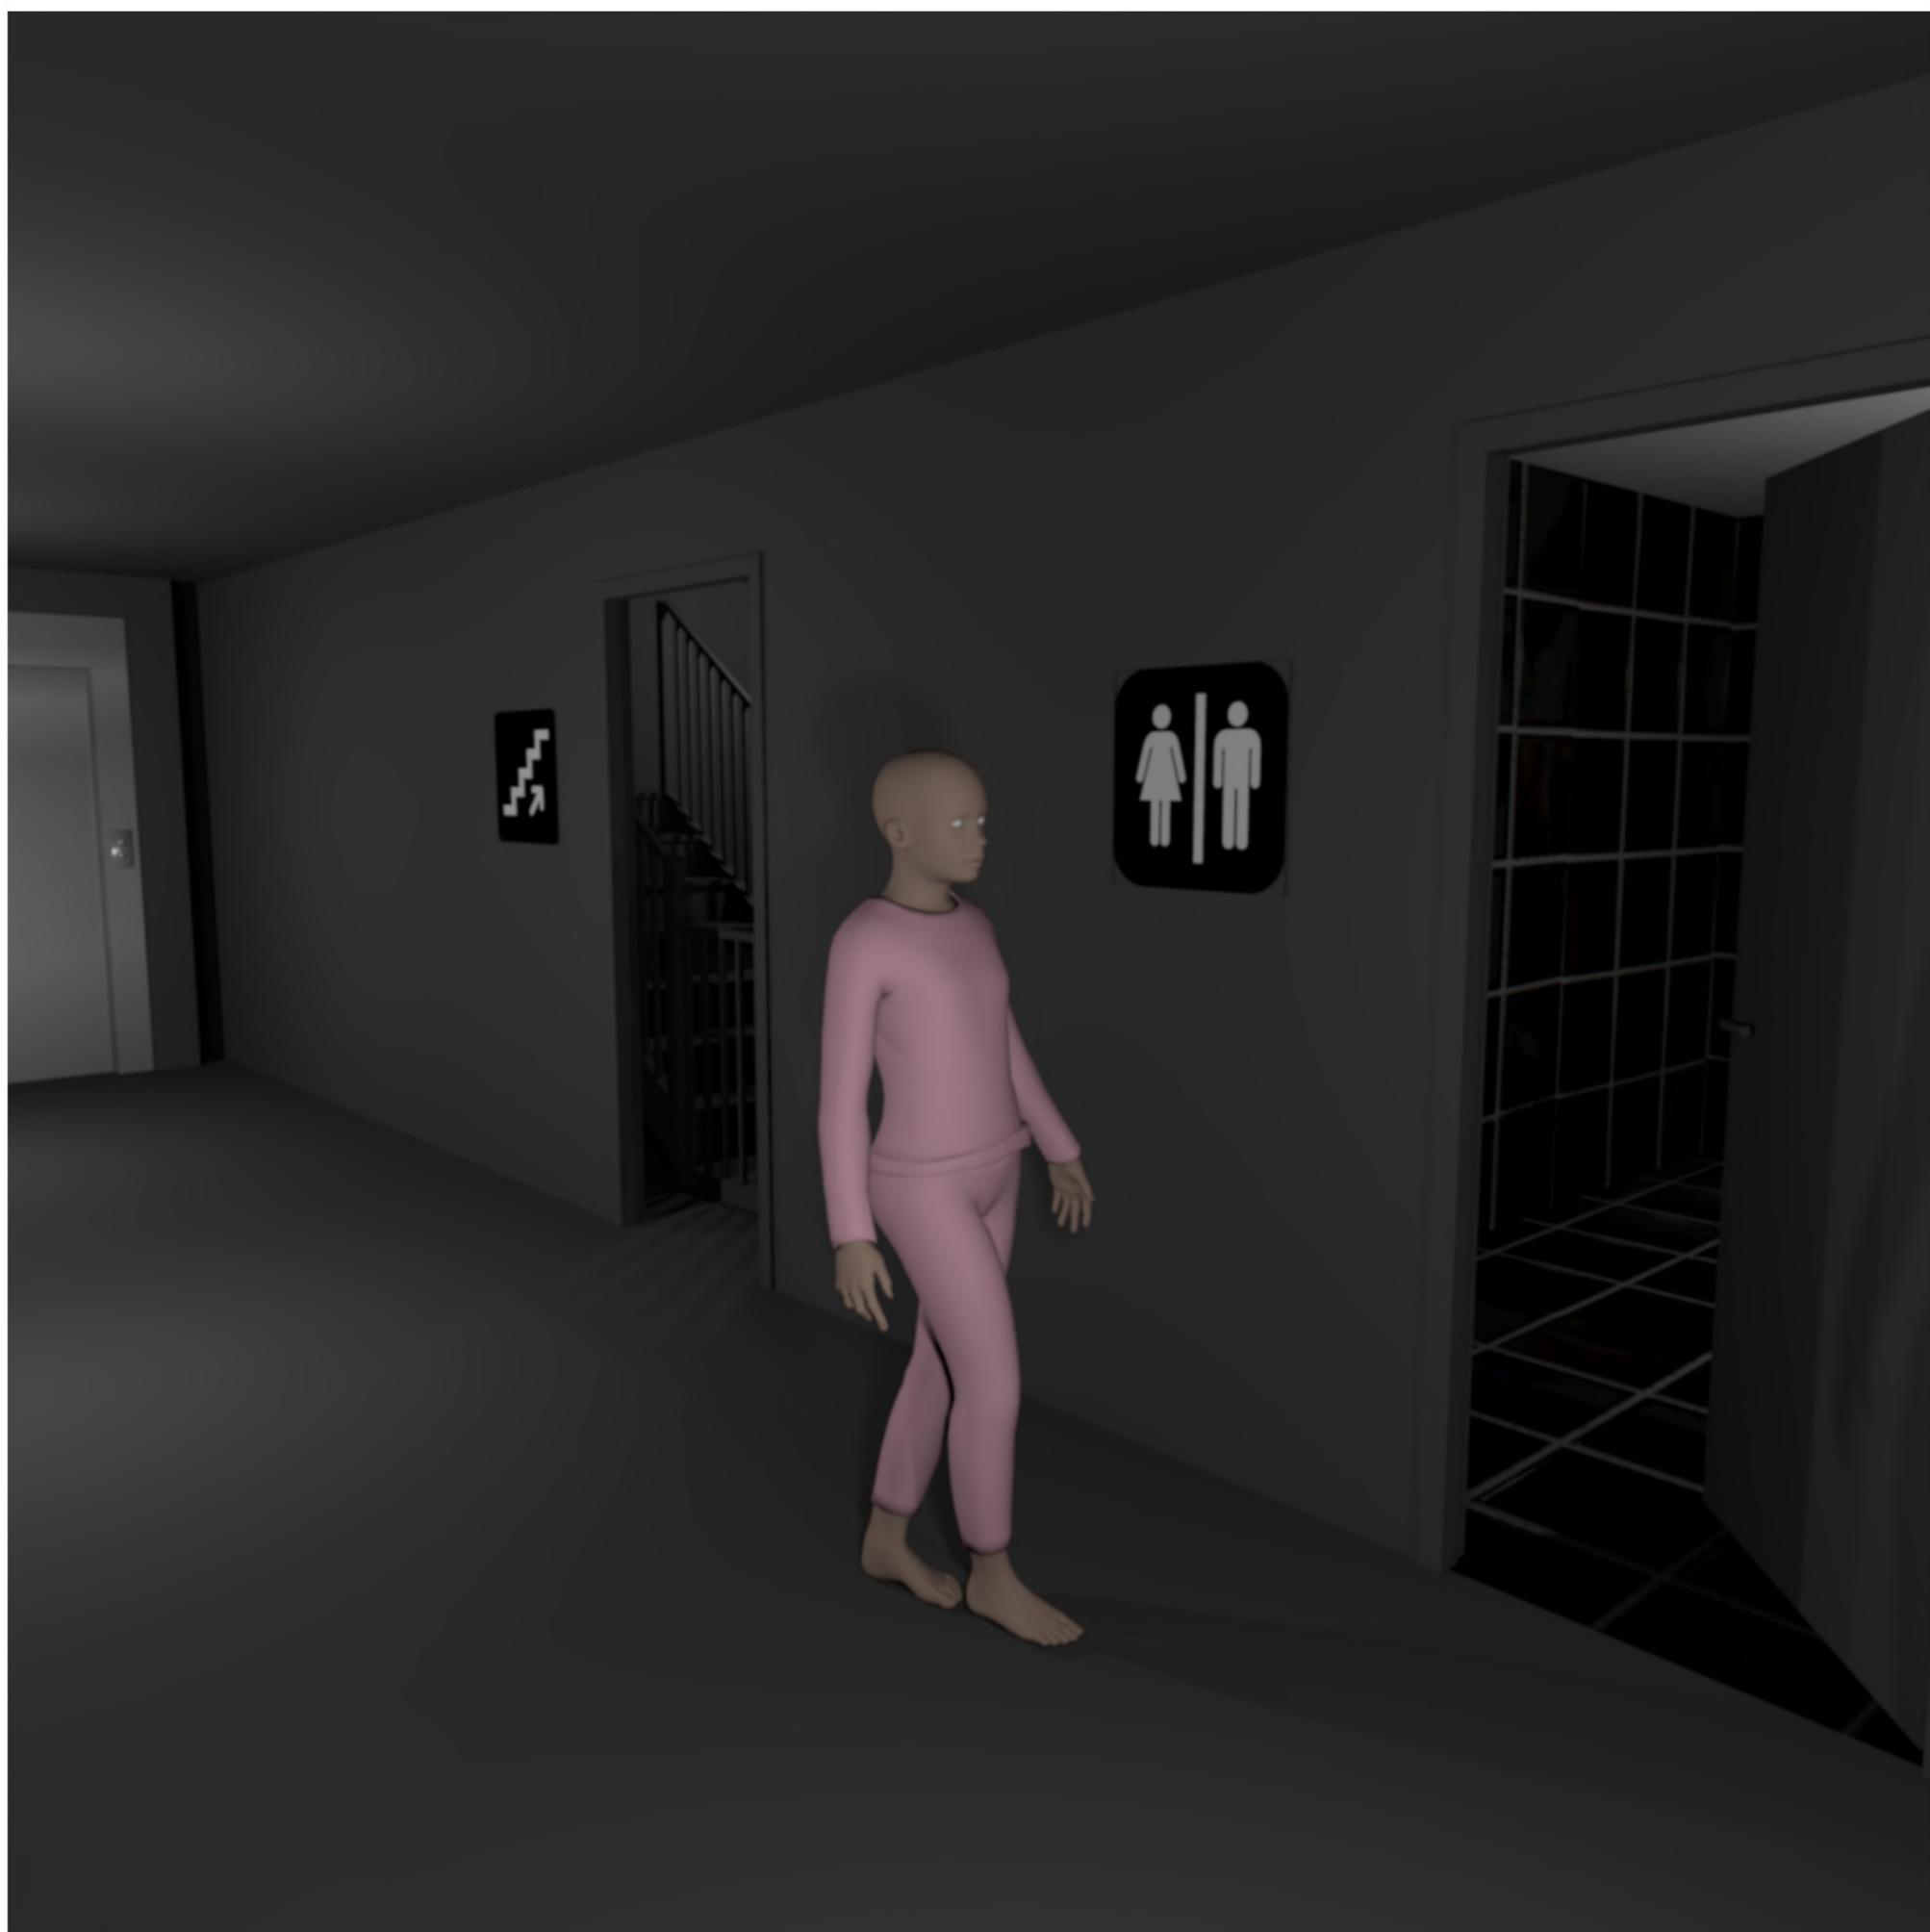

I like TV with the mute on

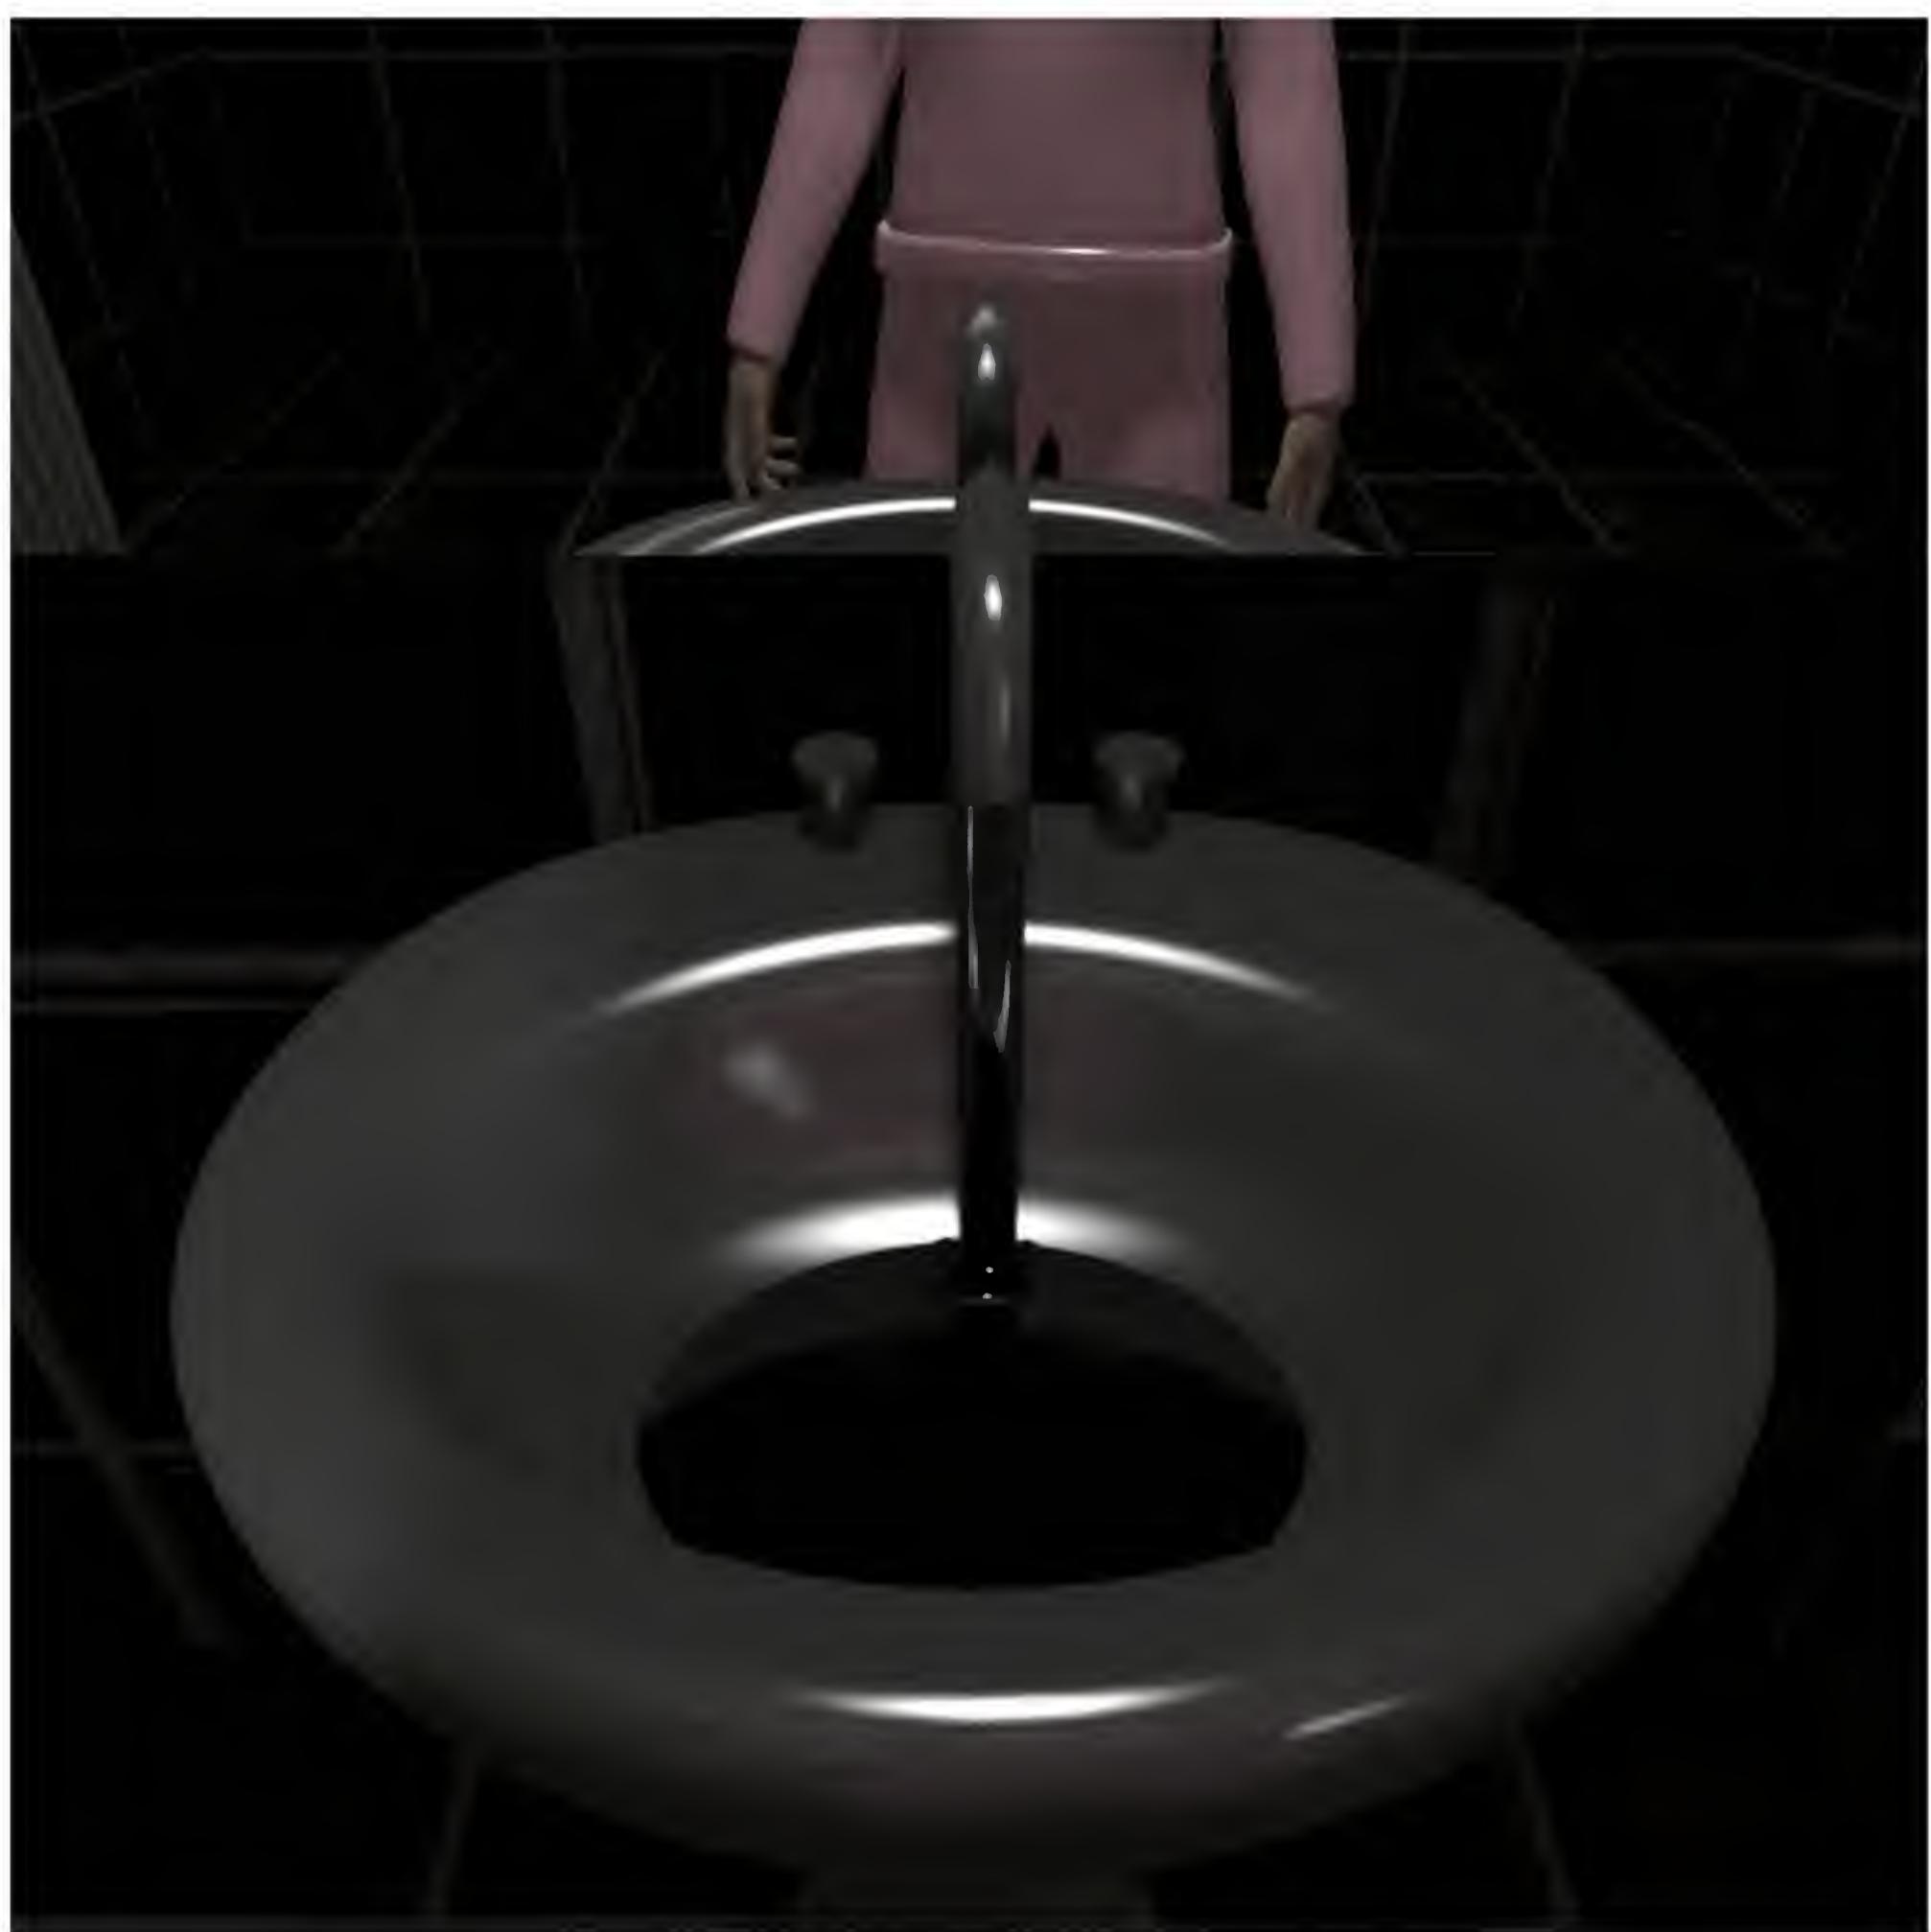

It makes me feel more  
in control, you know?

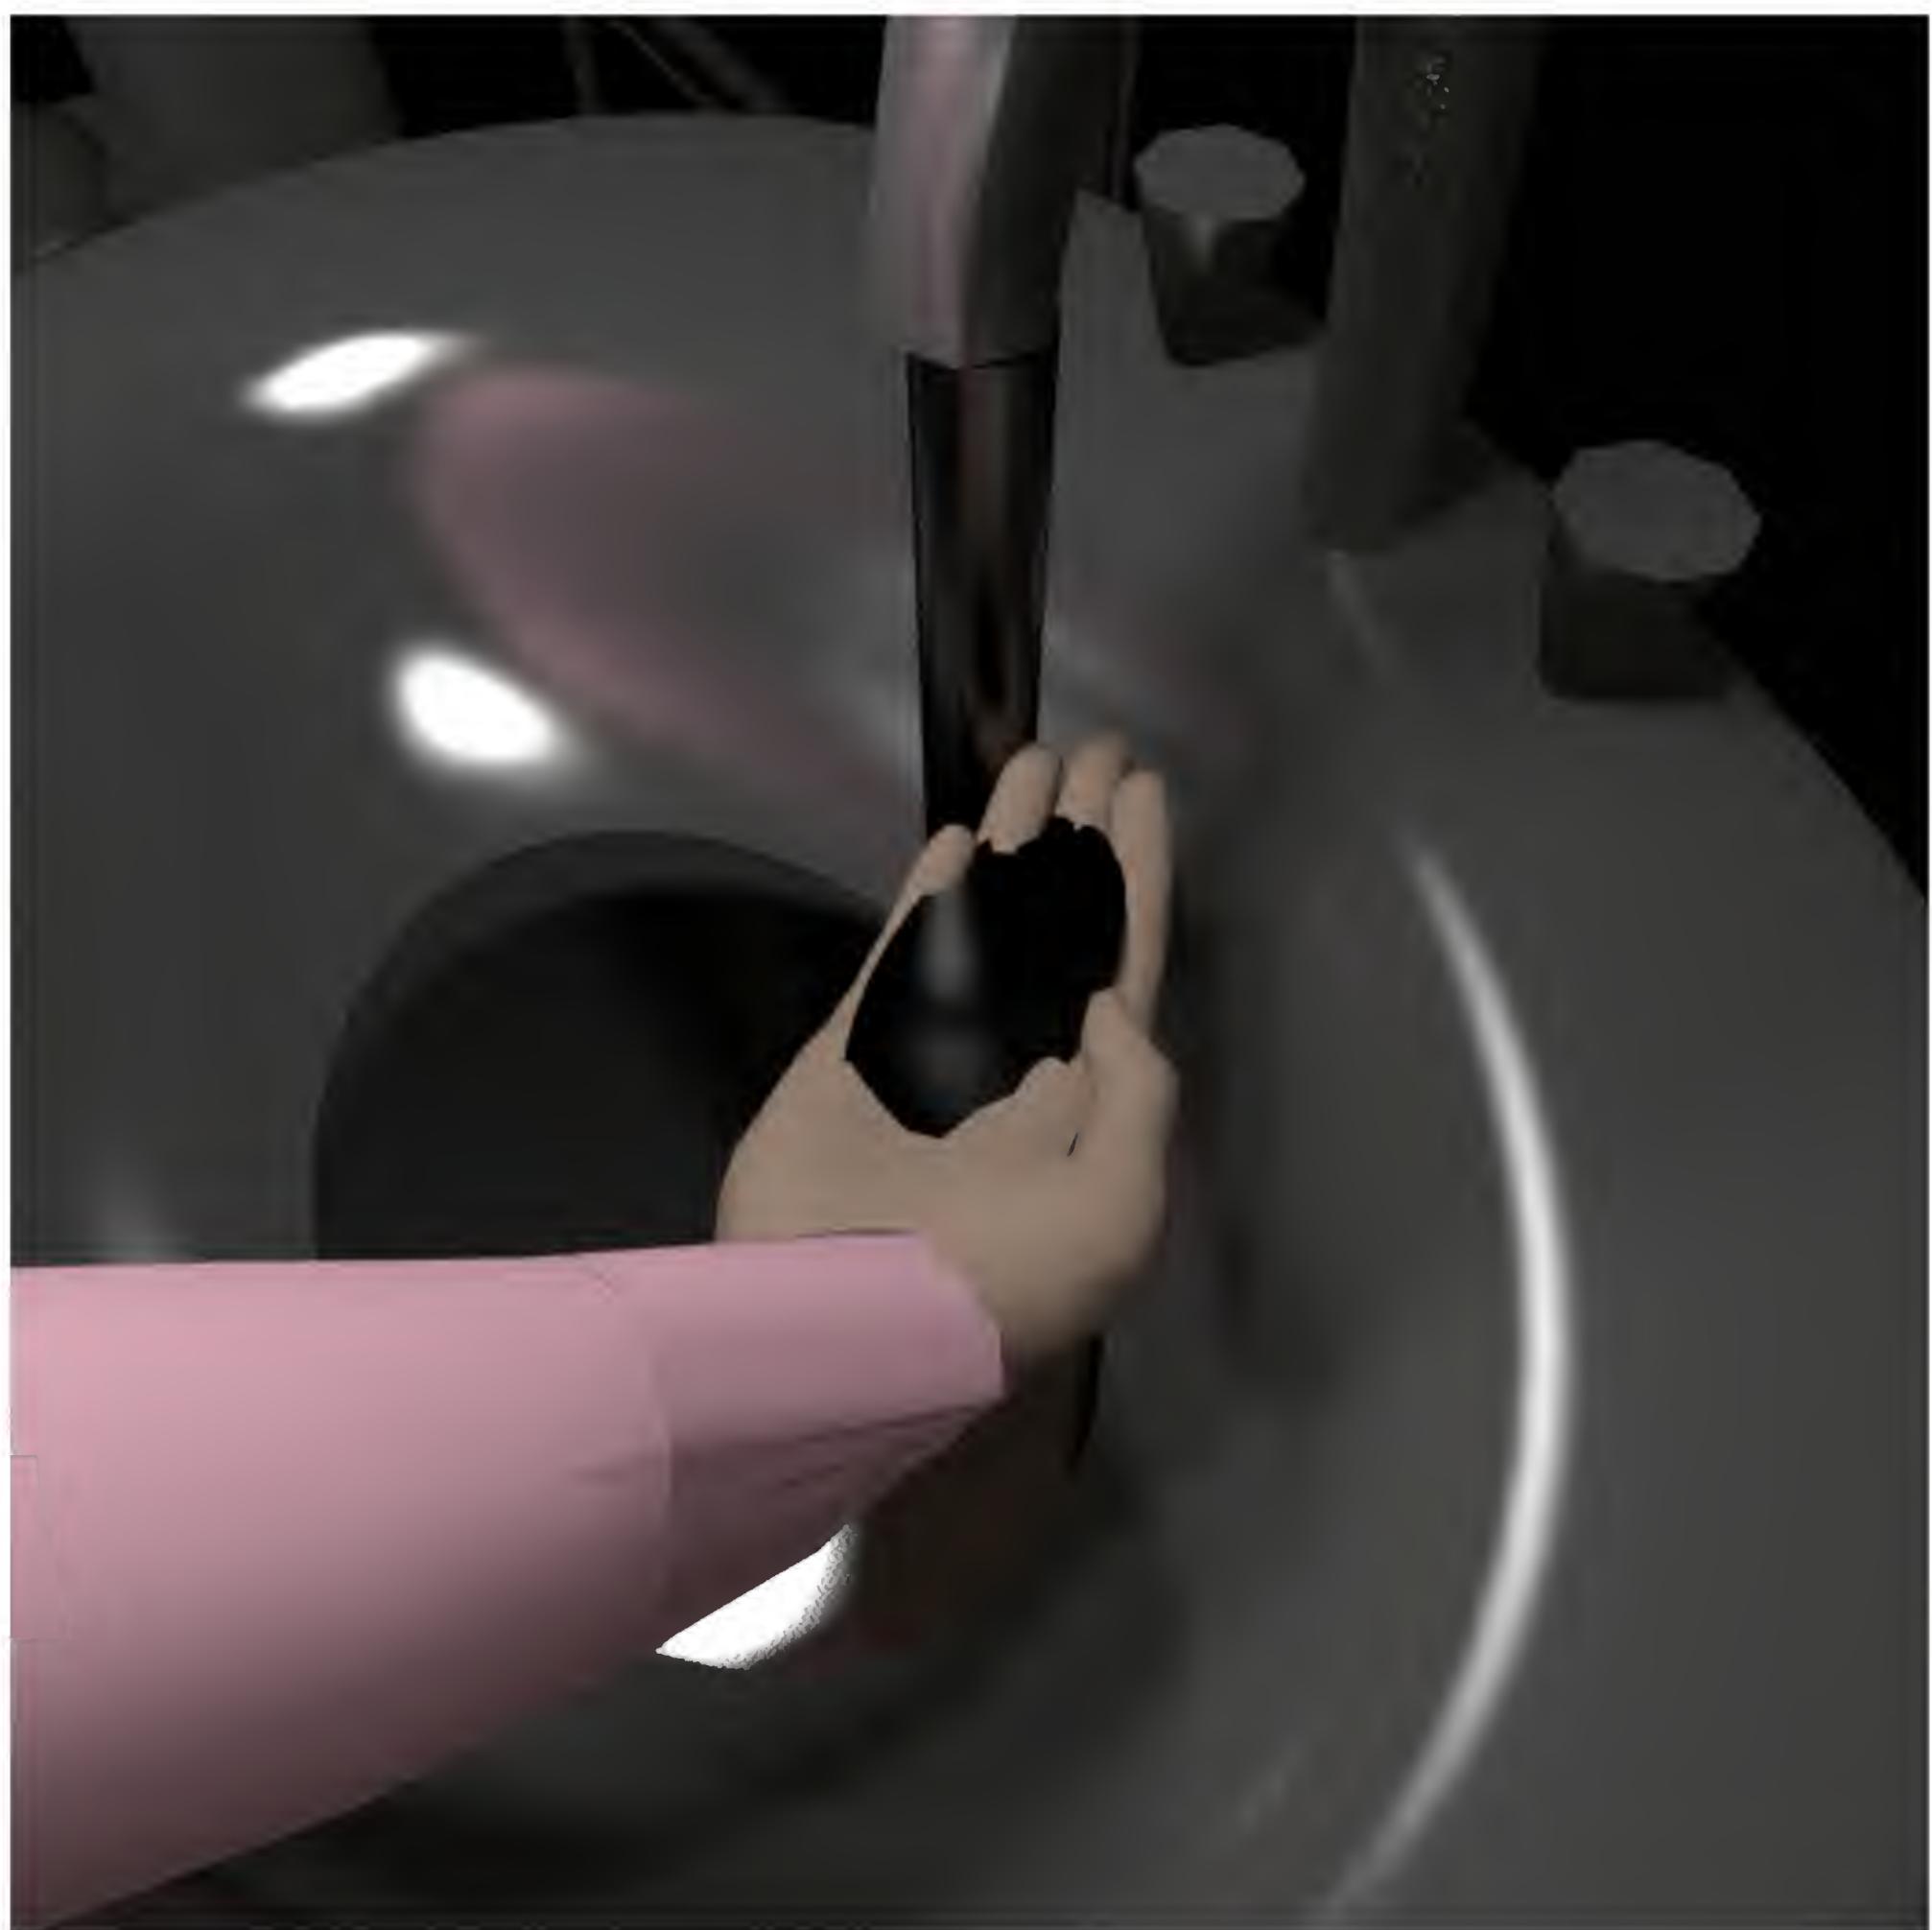

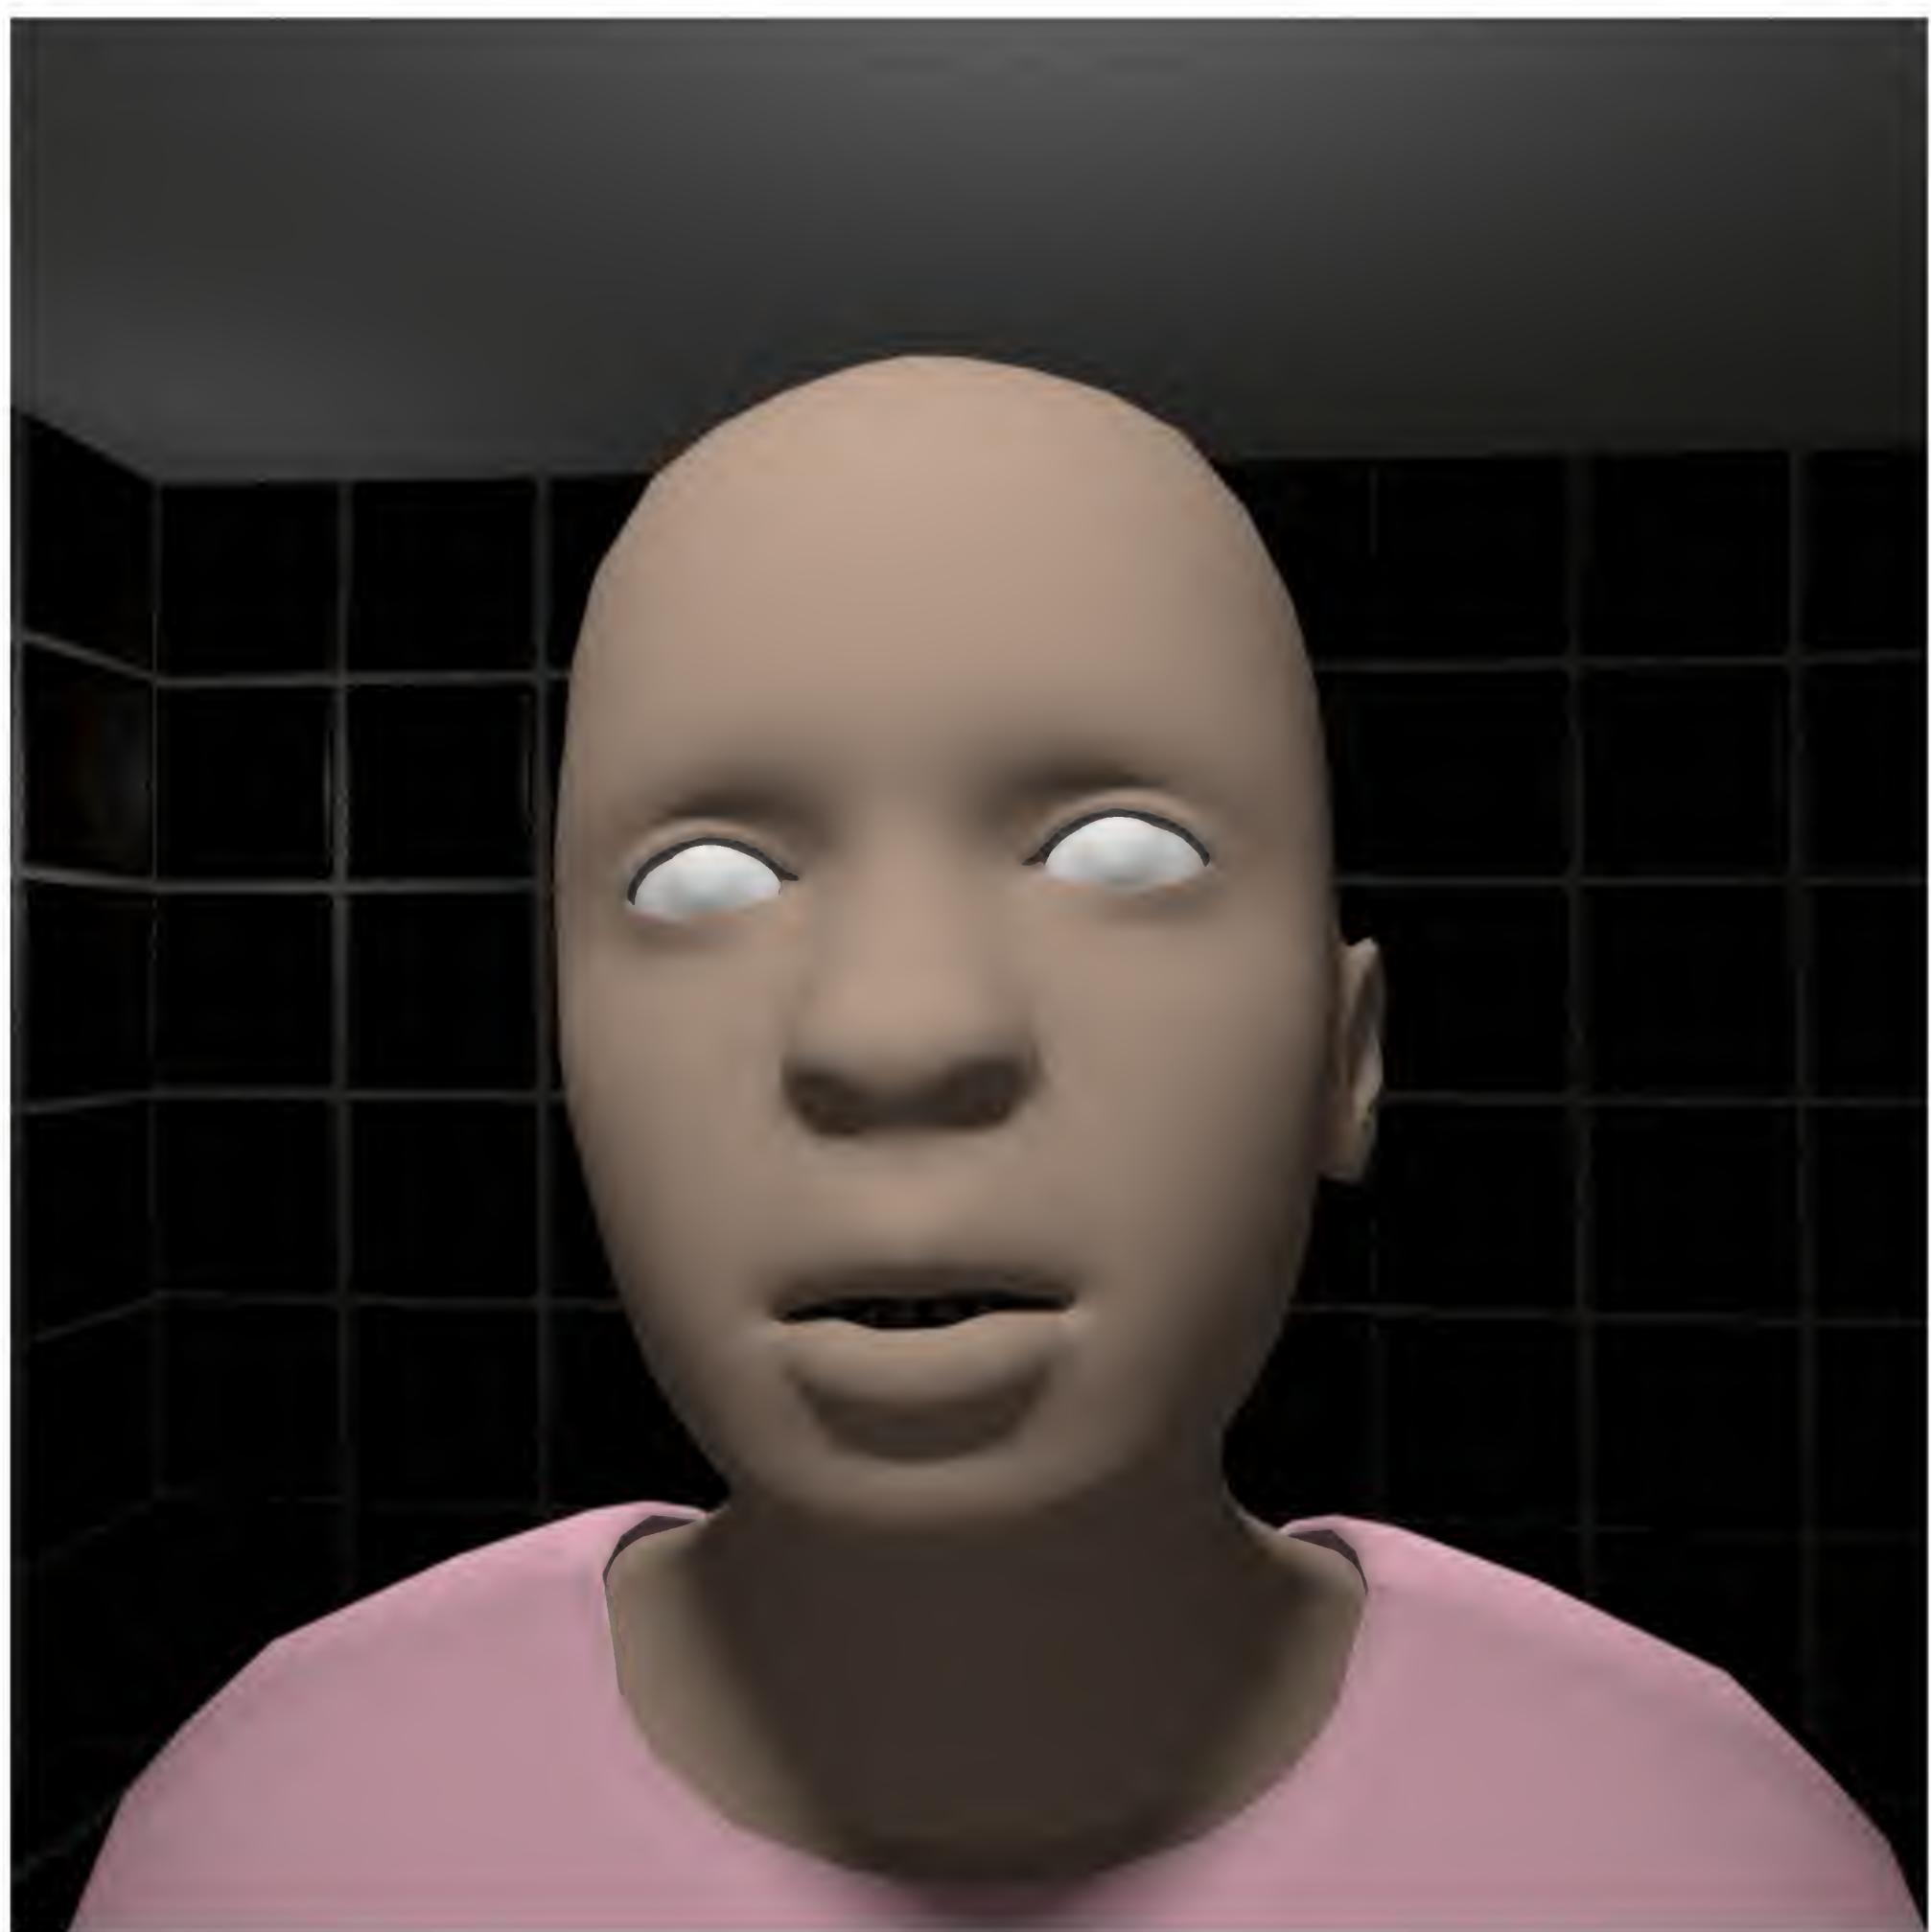

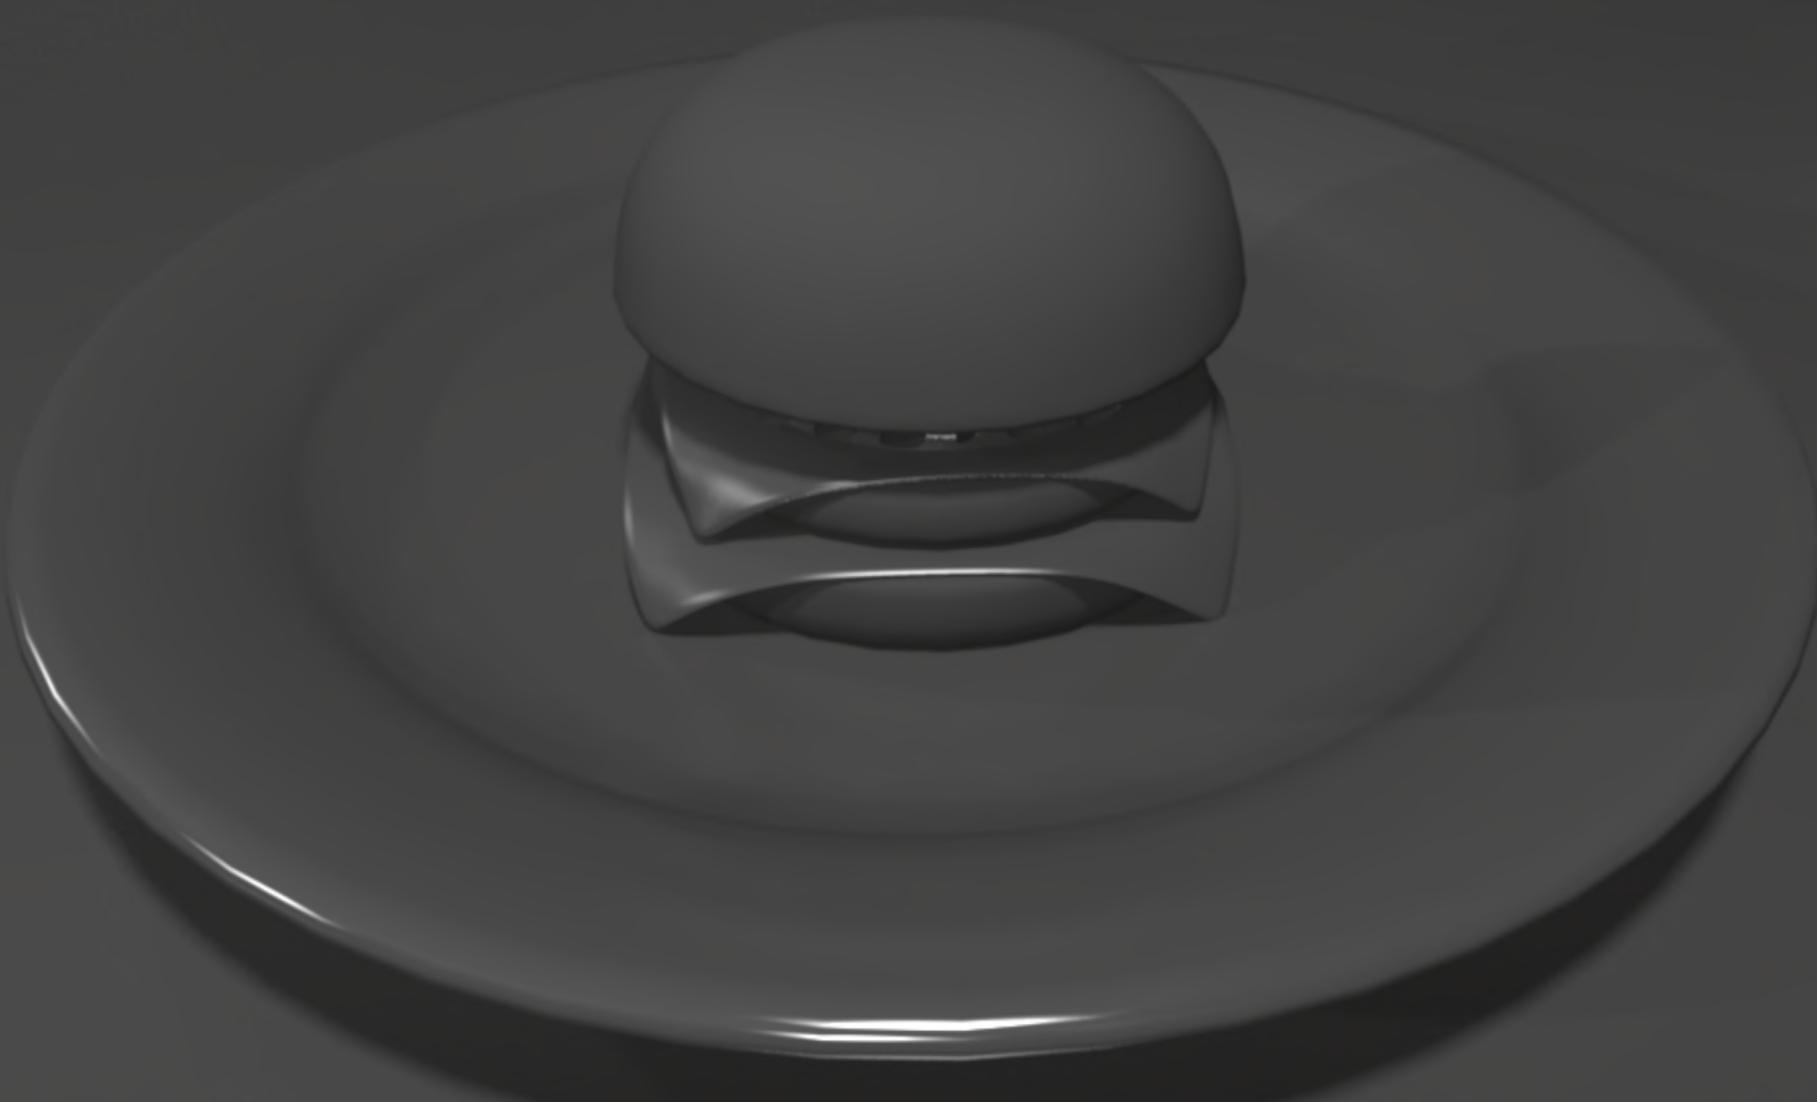

It's time to come home

You've been out for too long  
It's time to come home

# PART 3

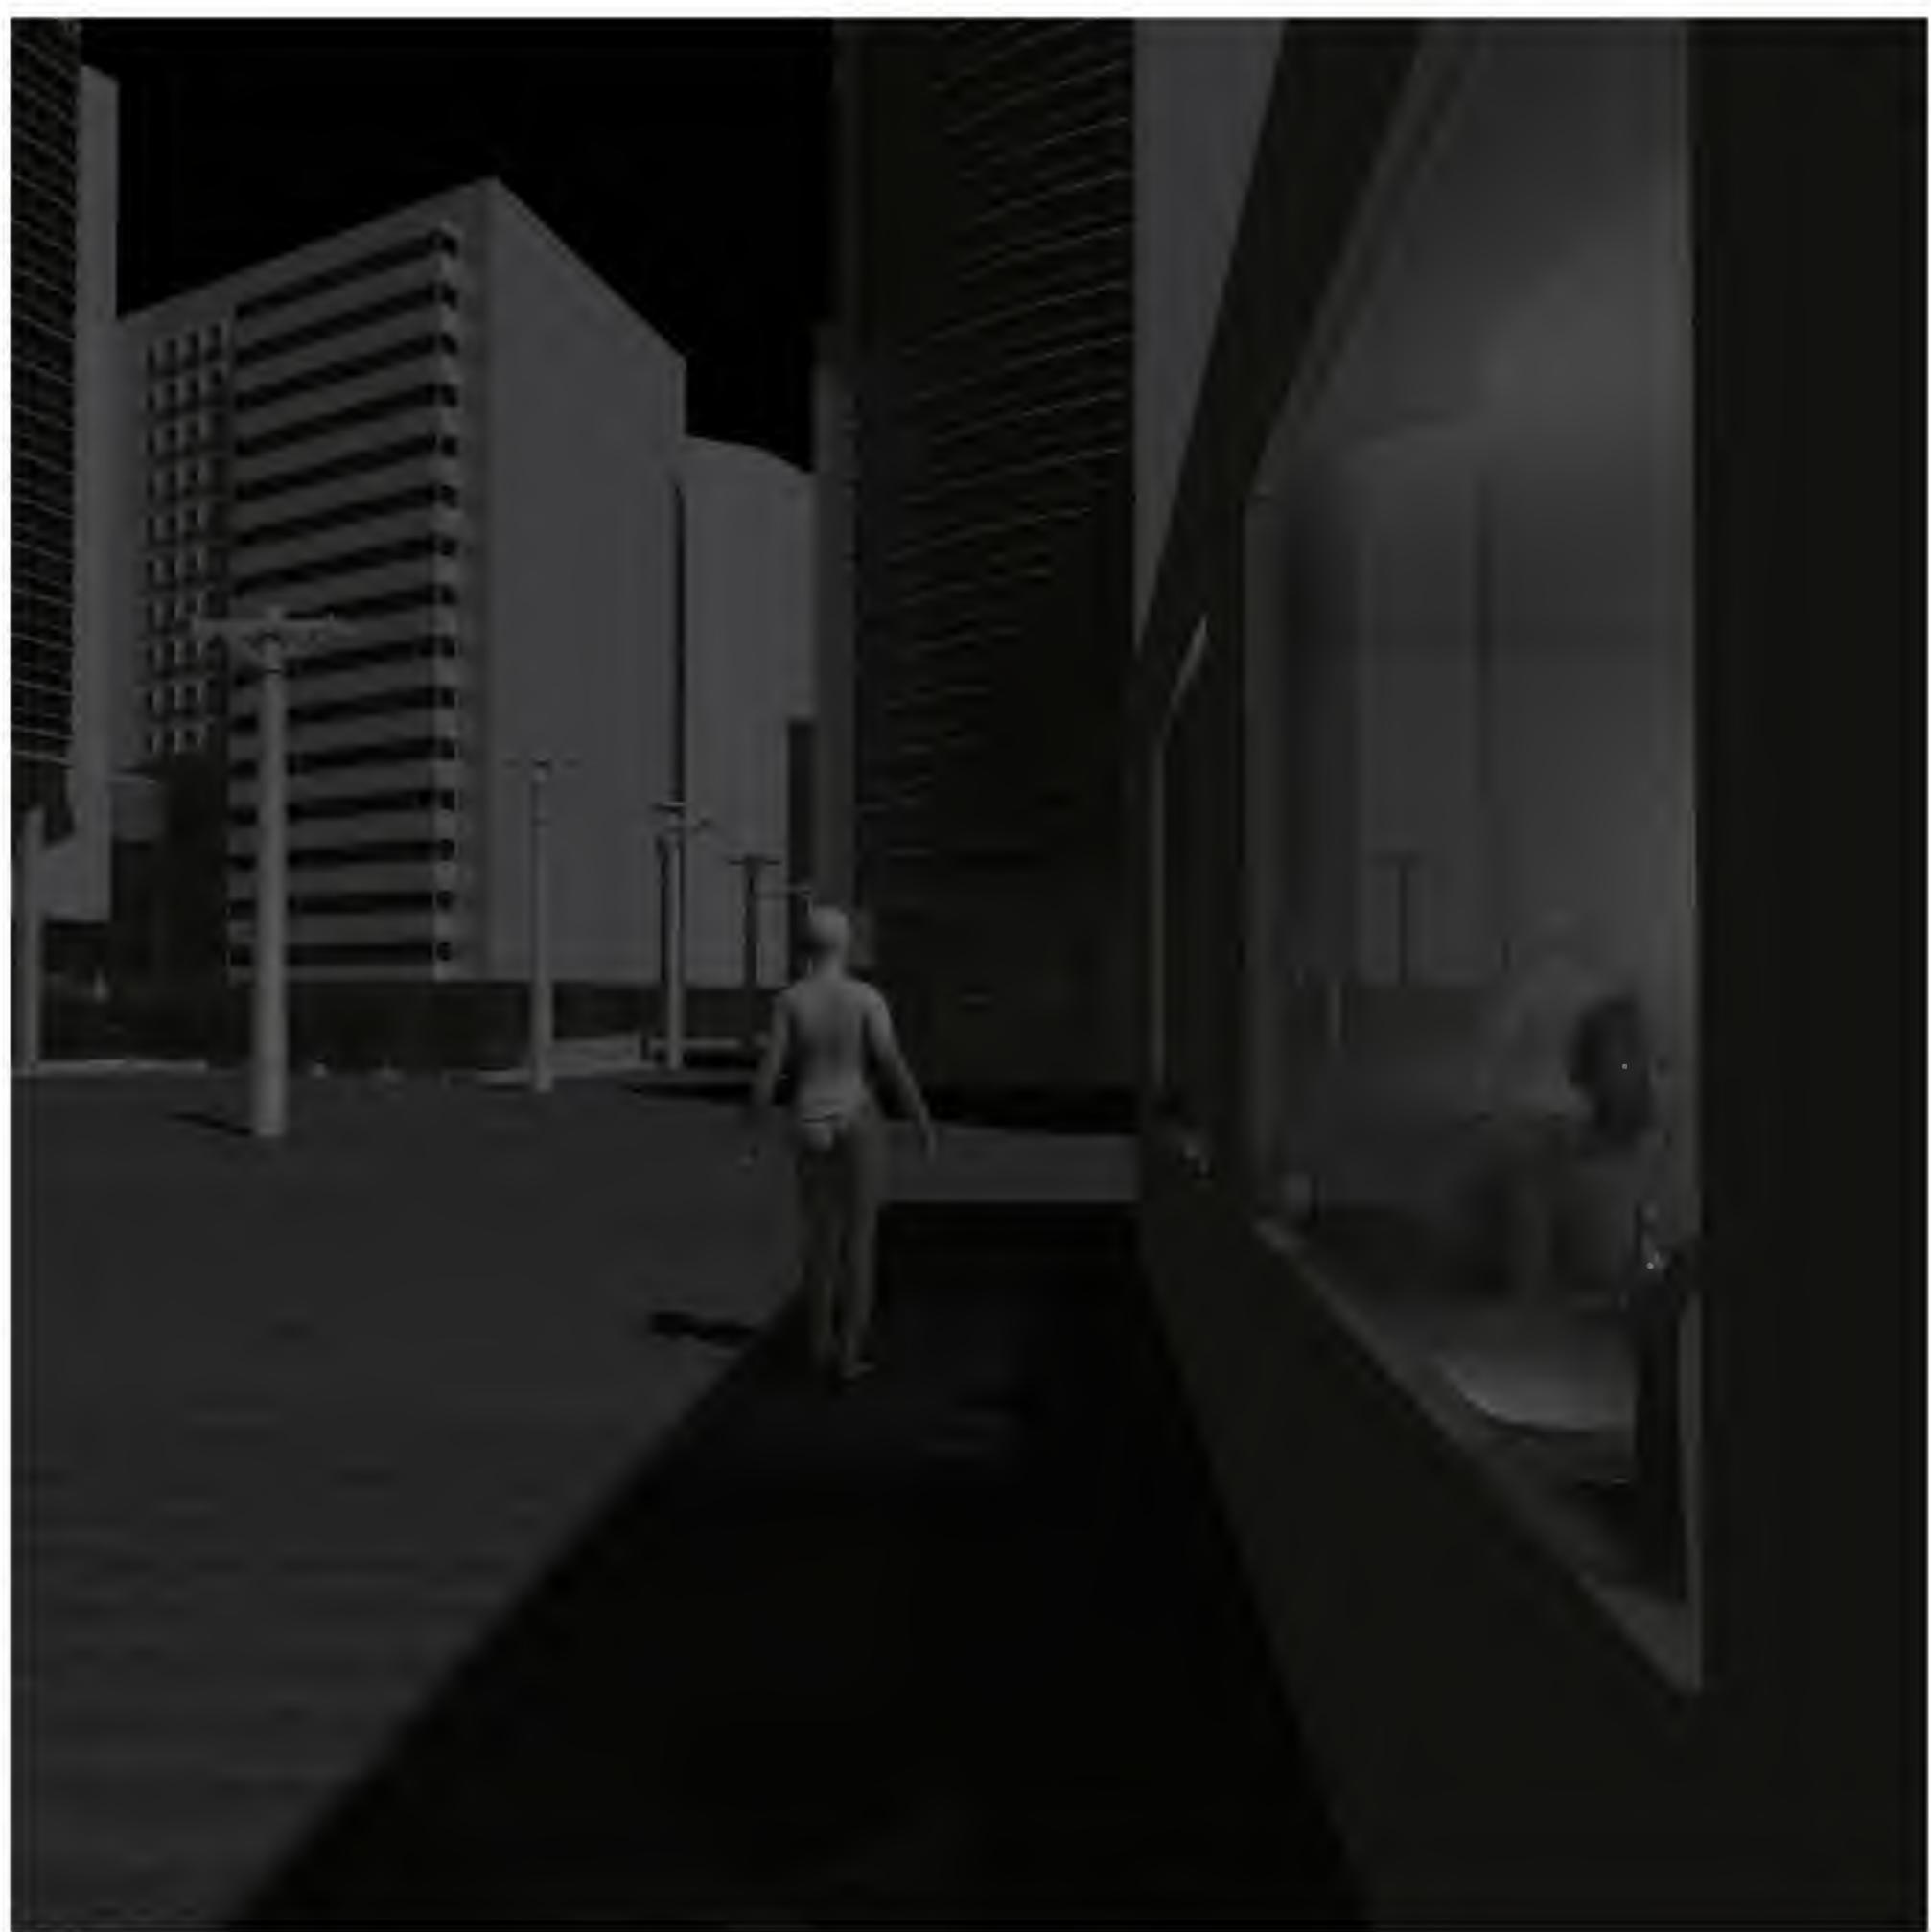

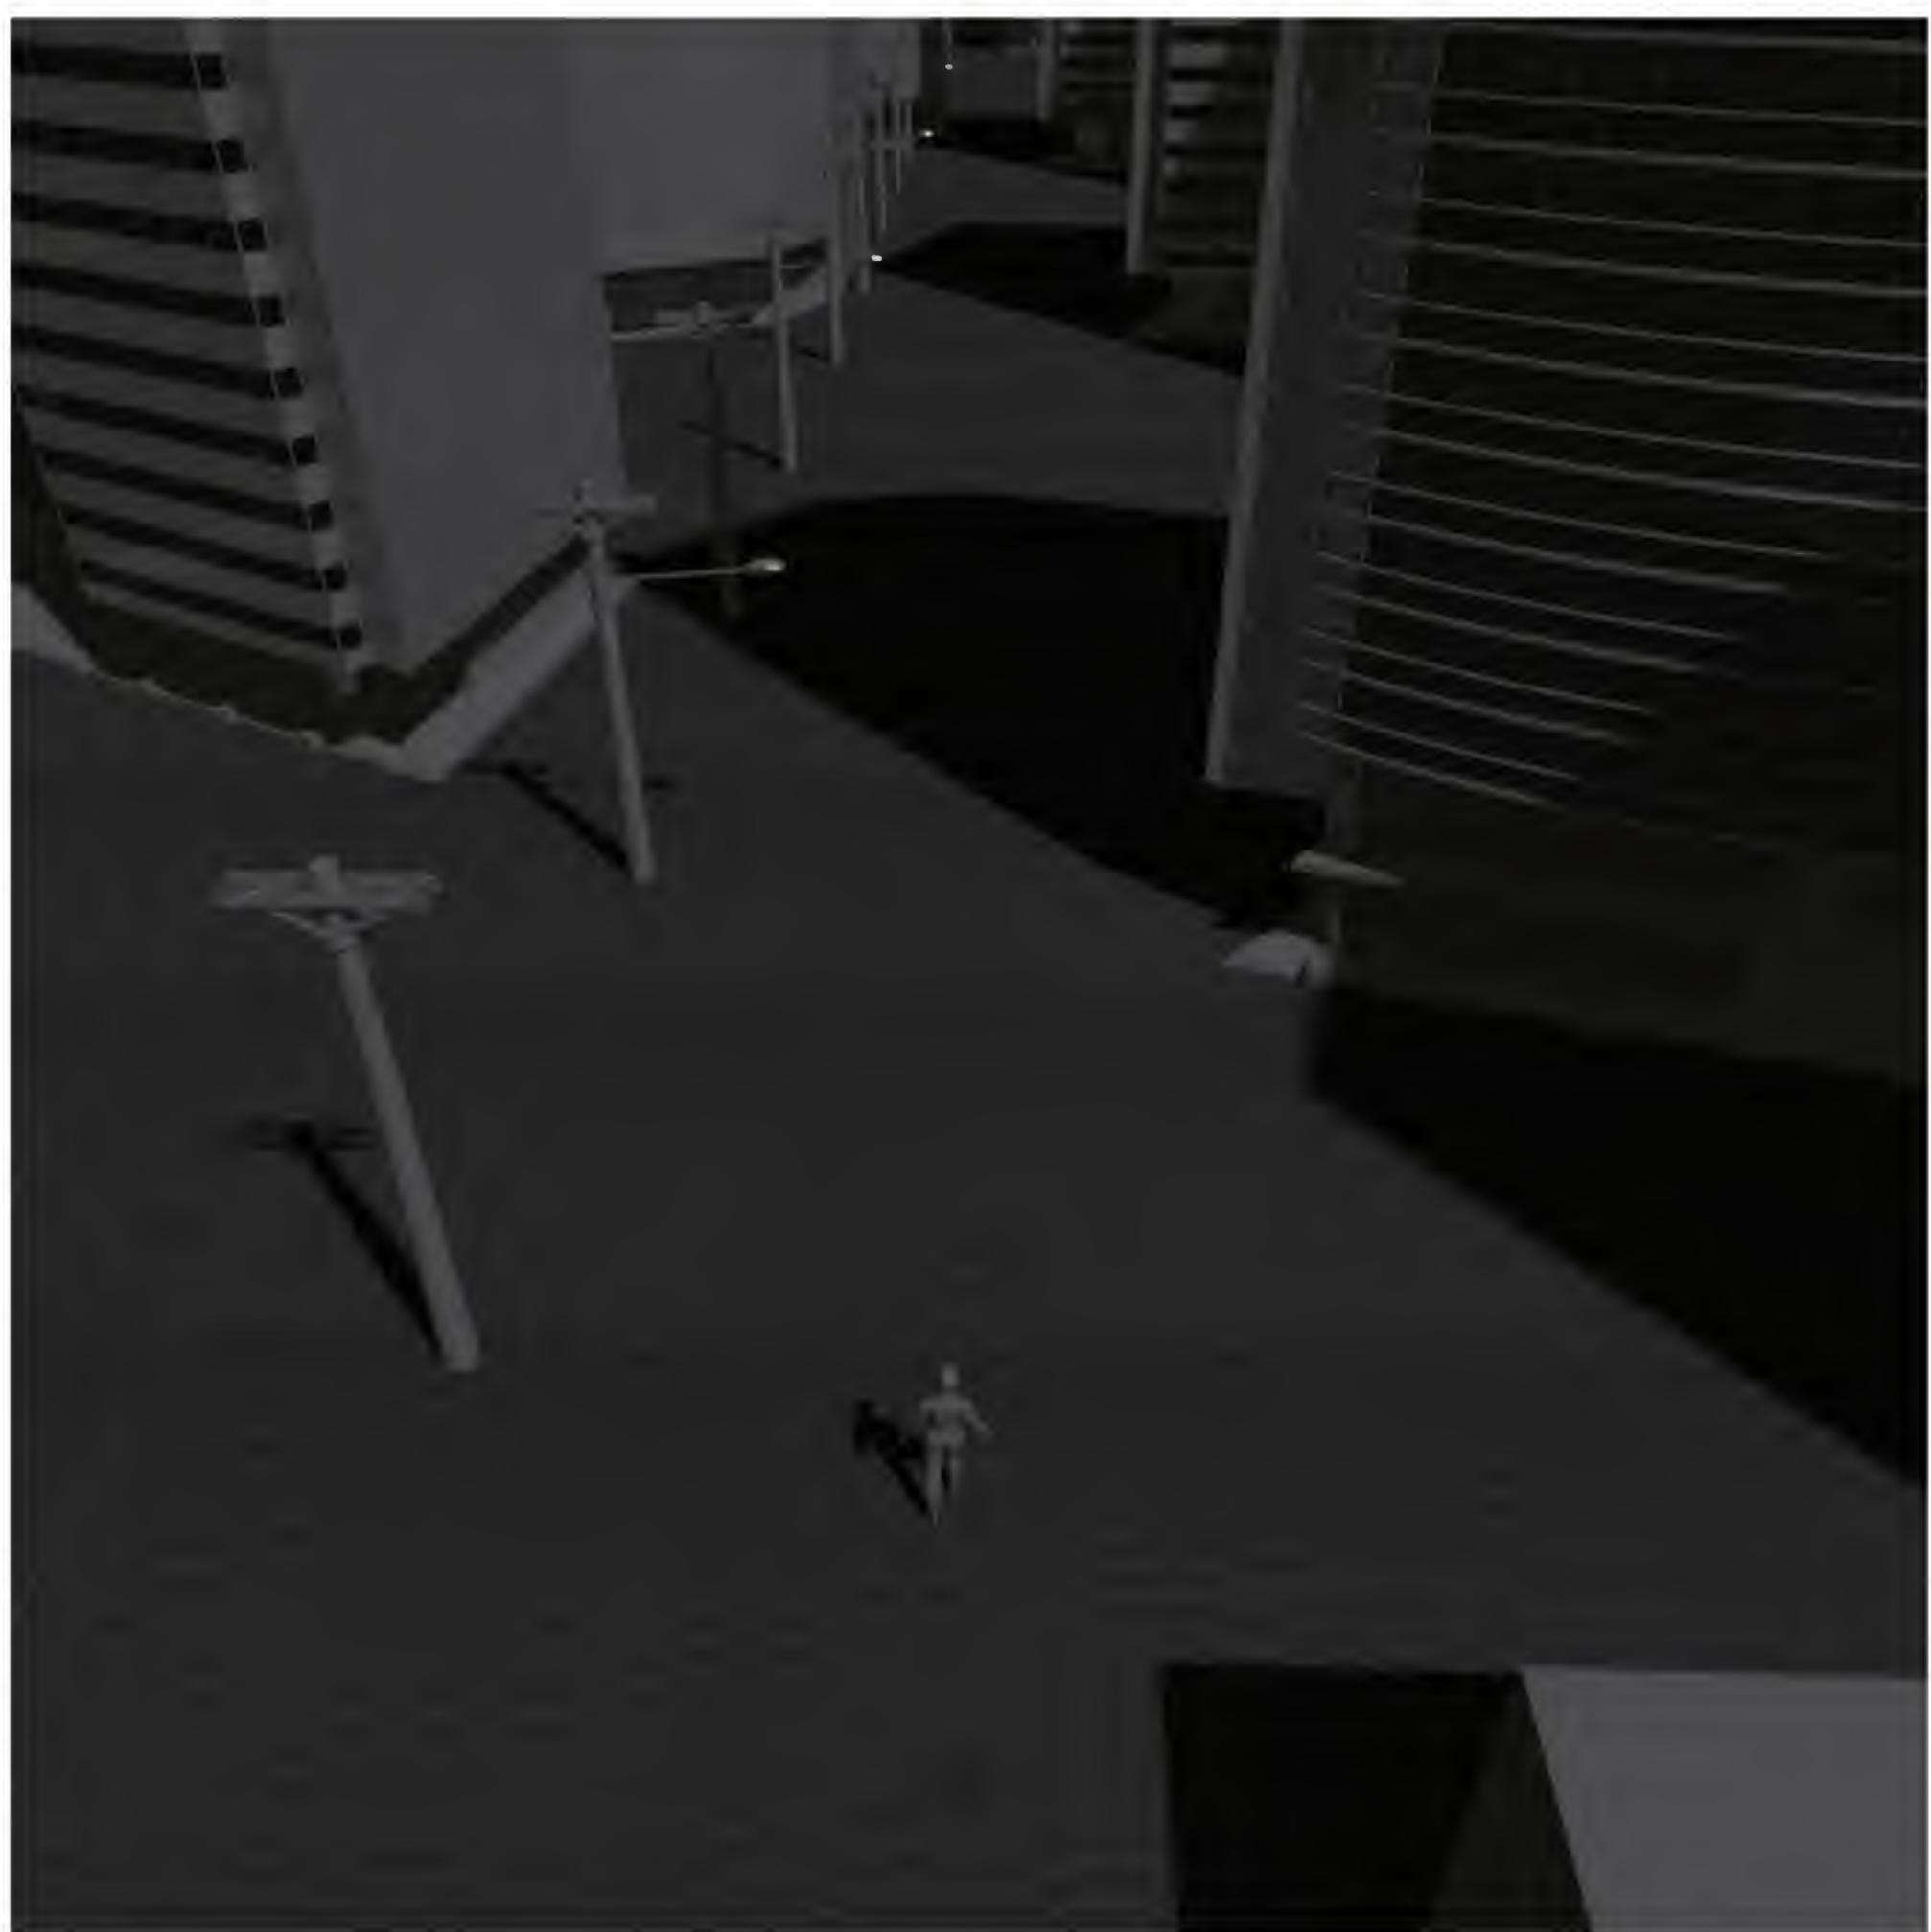

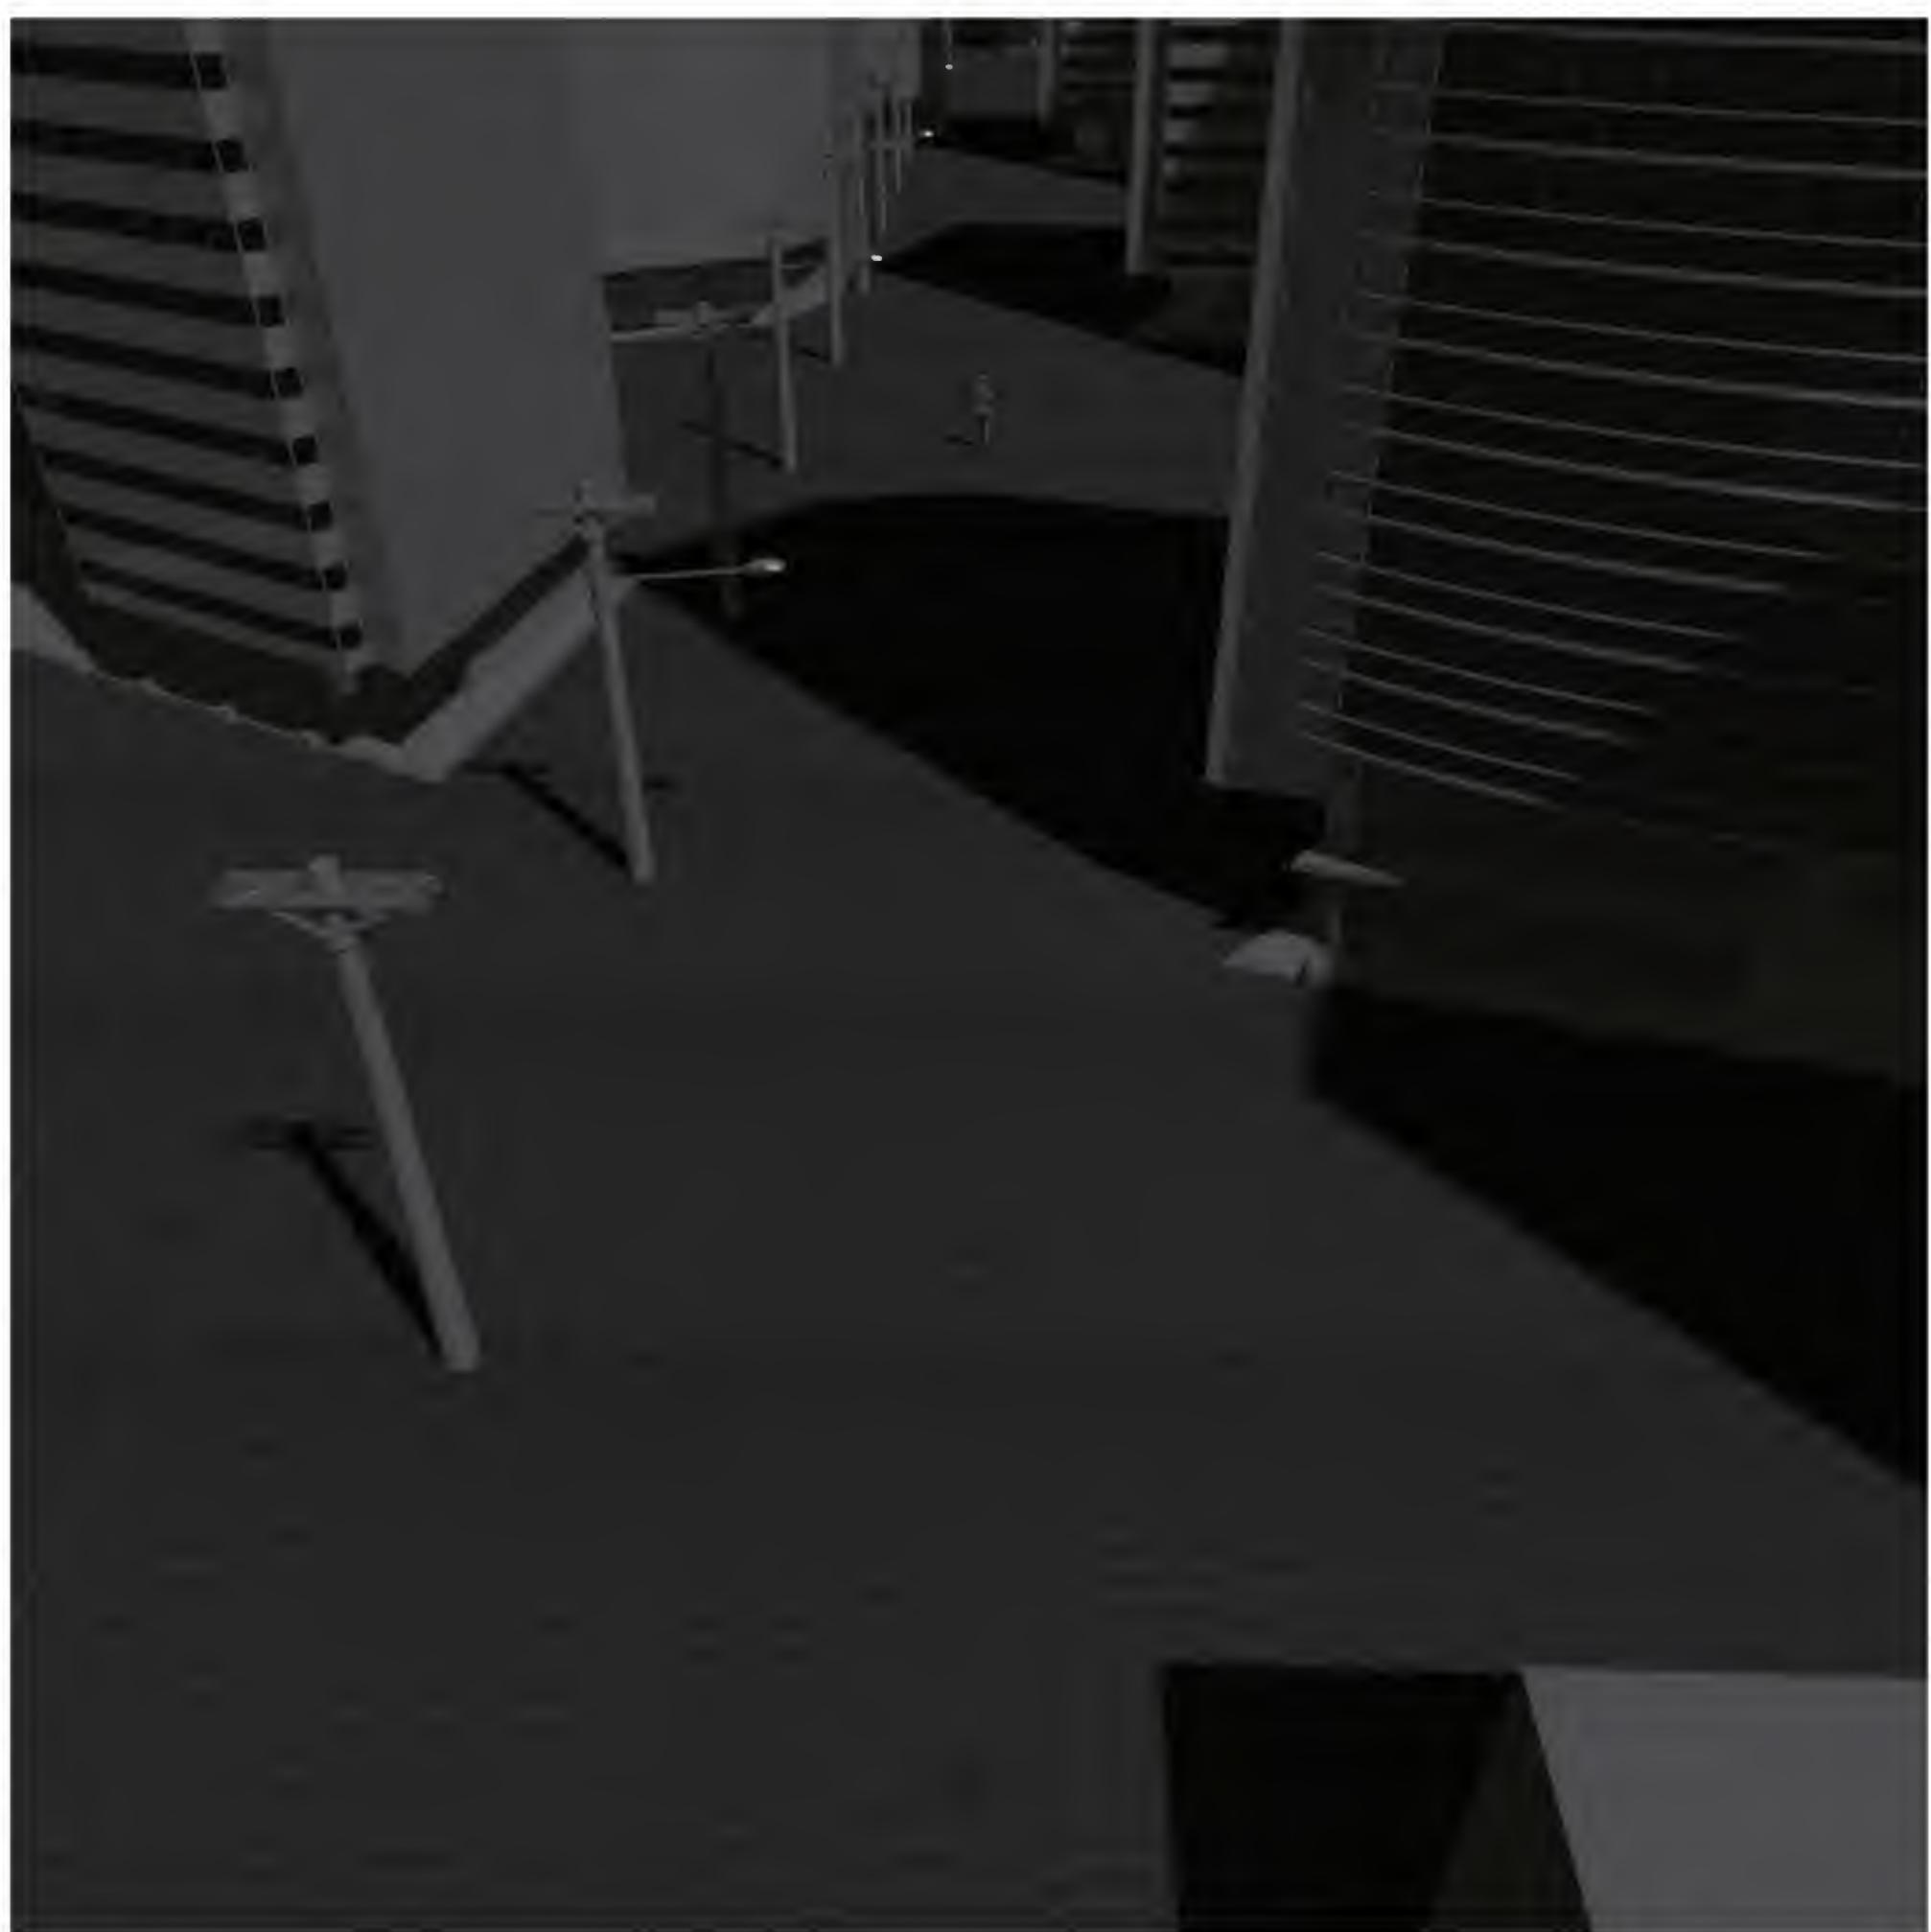

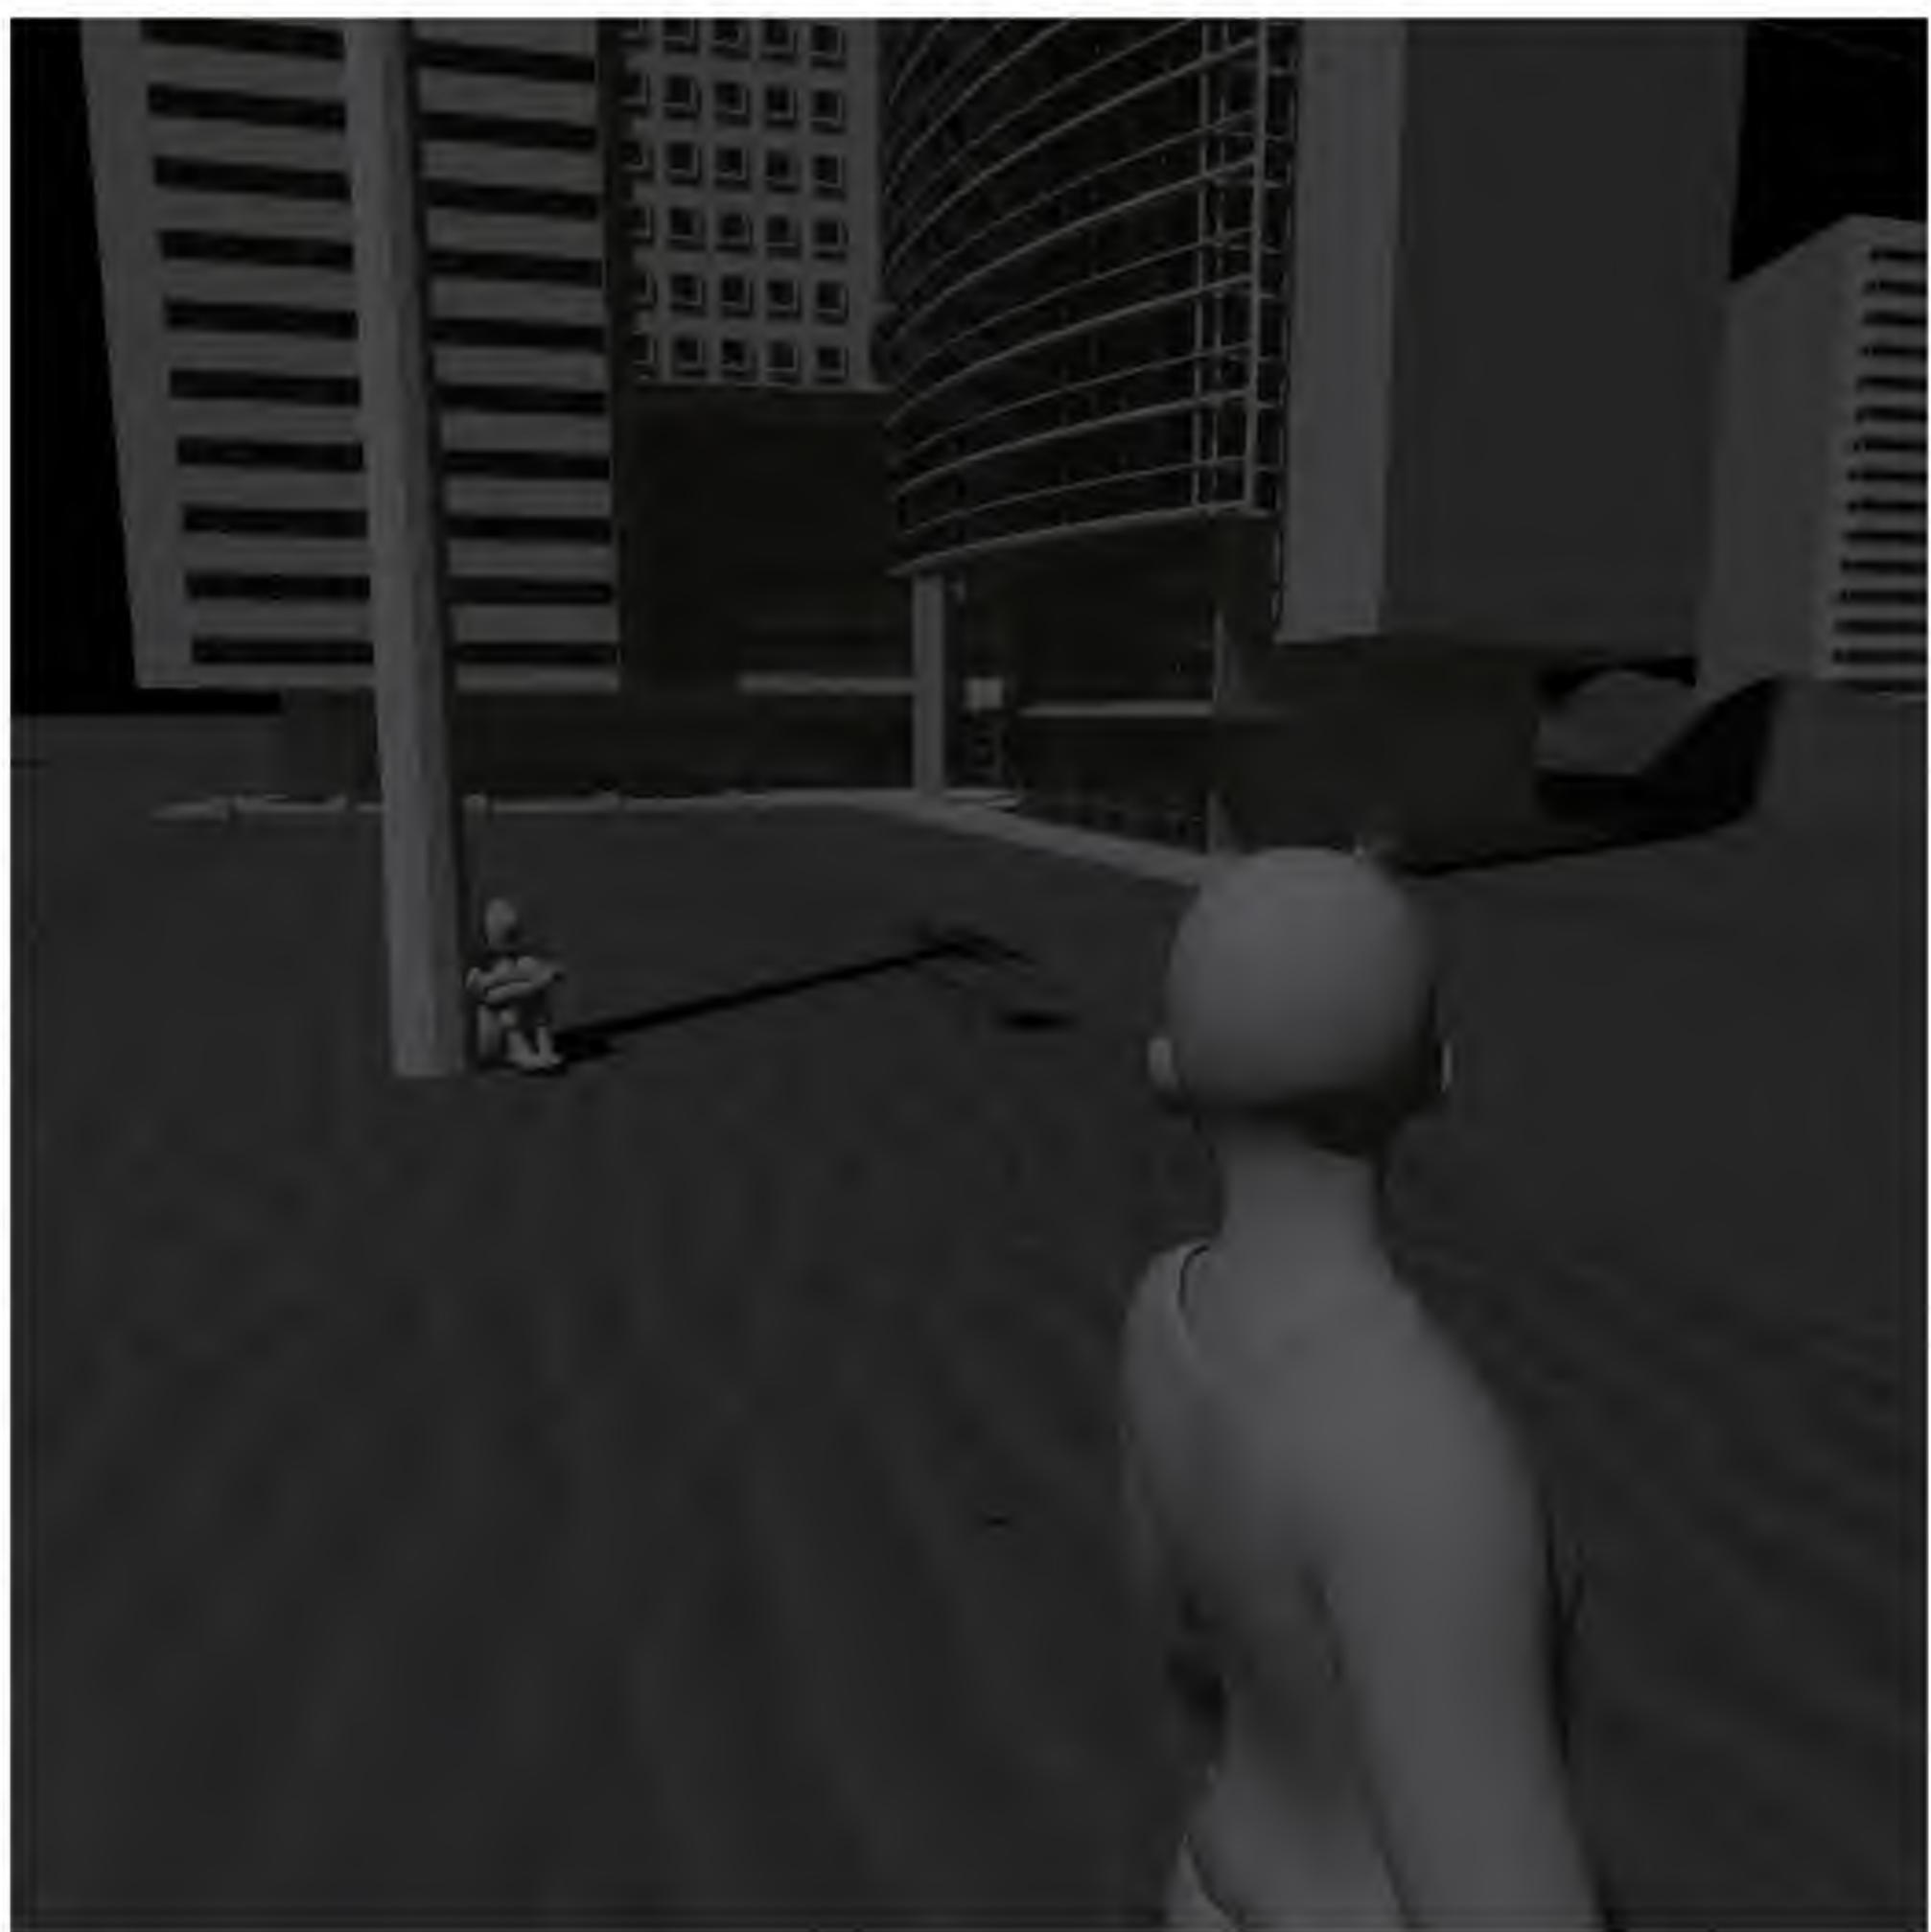

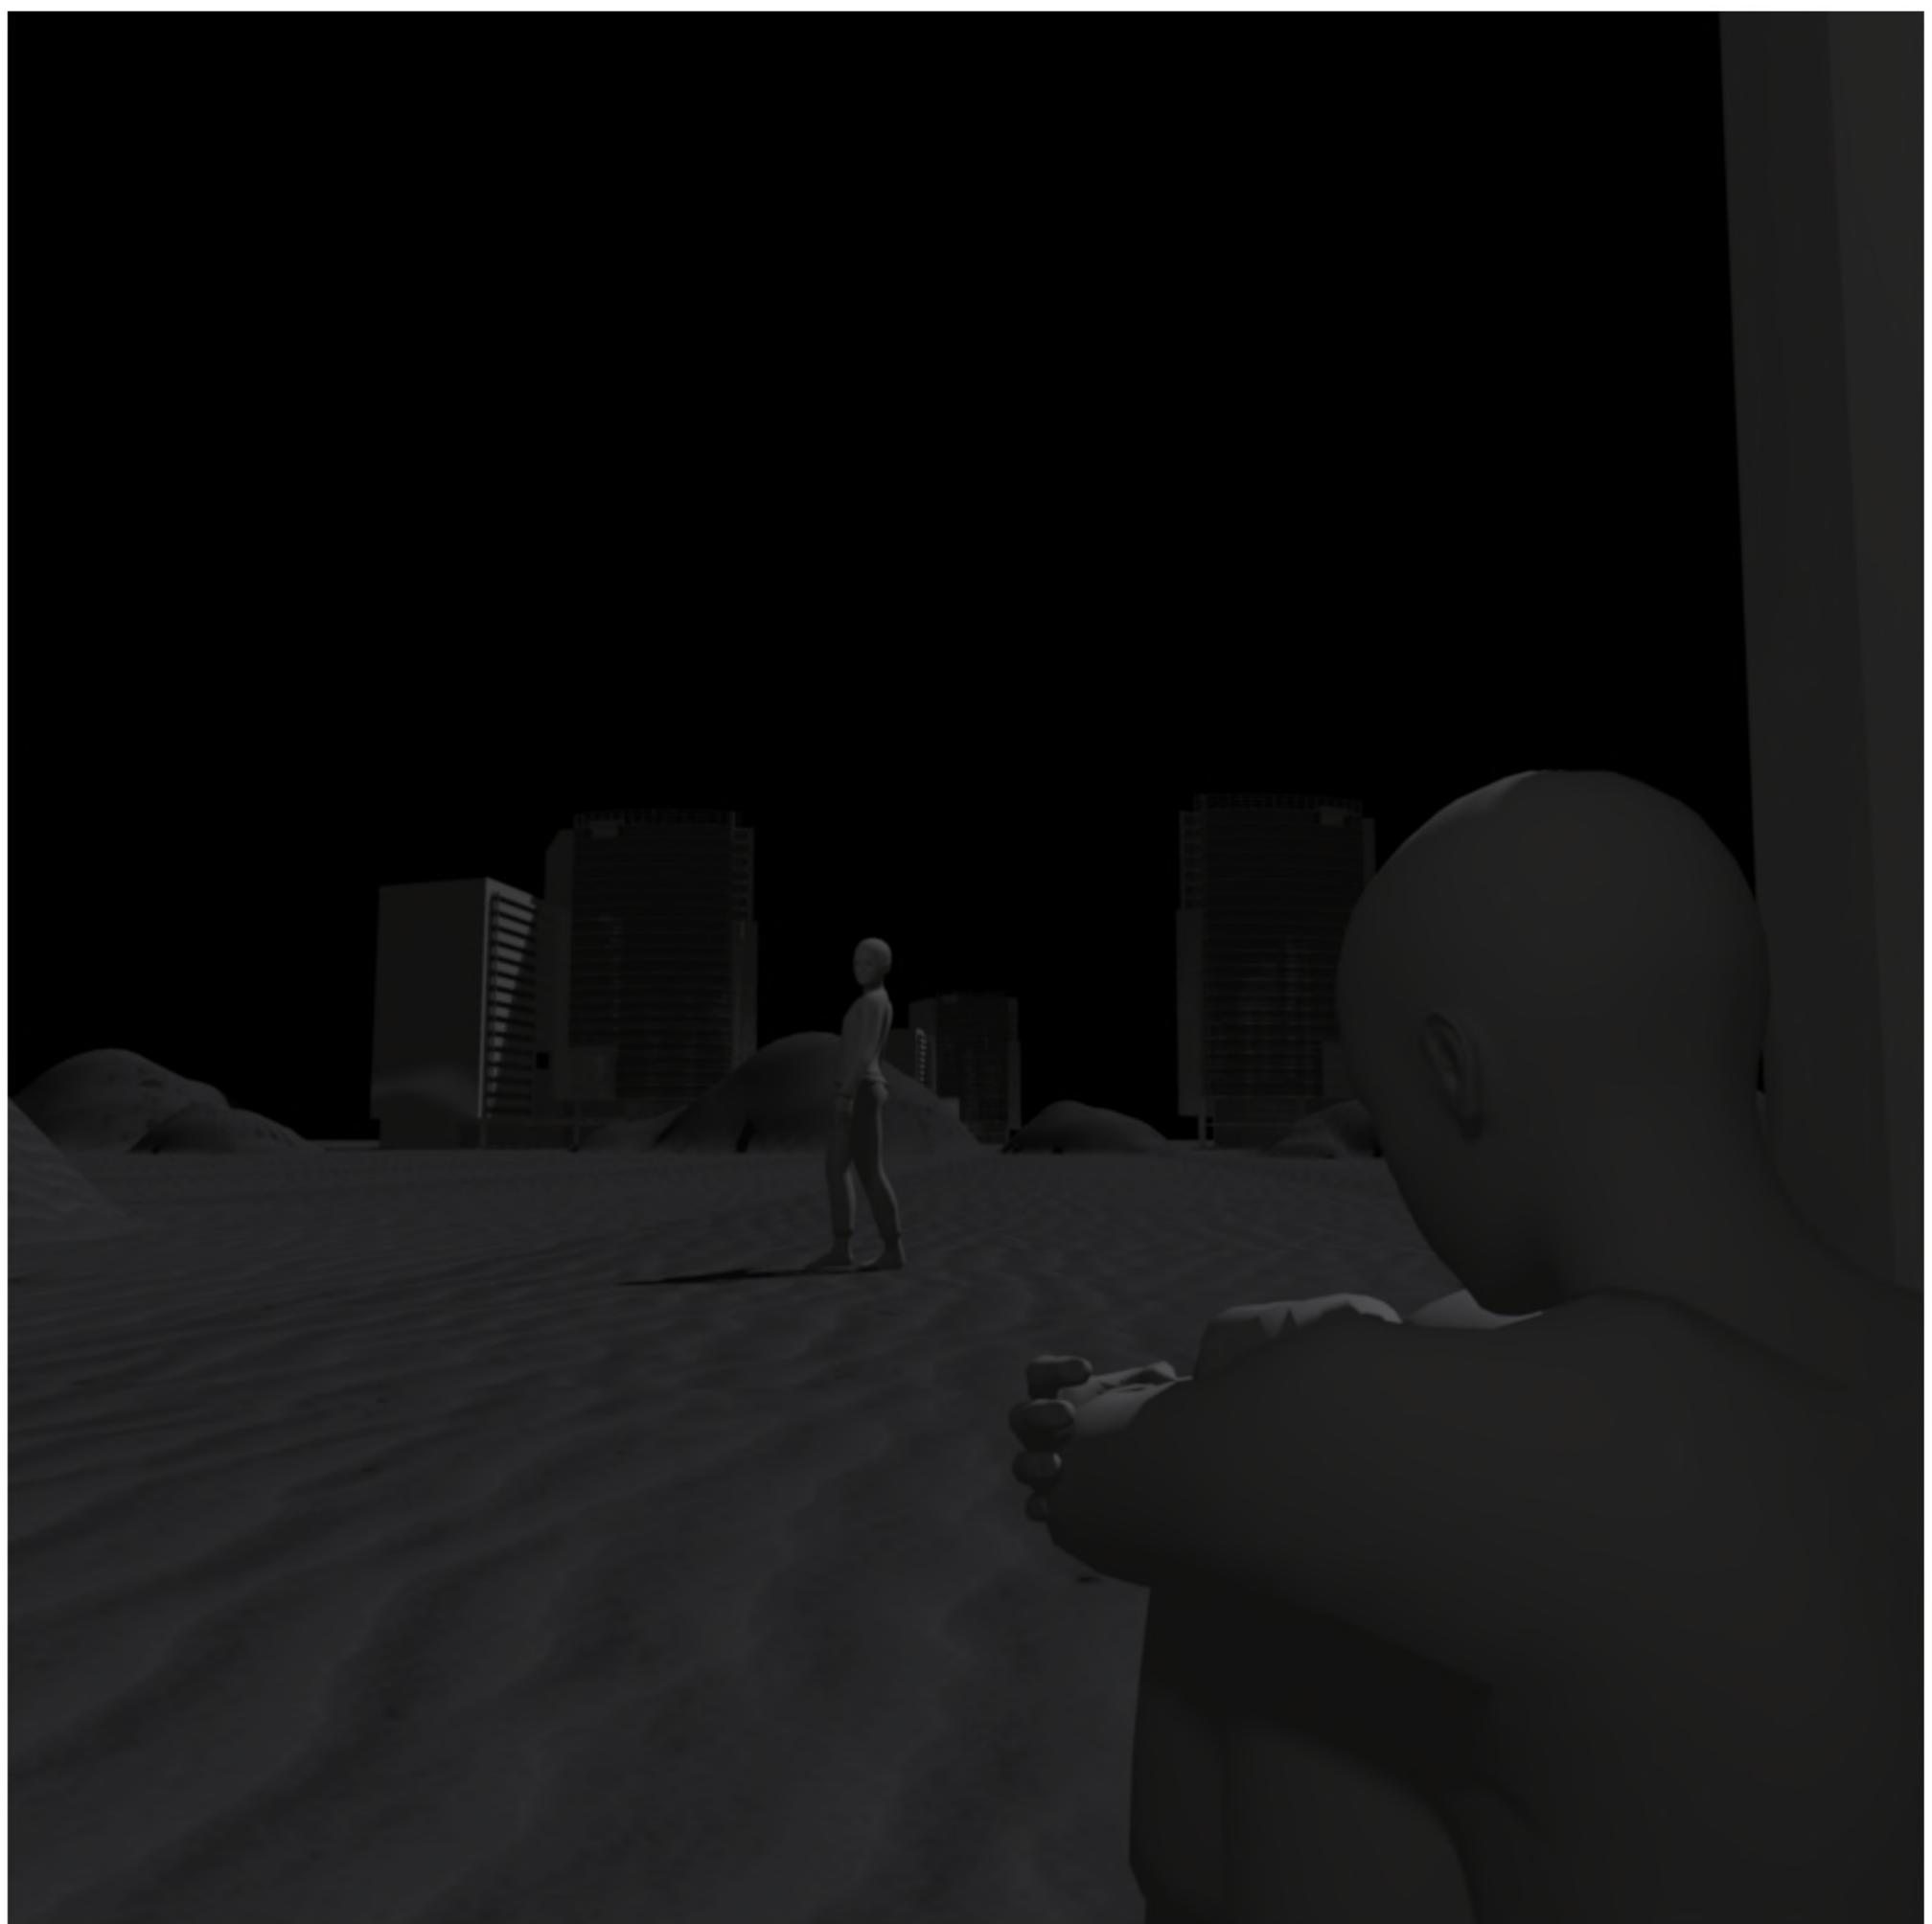

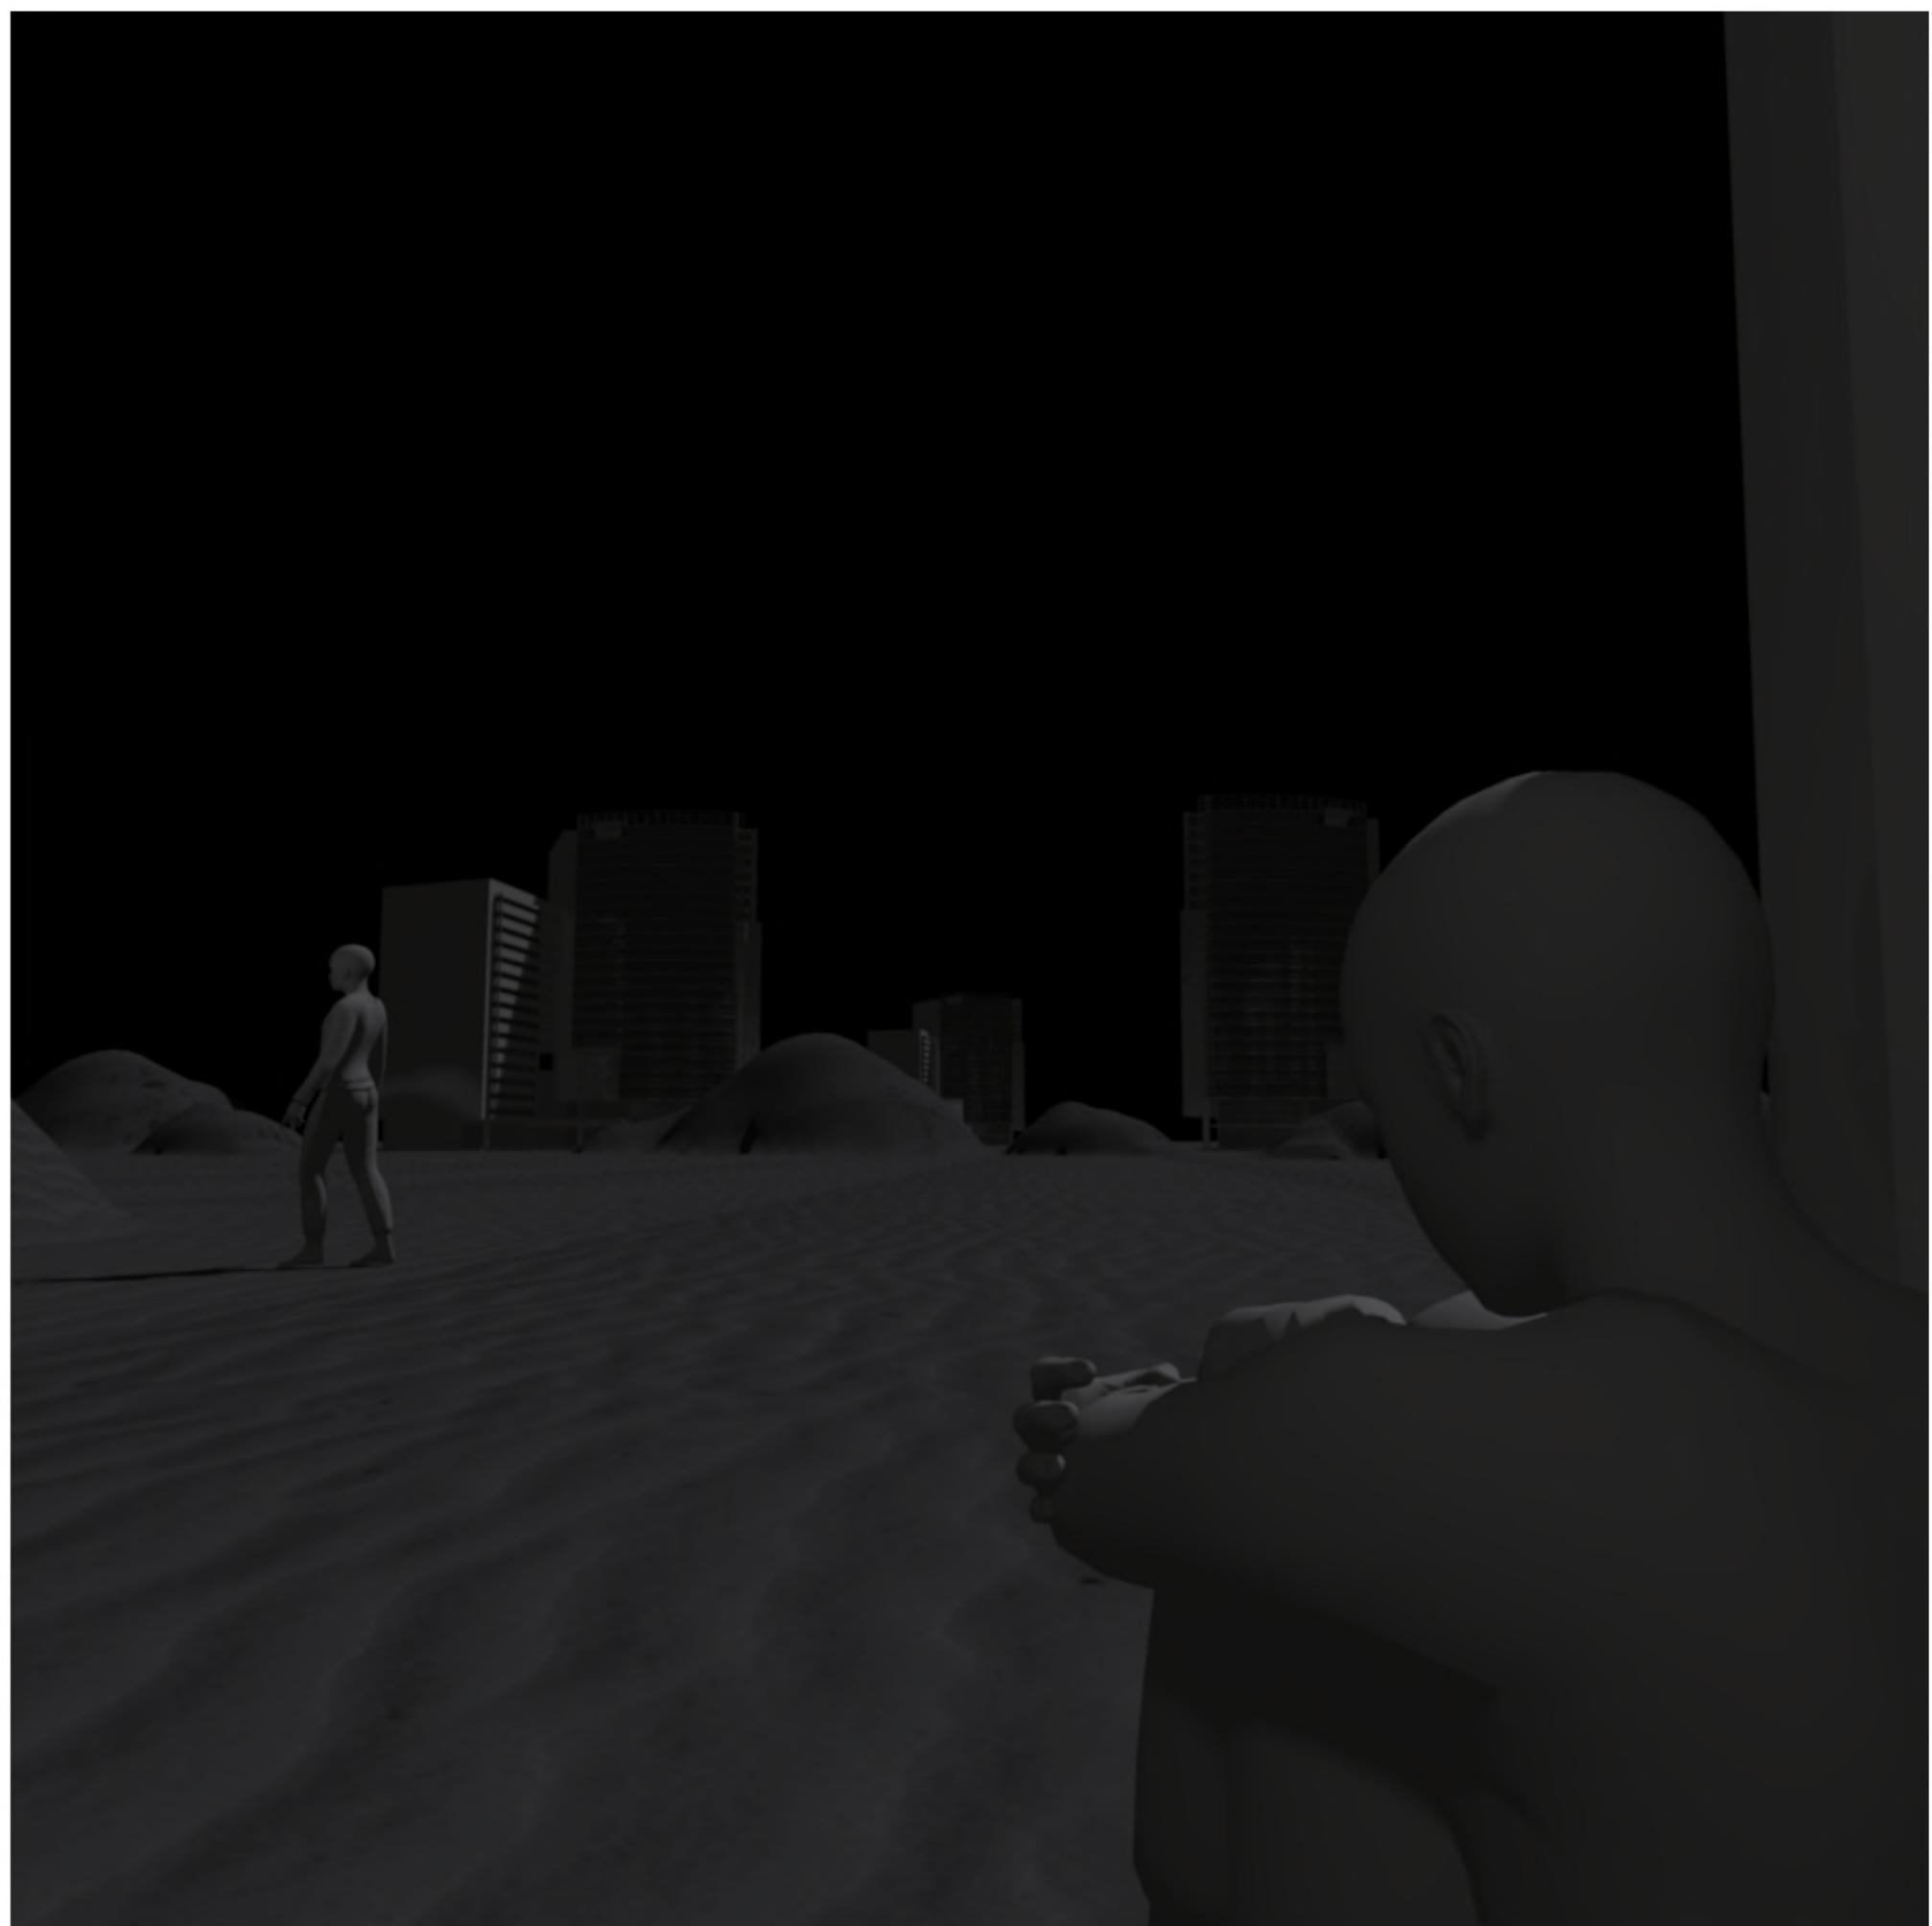

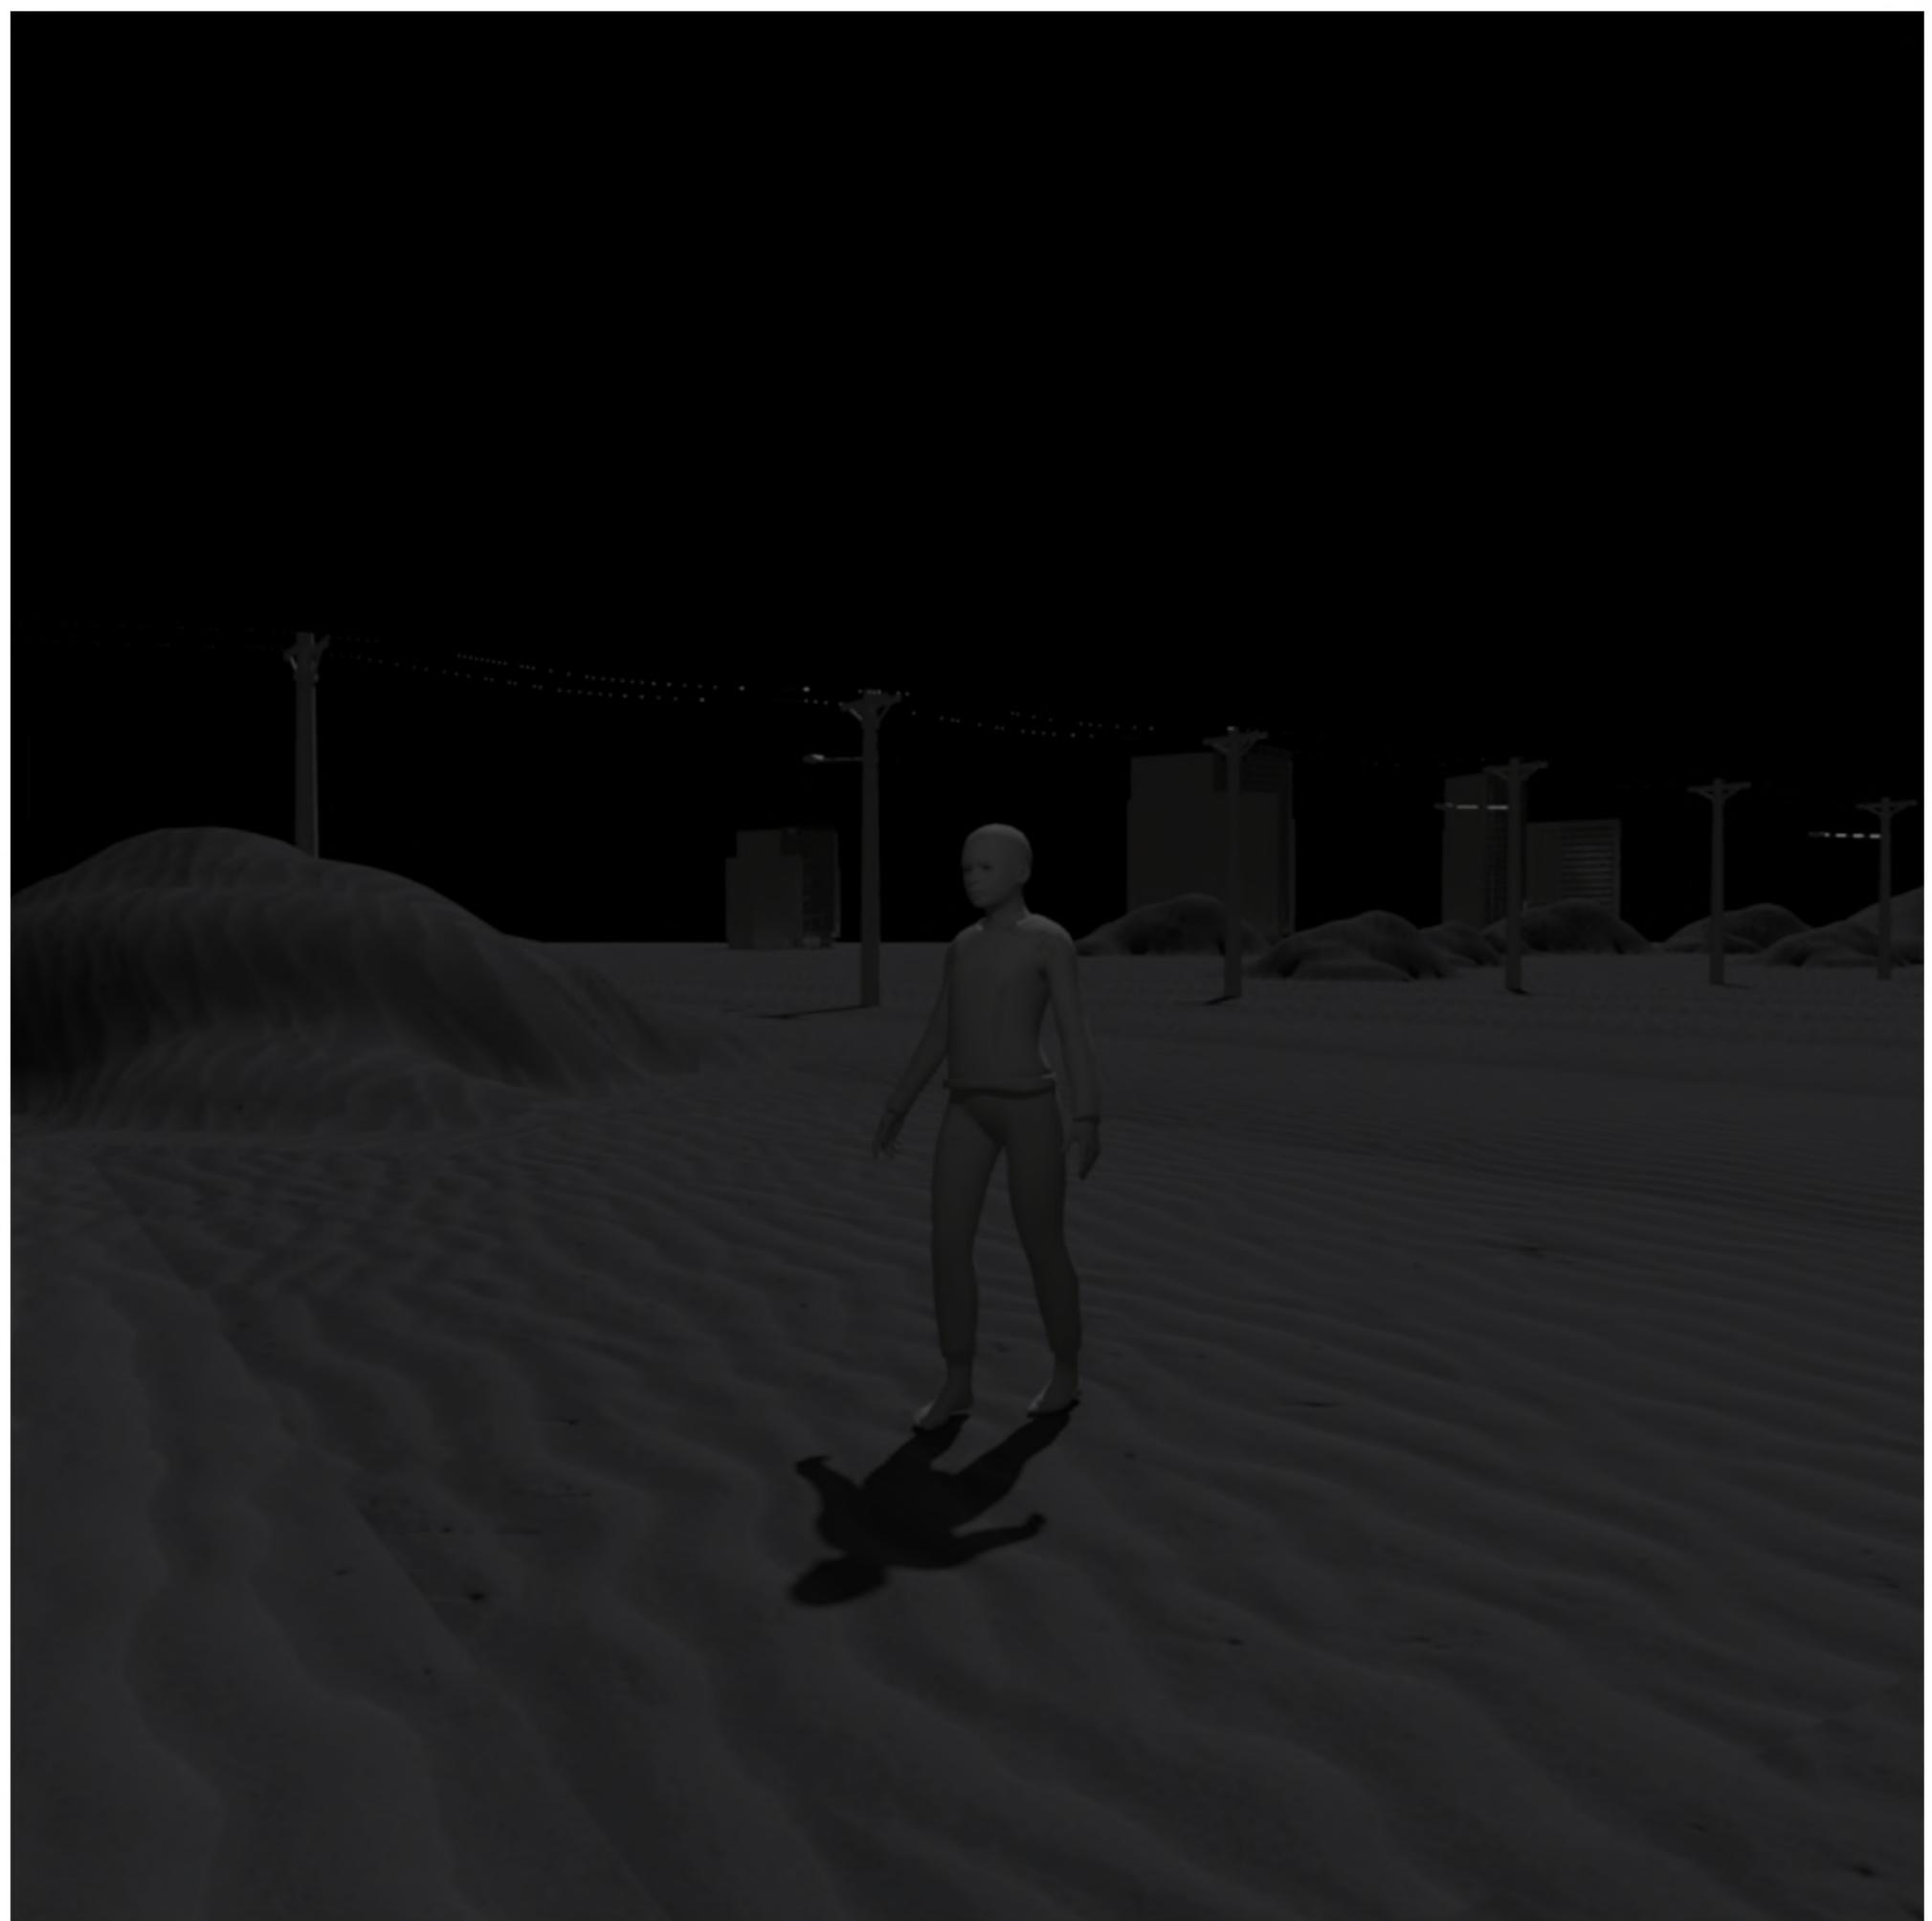

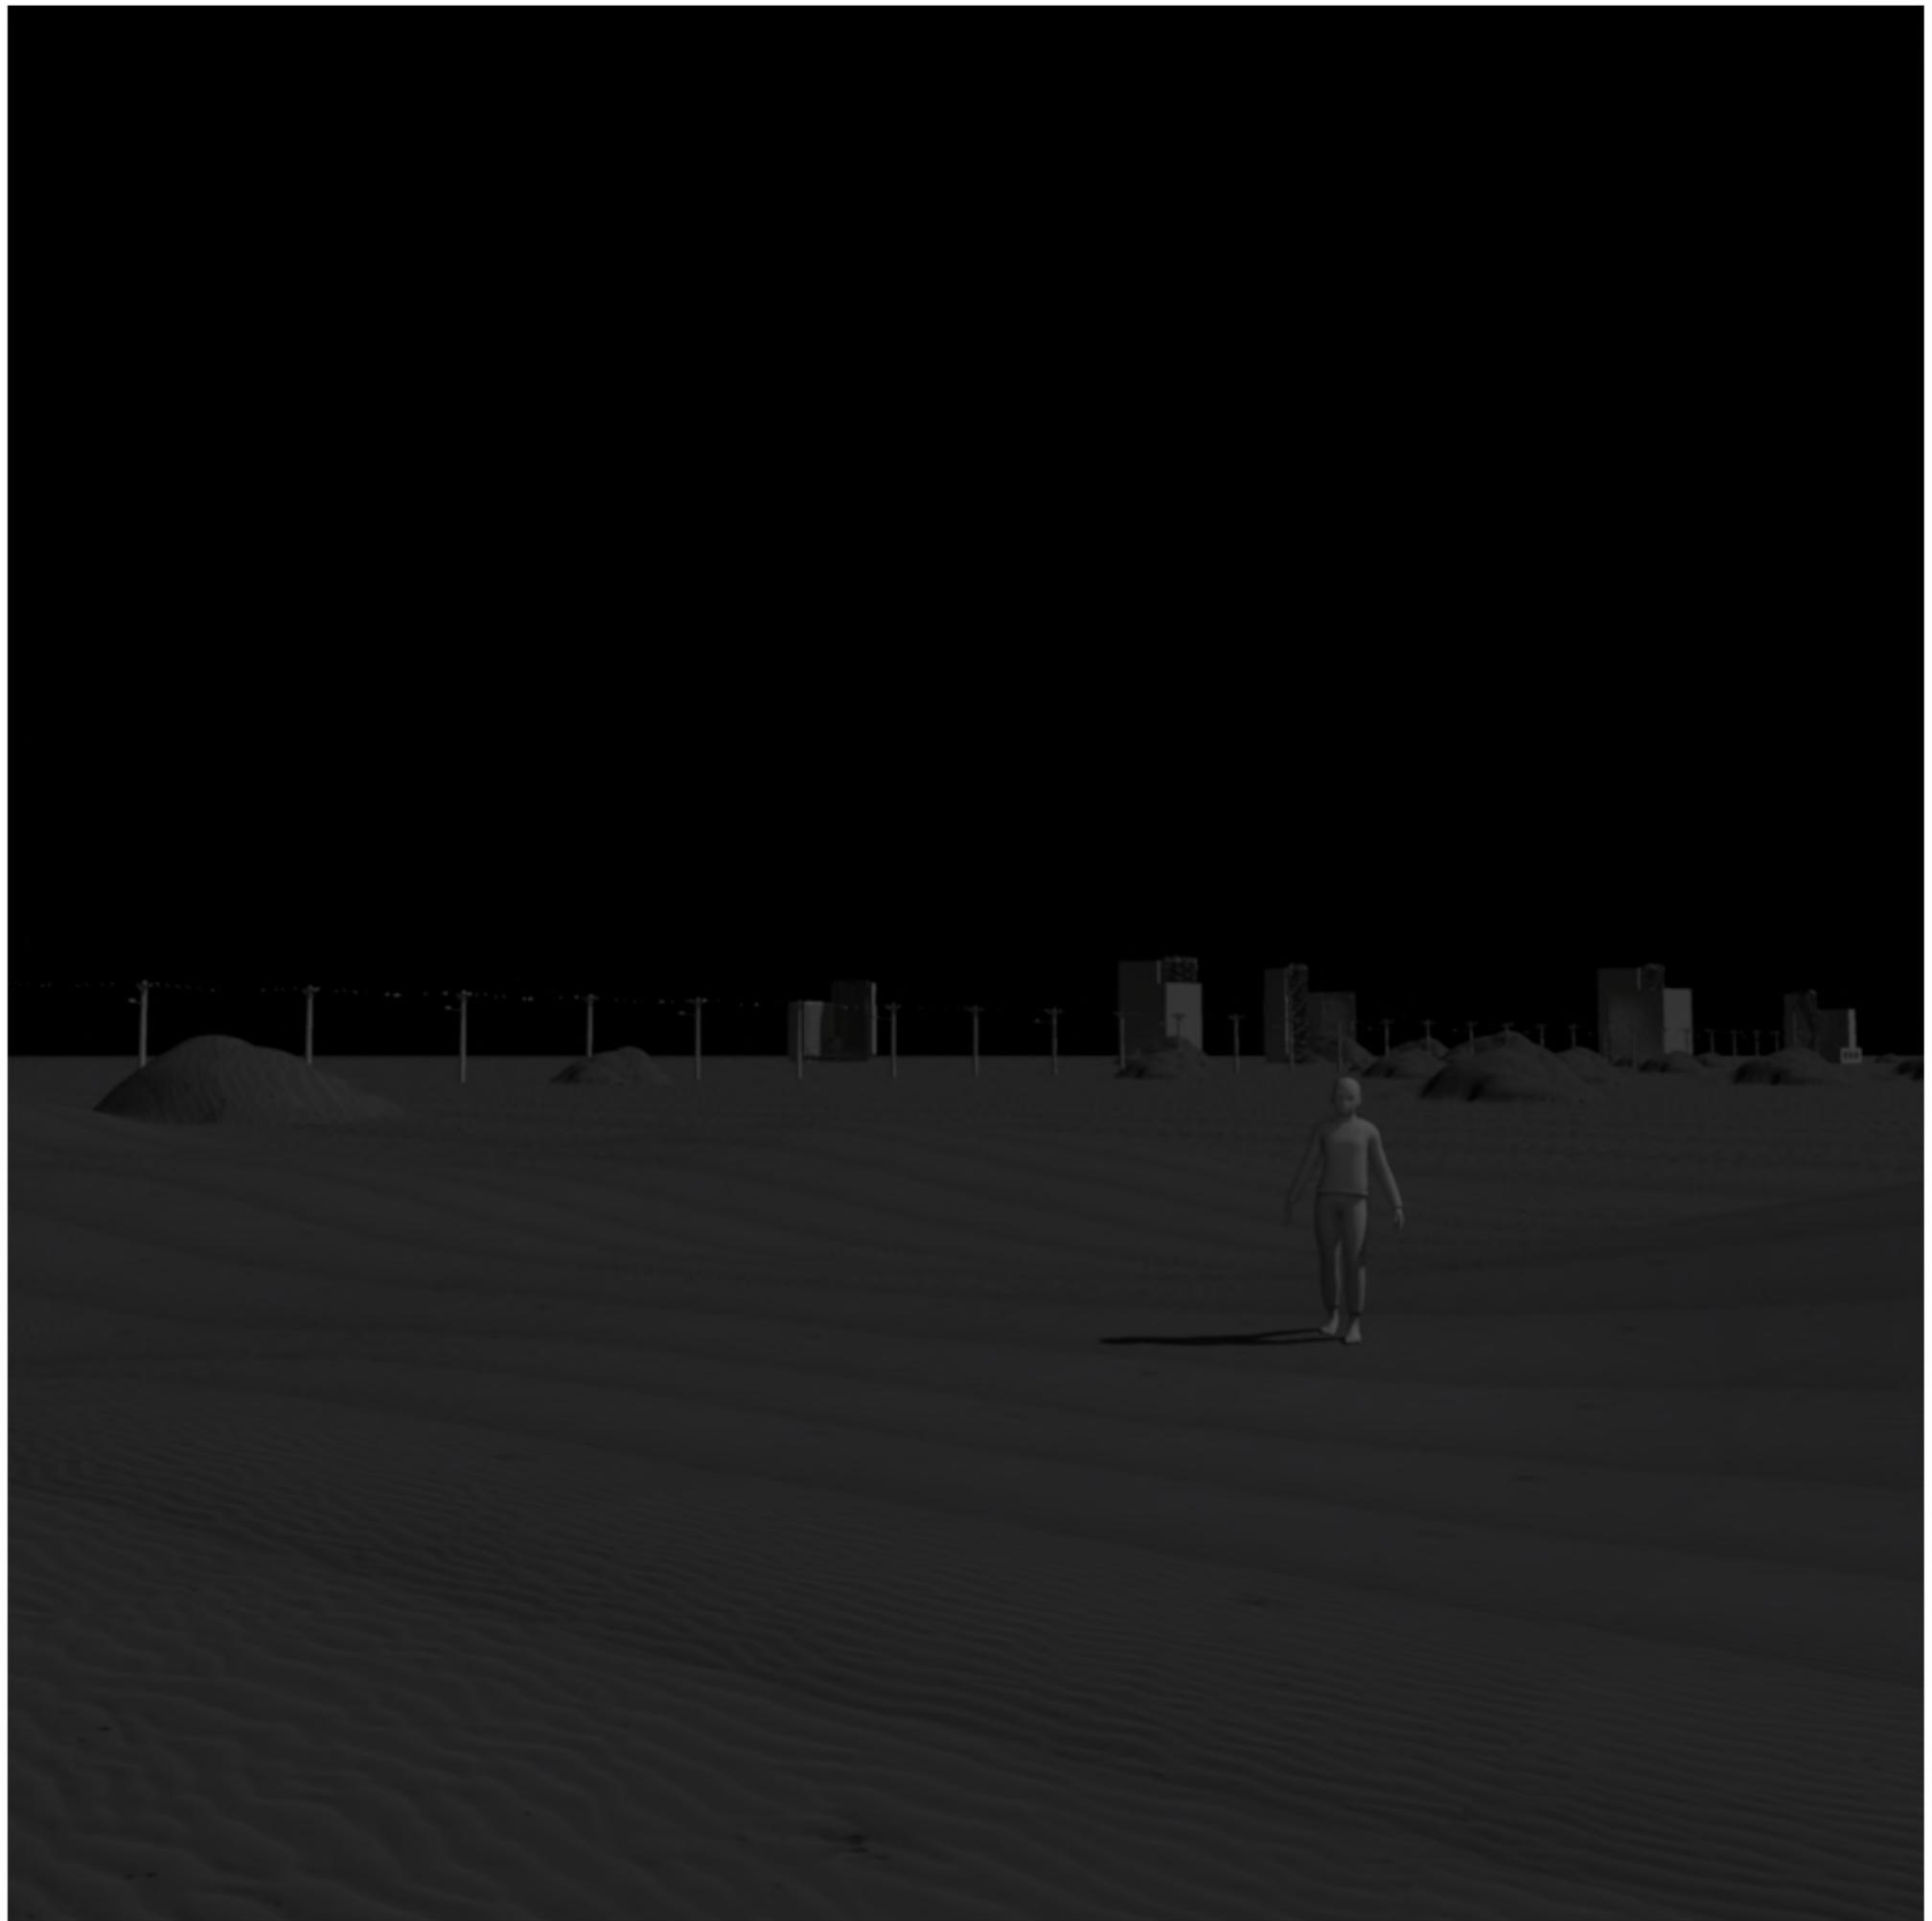

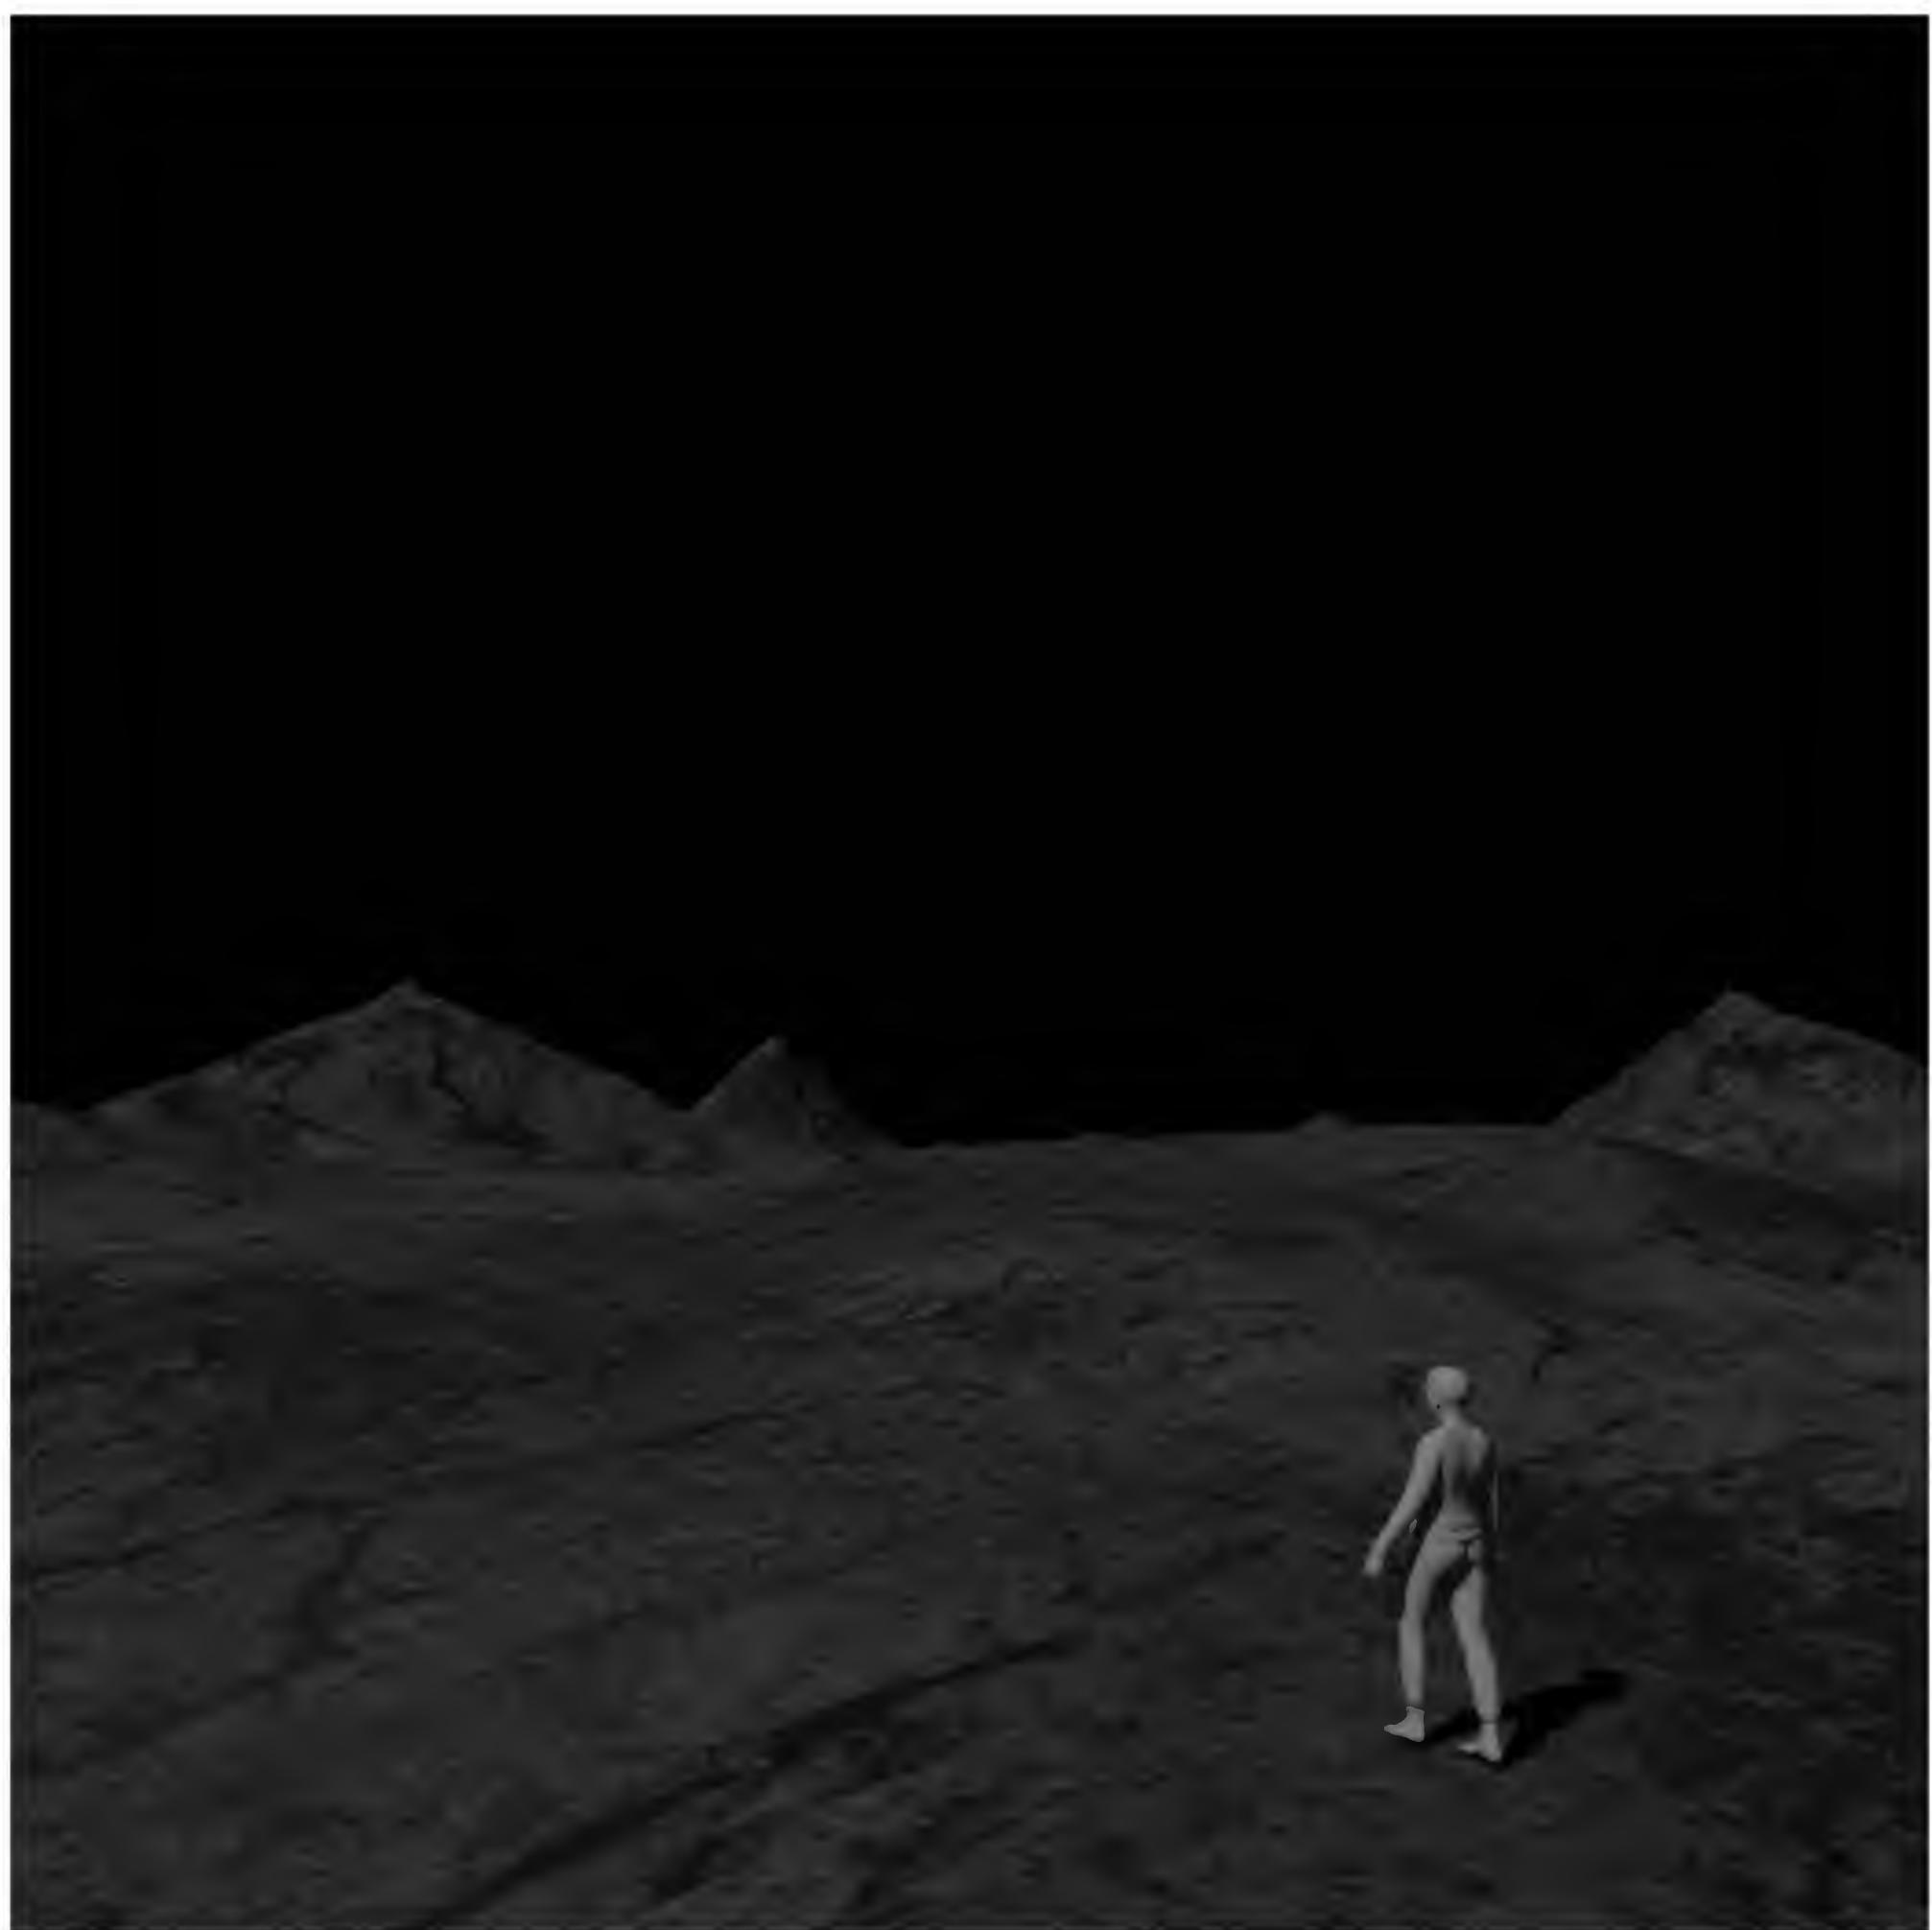

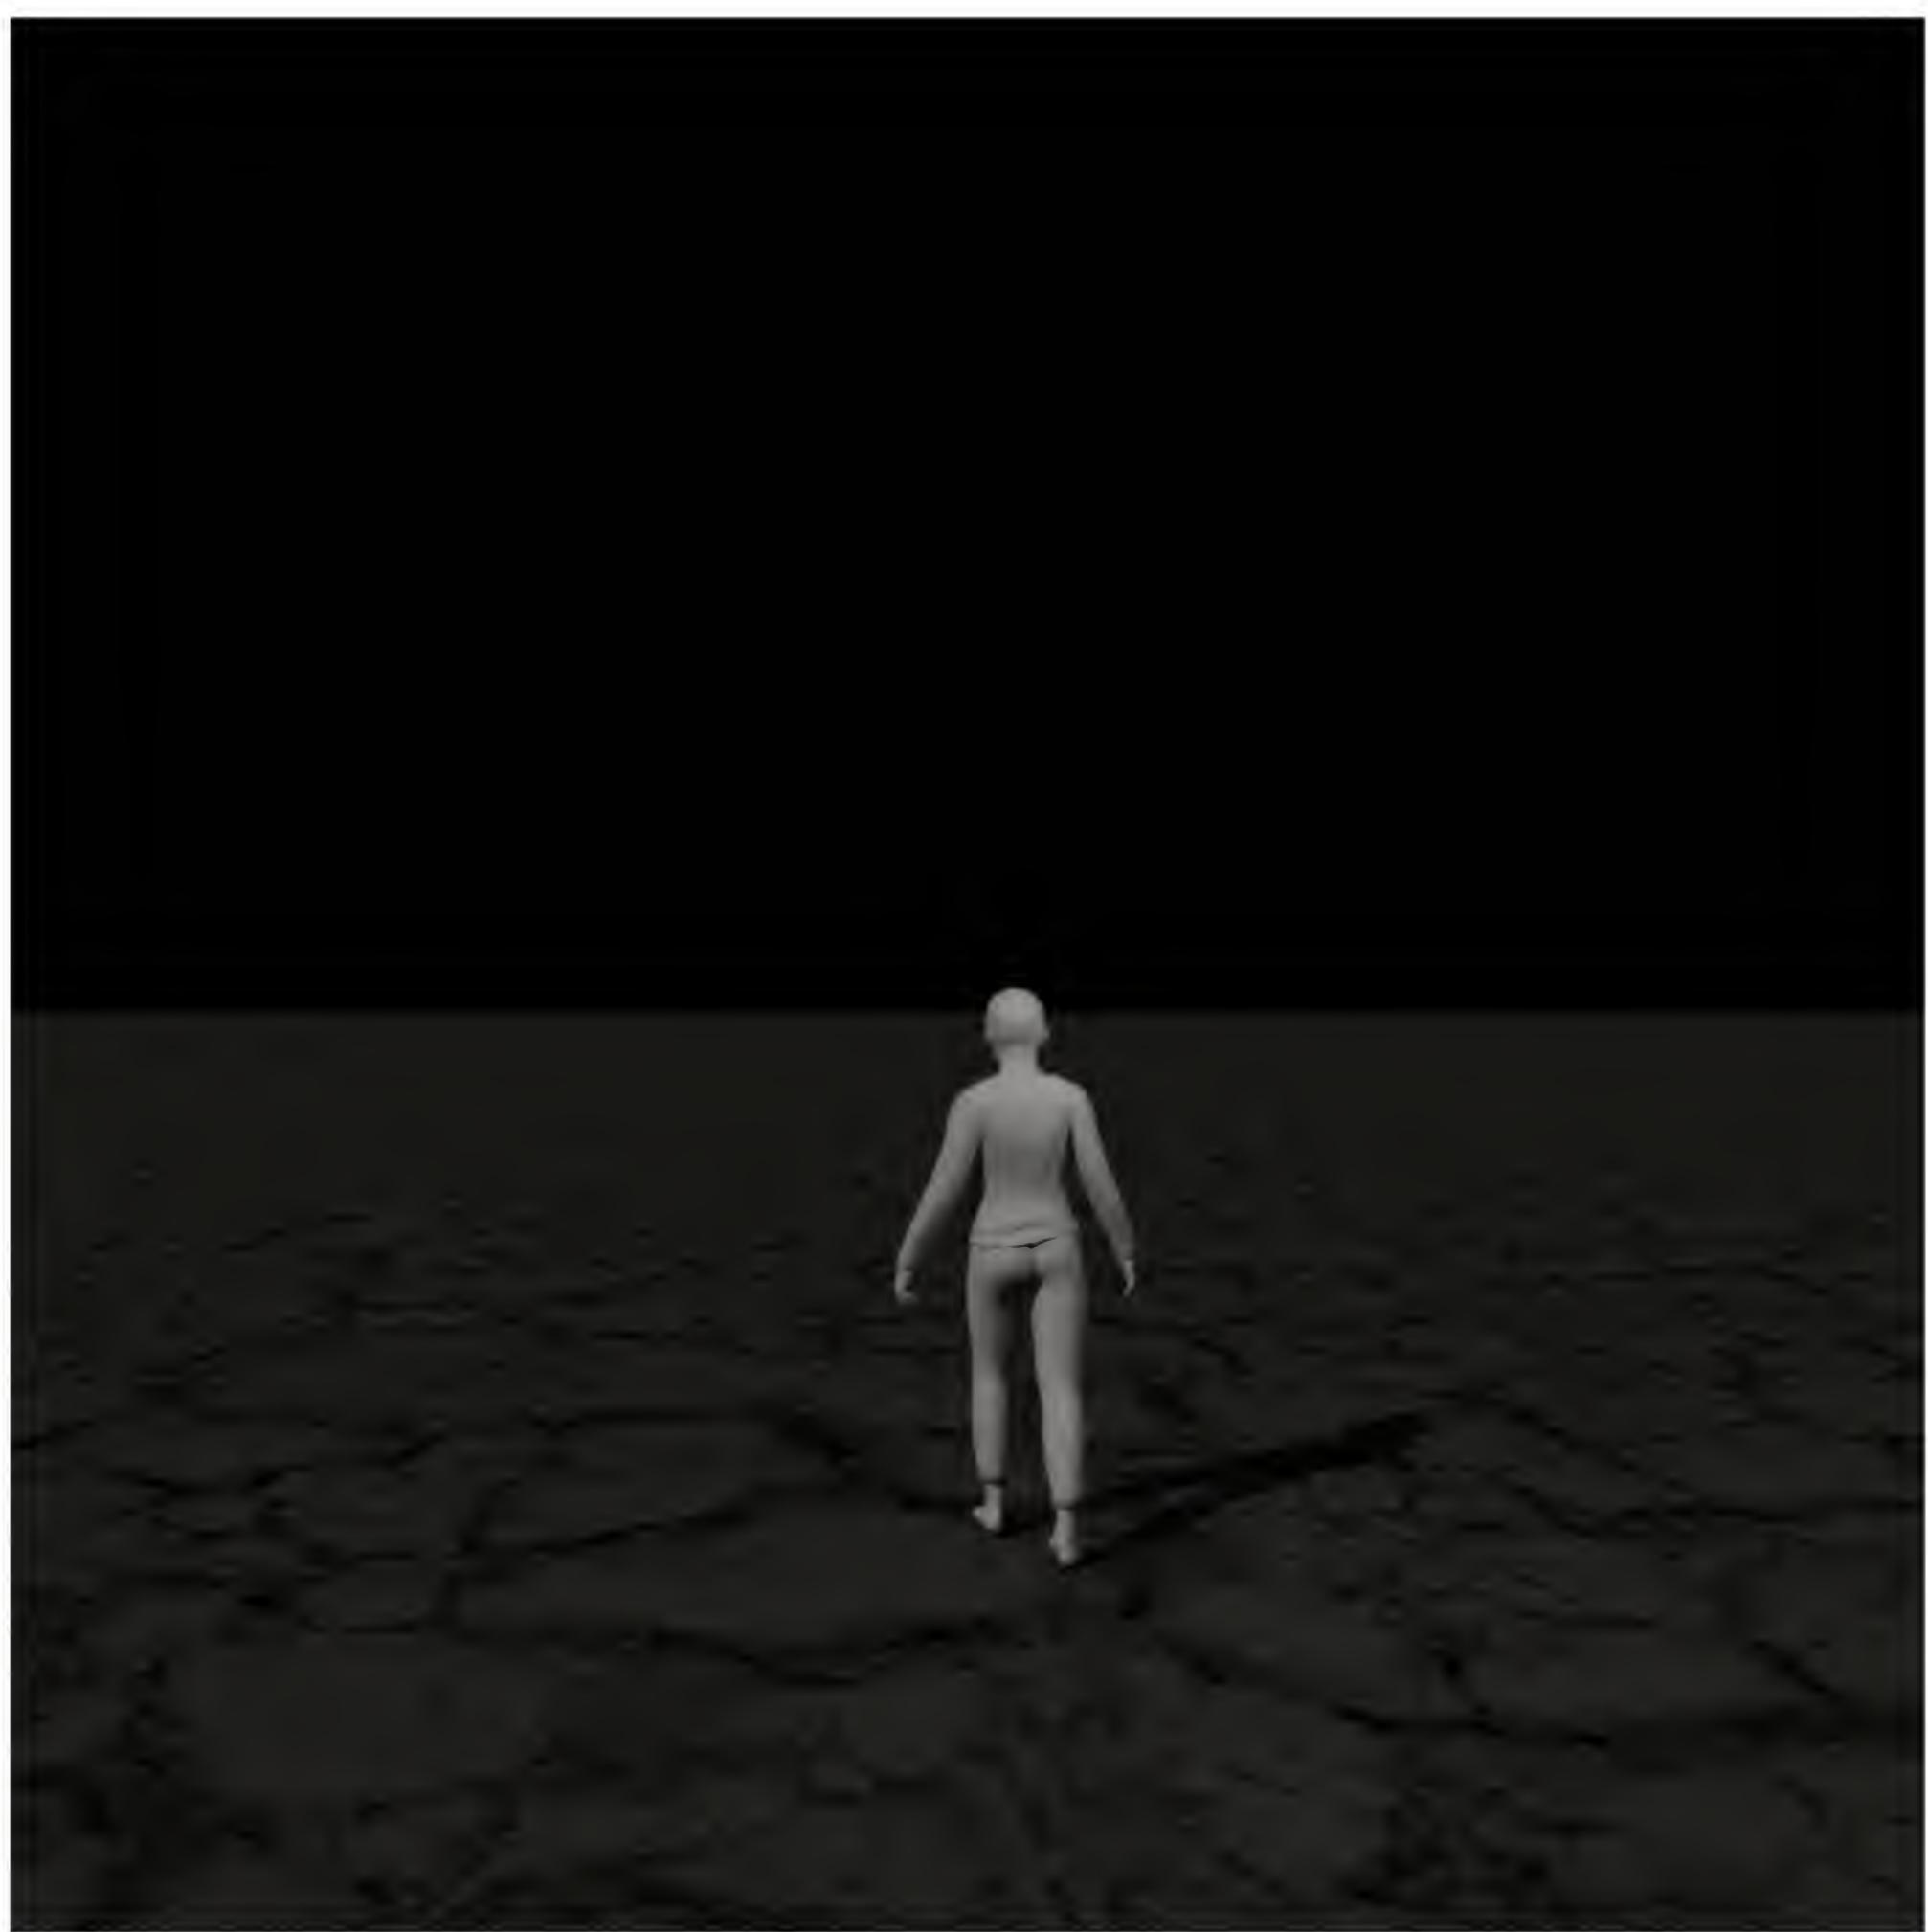

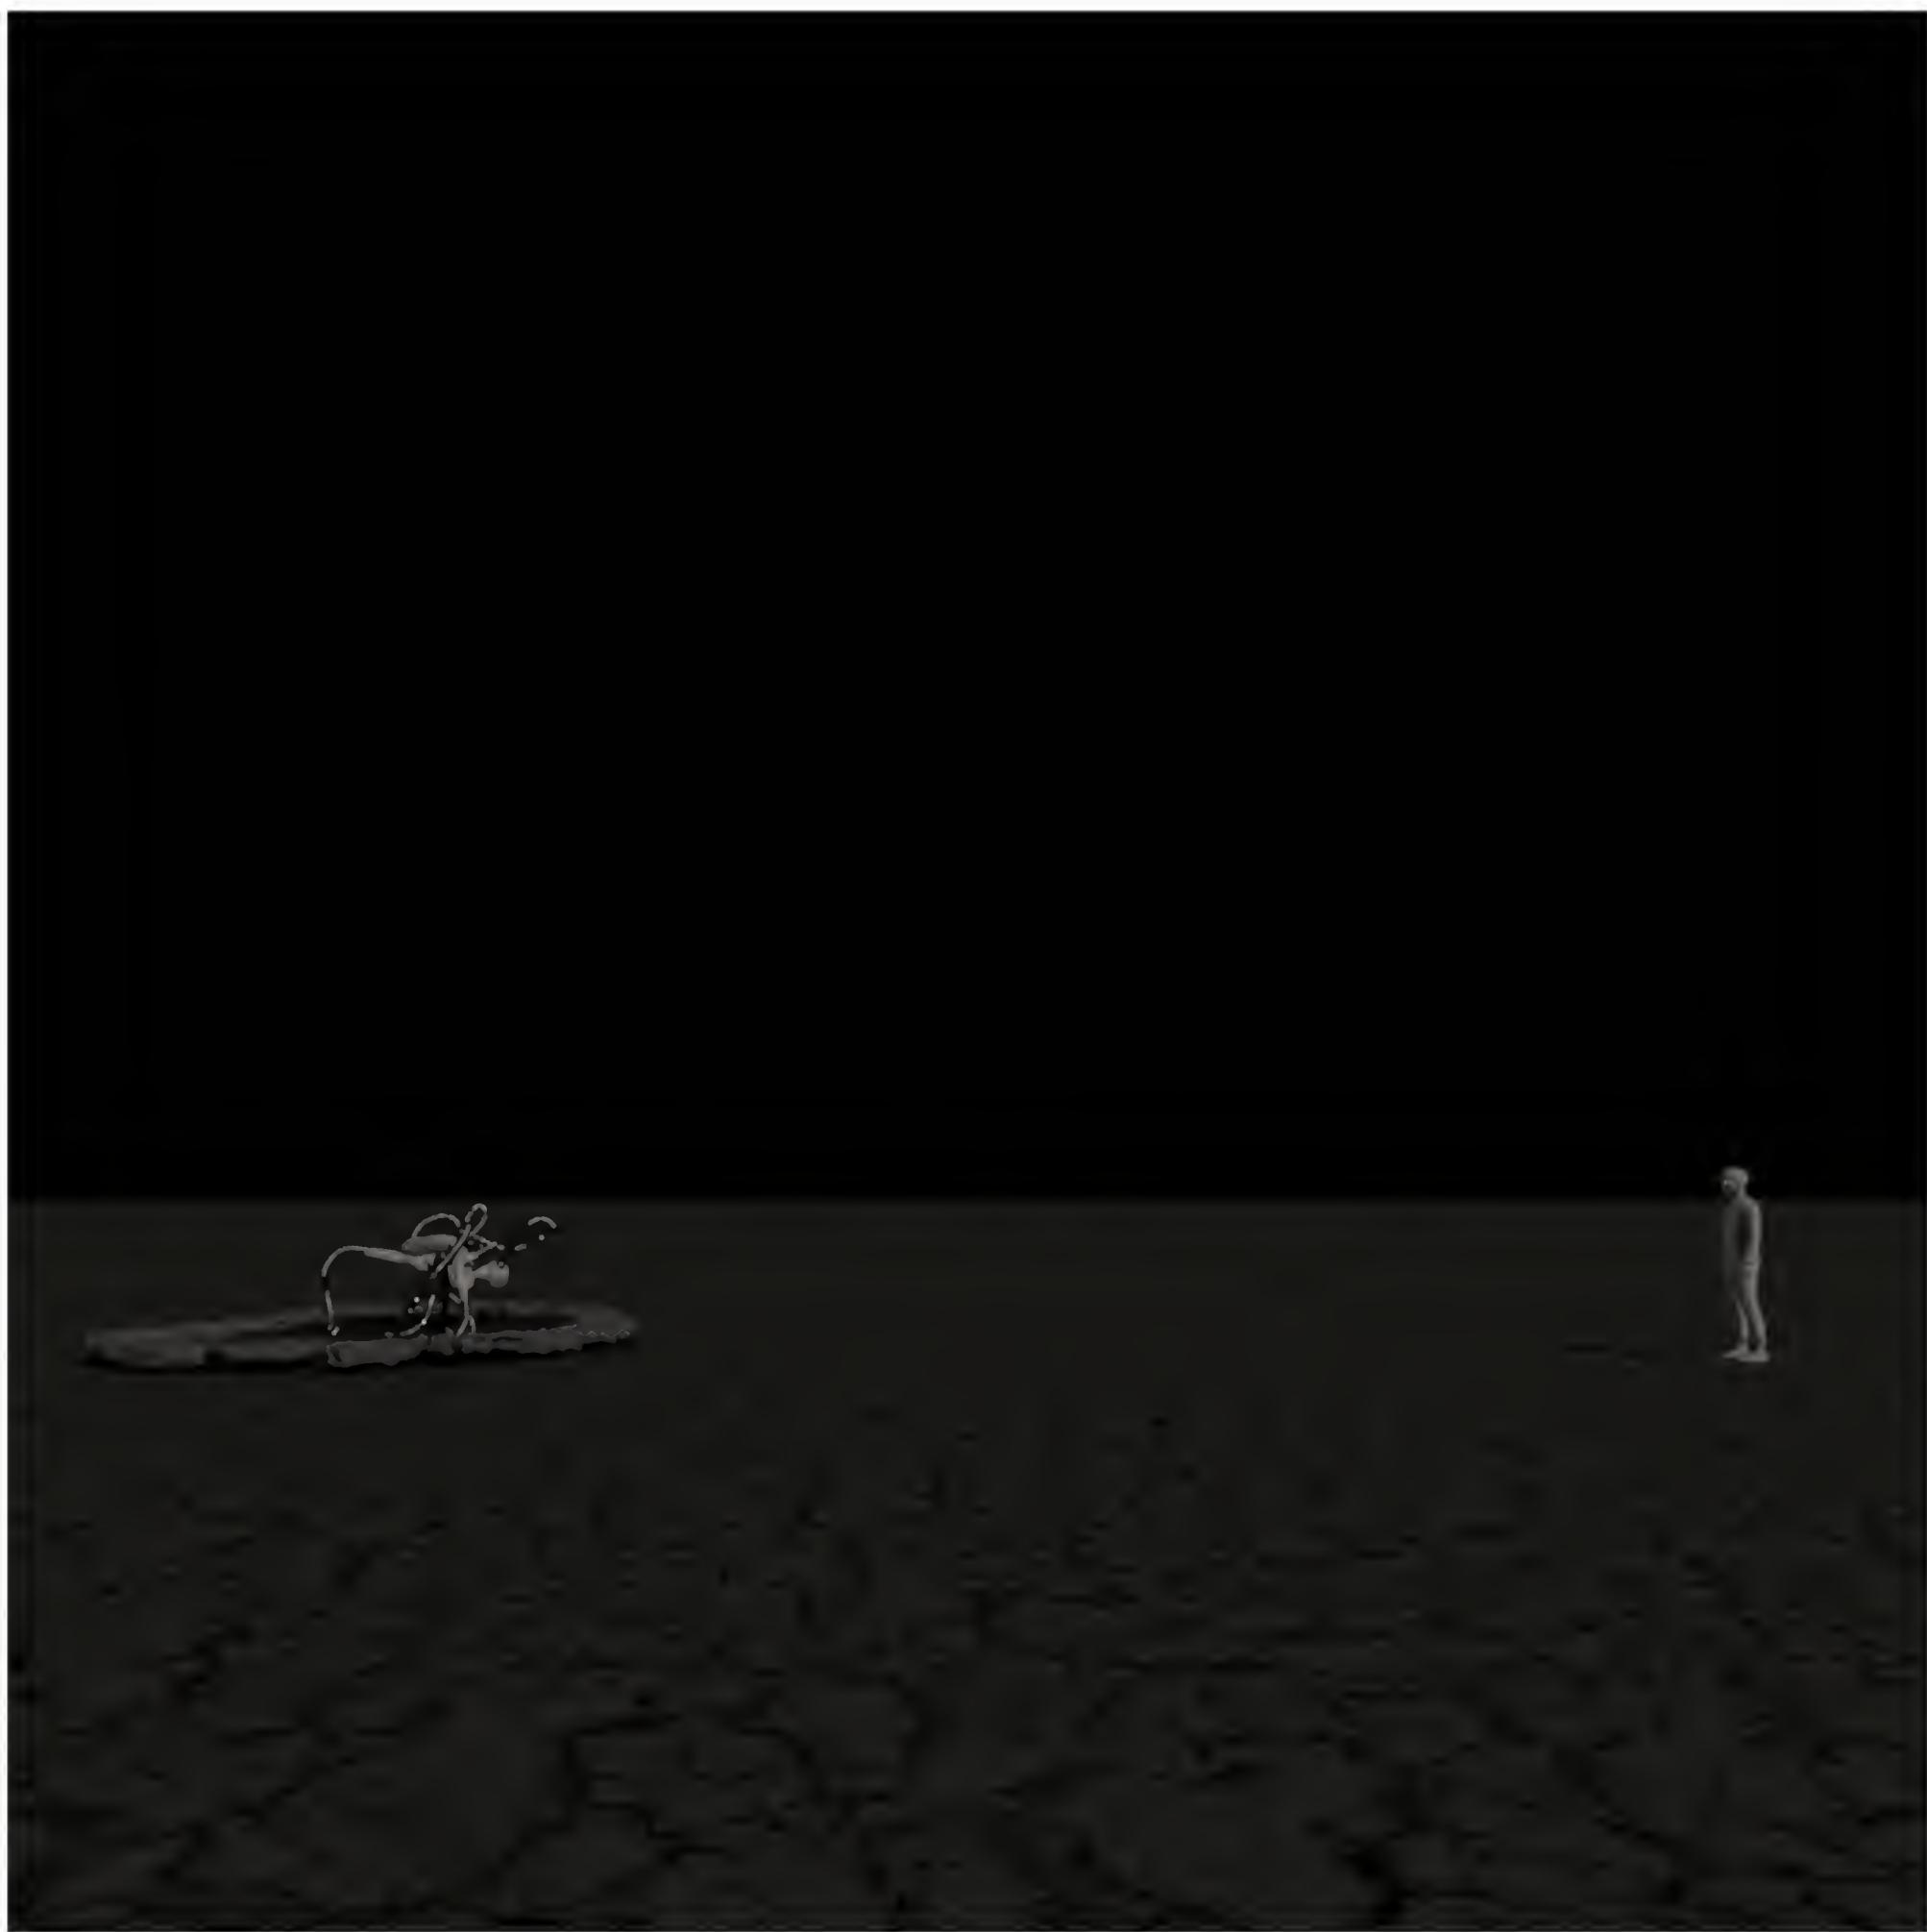

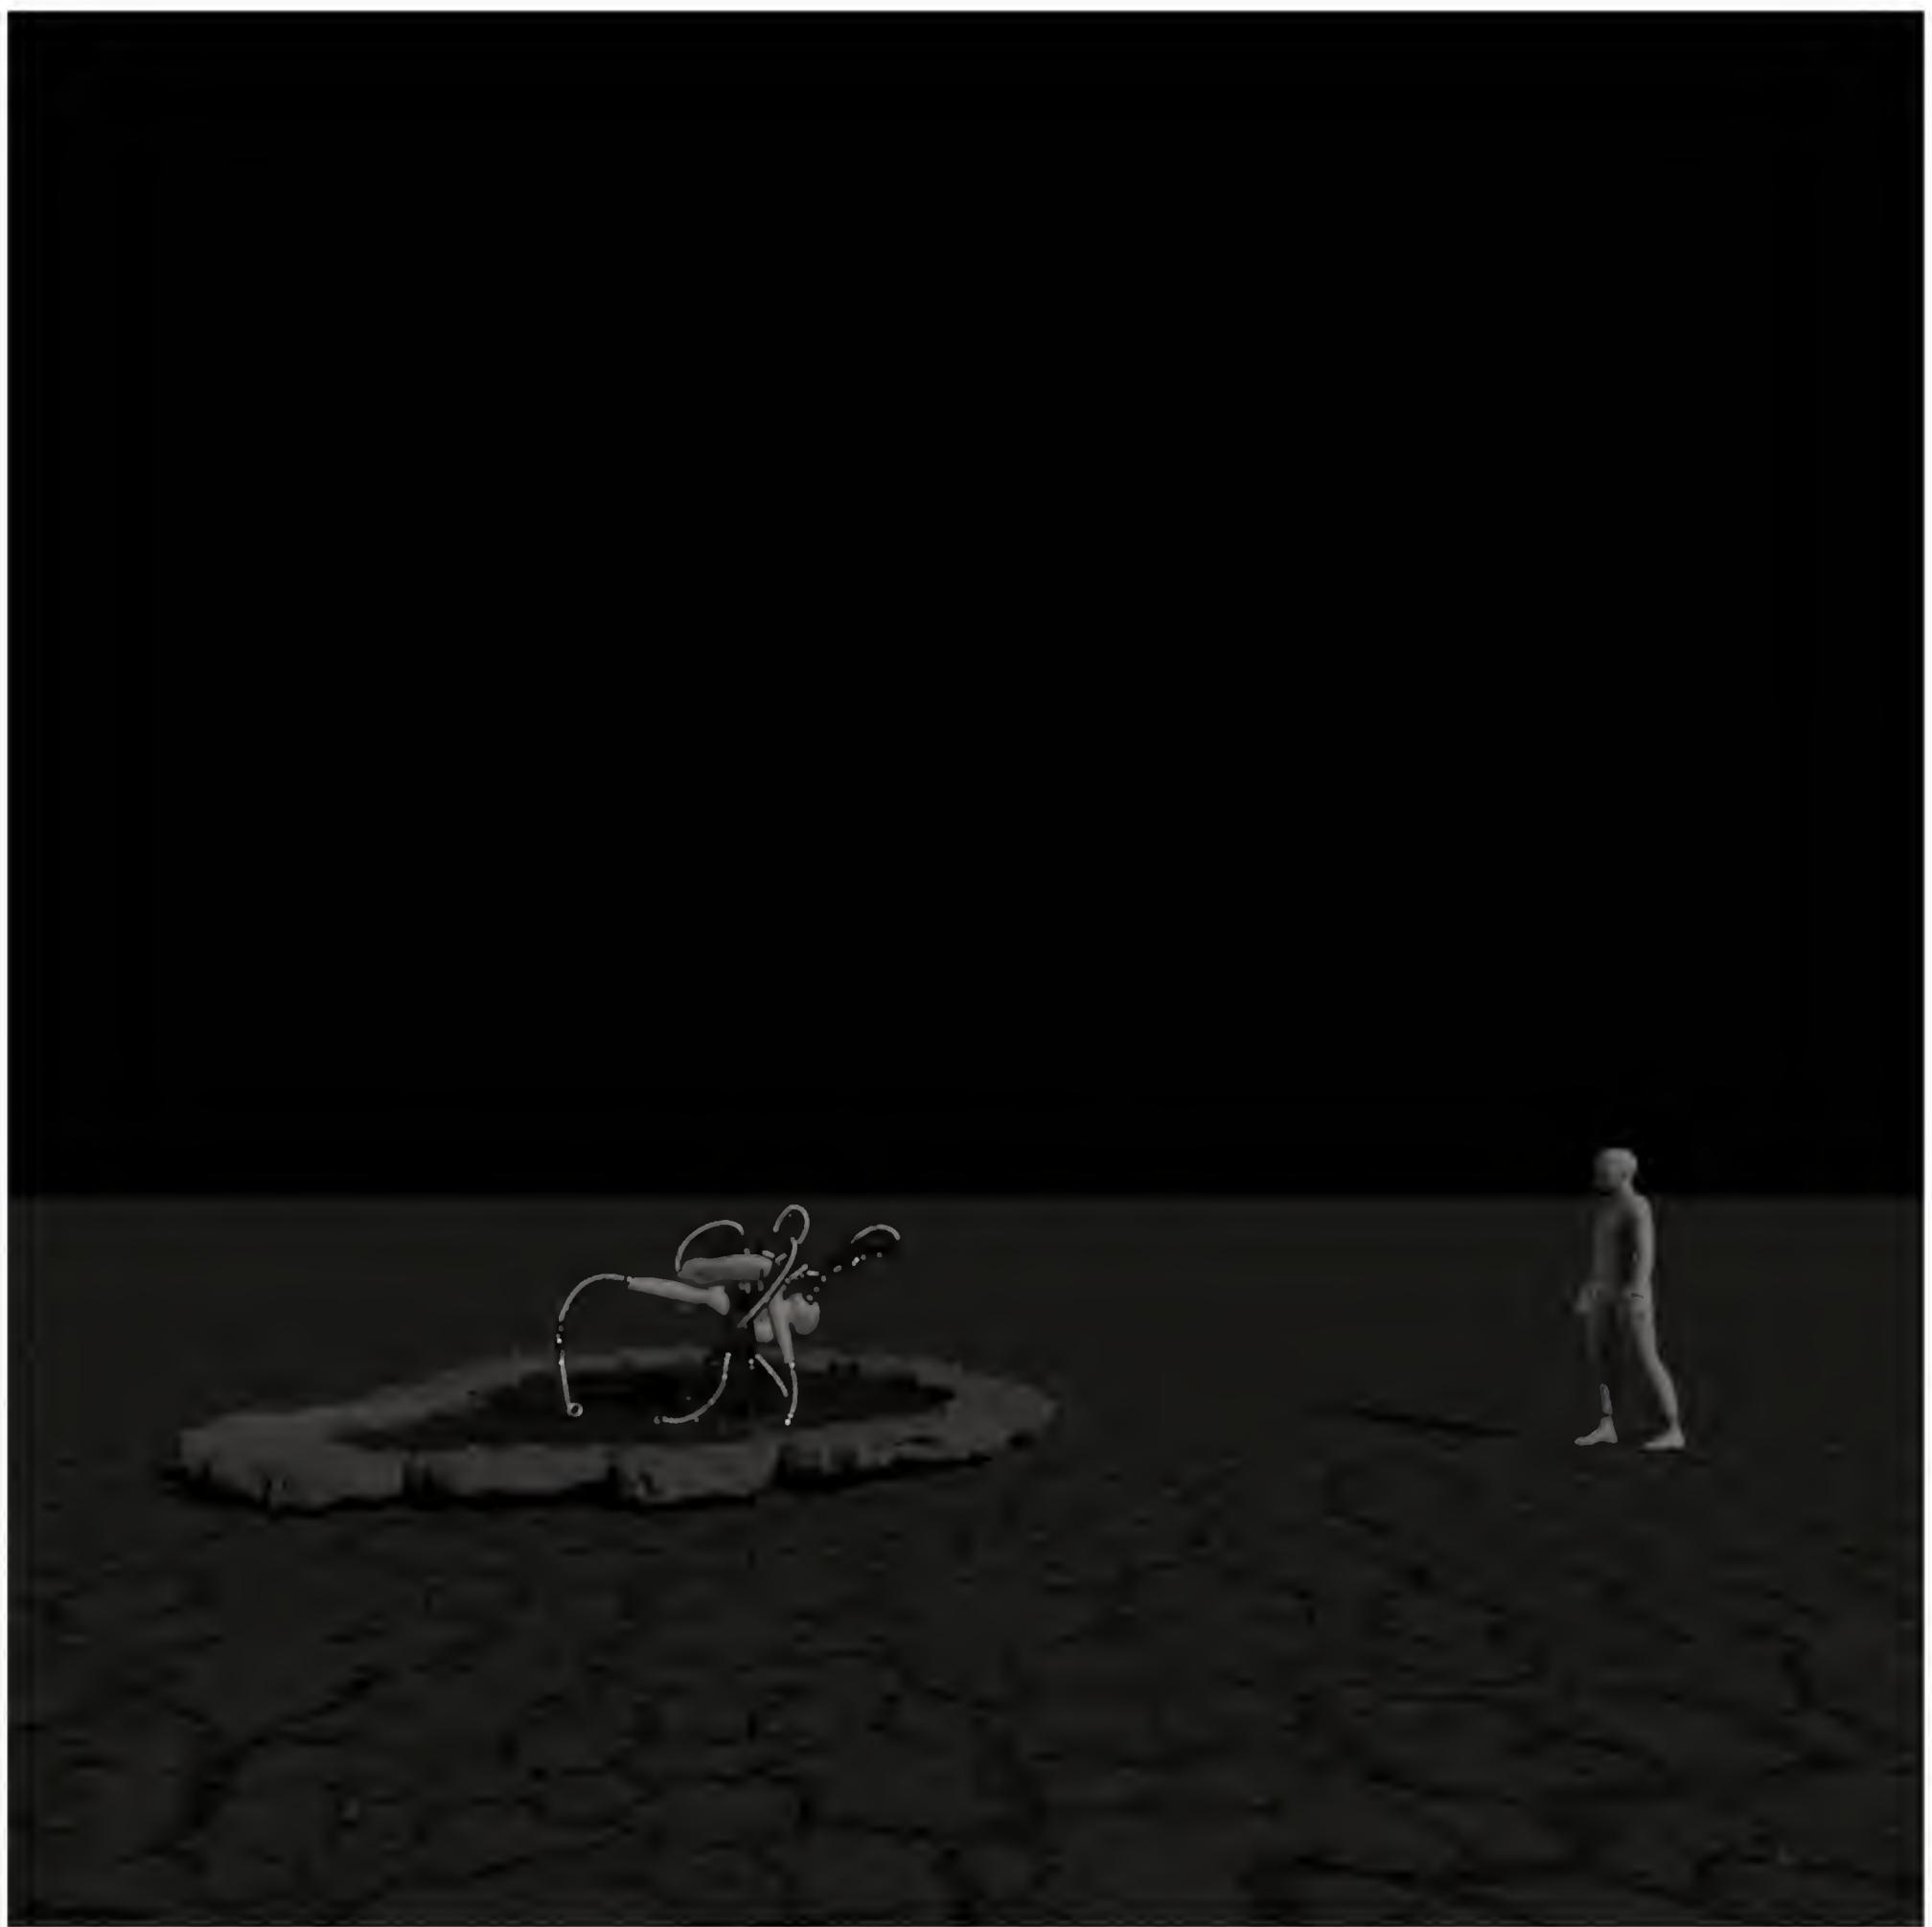

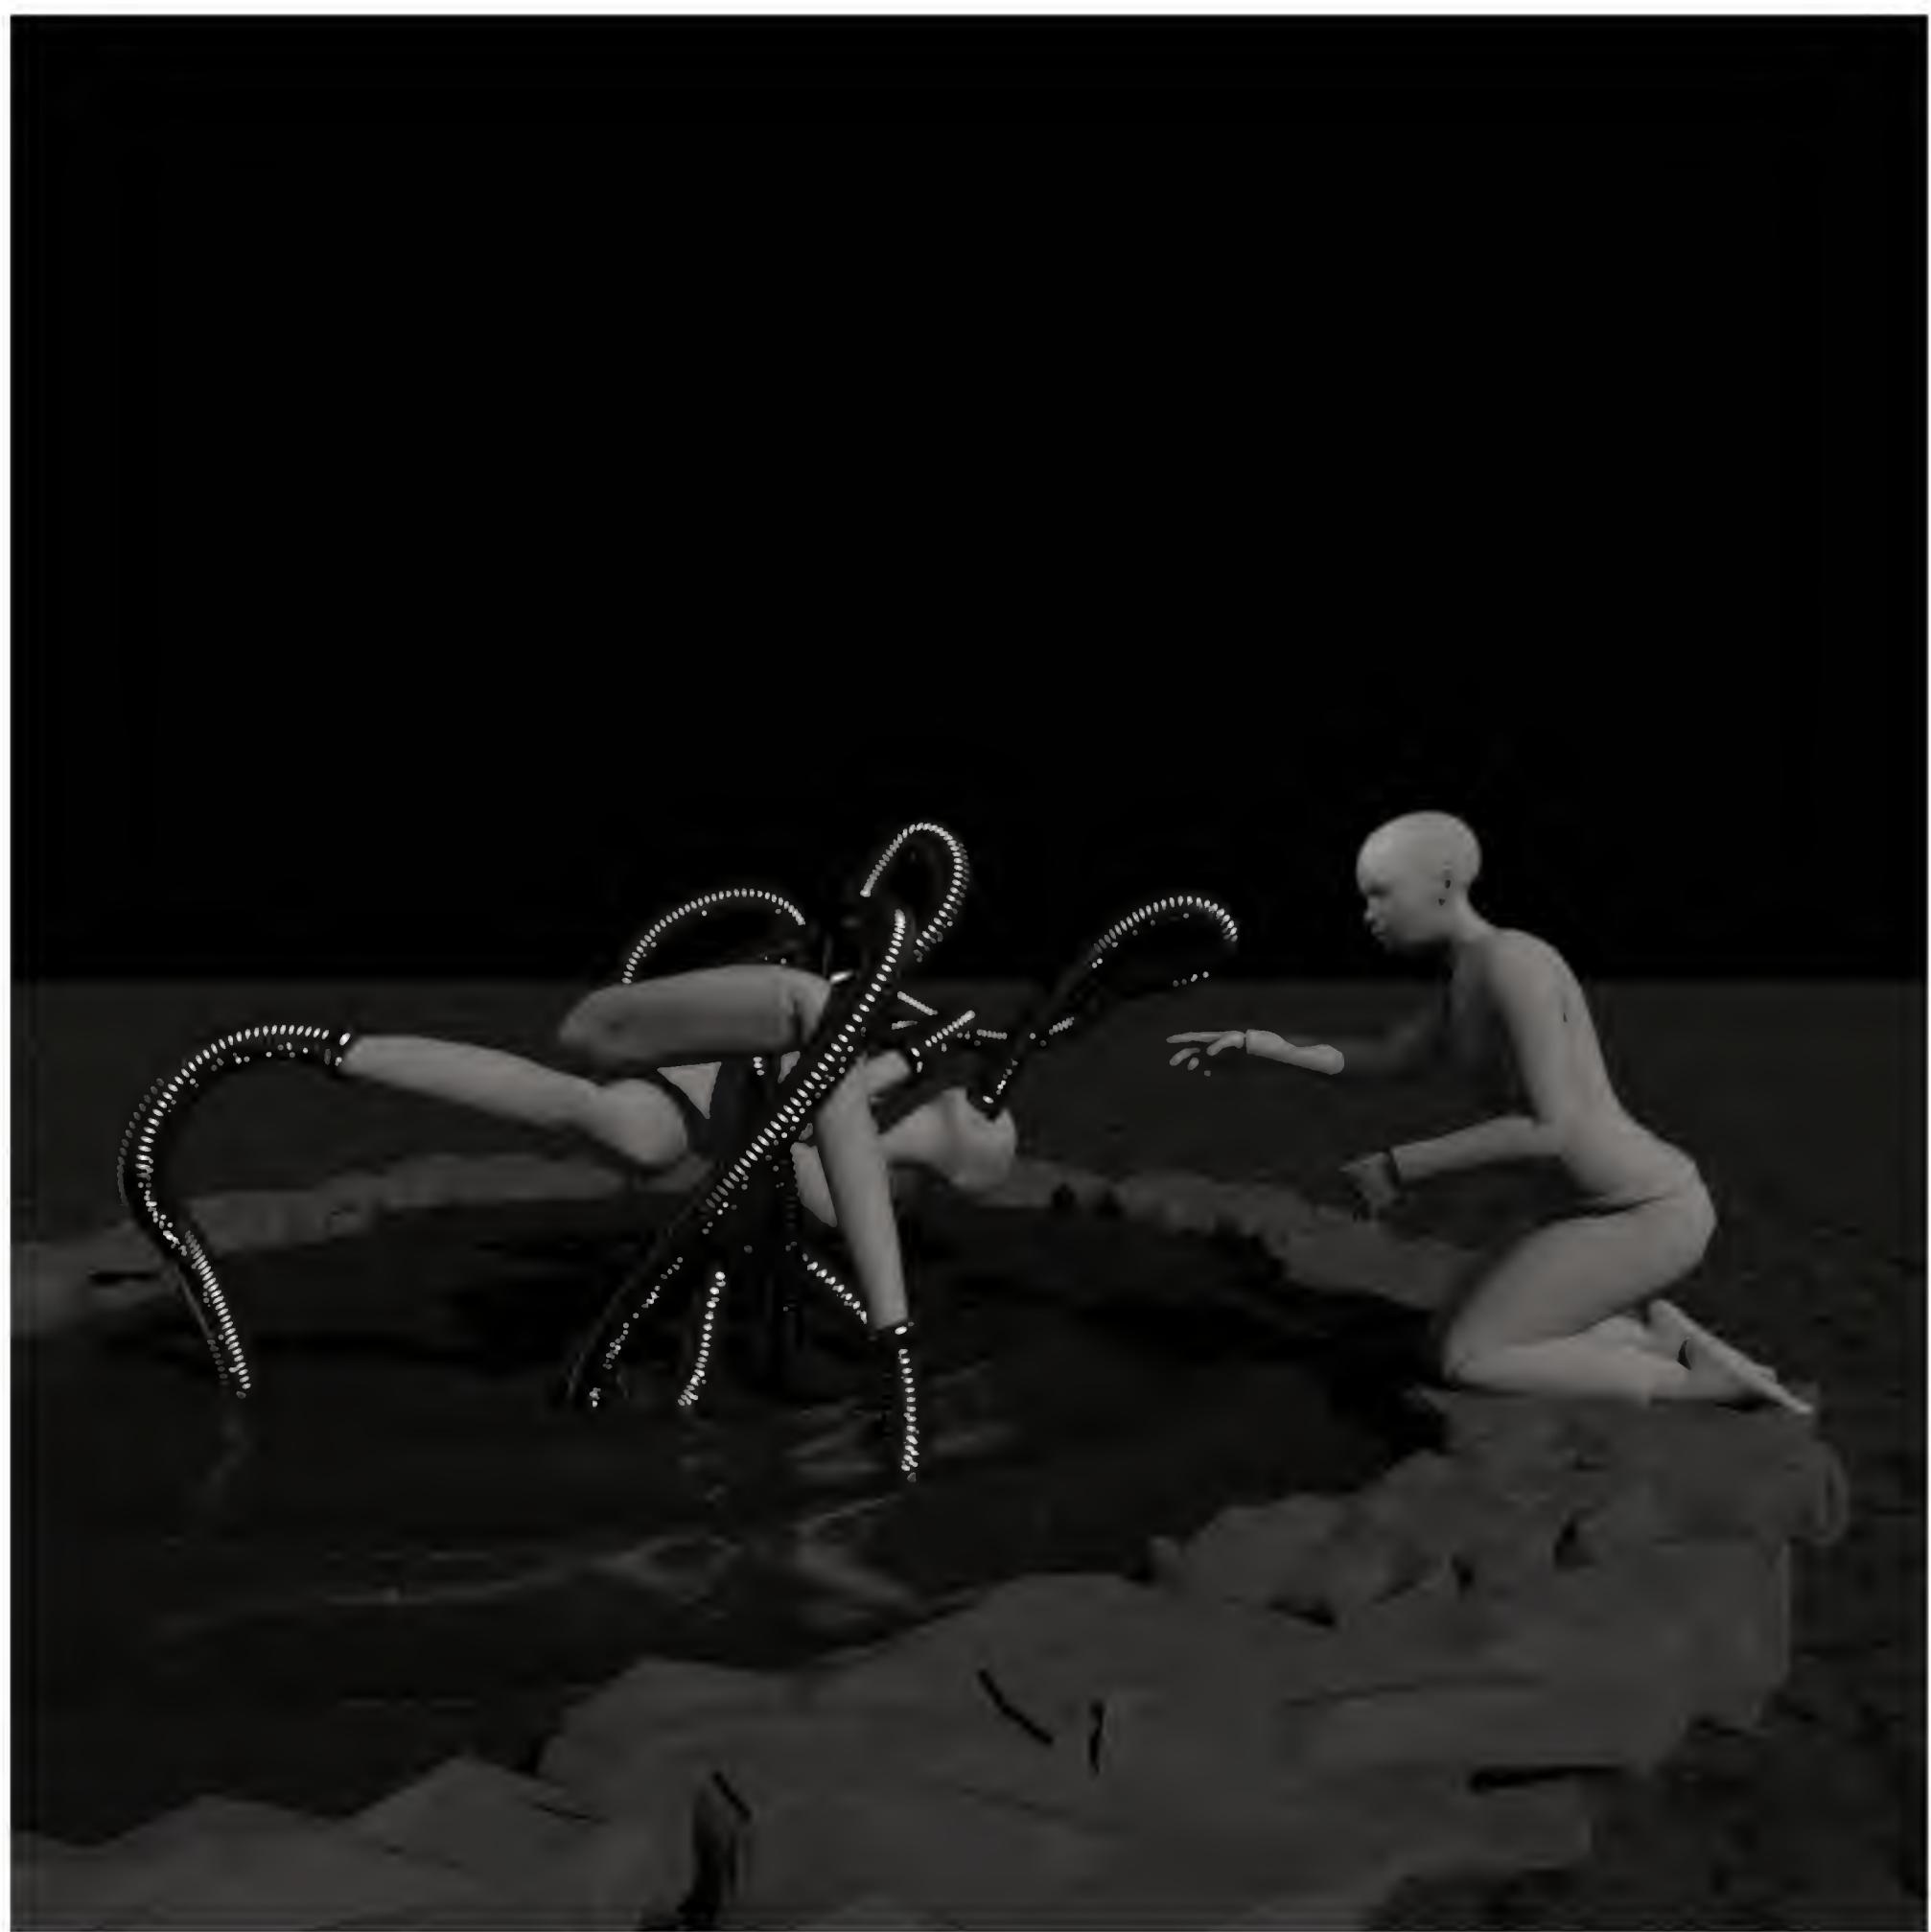

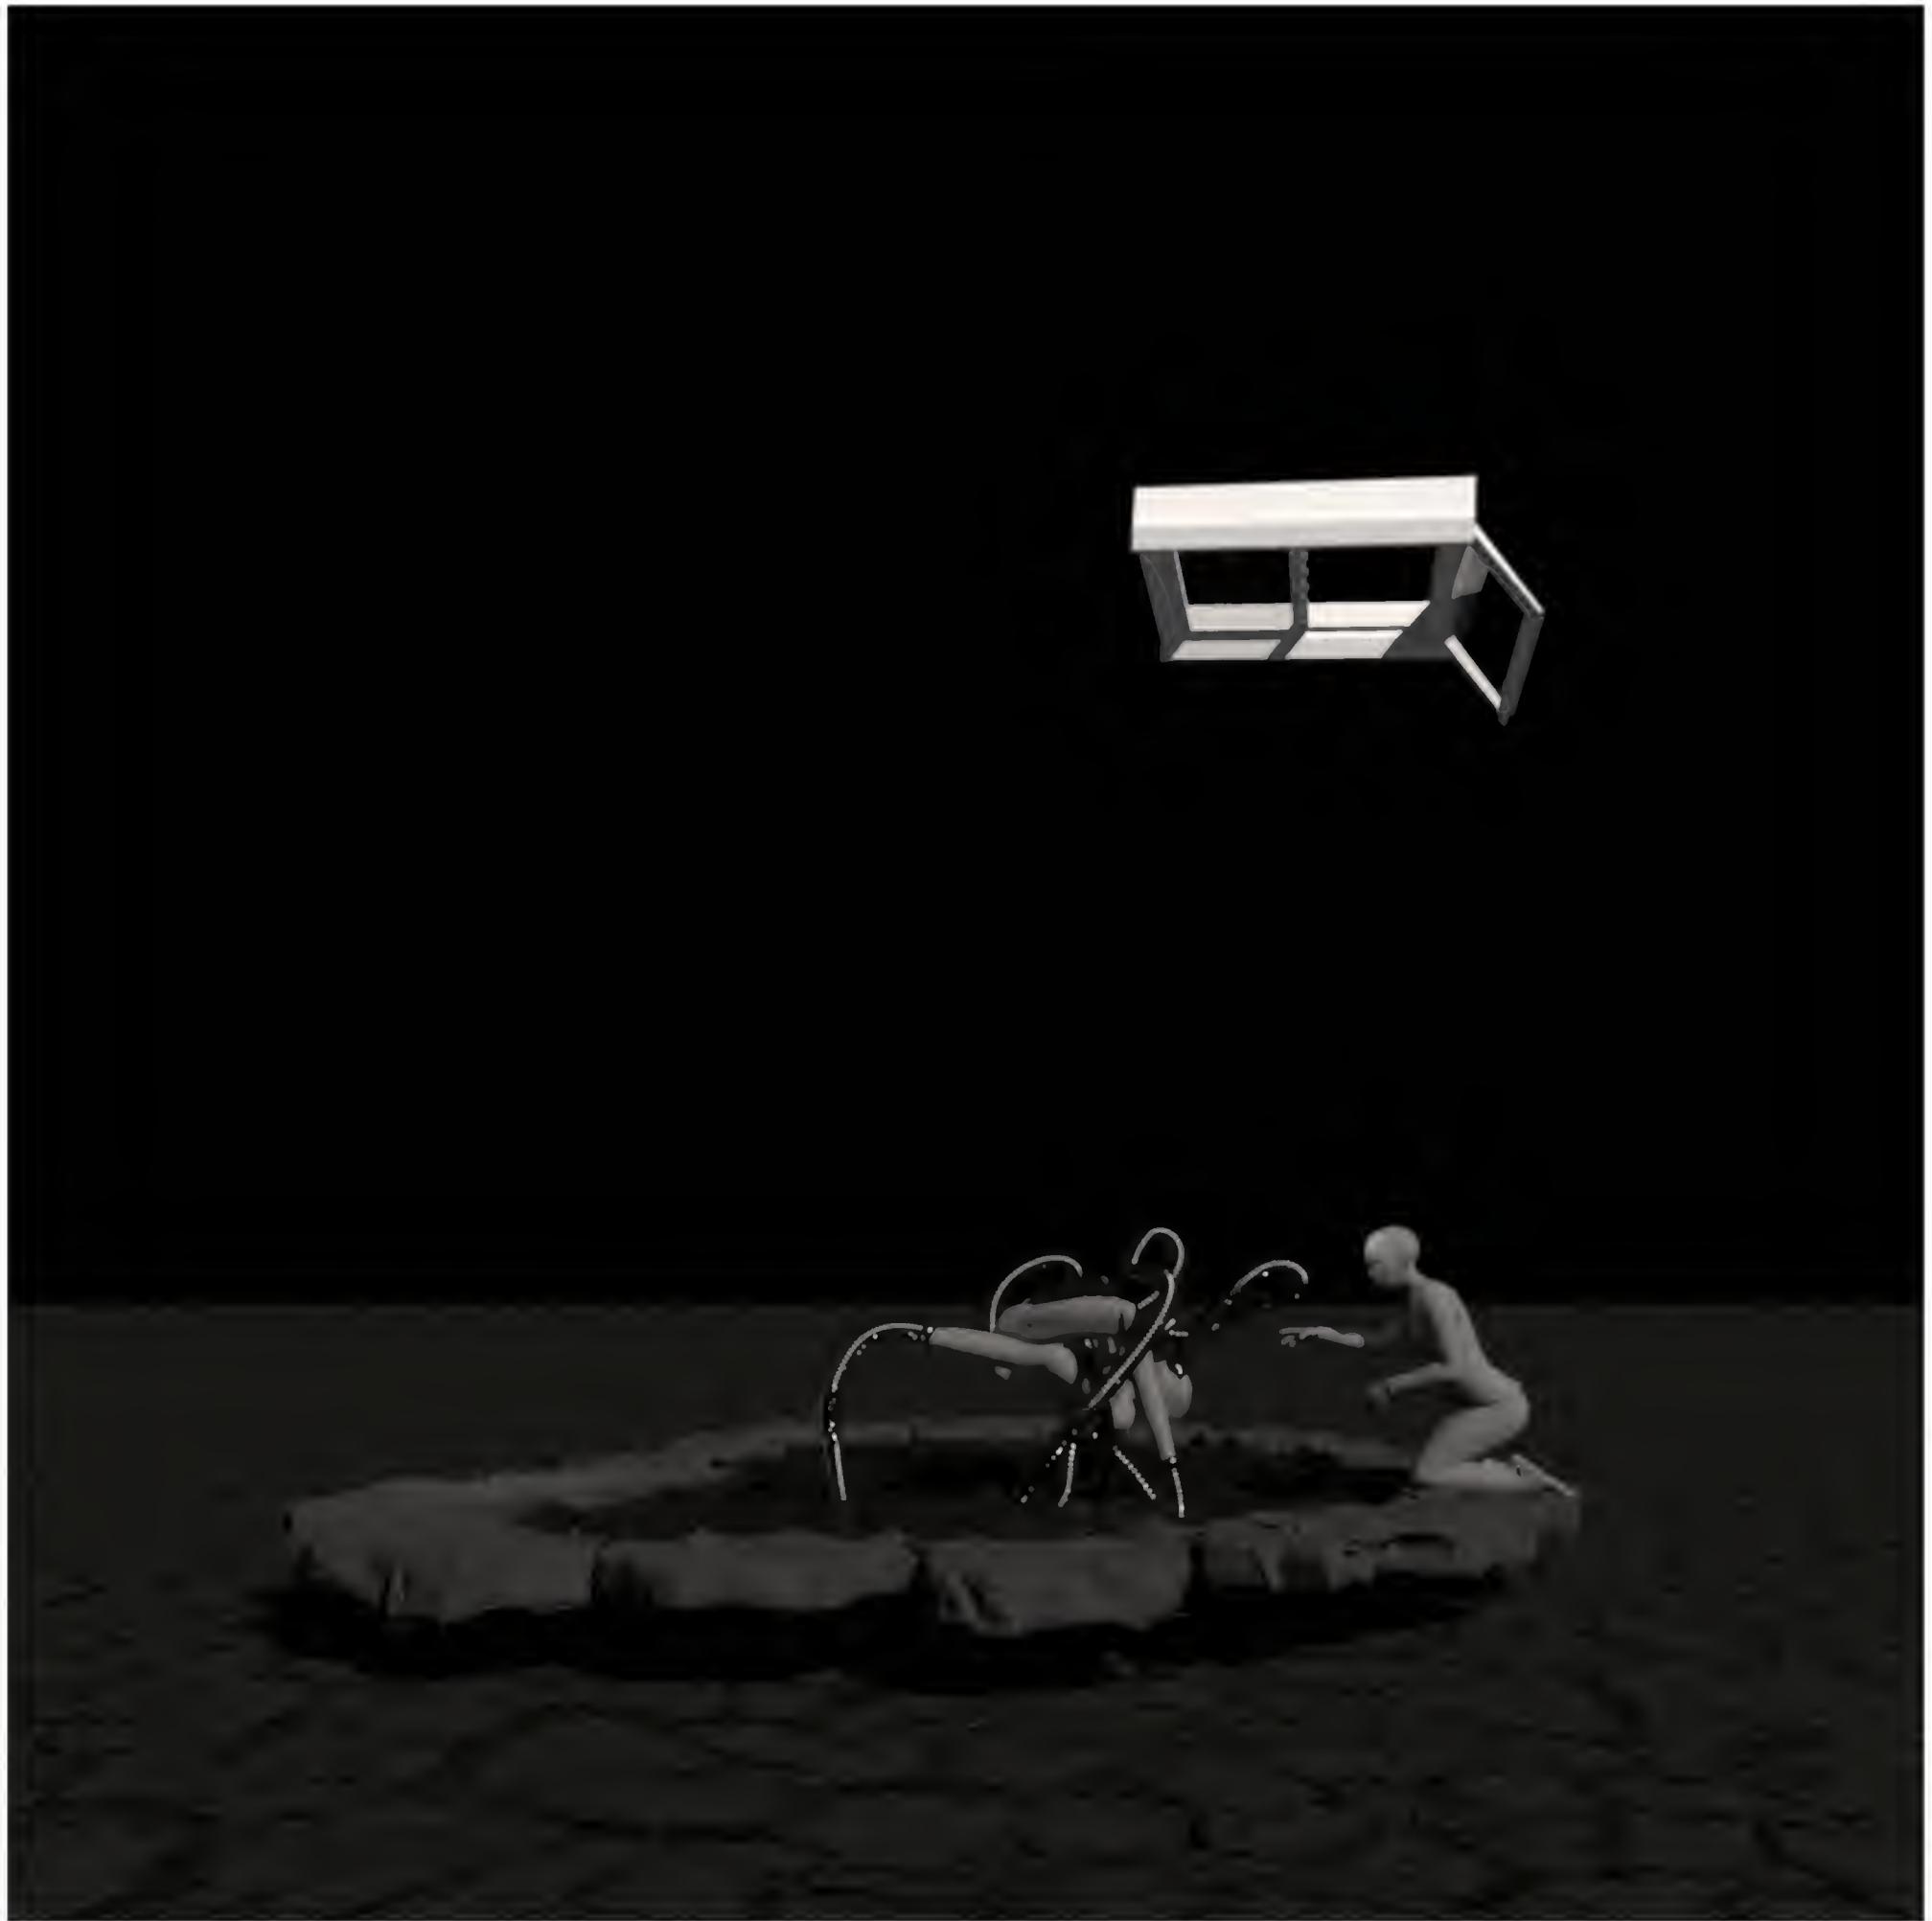

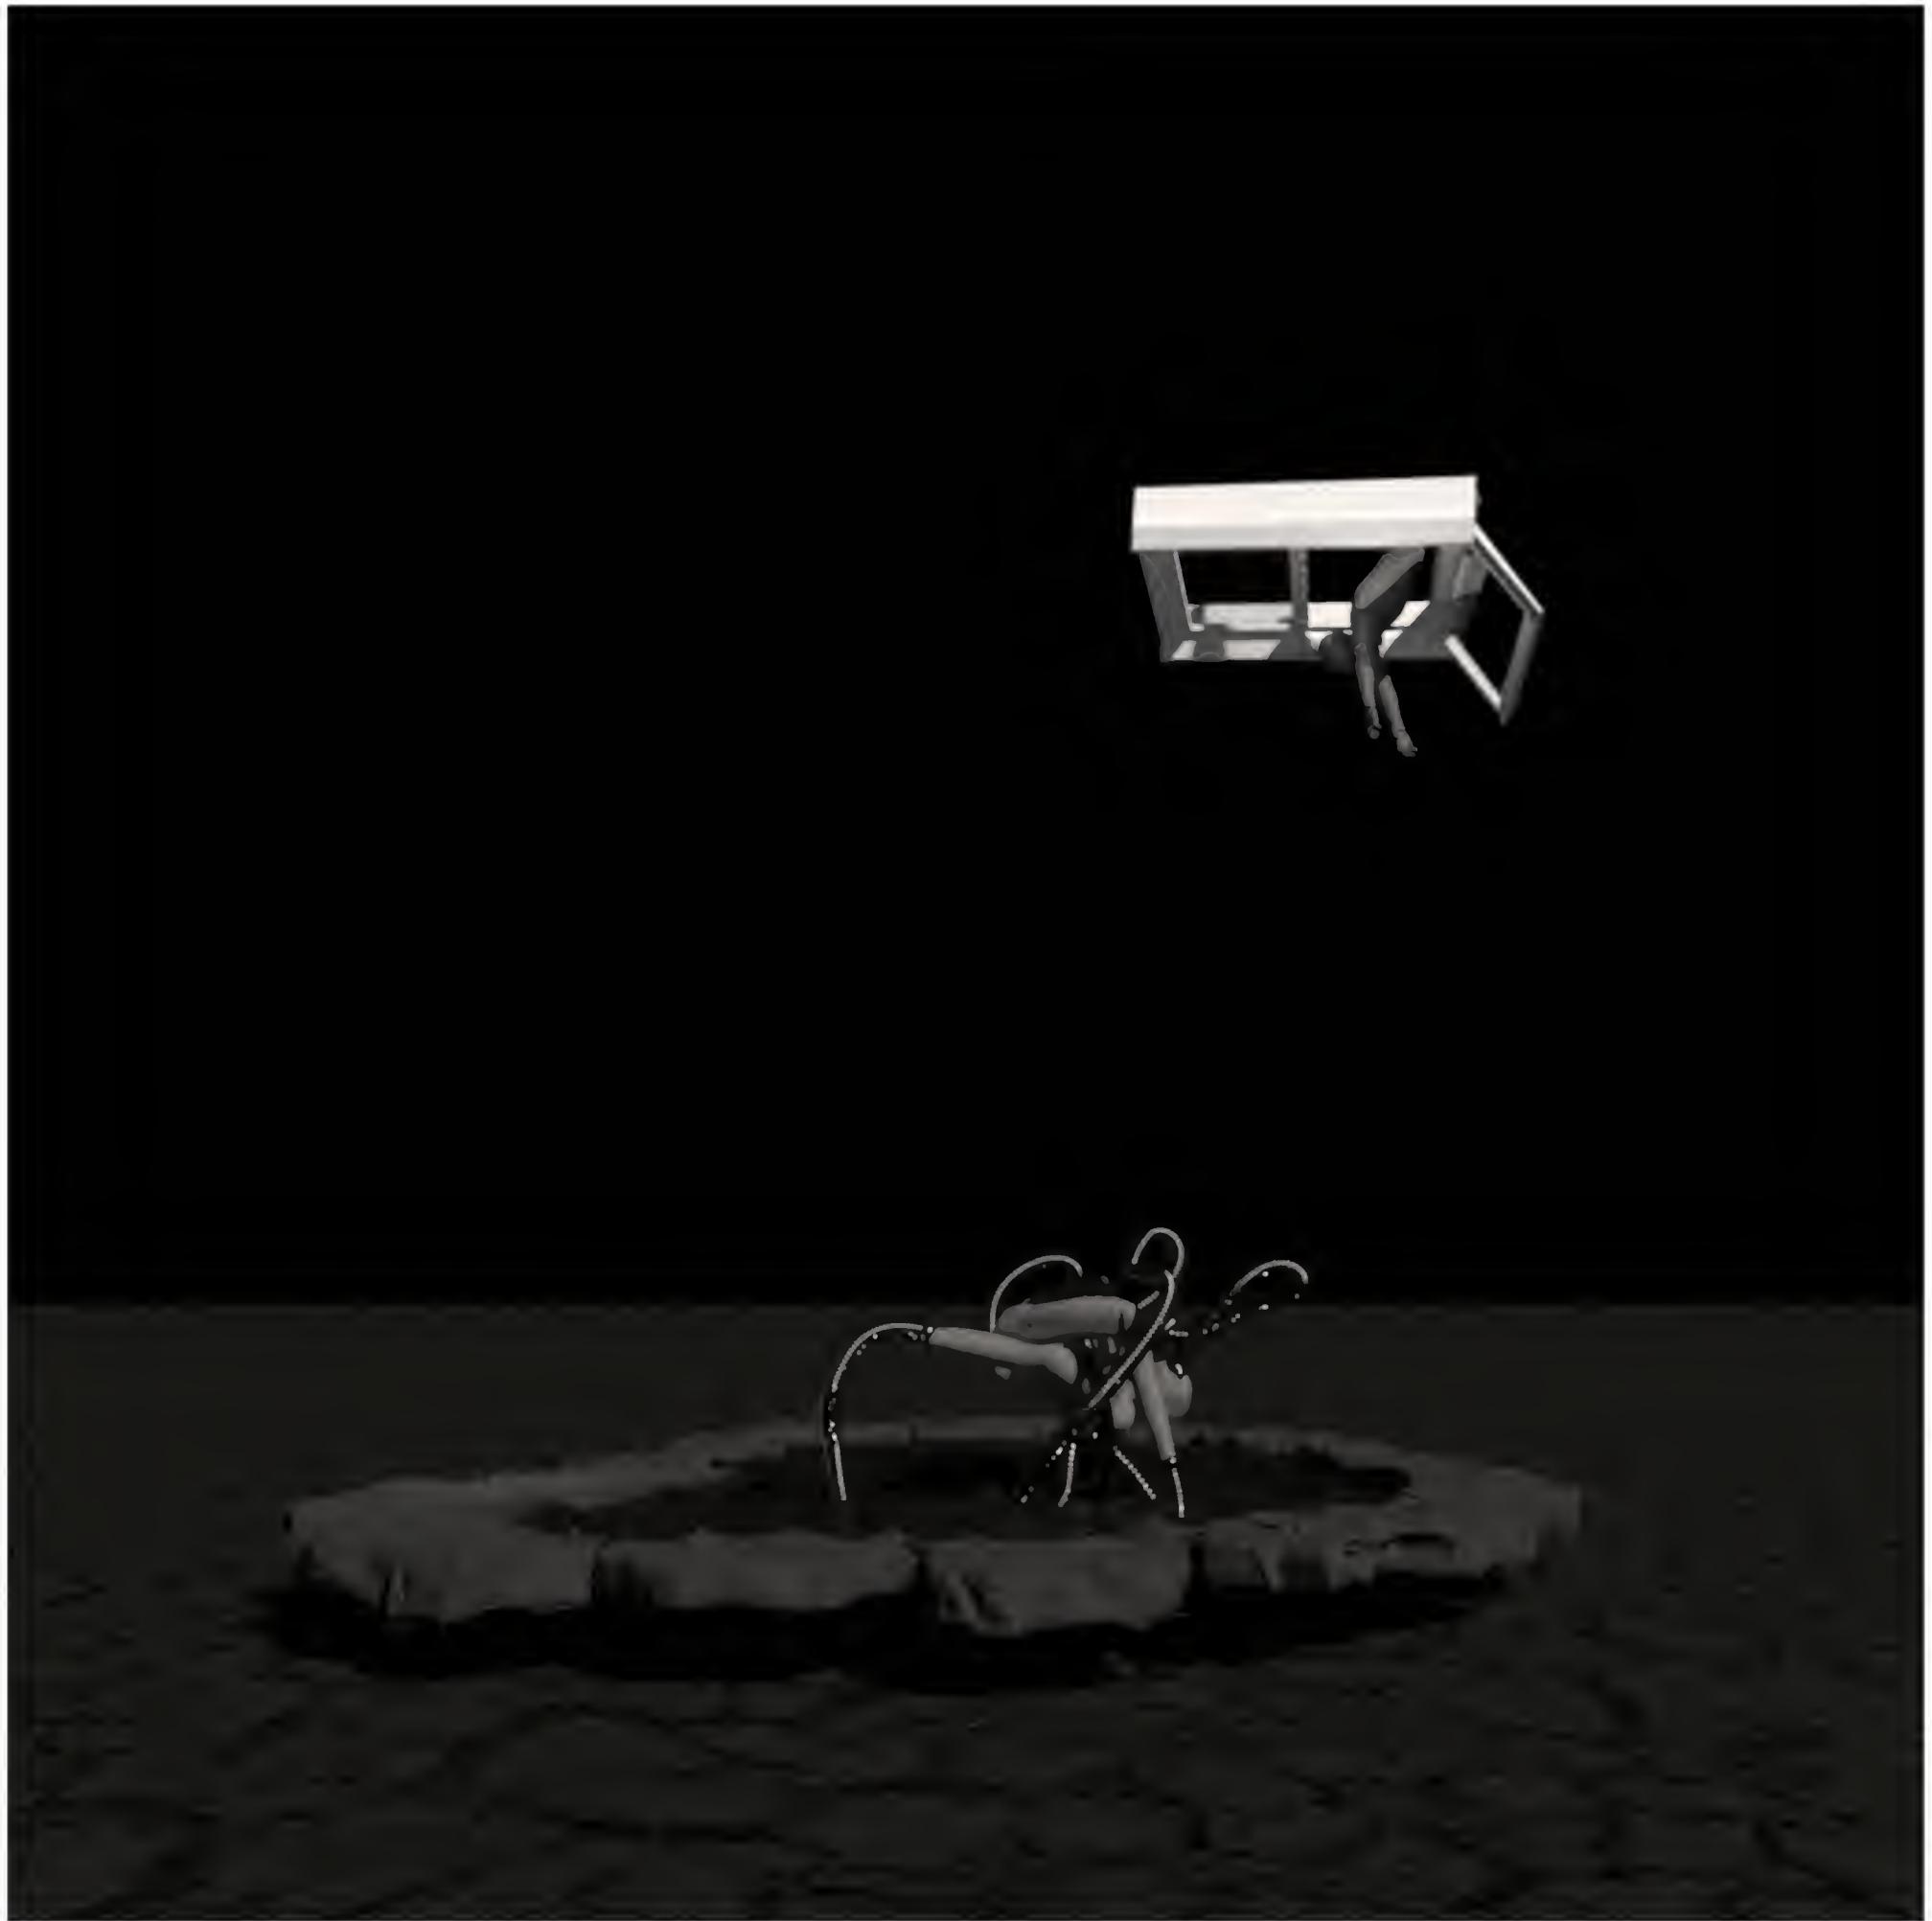

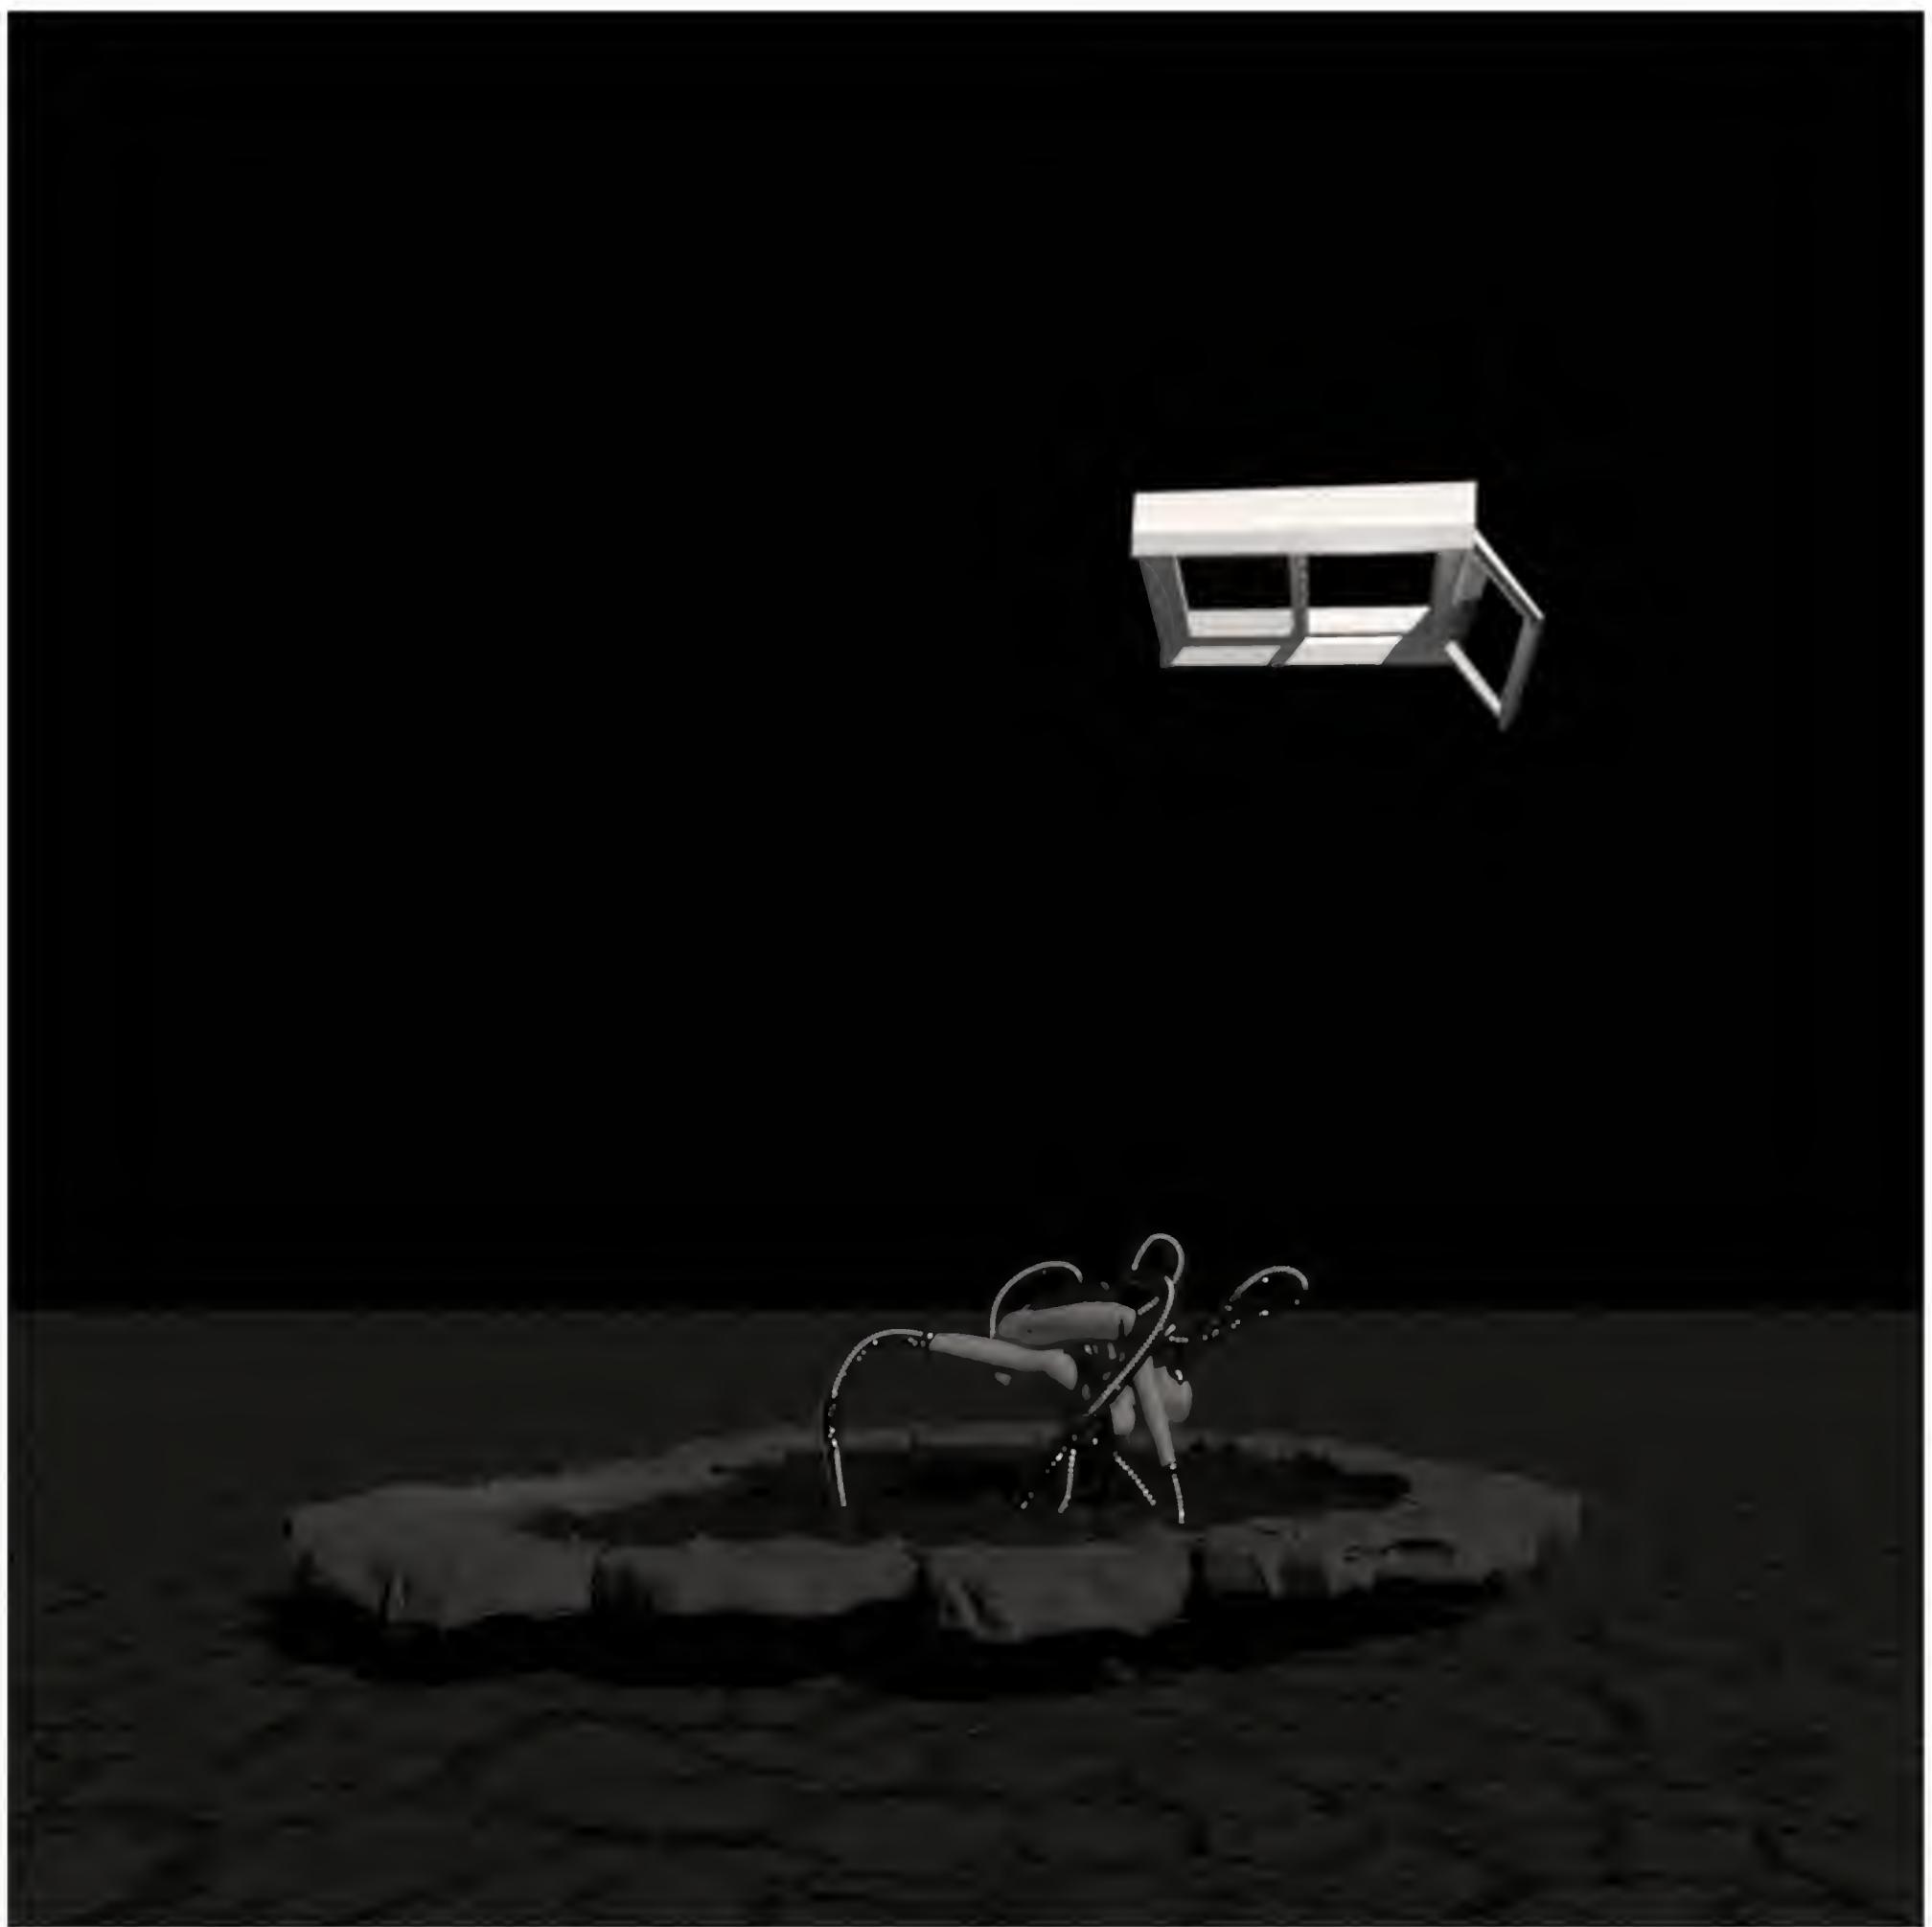

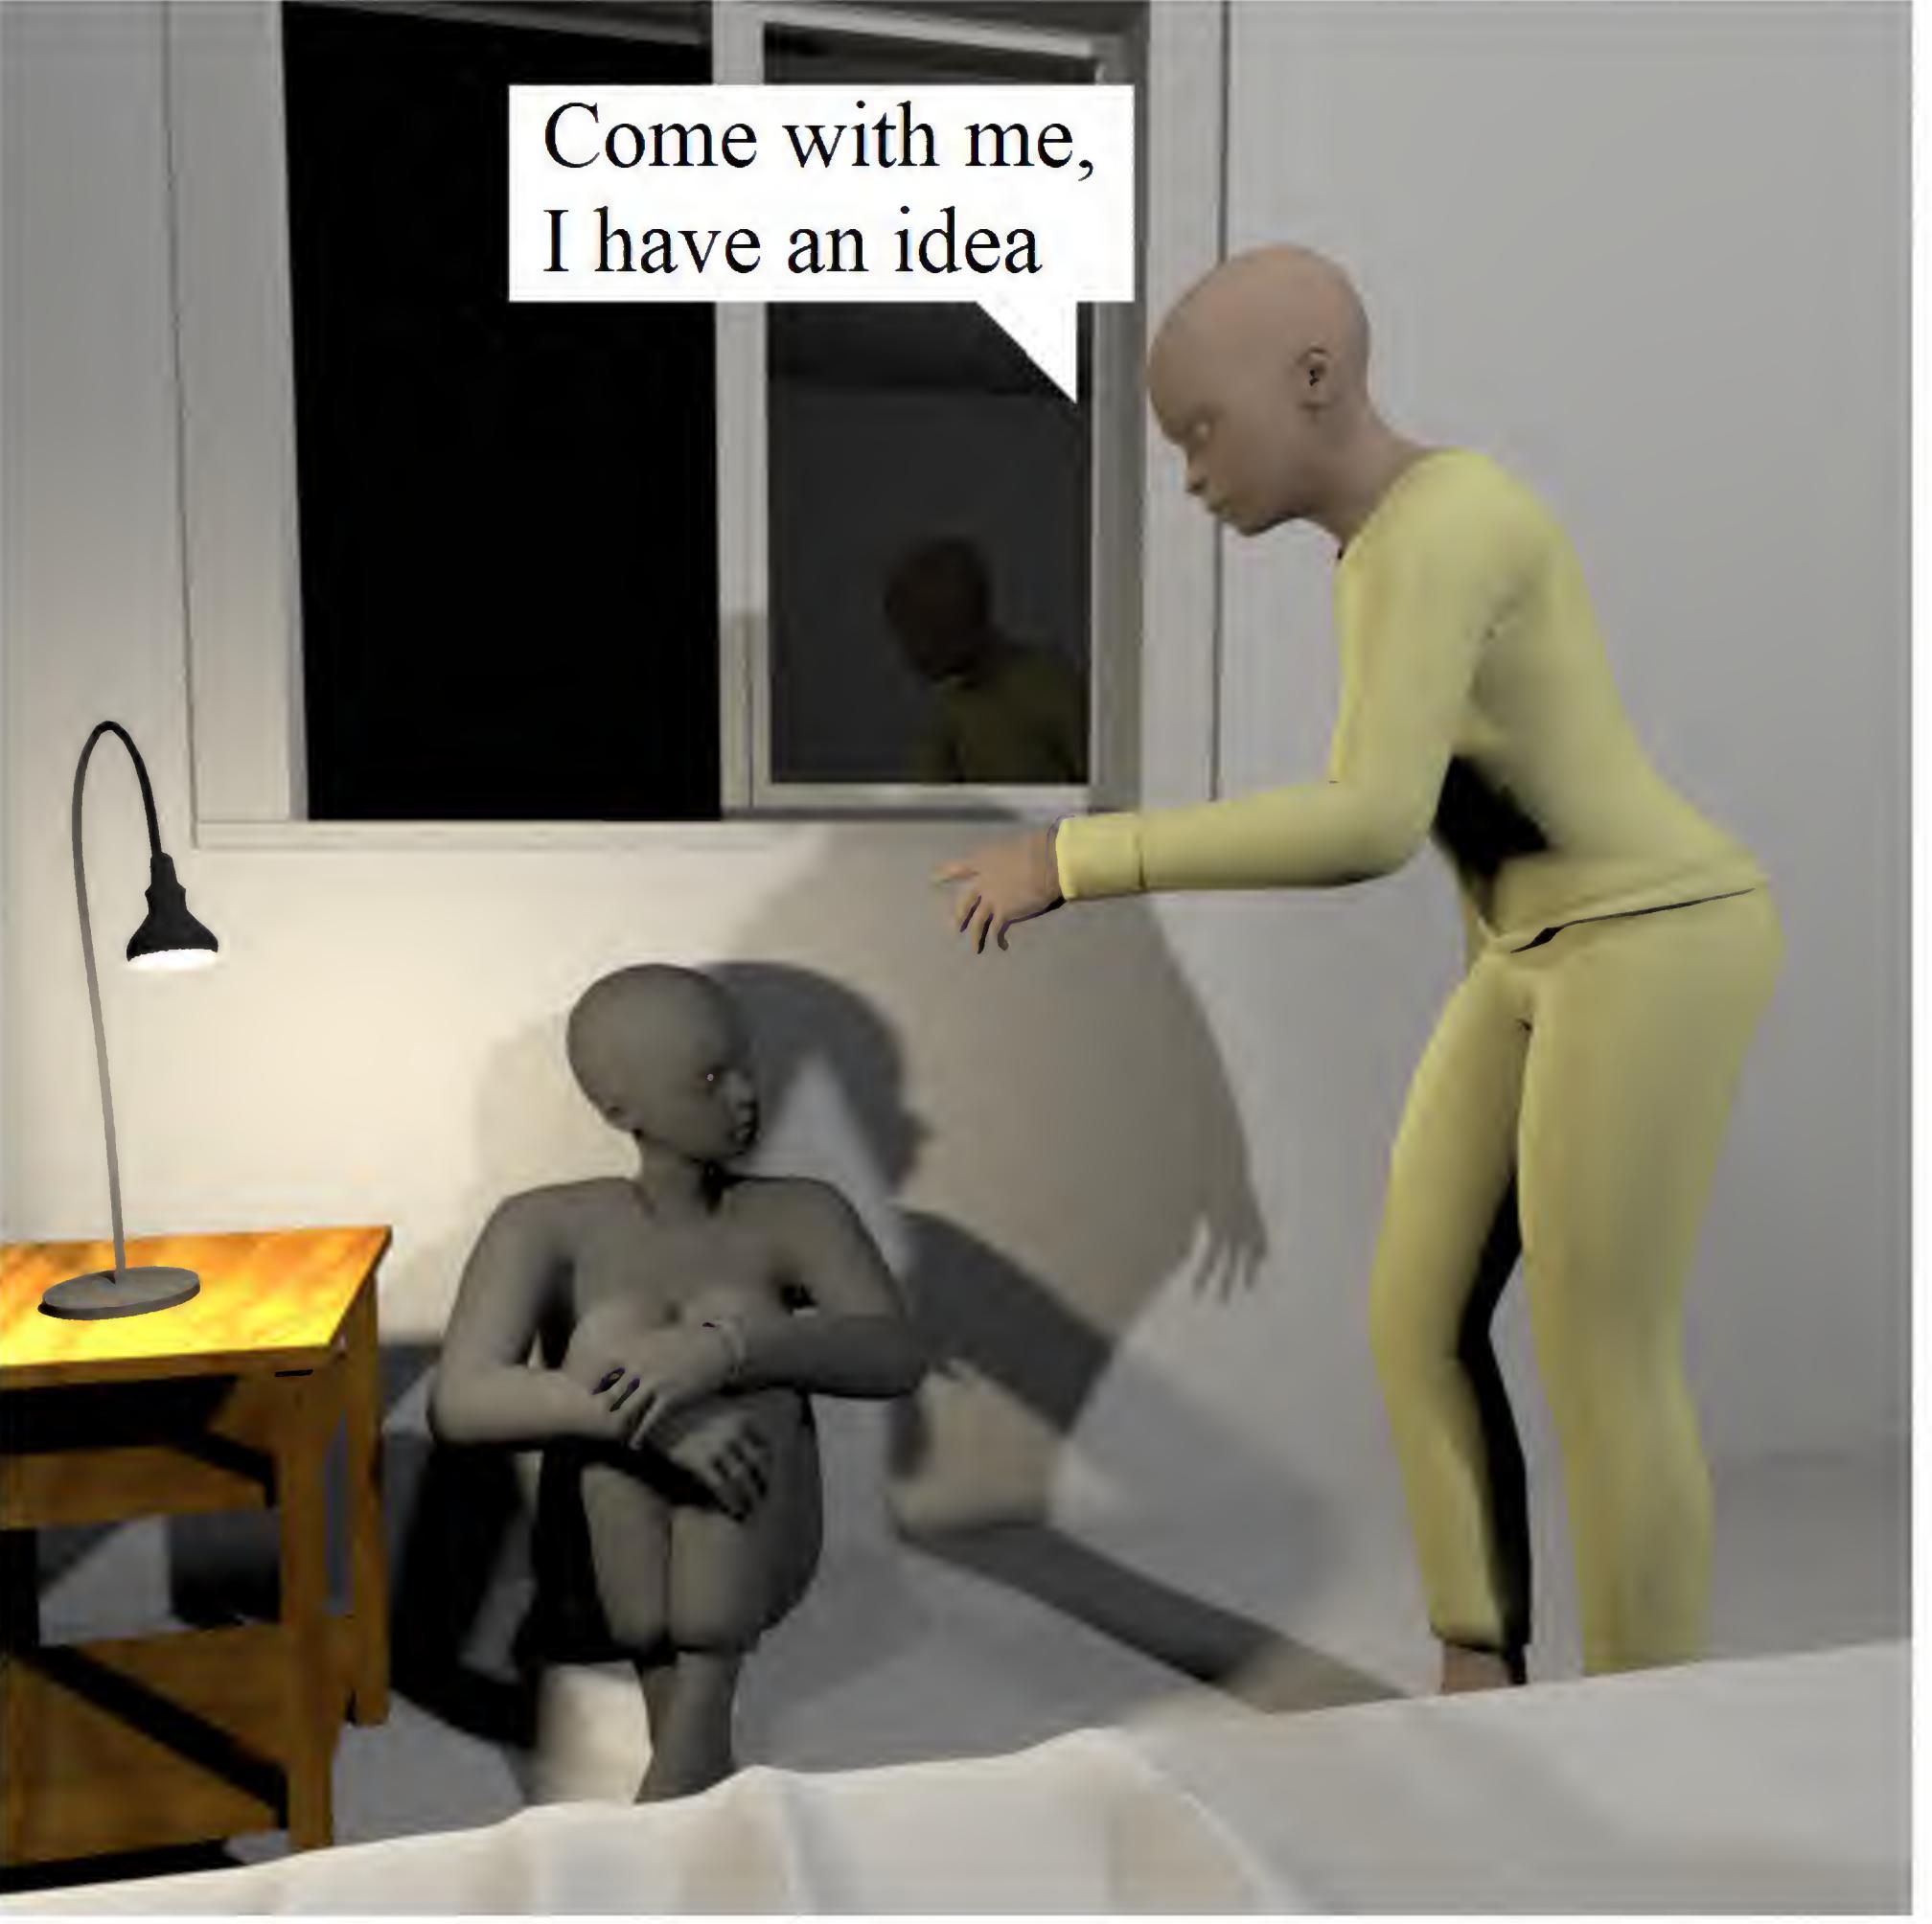

Oh! You're back!

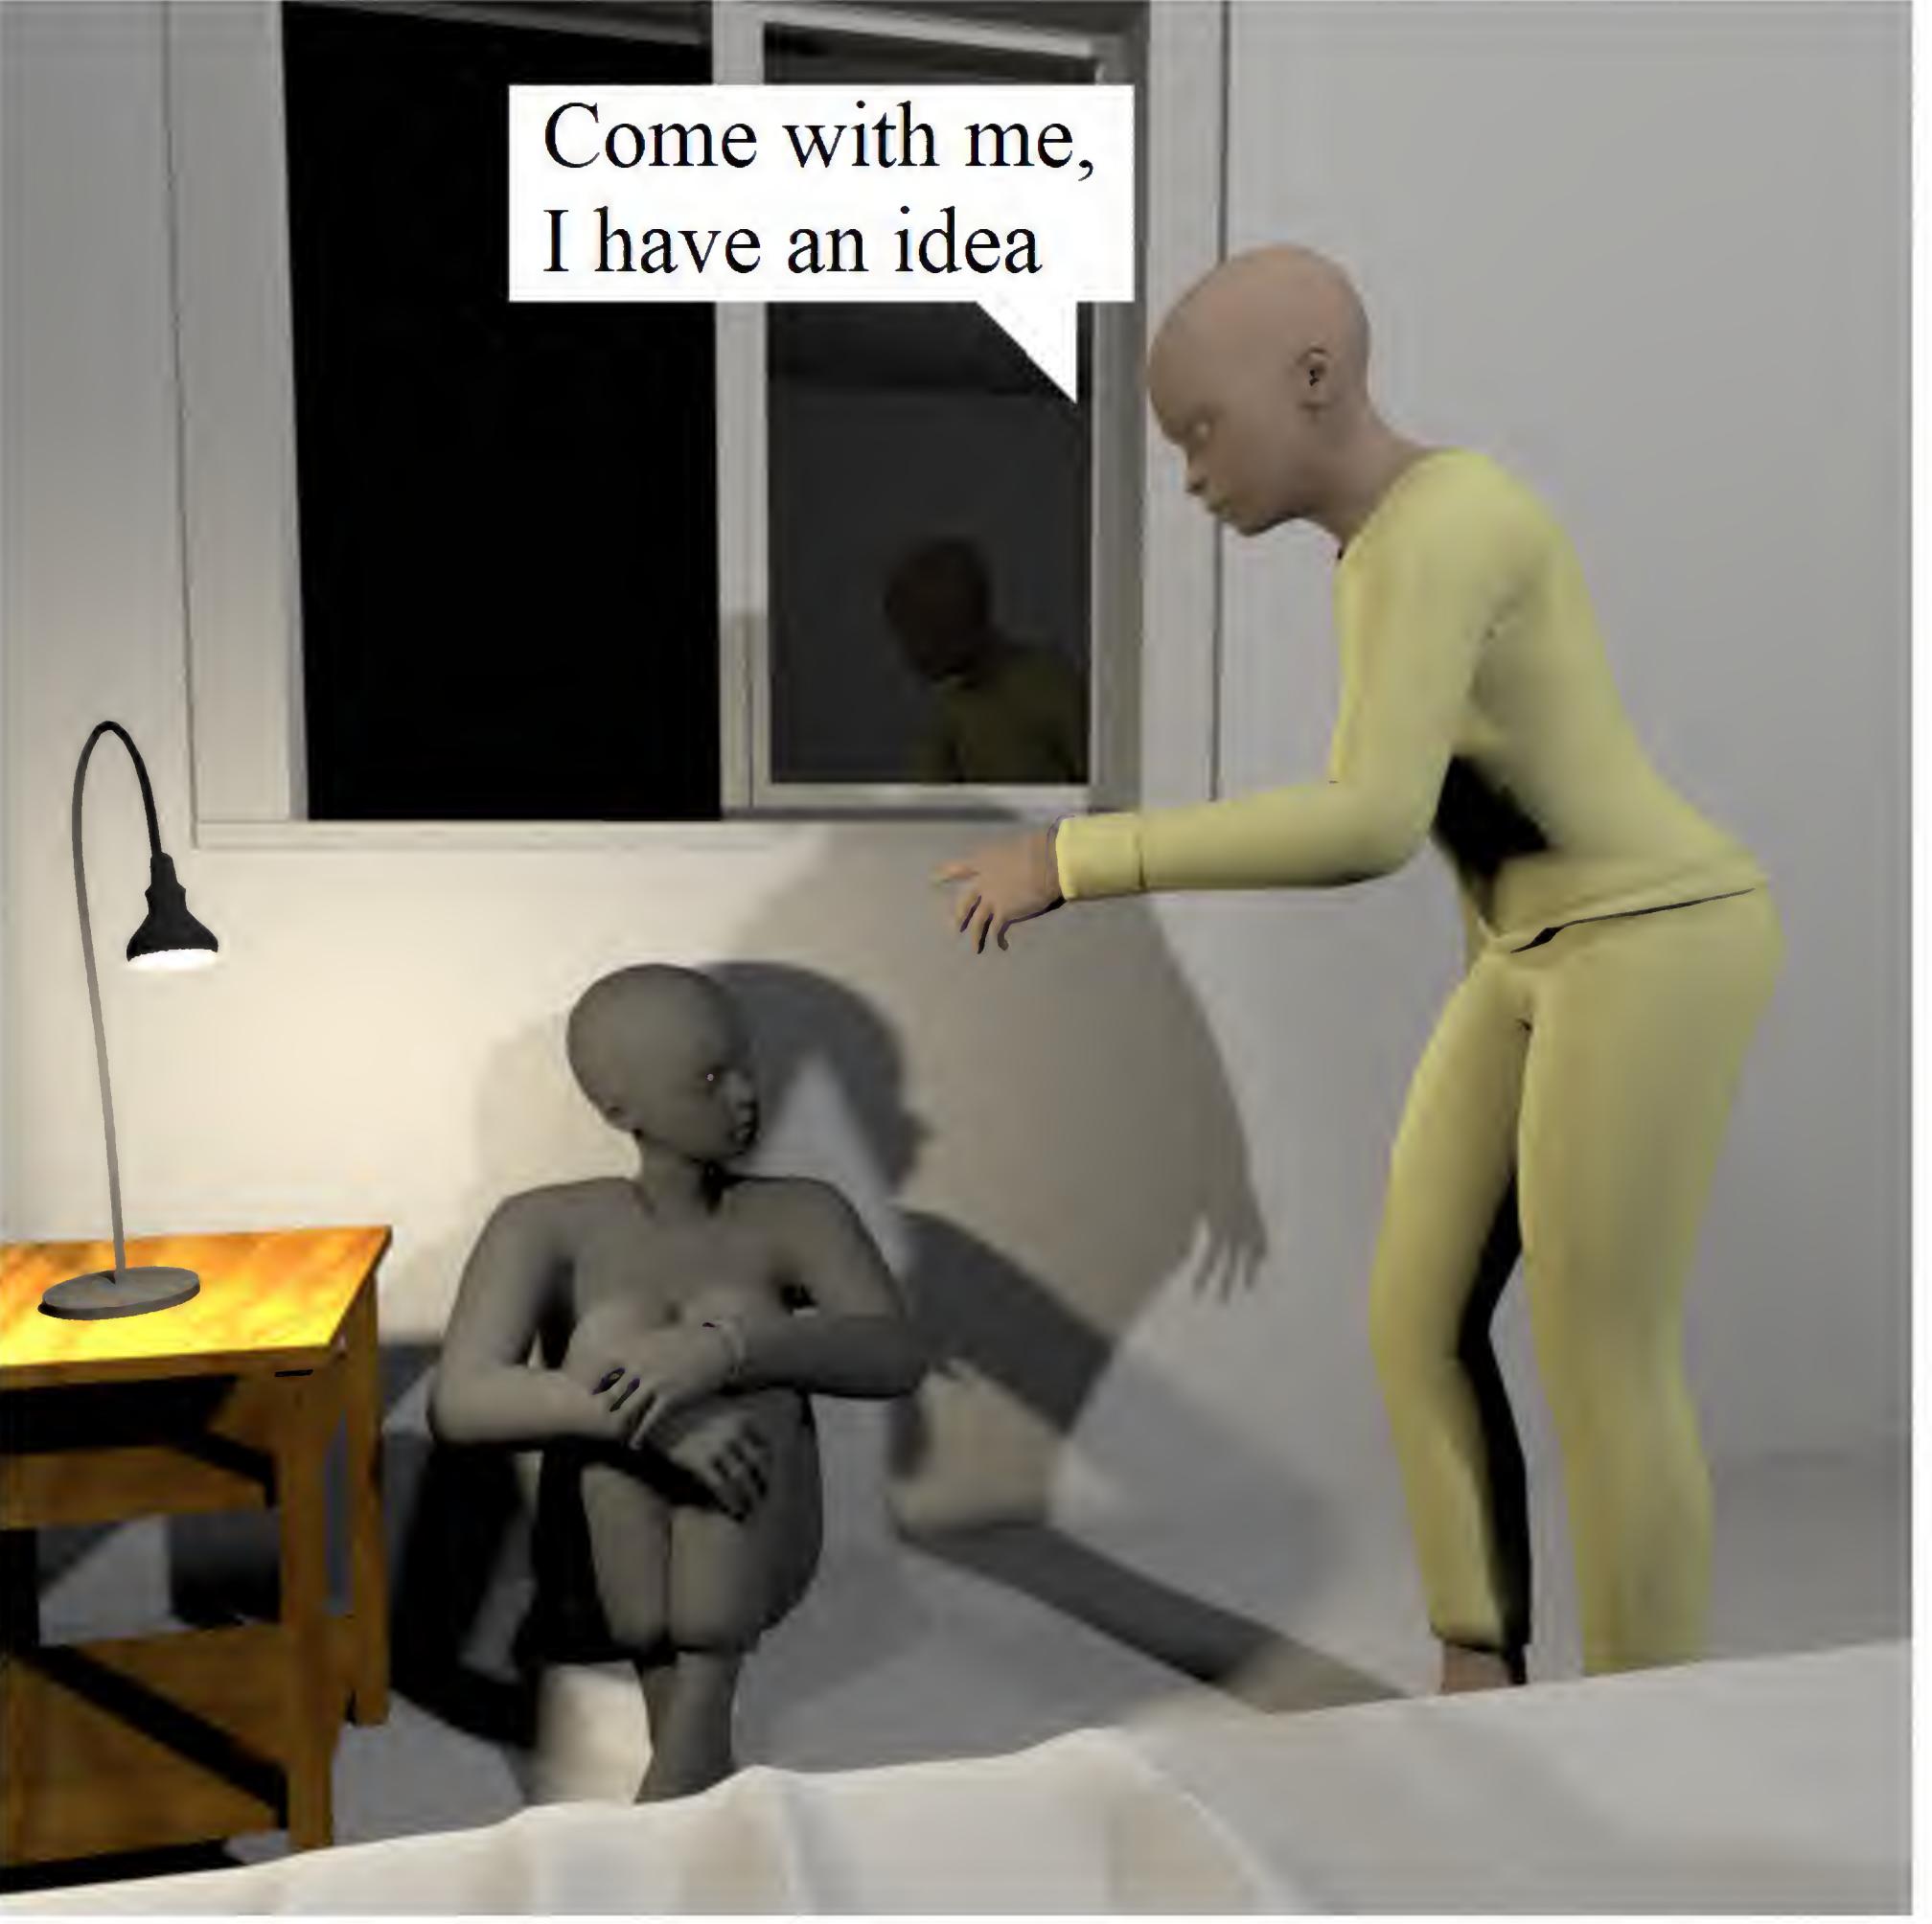

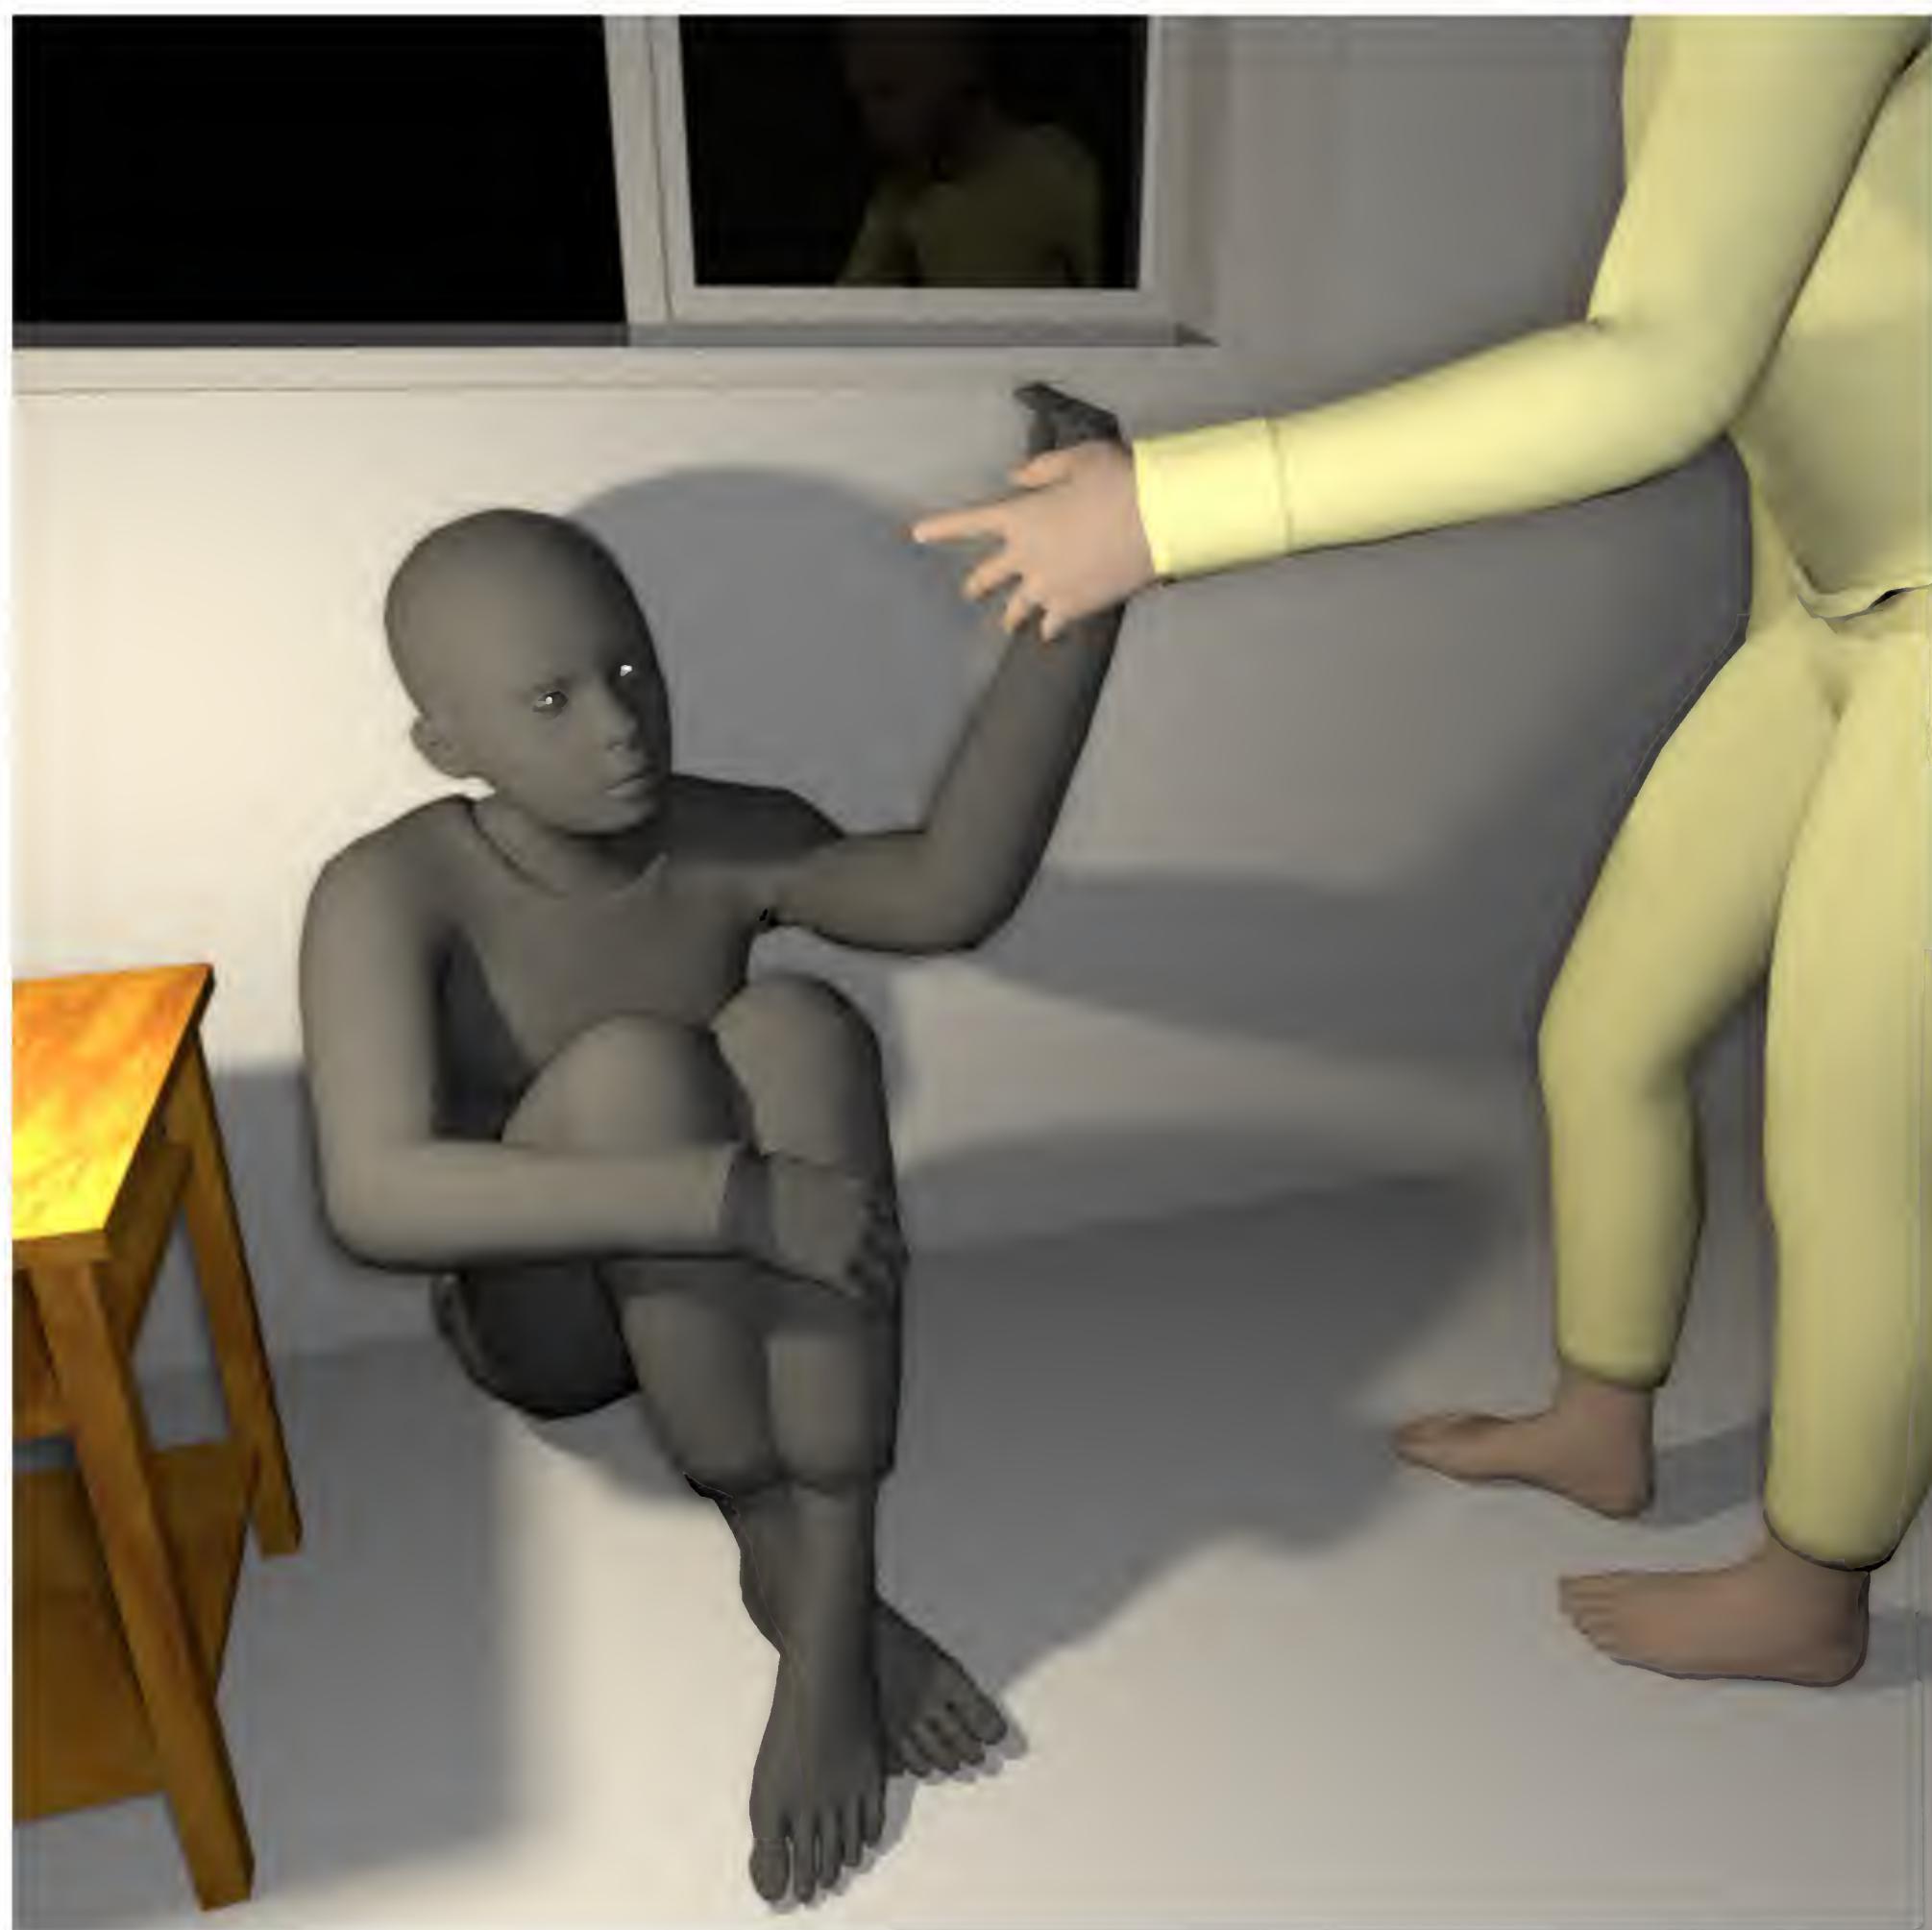

You're still grey  
though...

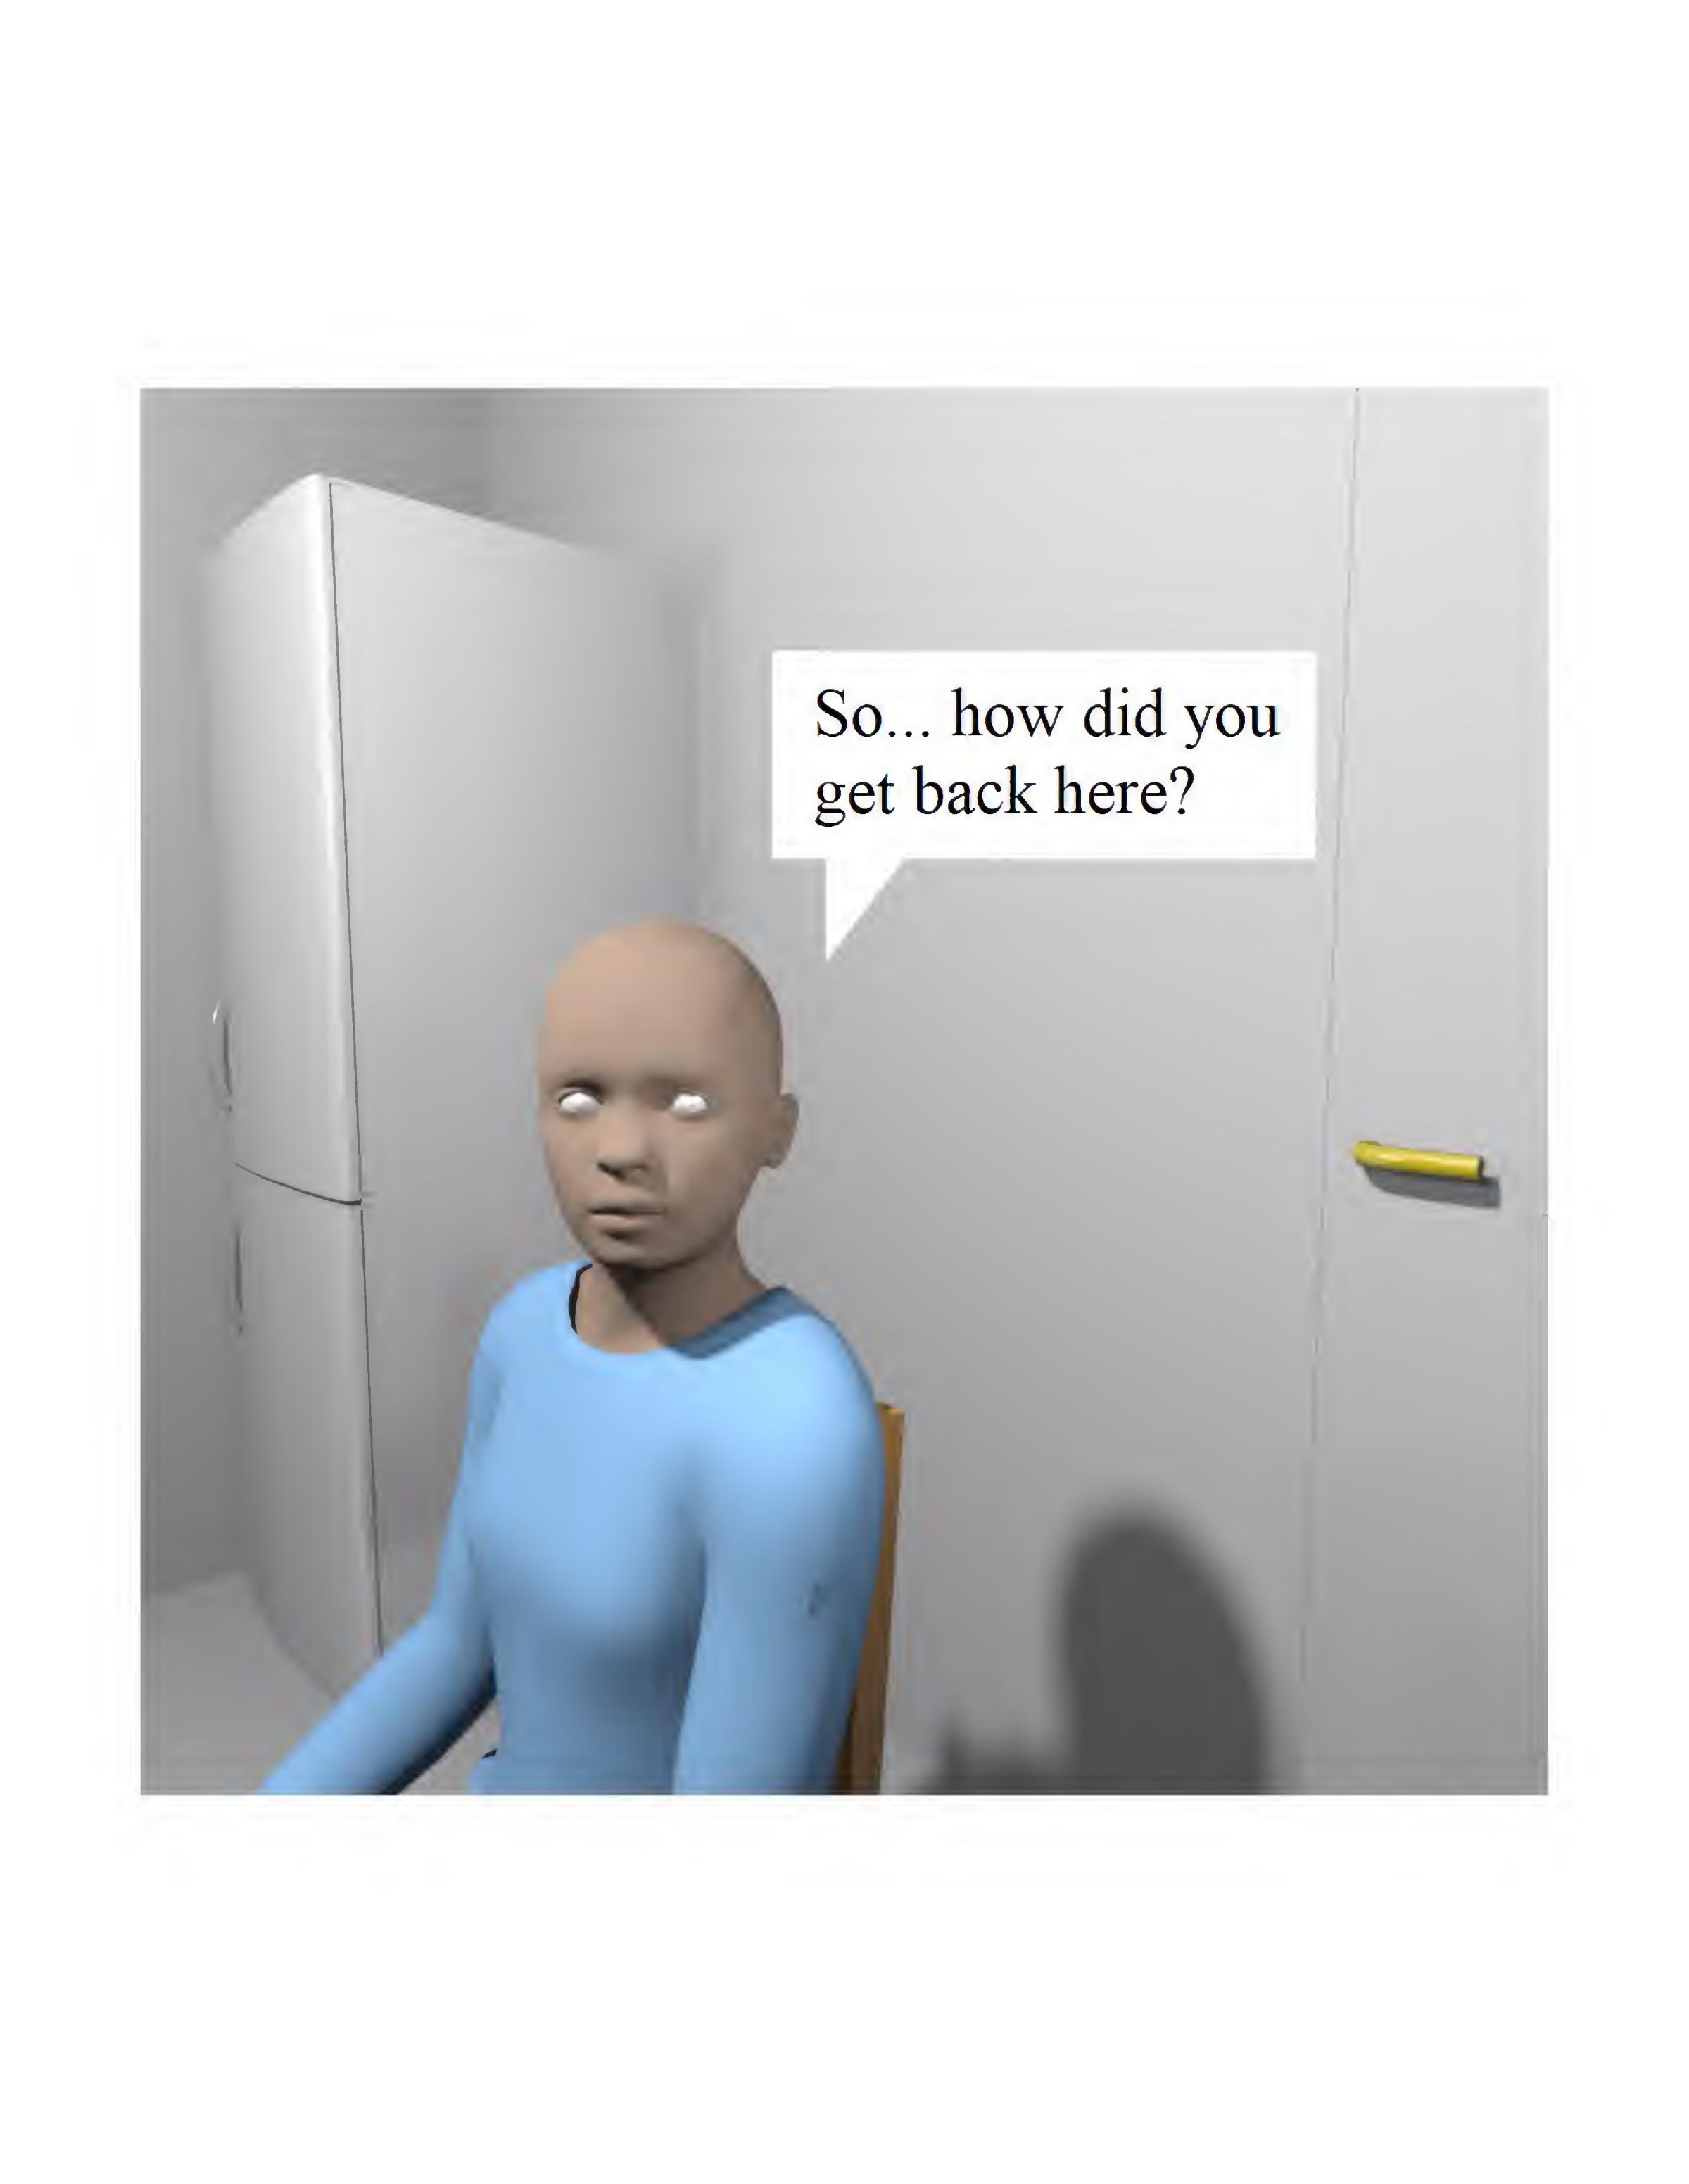

Come with me,  
I have an idea

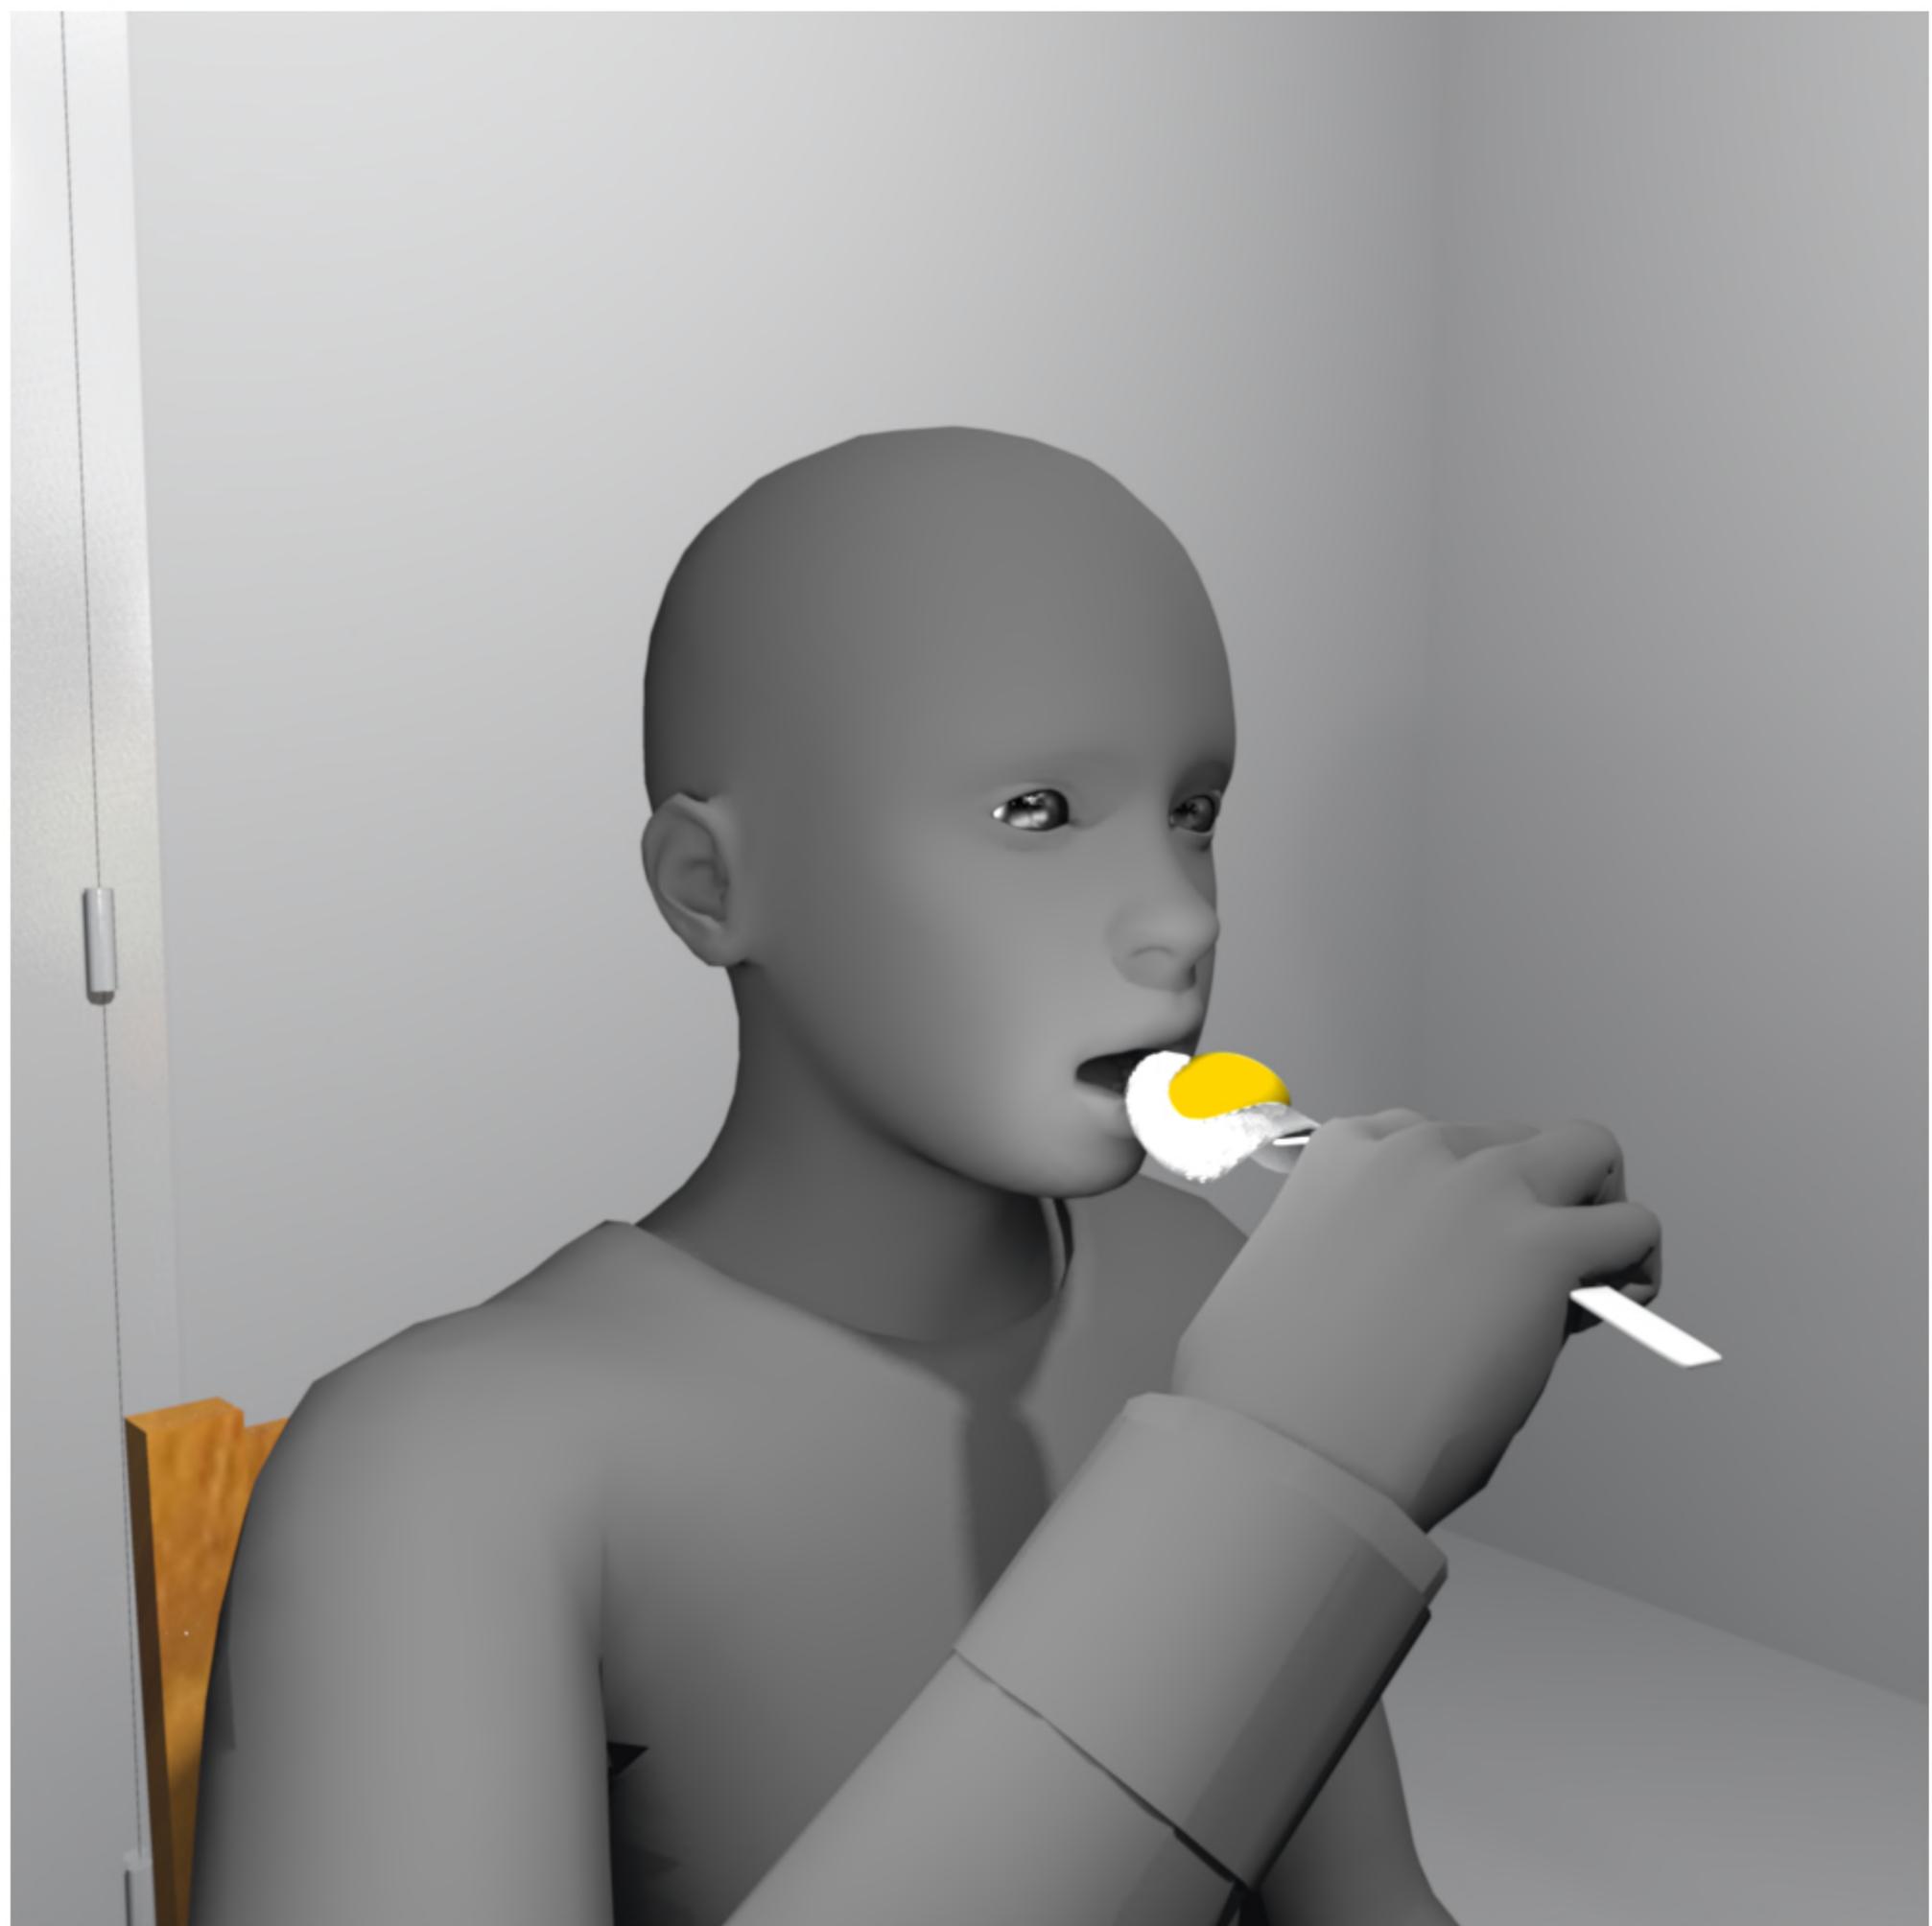

So... how did you  
get back here?

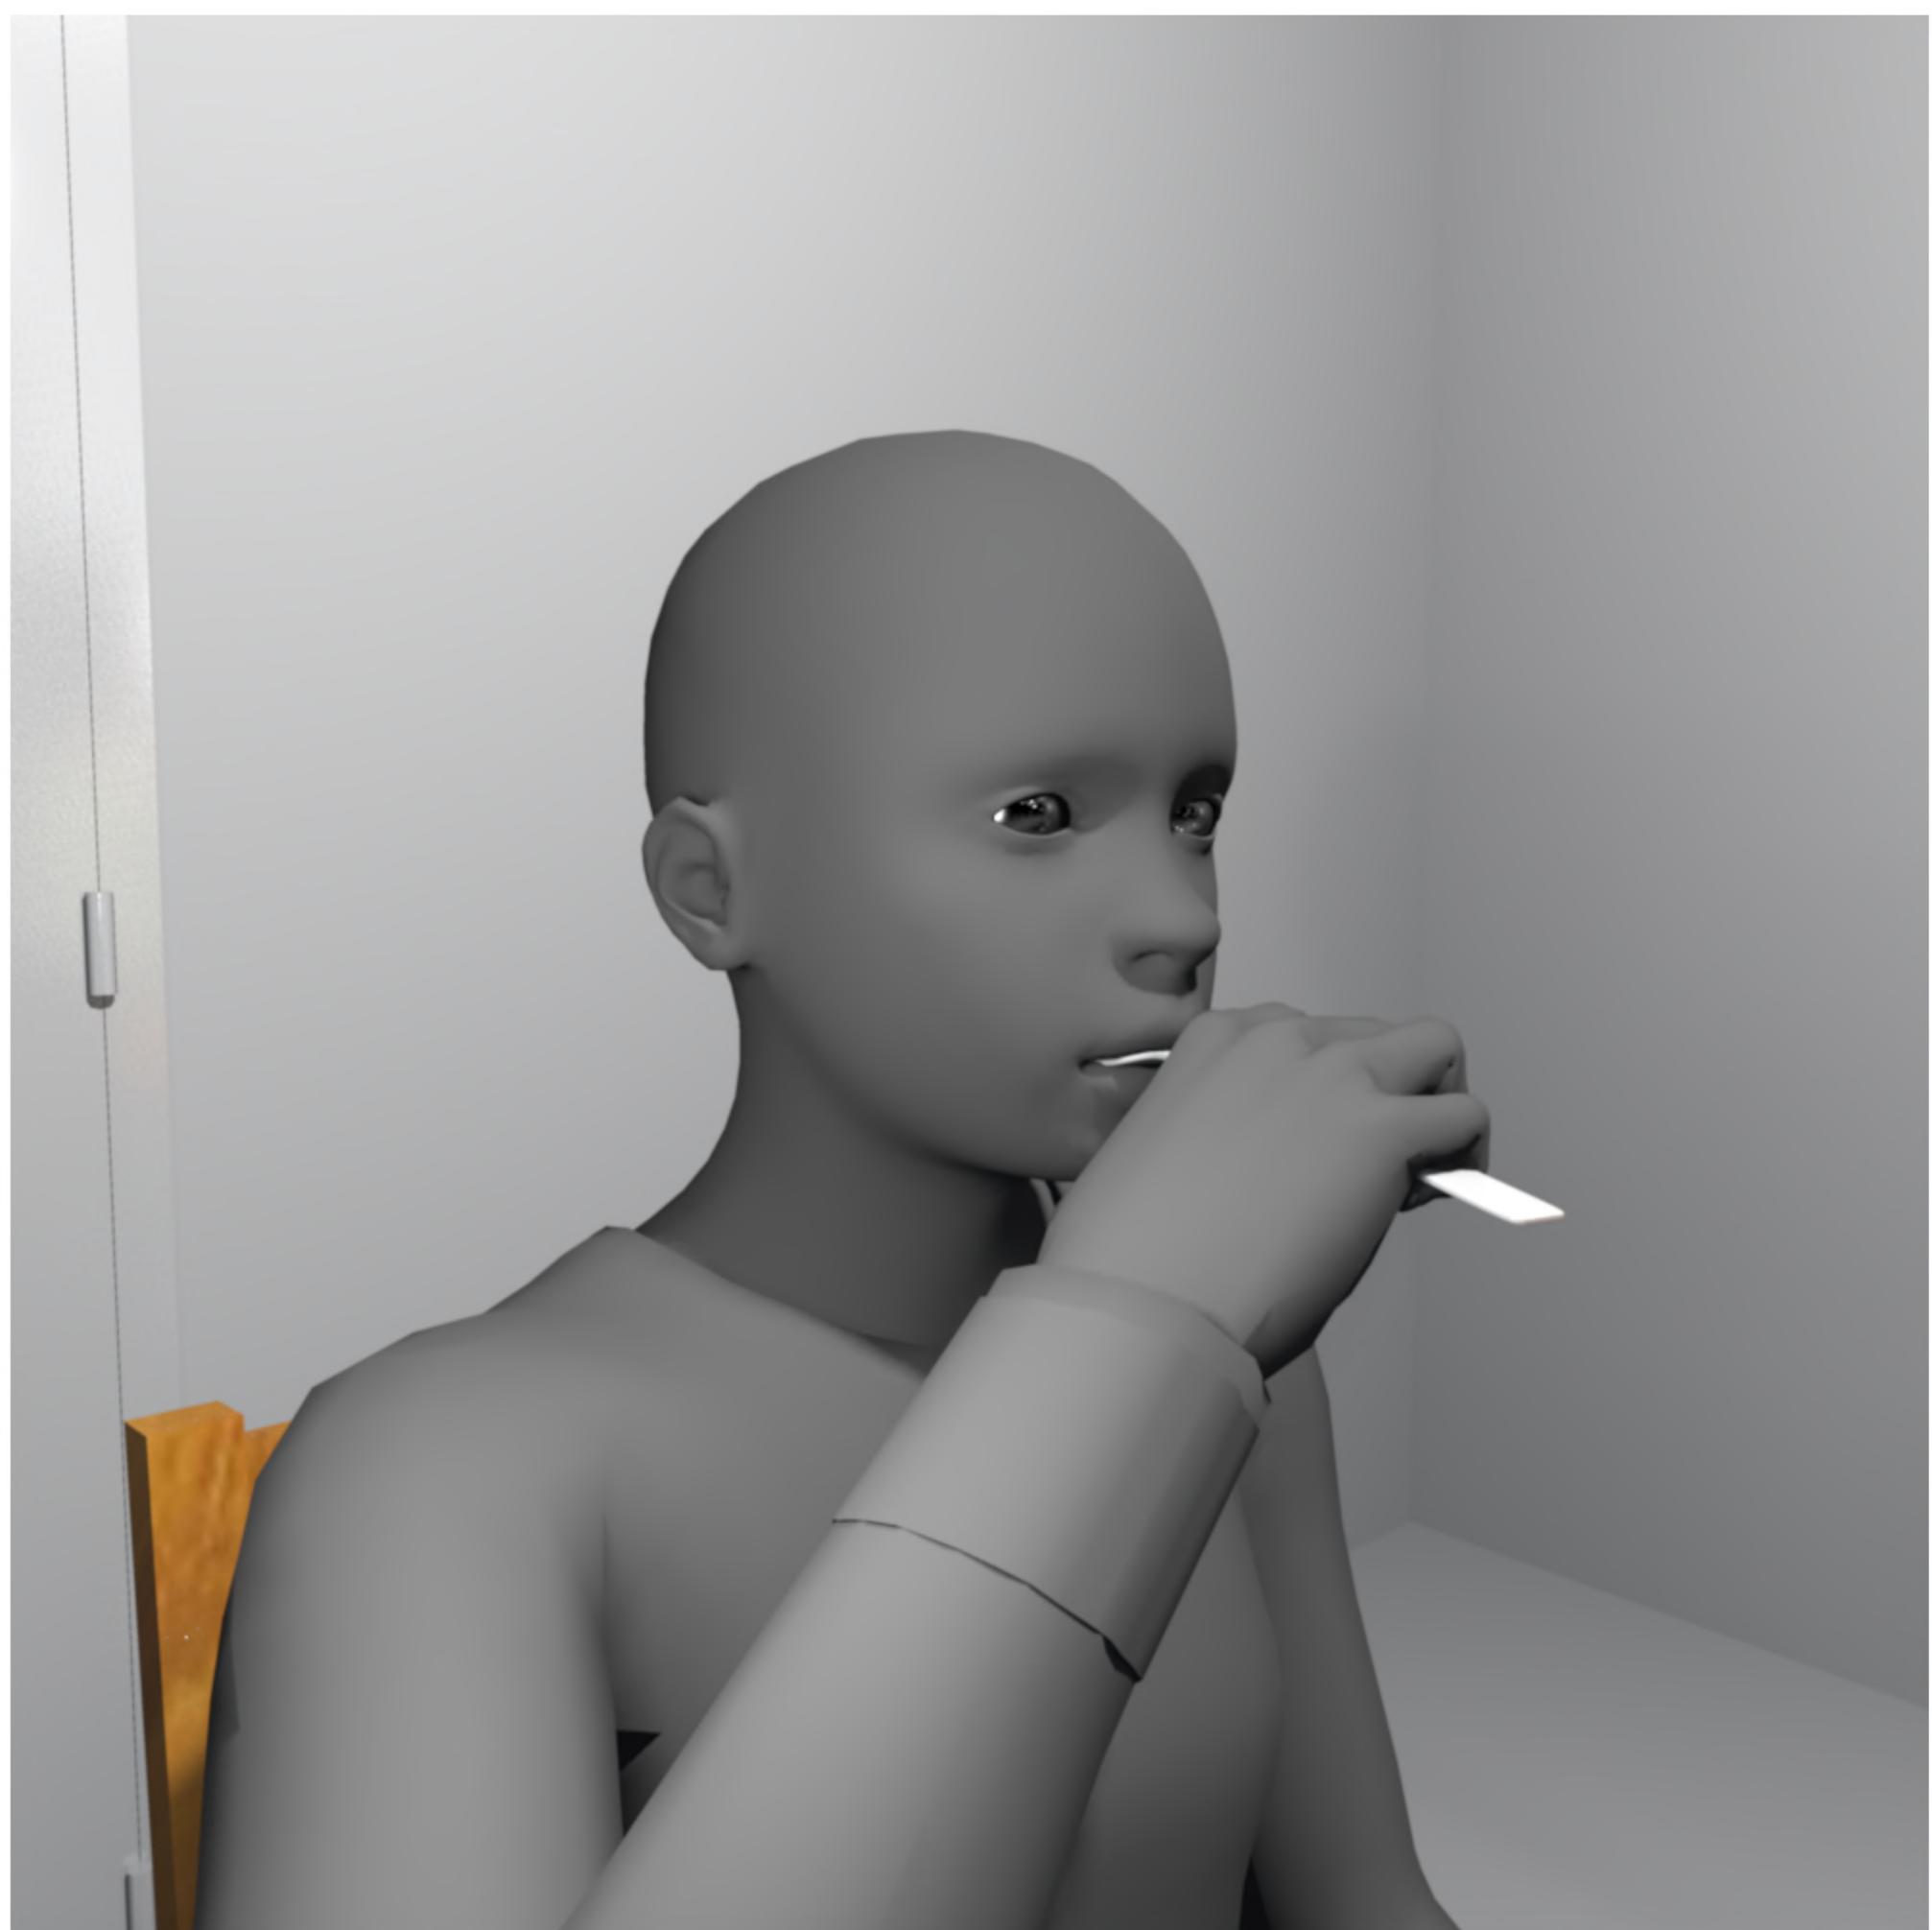

I think she'll be able to speak again  
when she gets her color back

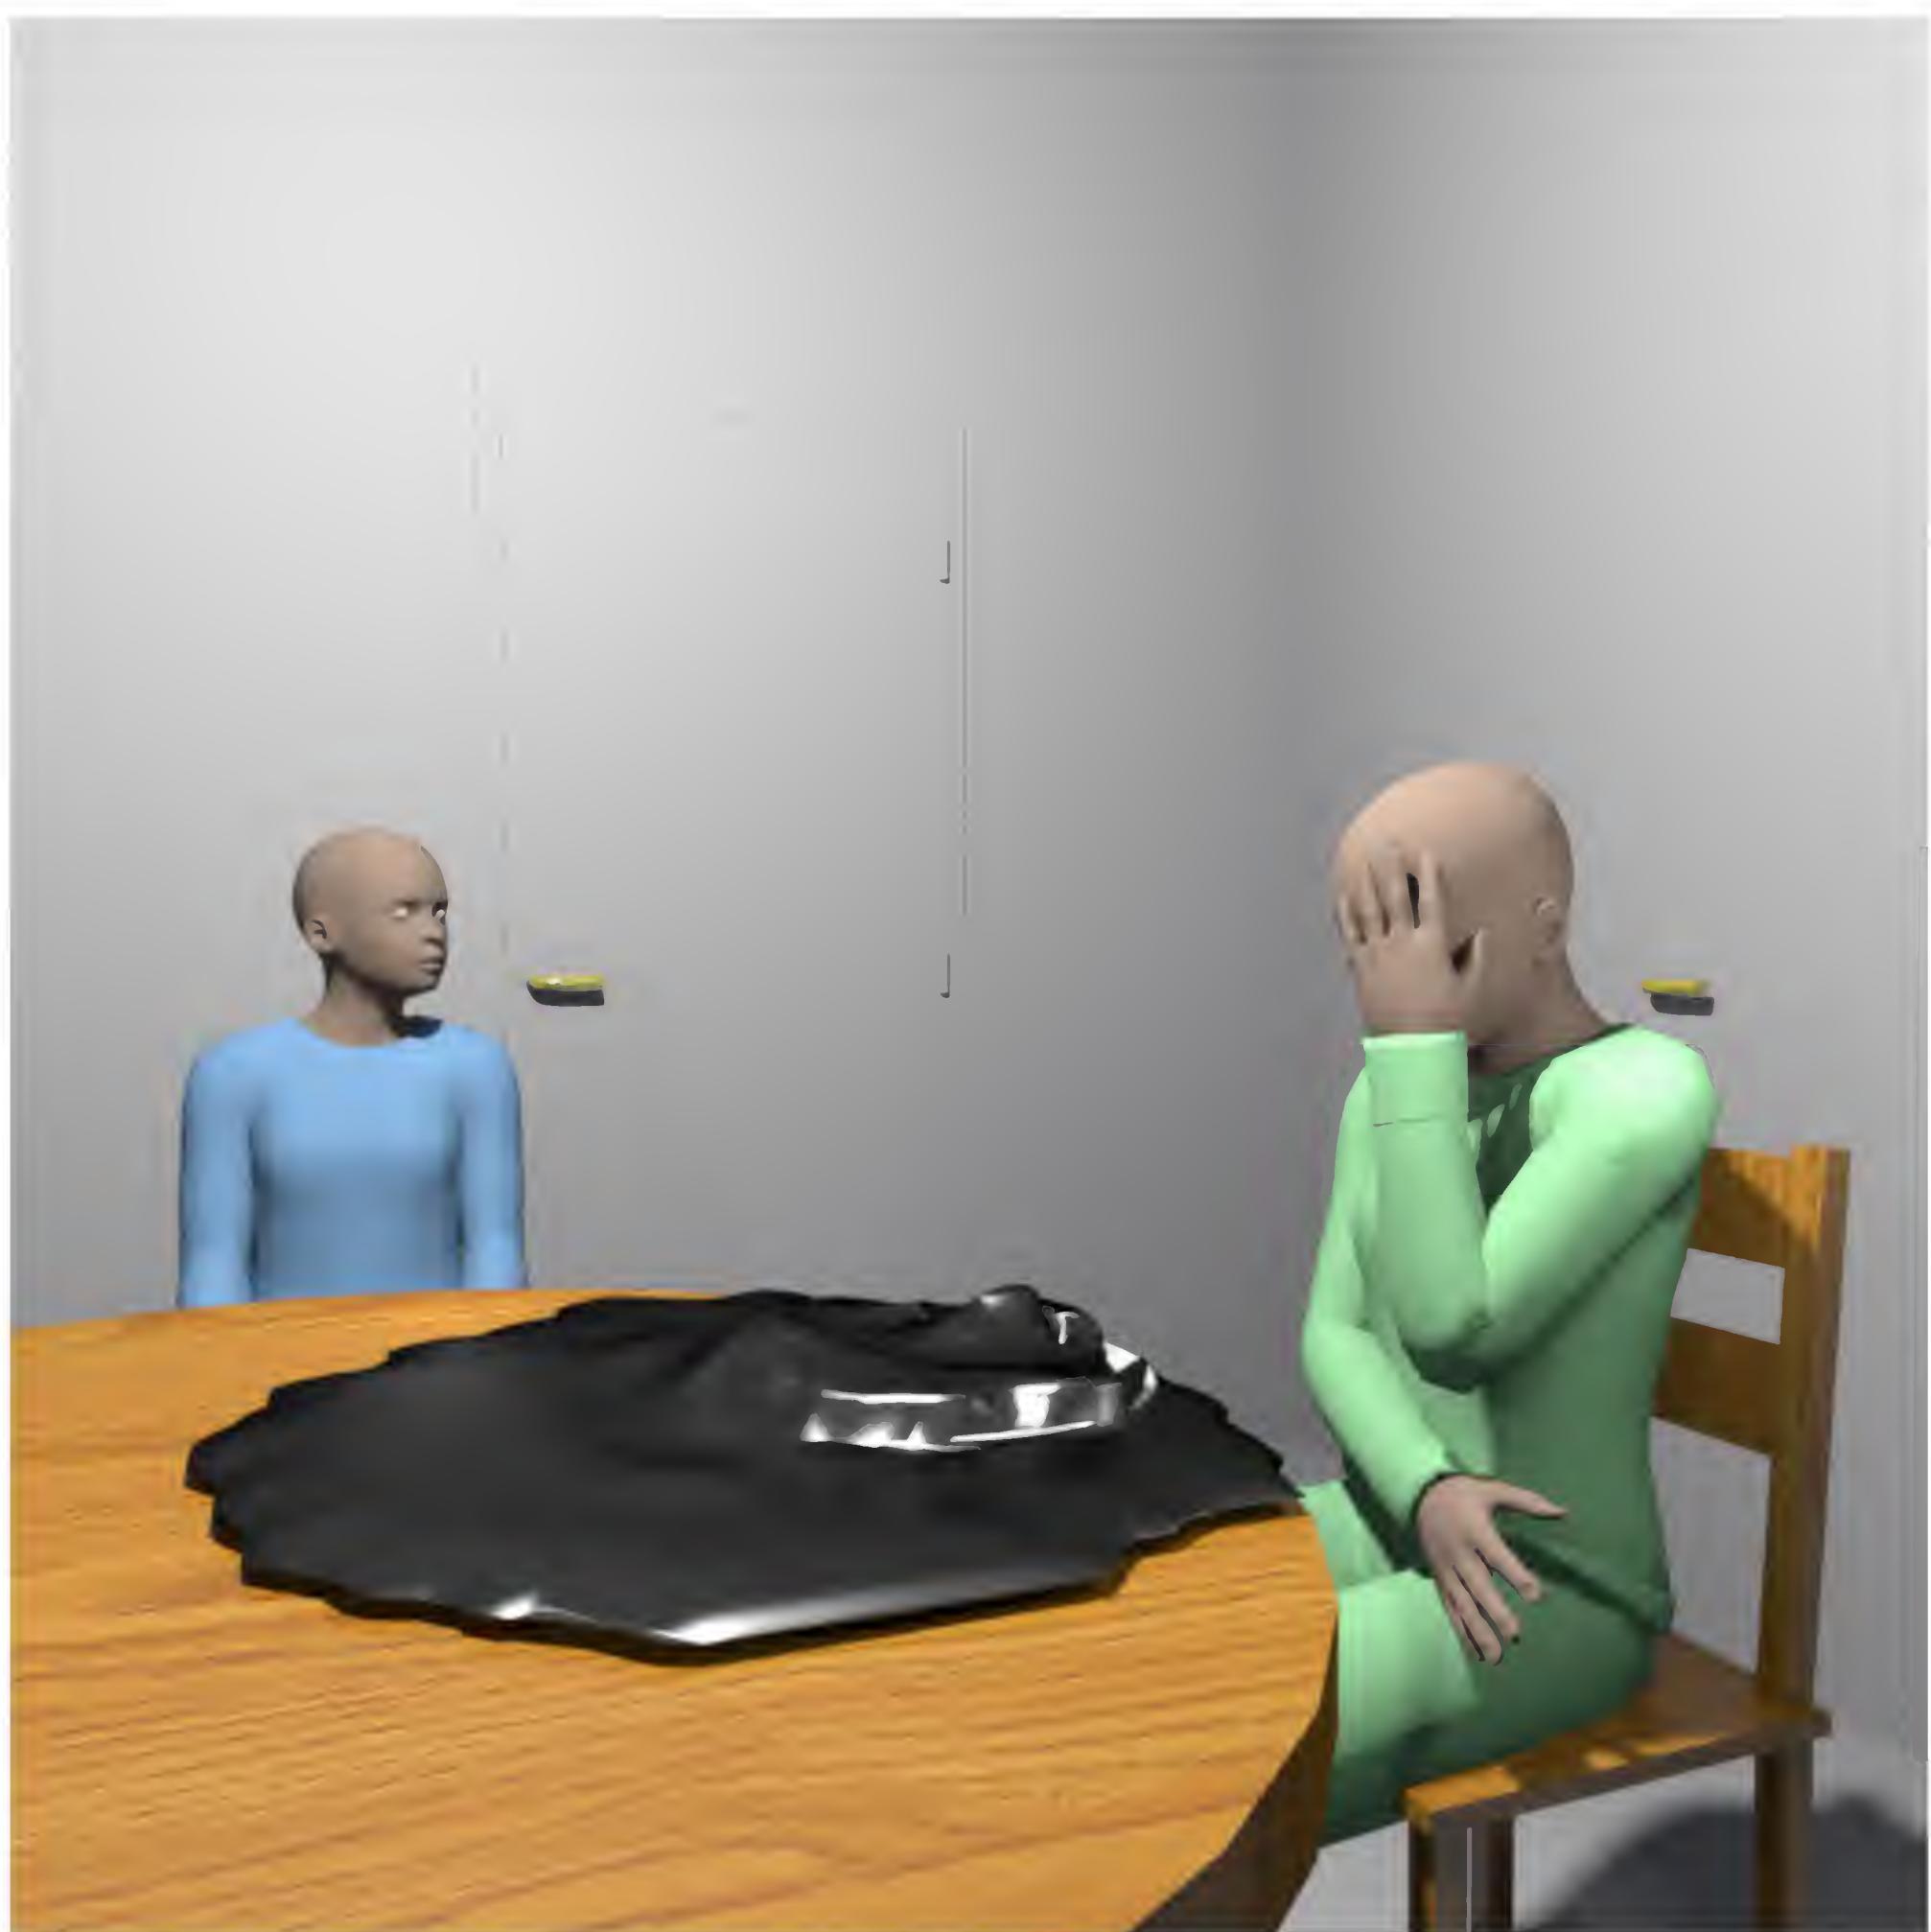

Green? You changed color?

I don't know who you think I am

But I've never met you before

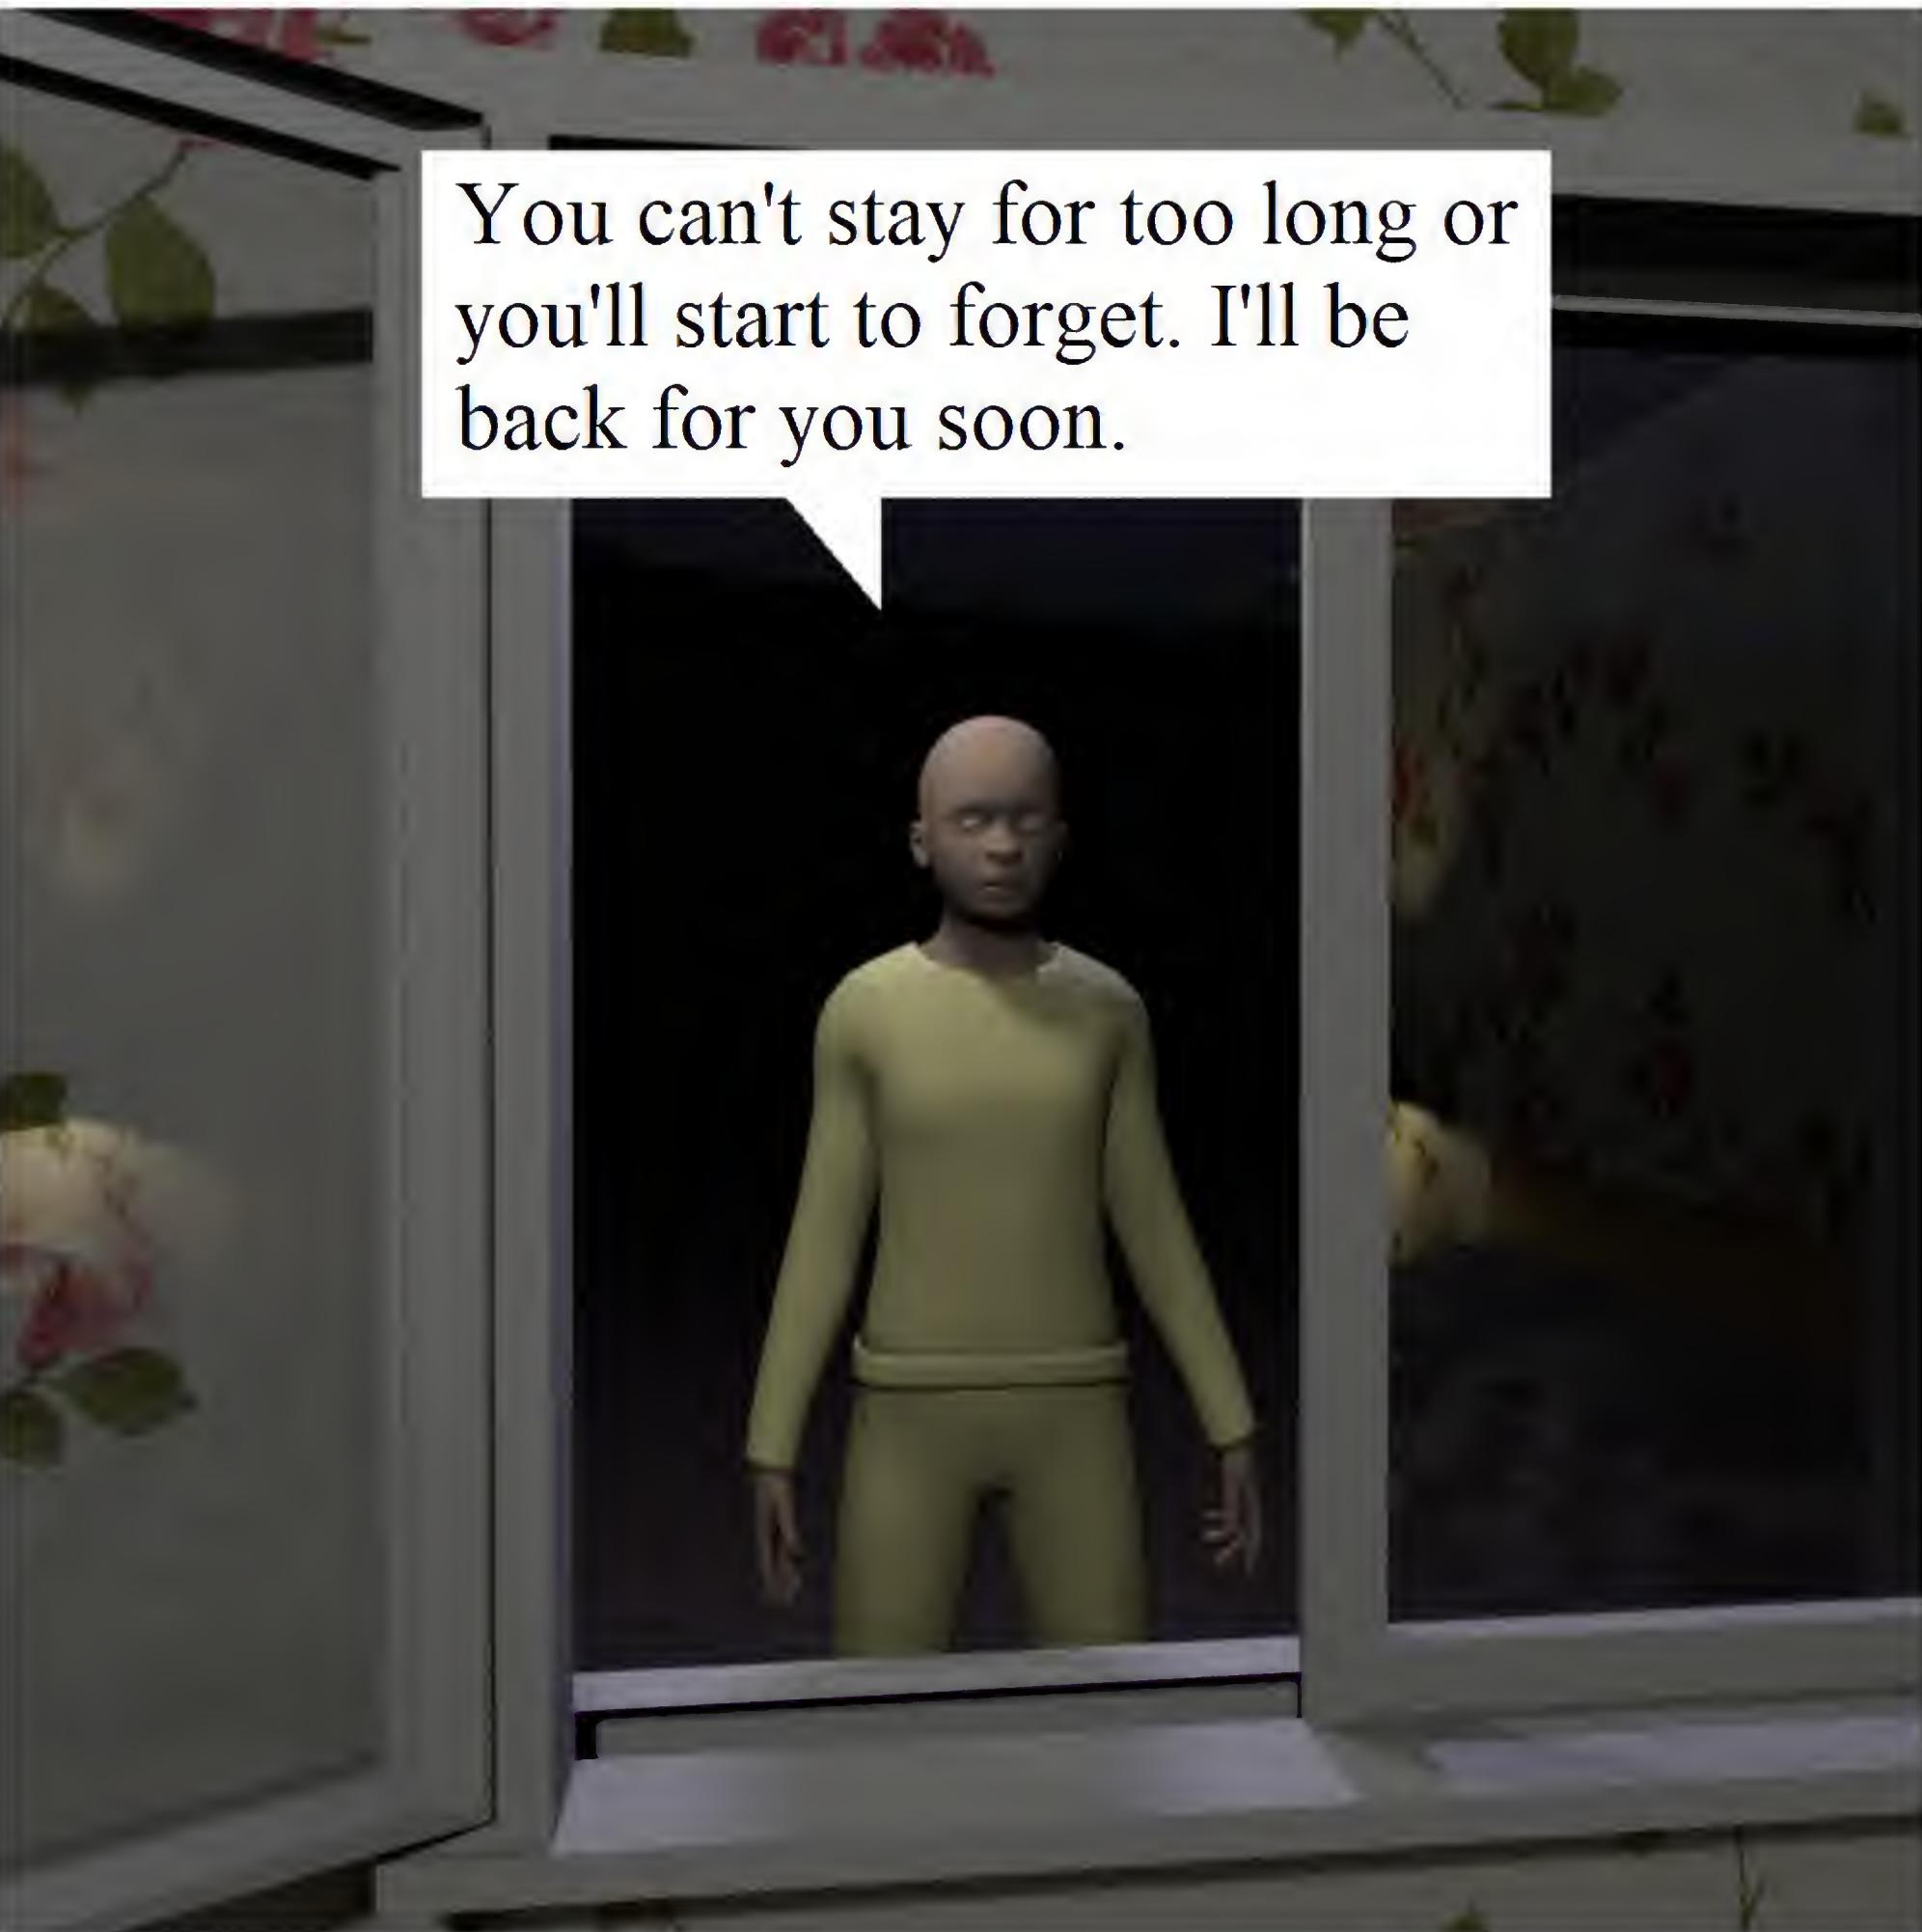

# PART 4

You can't stay for too long or  
you'll start to forget. I'll be  
back for you soon.

Ok

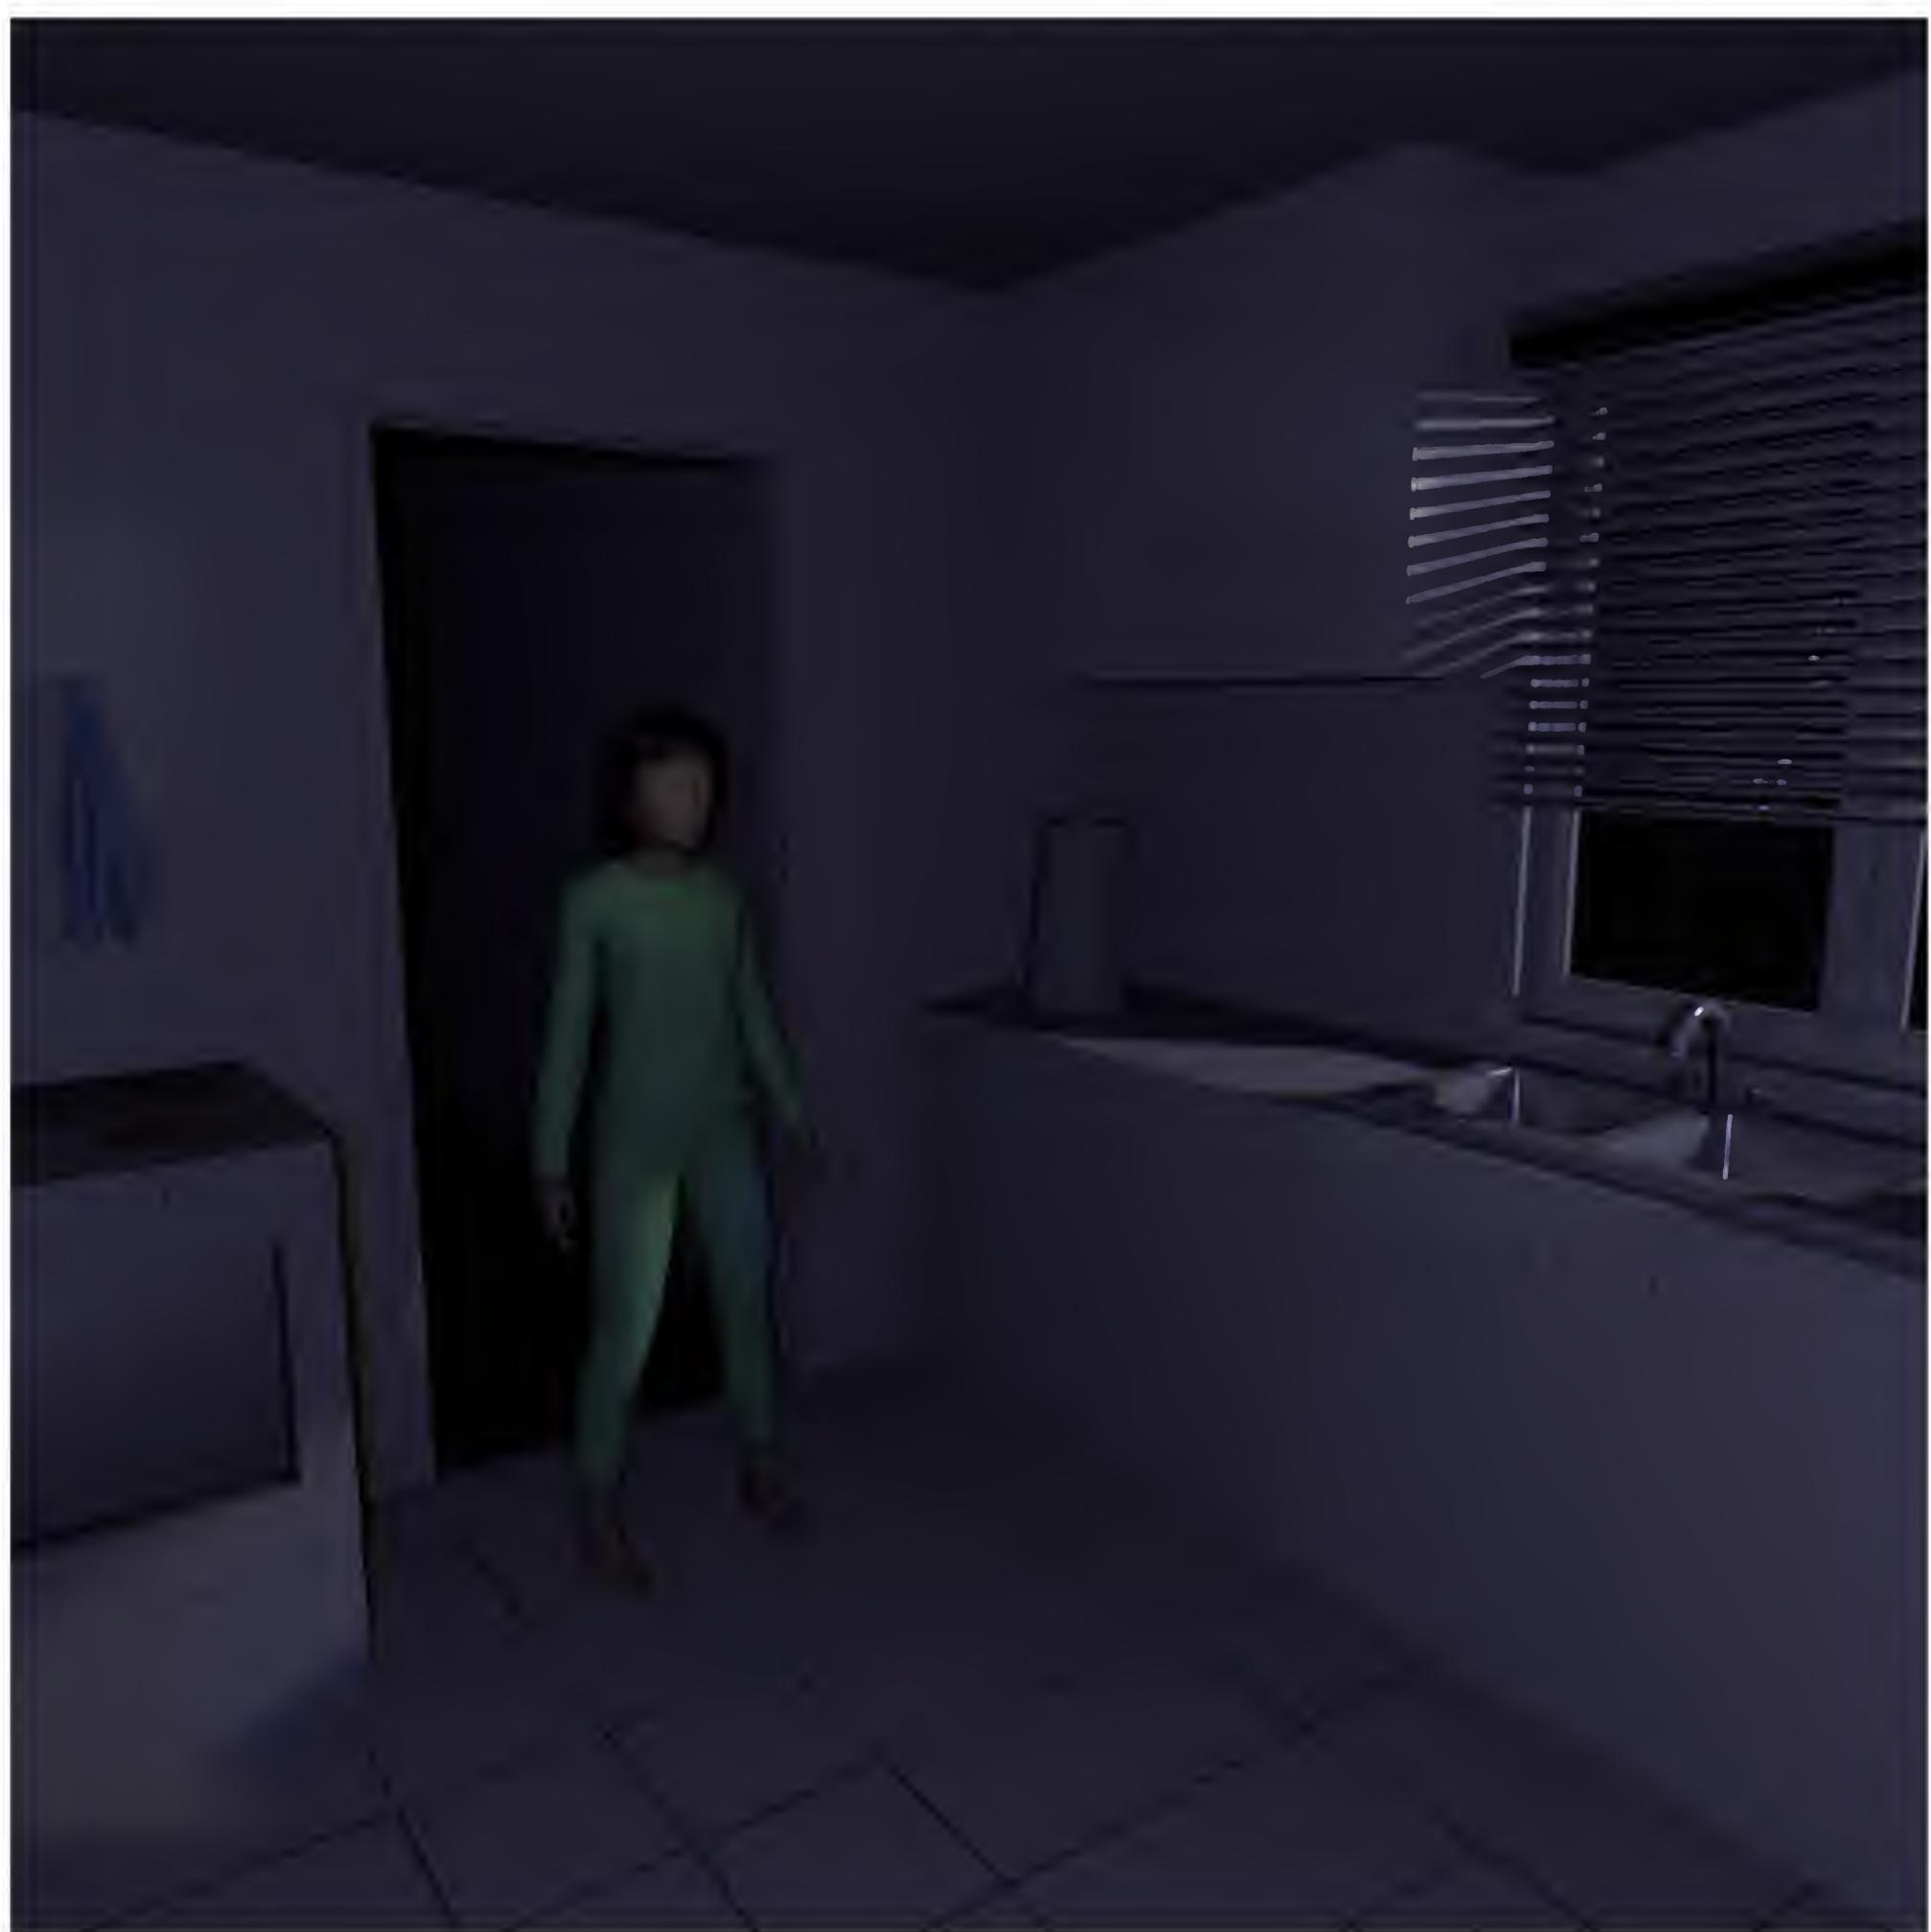

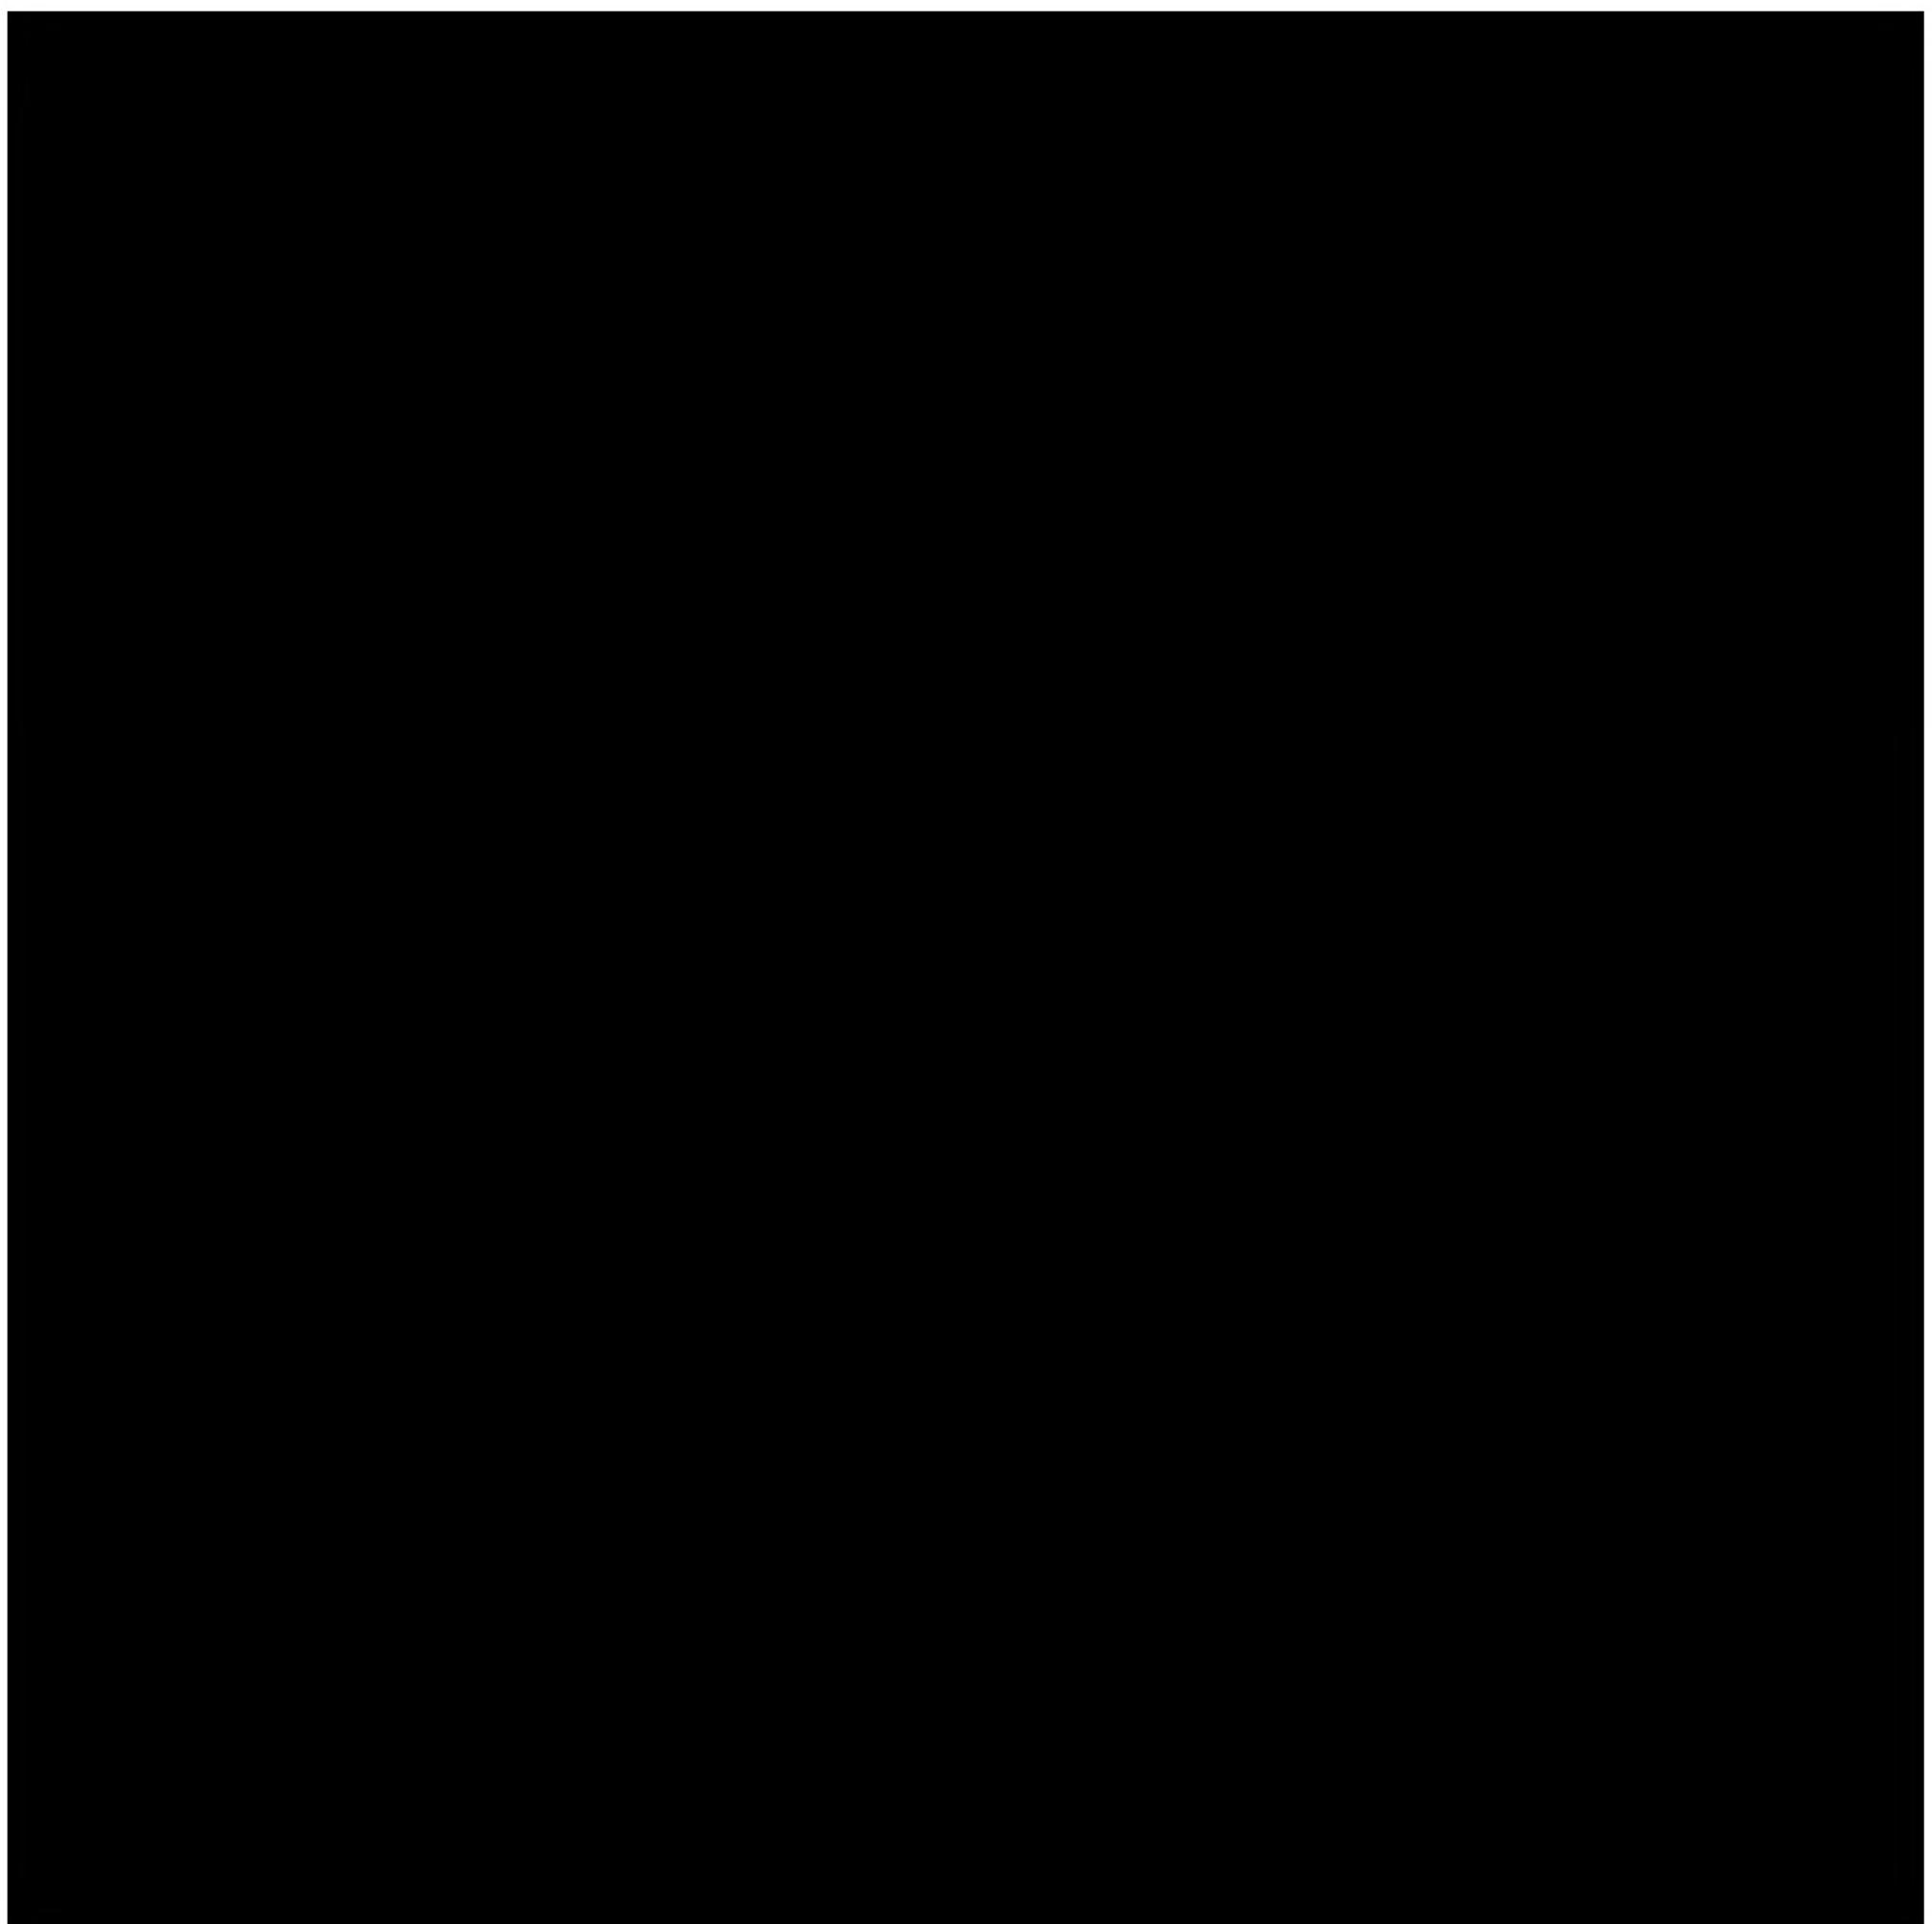

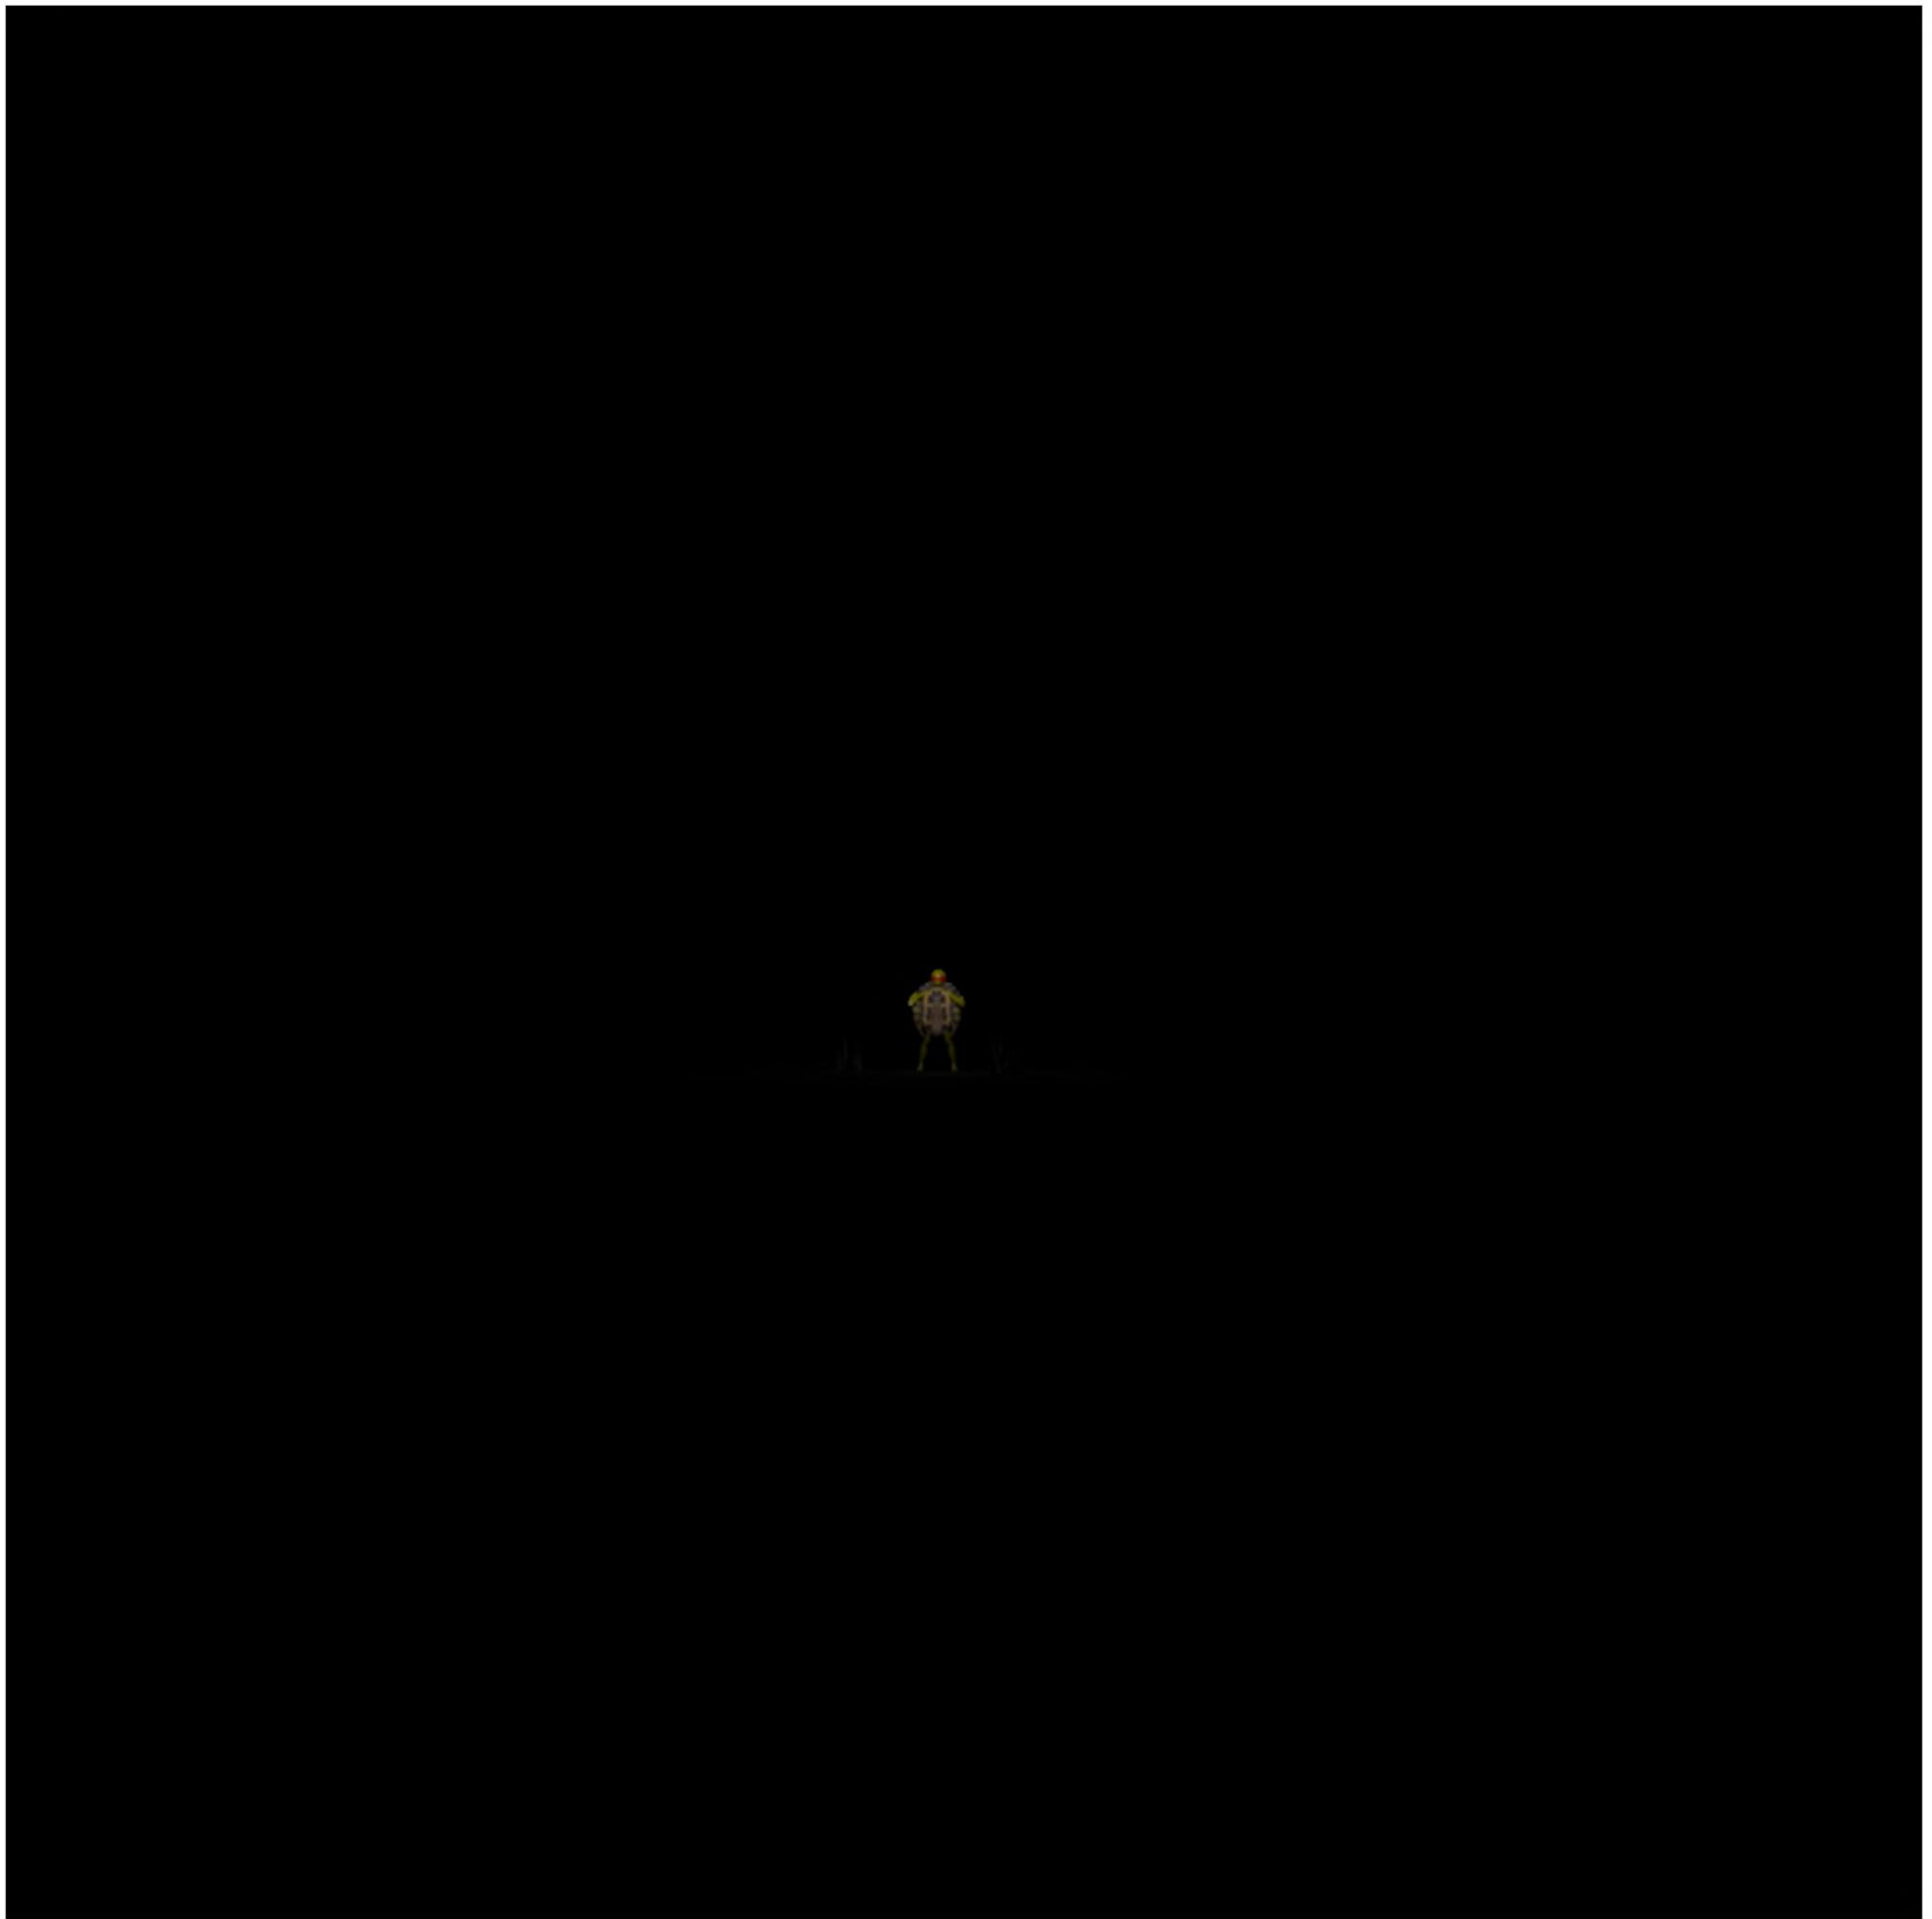

You look different

Forgetting has many layers.  
Which are you on?

Who cares?

I want to show you something

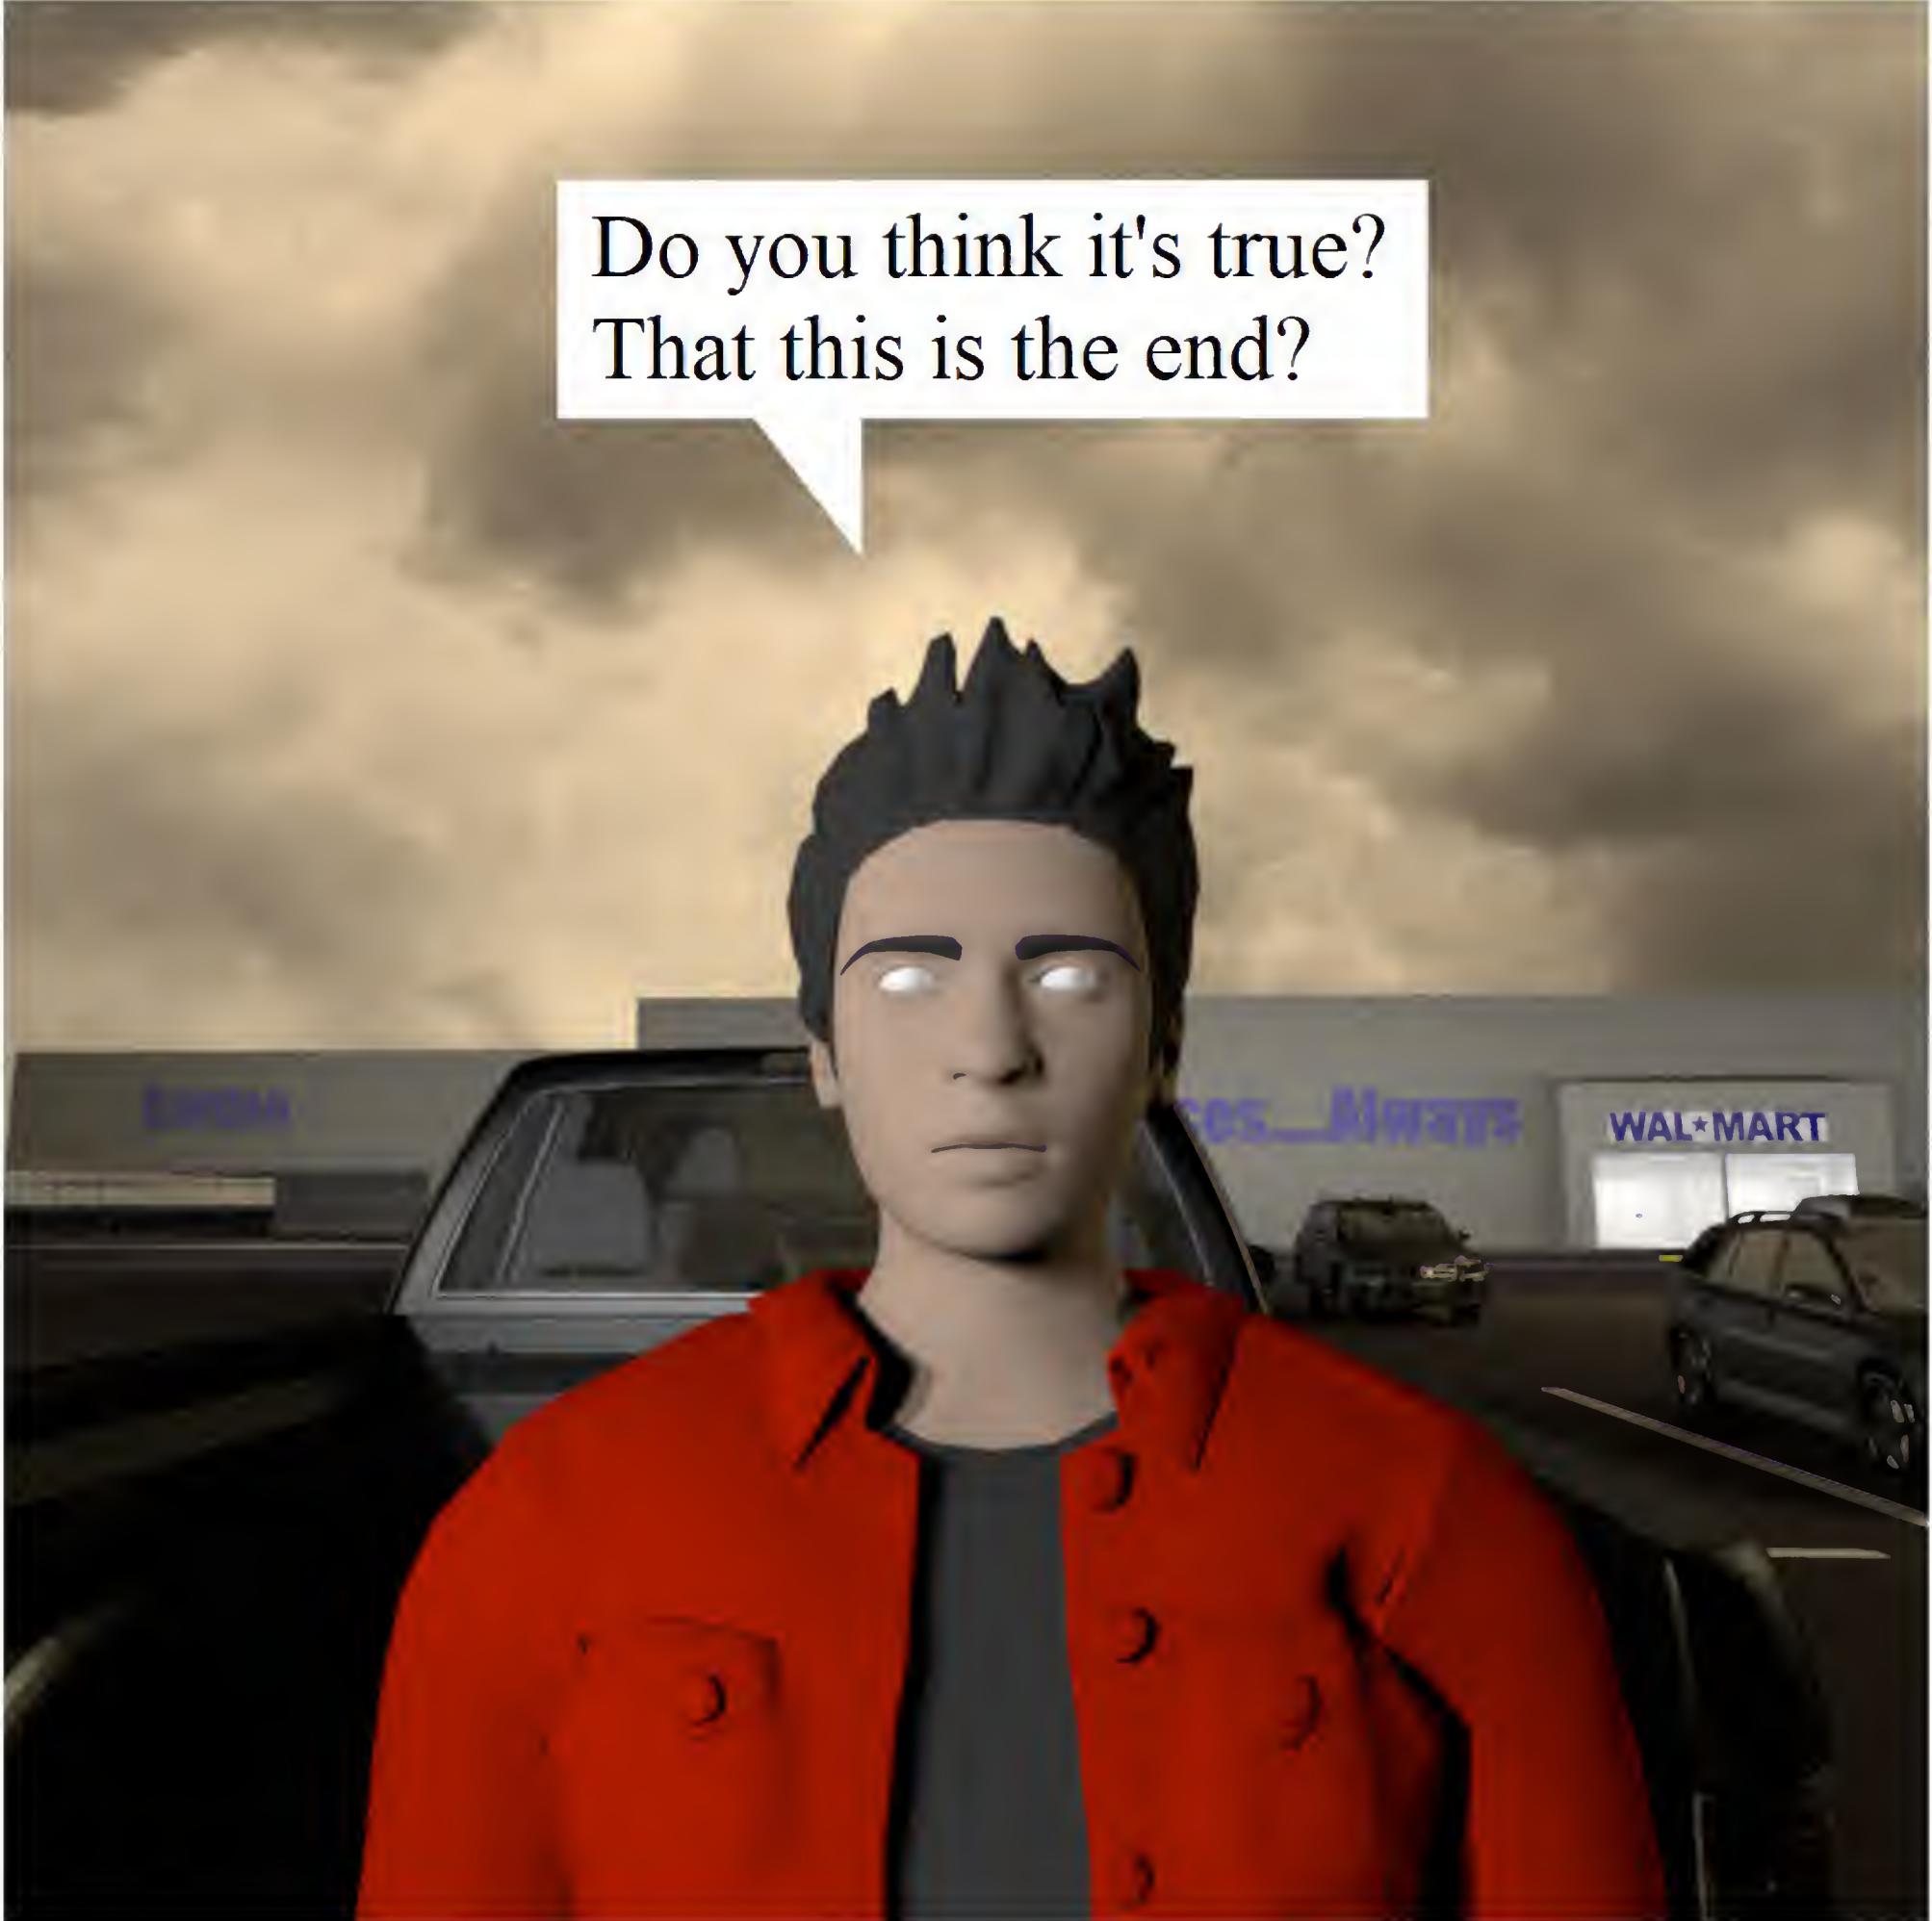

Look closer

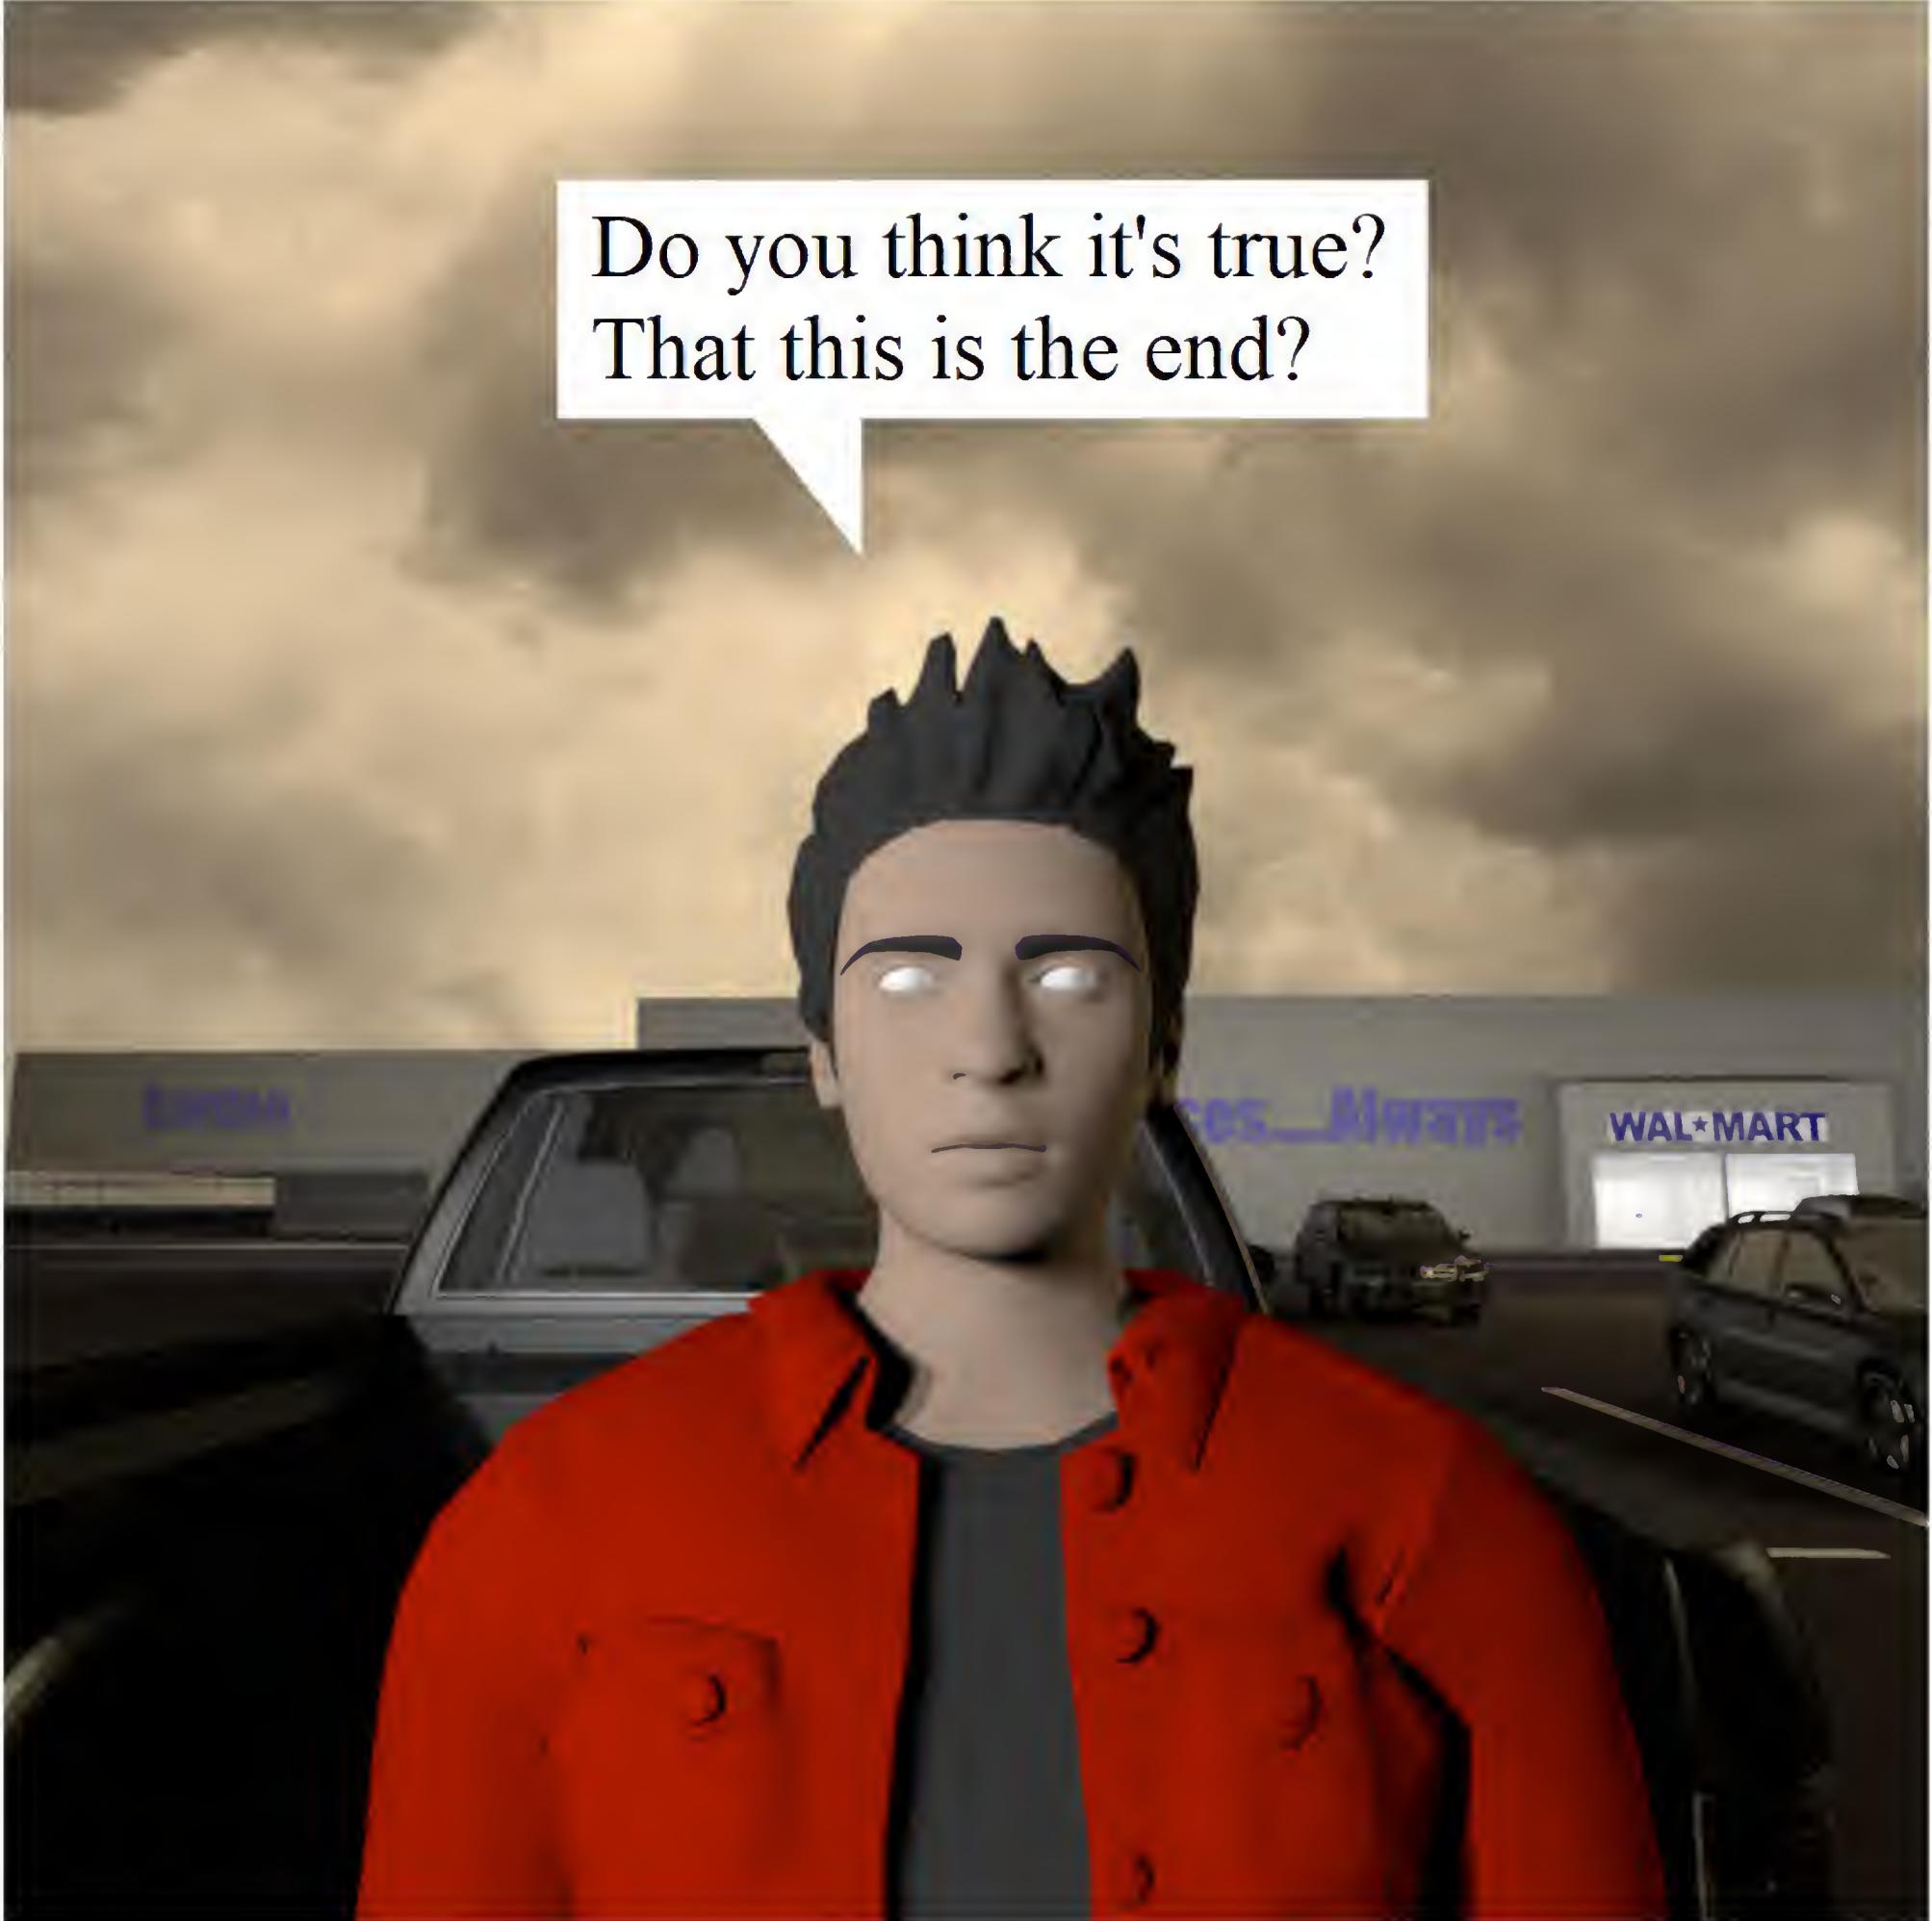

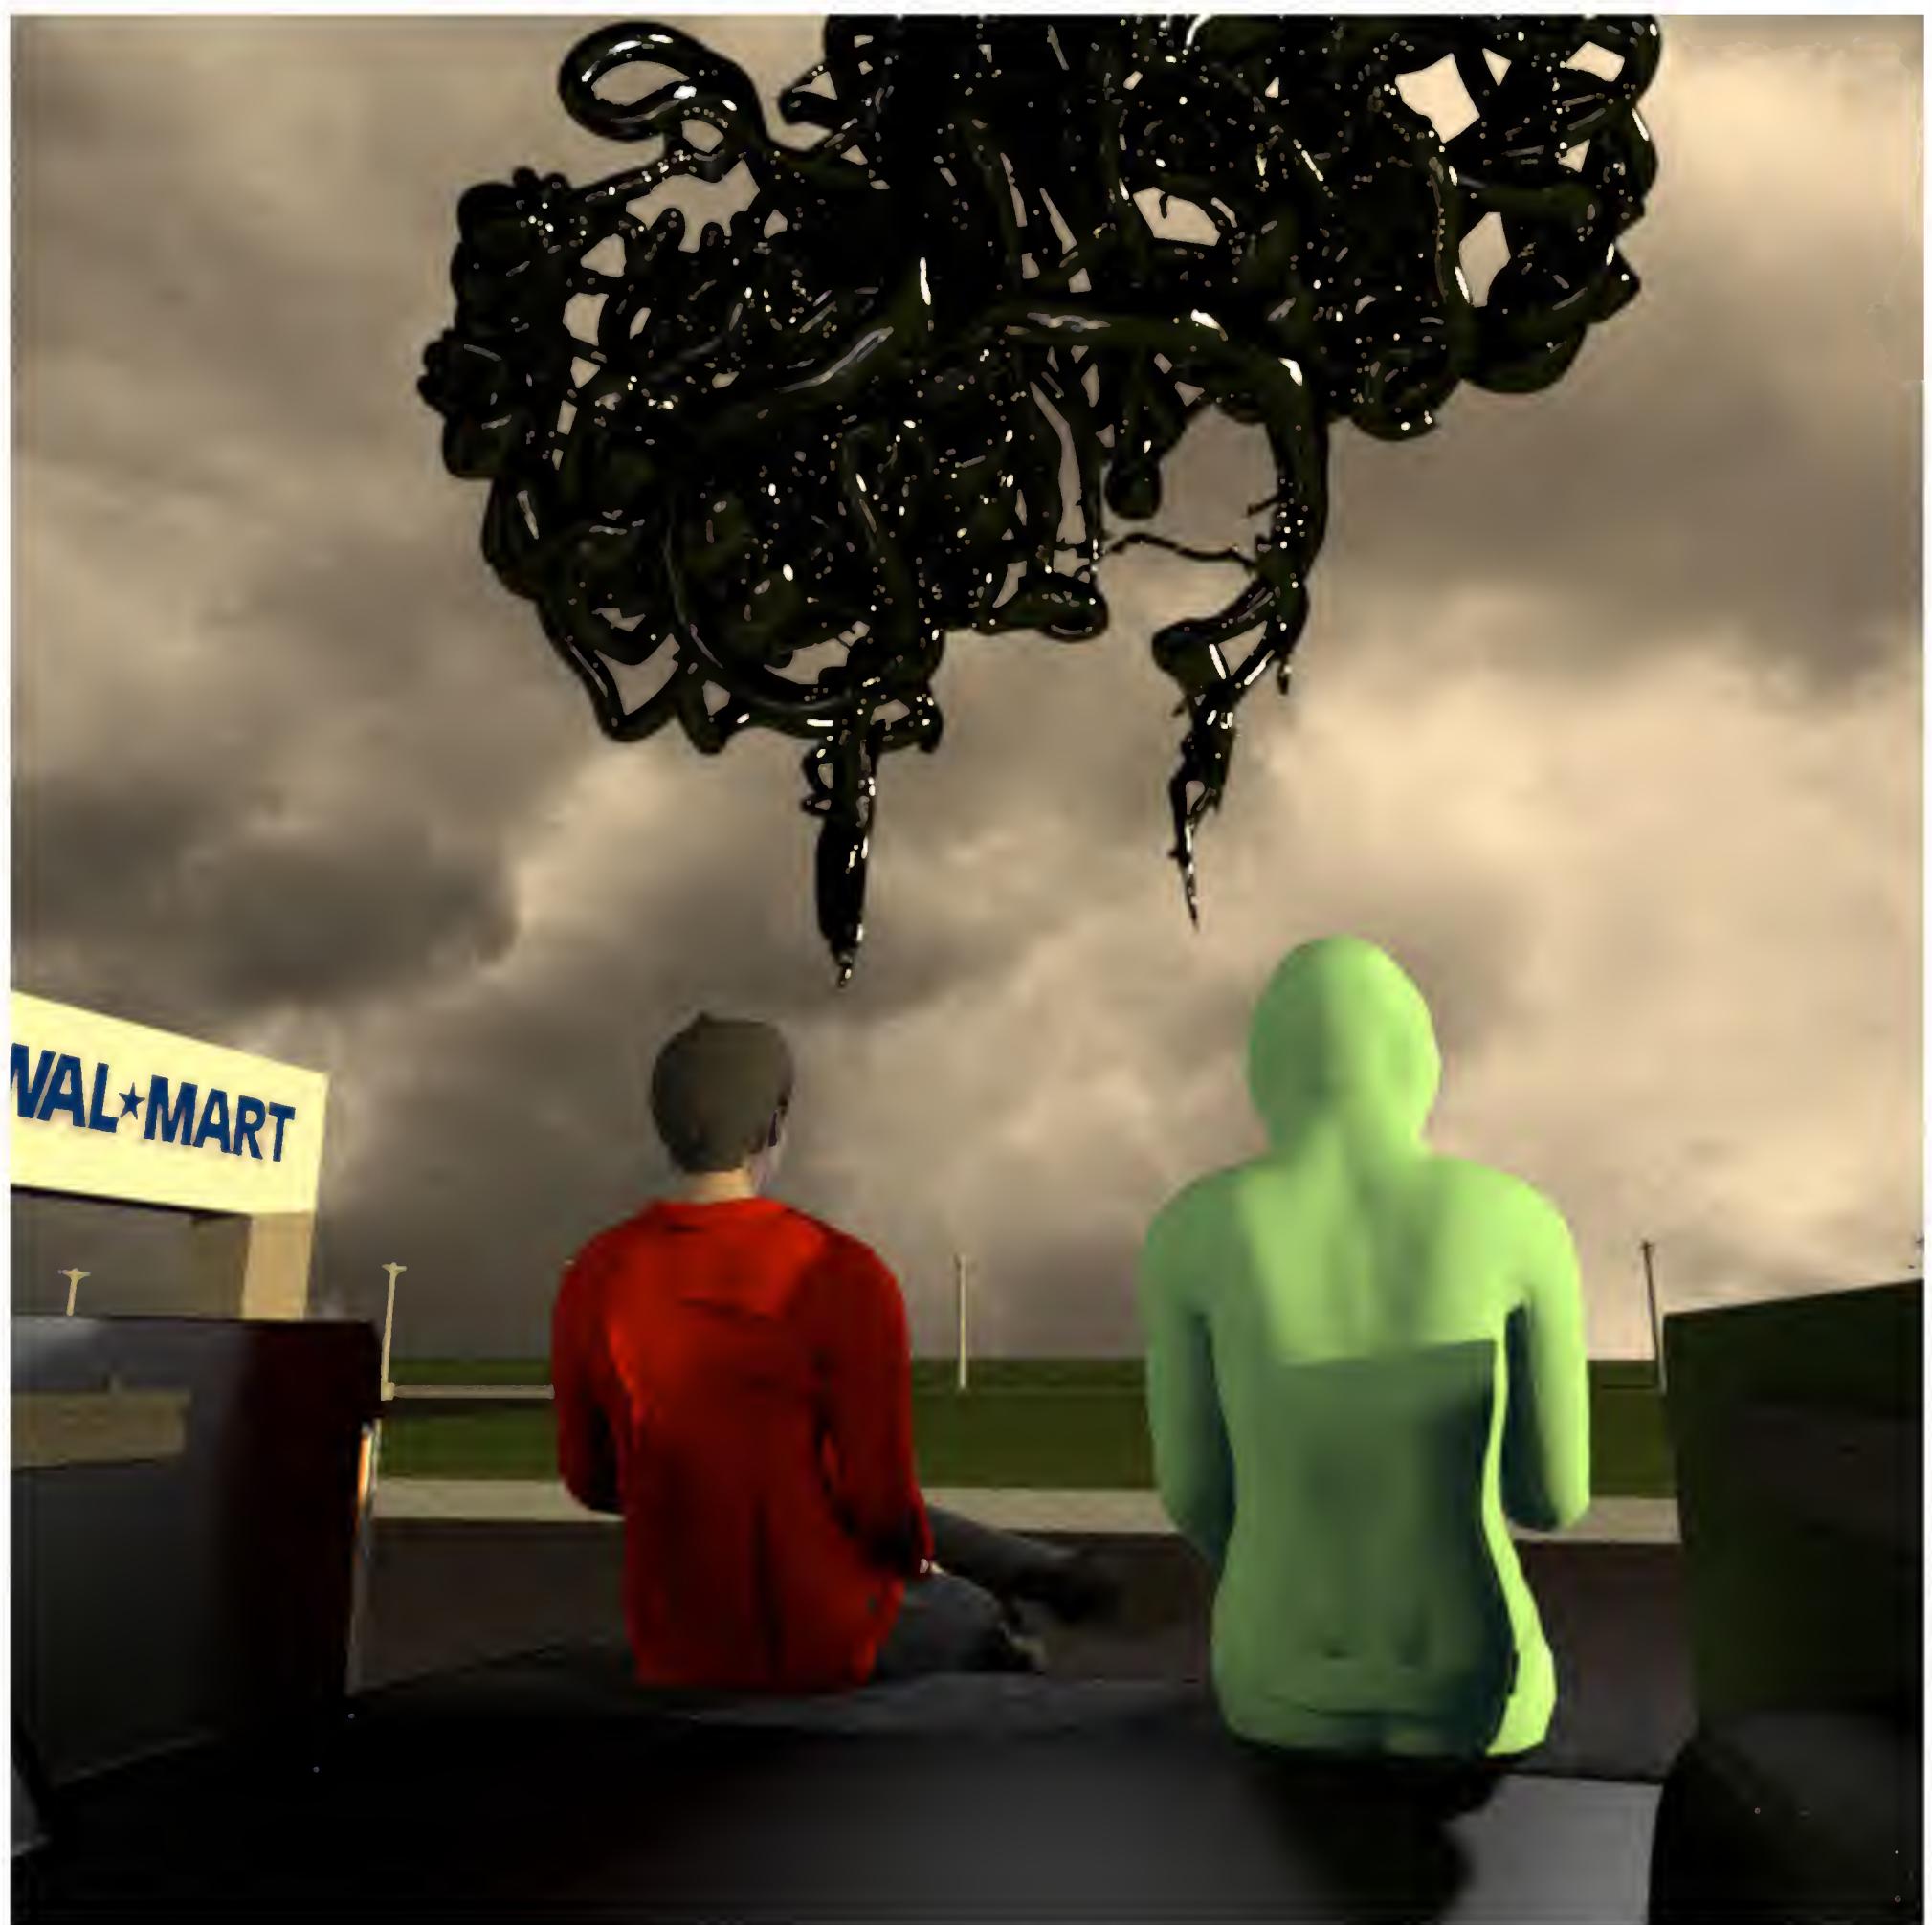

Do you think it's true?  
That this is the end?

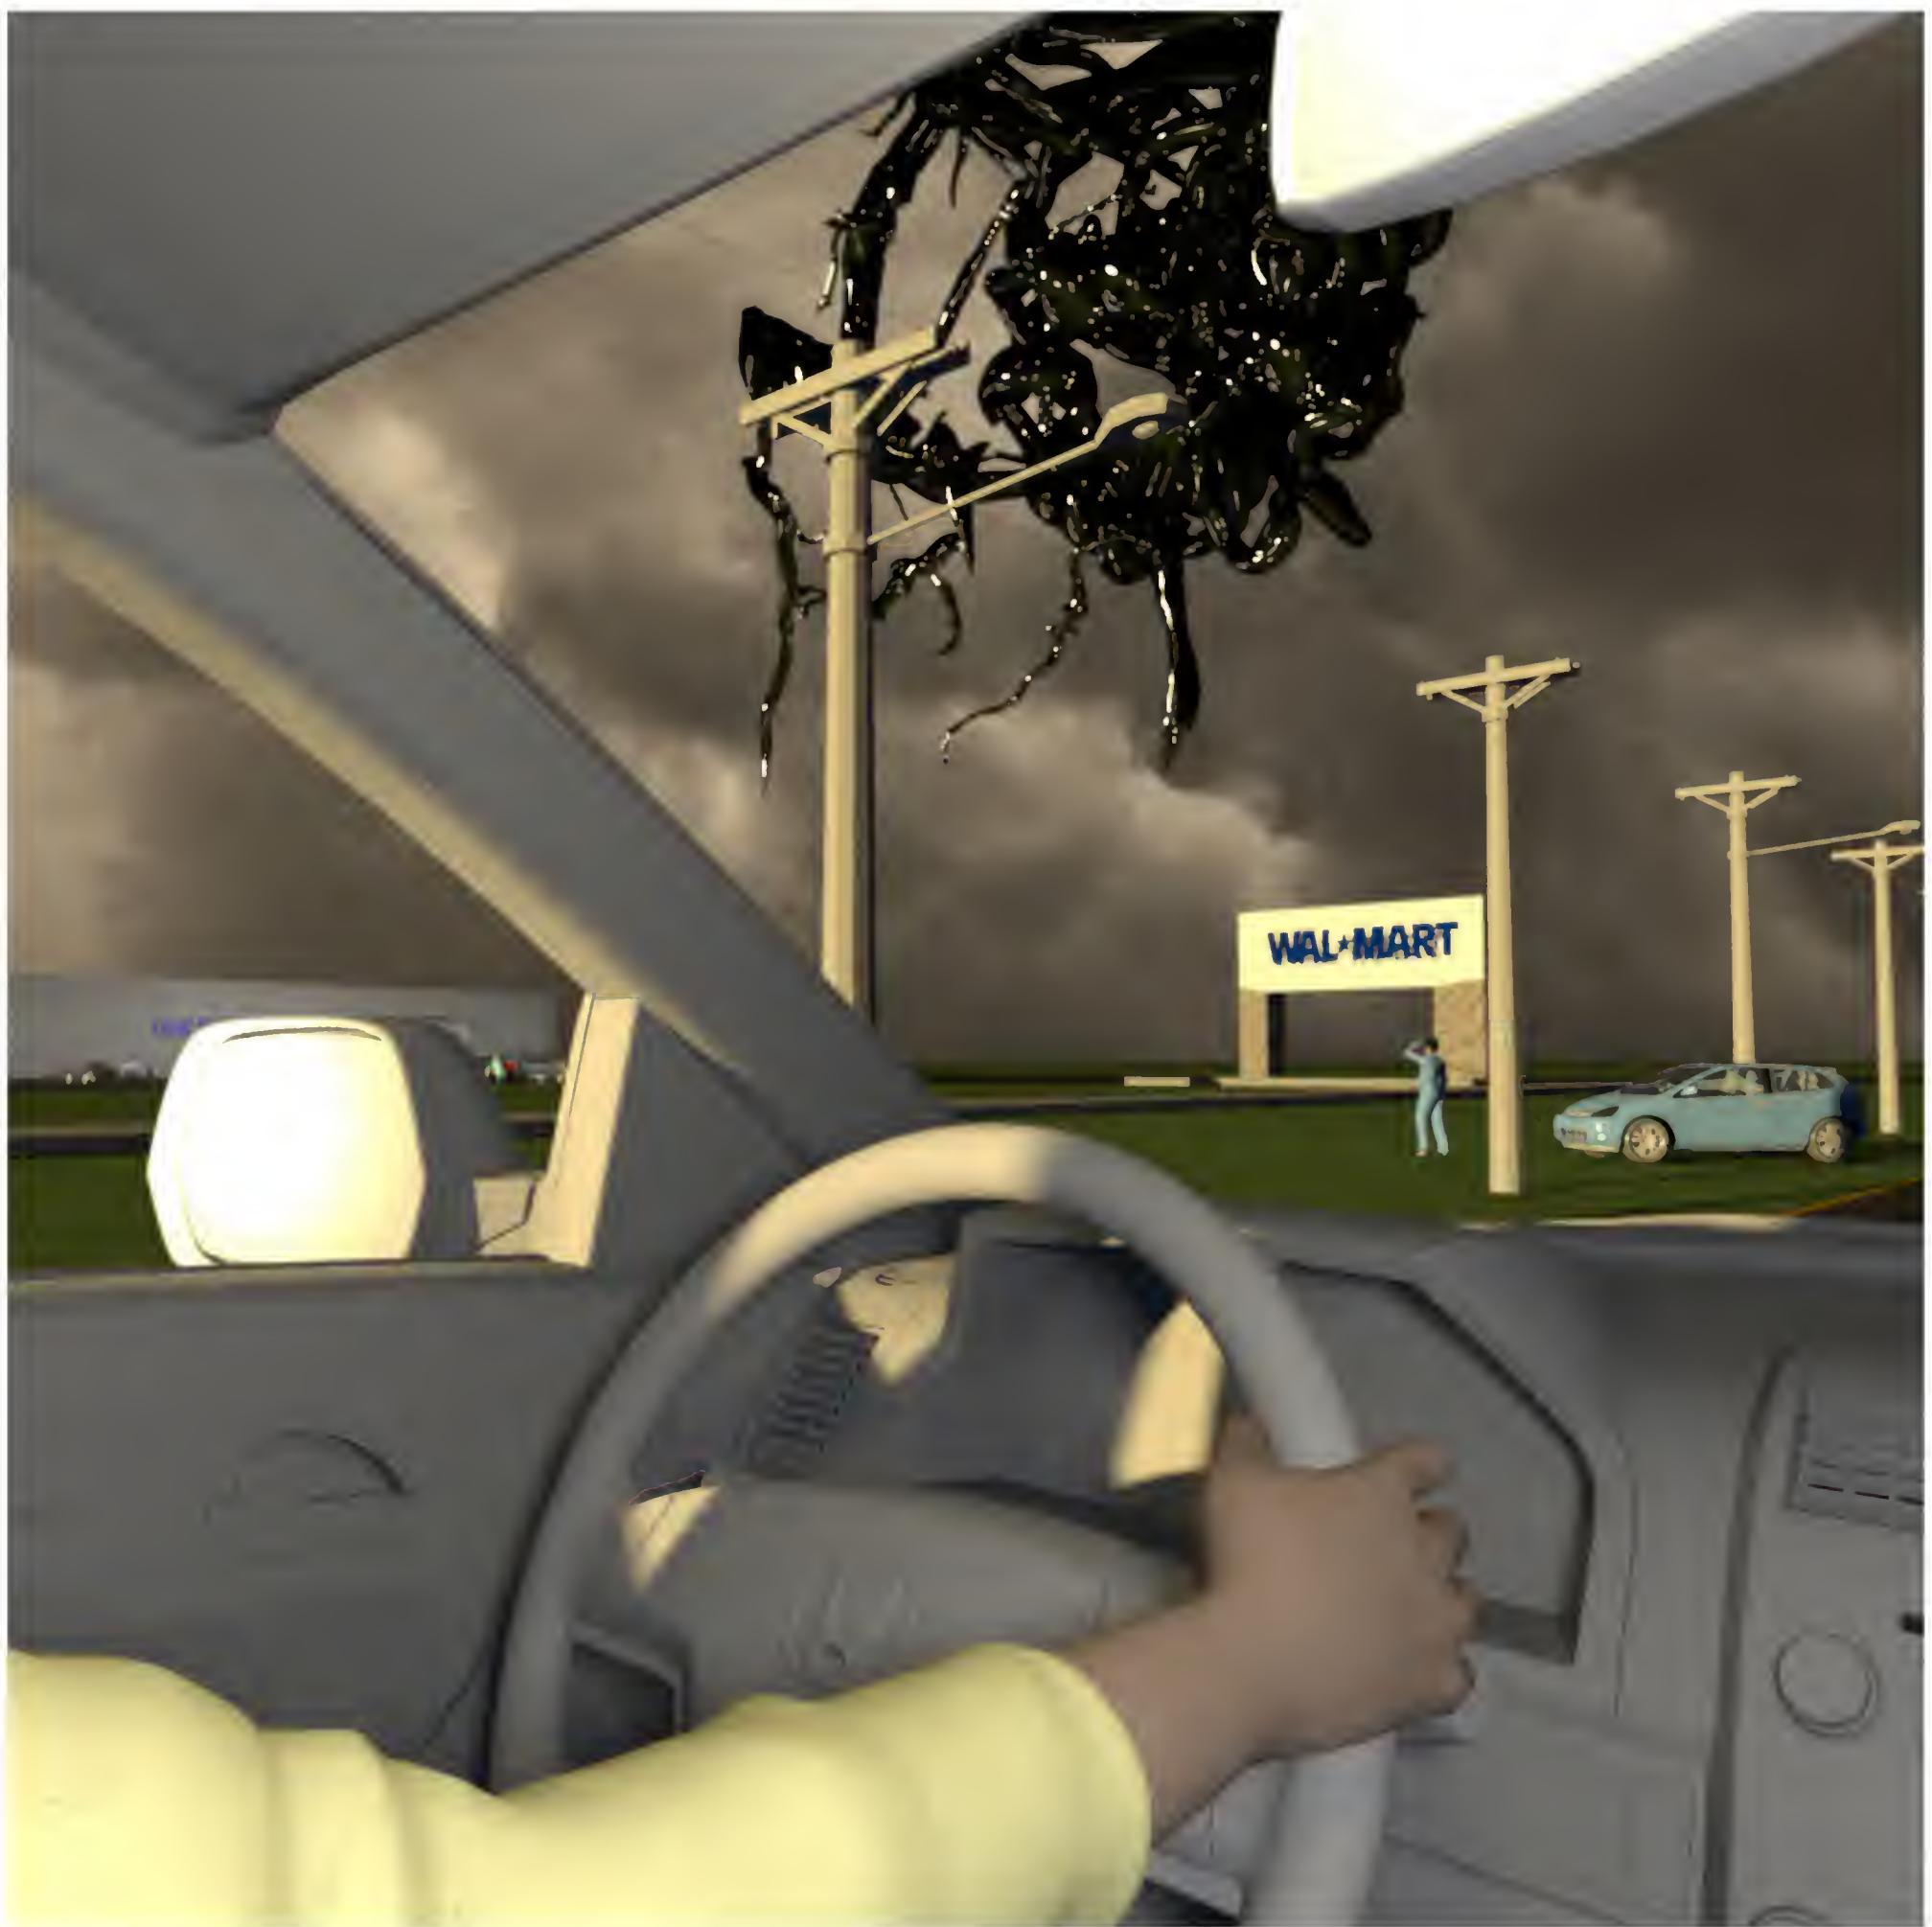

I hope so

You don't really  
mean that do you?

Shut up, man  
I don't know

Do you think we'll still get  
to be together afterwards?
